## Activities

---

**Objects:** TO EDUCATE THE PUBLIC ABOUT THE VIABILITY AND BENEFIT OF GENERATING ELECTRICITY THROUGH THE USE OF EMERGING TECHNOLOGIES; WHICH ARE IN PARTICULAR BUT NOT EXCLUSIVELY, DEFINED AS SUN, WIND AND SOLAR TECHNOLOGIES.

**Activities:** We deliver participatory eco-arts, cultural and environmental education: community workshops, artist residencies and public events across the UK that connect people with nature, wellbeing and climate action. Our eco-arts resources raise cultural awareness and support positive behaviour change. We inspire practical steps such as volunteering, local nature restoration and energy-saving initiatives.

## Classification

---

- **How:** Provides Services, Provides Advocacy/advice/information, Other Charitable Activities
- **What:** Education/training, Arts/culture/heritage/science, Environment/conservation/heritage
- **Who:** The General Public/mankind

## Geography

## Section A Reference and administration details

**Charity name** Third Sector Renewables

**Other names charity is known by** n/a

**Registered charity number (if any)** 1151947

**Charity's principal address** Apartment 207

12 Communication Row

Birmingham

**Postcode**

B15 1DY

### Names of the charity trustees who manage the charity

	Trustee name	Office (if any)	Dates acted if not for whole year	Name of person (or body) entitled to appoint trustee (if any)
1	William Fraser Crawford	Chair		Membership at AGM
2	Mark Augustine Peter McGuigan			
3	Issias Yohanes			
4				
5				
6				

### Names of the trustees for the charity, if any, (for example, any custodian trustees)

Name	Dates acted if not for whole year

### Names and addresses of advisers (Optional information)

Type of adviser	Name	Address

### Name of chief executive or names of senior staff members (Optional information)

## Section B Structure, governance and management

### Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	CONSTITUTION ADOPTED 08 JAN 2010 AS AMENDED ON 24 APRIL 2013
How the charity is constituted (eg. trust, association, company)	Charitable Unincorporated Association
Trustee selection methods (eg. appointed by, elected by)	Elected by members at AGM

### Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

--

## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

TO EDUCATE THE PUBLIC ABOUT THE VIABILITY AND BENEFIT OF GENERATING ELECTRICITY THROUGH THE USE OF EMERGING TECHNOLOGIES; WHICH ARE IN PARTICULAR BUT NOT EXCLUSIVELY, DEFINED AS SUN, WIND AND SOLAR TECHNOLOGIES.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Through the year, especially during planning meetings, the trustees have taken into account the guidance issued by the Charity Commission on public benefit (ref. ‘public benefit requirement’, The Charities Act, 2011)

TSR exists to educate and engage the public in protecting, preserving and conserving the natural environment—promoting practical climate action and the uptake of renewable, low-carbon behaviours. Our year focused on enabling community-level environmental action and learning, and on building the infrastructure that helps aligned charities and grassroots partners to deliver more, better and faster.

The trustees confirm they have had due regard to the Charity Commission’s guidance on public benefit when planning TSR’s activities, making decisions and allocating resources. Our work is open to the public or sections of the public without undue restriction, with benefits made clear and, wherever possible, low- or no-cost to access.

In 2024–25 we:

- Provided **Infrastructure Support** (administrative support services) to local, collaborative charities with similar environmental objectives, strengthening governance, finance and delivery capacity.
- Prepared and delivered **matched-funding campaigns** with The Big Give, including the **Christmas Challenge 2024** and the **Green Match Fund 2025** application and campaign activity, to resource place-based eco-action and public education.
- Advanced community-facing programme design, drawing on TSR’s mission and prior applications that emphasise hands-on environmental learning and action (e.g., rewilding, urban greening, eco-arts engagement).

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

- **Campaign readiness and delivery:** We developed and ran matched-funding activity through **Big Give Christmas Challenge 2024**, with a clear proposition—**EcoGPX® – Renewing Communities West Midlands**—to mobilise local eco-artists and communities, and we refined a results-oriented budget and impact plan ready for donor scrutiny.
- **Pipeline for 2025 public engagement:** We completed **Green Match Fund 2025** preparations and delivery phases across the window, setting measurable aims (expanding an eco-practitioner network; delivering workshops, rewilding and urban greening; and regular impact reporting) and a costed budget, improving TSR's capability to attract and deploy restricted and unrestricted funds.
- **Stronger evidence & evaluation:** We embedded a light-touch, practical evaluation approach (participant feedback, engagement metrics, simple biodiversity checks and social media analytics) to report transparently to donors and partners while keeping delivery costs lean.
- **Back-office capacity that multiplies impact:** Our **Infrastructure Support** offer helped partner charities to stabilise operations and plan environmental programming; this behind-the-scenes strengthening directly increases public benefit by enabling more high-quality, safe and well-governed activity.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

At the end of the financial year there was £699.35 in the bank.

As per the charity's Reserve Policy, the funds will be held in reserve to offset the minimum cost of any contingency.

### Details of any funds materially in deficit

No deficits

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

## Section F

## Other optional information

### 2025–26 Strategy (Motivation • Aims • Objectives • Activities • Evaluation)

**Motivation.** Climate and nature recovery need practical, local action. TSR will catalyse that action by resourcing communities and aligned partners to learn-by-doing—turning concern into measurable environmental improvements and skills.

#### Aims.

1. Grow equitable access to nature-connected learning and eco-action; 2) Channel matched funding to where it changes behaviour and habitats; 3) Prove and improve impact with simple, credible evidence.

#### Objectives (FY 2025–26).

- Deliver **subcontracted delivery** under Intercultural Roots for Public Health within the Innovate UK-funded **Extending Nature** project (project start 1 Jul 2025; TSR delivery/income falls in FY25–26), contributing ecological content, place-based engagement and nature-connected practice.
- Run at least **two matched-funding campaigns** with clear, public-facing aims and budget lines (e.g., eco-workshops, artist residencies, habitat improvements), building on 2024–25 learning.

#### Potential activities.

- Community eco-workshops and micro-projects (urban greening, river-corridor clean-ups, invasive-species removal, nature-connected arts).
- Small eco-artist residencies producing site-specific public engagement and simple action guides.
- Targeted back-office support (policies, budgeting, fundraising set-up) for aligned charities to accelerate safe, compliant delivery.

#### Evaluation (how we'll know it works).

- **Participation & reach:** headcounts/registrations, demographics, volunteer hours.
- **Environmental outputs:** simple habitat/bioblitz tallies (e.g., bags of litter removed, invasive patches cleared, trees/plants established).
- **Learning & behaviour:** short pre/post prompts on confidence, nature-connectedness and “next actions”.
- **Campaign performance:** funds raised (incl. Gift Aid), cost-to-raise-a-pound, and proportion unrestricted vs. restricted; short donor updates and an annual summary shared publicly.

# Independent examiner's report on the accounts

**Section A**

## Independent Examiner's Report

**Report to the trustees/  
members of**

THIRD SECTOR RENEWABLES

**On accounts for the year  
ended**

31<sup>st</sup> July 2025

**Charity no  
(if any)**

1151947

**Set out on pages**

Receipts and Payments Accounts, pages 1-2  
Trustees' Annual Report, pages 1-5

**Respective  
responsibilities of  
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent  
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent  
examiner's statement**

In connection with my examination, no matter has come to my attention (other than that disclosed below \*)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

*\* Please delete the words in the brackets if they do not apply.*

**Signed:**

*Pat Davey*

**Date:**

*11/07/25*

**Name:**

Pat Davey

# Annual Report 2022-23

## Third Sector Renewables (TSR) - Registered Charity Number: 1151947

### Financial Overview

- **Turnover for 2022-23:** £129,665, a significant increase from £16,170 in the previous year.
- **Funding Sources:** The increase in turnover is attributed to match-funded donations from The Aviva Community Fund and Save Our Wild Isles Community Fund, alongside contributions from 290 supporters through our 'Climate Action - Together For Implementation' Crowdfunder campaign.
- **Reserves:** At the end of the financial year, TSR held £6,048 in unrestricted funds, maintained for contingencies as per the charity's Reserve Policy.

### Trustees and Key Personnel

- **Trustees:** Mark McGuigan, Will Crawford, Emily Hopper
- **Coordinator:** Dr. Alex Boyd
- **Financial Administrator:** Wendy van der Haagen-Boyd

### About the Charity

TSR is committed to educating the public on renewable energy technologies (solar, wind) and promoting environmental conservation through various community-driven initiatives. Our activities include renewable energy promotion, energy conservation awareness, support for climate action projects, tackling eco-anxiety, and assistance in renewable energy installations.

### Key Activities and Achievements

#### Promotion of Renewable Energy and Conservation

TSR emphasises the importance of renewable, non-fossil fuel burning, energy sources and energy conservation, offering advice on energy-efficient practices and promoting sustainable energy solutions.

#### Support for Climate Action Projects

We organised projects to foster biodiversity, mitigate climate change impacts, and promote sustainable practices like tree planting, eco-somatics and waterway depolluting.

#### Community Engagement and Events

Our interactive popup E(nergy)-Zone events serve as educational platforms for renewable energy awareness. We brought hundreds of people together from England, Scotland, Wales and Northern Ireland through community consultation and climate action.

## Tackling Eco-Anxiety

We engaged the public in environmental work, promoting mental well-being through outdoor activities.

## Renewable Energy Installations

We supported the public in utilising government grants for energy-efficient home and building upgrades.

## Detailed Overview of Supported Climate Action Projects

1. **Growing Together – Clanabogan Park Initiative:** A tree planting initiative in Northern Ireland focusing on biodiversity enhancement and carbon reduction through the planting of native trees and plants.
2. **Practice at the Garden – Dance Artist Residency:** An artistic residency at the Story Garden in London, blending dance, ecology, and community engagement with a focus on environmental awareness and participatory art.
3. **Kinaesthetic Walks & Listening Practices:** An ecosomatic practice exploring silent walking and receptive listening to nature, combined with creative interaction and environmental stewardship activities.
4. **Divine Ridiculous – "Song of the Waters":** An initiative in Dartmoor to clean and re-wild a reservoir, incorporating community engagement through environmental work and artistic expressions.
5. **UPSTREAM/I FYNŶ'R AFON:** A collaborative workshop in Pembrokeshire, Wales focusing on embodied practices and environmental care, integrating movement and ecological awareness along a local river.
6. **Environmental Arts & Eco Somatic Residency:** A residency on Isle Martin, Scotland, merging environmental arts, eco-somatic practices, and climate action, emphasizing local collaboration and environmental stewardship.
7. **Waterway Pickers Staines:** A community project in Staines for cleaning local rivers, engaging the community in environmental art and activism, and fostering local ecological awareness.
8. **Butoh in Nature with Vangelina:** A dance residency in Yorkshire focusing on Butoh dance in natural settings, integrating environmental care activities such as litter collection and habitat creation.

## Future Strategy and Outlook

Looking ahead, TSR aims to expand its impact by:

1. **Strengthening Community Networks:** Increasing collaboration with local communities and organisations to broaden the reach and impact of our initiatives.
2. **Enhancing Educational Programs:** Developing more comprehensive educational materials and workshops to raise awareness about renewable energy and sustainability.
3. **Diversifying Funding Sources:** Exploring new funding opportunities and partnerships to support the growth and sustainability of our projects.

4. **Advancing Technology Utilisation:** Leveraging emerging technologies in renewable energy to implement more efficient and impactful solutions.
5. **Expanding Geographical Reach:** Extending our activities beyond current regions to address environmental challenges in diverse communities.
6. **Fostering Innovation in Climate Action:** Encouraging creative and innovative approaches to environmental conservation and climate action.

Through these strategic objectives, TSR is committed to continuing its vital work in promoting renewable energy, environmental conservation, and community engagement, adapting to the evolving challenges and opportunities in the field of environmental sustainability.

This report reflects TSR's dedication to a sustainable future and our ongoing commitment to making a significant impact in the realm of environmental conservation and renewable energy education. We are optimistic about the future and the role we will play in building a greener, more sustainable world.

# Independent examiner's report on the accounts

**Section A**

**Independent Examiner's Report**

**Report to the trustees/  
members of**

THIRD SECTOR RENEWABLES

**On accounts for the year  
ended**

31<sup>st</sup> July 2023

**Charity no  
(if any)**

1151947

**Set out on pages**

Receipts and Payments Accounts, pages 1-2  
Trustees' Annual Report, pages 1-4 plus Appendix

**Respective  
responsibilities of  
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent  
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent  
examiner's statement**

In connection with my examination, no matter has come to my attention (other than that disclosed below \*)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

\* Please delete the words in the brackets if they do not apply.

**Signed:**
