

**Colin McMillan
Boxing Training
Academy**

The Colin McMillan Boxing Training Academy was established on the 9th May 2013 and the trustees are Mickey Gordon, Susan and Susanne McMillan. Its purpose is to promote

- Healthy Living
- Amateur sport and particularly boxing
- Community development
- The lifestyle of socially underprivileged young people

Over the last year the charity has been successful in gaining grants from the Essex Youth trust and Hiscox Insurance company. In addition to these funds the charity has usually been proactive in arranging our own charity fundraising dinners and events . This has enabled us to provide a number of courses to residents and children in the local area. Courses took place at Redbridge Sports centre, St John's school and Parklands school . Previous programs have taken place at Farnham school, the T.A centre, Loxford school, Snaresbrook school and King Solomon High school. Over 250 boys and girls and girls between 8- 17 and many adults took part in the programmes including a number of children with autism and physical and mental disabilities.

They undertook

- Learning boxing skills
- Improve fitness
- Learning about healthy living
- Learning about self defence
- Skipping

With firm relationships with a number of local schools and youth centres, the charity is committed to expanding their programmes and giving more children from the surrounding area, the opportunity to take part in boxing courses.
