FINANCIAL REVIEW

Investment policy and objectives

In accordance with the constitution, the trustees have the power to make any investment which the trustees see fit. The trustees regularly review the charity's position and needs in respect of the investment policy.

Reserves policy

The demands on the charity's funds were within expectations totalling £49,880 (2023: £37,630).

It is the policy of the charity to maintain unrestricted funds, which are free reserves of the charity, at a level which the trustees think appropriate after considering the future commitments of the charity and the likely governance costs of the charity for the next year. At the balance sheet date the unrestricted funds of the charity were in deficit by £1,942 (2023: £497 surplus). However, the trustees are confident that the continued support of its creditors and the wider community will enable it to continue to pursue its charitable objectives for the foreseeable future.

FUTURE PLANS

The charity plans continuing the activities outlined above in the forthcoming years subject to satisfactory incoming resources.

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
