Objectives & Activities

The principal object of the charity is to engage in activities to support the school and assist in the provision of facilities to advance the education of all pupils at the school.

Registered Charitable Objectives

To advance the education of the pupils in the school in particular by:

- Developing effective relationships between staff parents and others associated with the school.
- Engaging in activities or providing facilities or equipment, which support the school and advance the education of the pupils.

In accordance with the Charity Commission's guidance on public benefit, the PTA aims to provide funds to enhance the school environment and resources available to the children and teachers. All children in the school (which pools its entrance from the local community) benefit from the PTA's funding efforts. Each year the PTA aims to provide funds for a mixture of recurring school costs (as set out below) and to contribute to larger one-off projects that leave a growing legacy of improvements to the school.

Activities

The PTA organises a mixture of small and large fund-raising events throughout the school year. For this year, the most significant fundraiser was the Mortlake Summer Fair.

There are the two annual school fairs at Christmas and in the summer. The Mortlake Summer Fair, held at Mortlake Brewery's grounds, is one of the highlights of the local community's year.

The PTA enables the supply of School Uniform by managing the purchase and distribution from suppliers to parents. Uniform is supplied at cost and so no profit is made. Any difference between income and expense arises due to timing and so cash-flow surplus/ deficit.

Achievements & Performance

This has been a great year of fundraising for the school with the launch of donations to the PTA as well as two new events. Over £65,000 has been raised through the support of the PTA, parents and community.

This year, the PTA funds included a contribution to French and music costs at the school, as well as NS Sport annual costs (external provider of physical education) and a hardship fund (supporting disadvantaged families with school trips and after school clubs).

Once again, the PTA team was present at all the main events (as listed in activities). Additional volunteers also helped at all events, principally at the Christmas and Summer Fairs where most families contribute their time. The Summer Fair, the principal fundraiser again delivered a great result, despite clashes with other local fairs. This means spending plans for the 2023/24 school year were able to be achieved. All events were extremely well attended and much enjoyed by all involved.

Financial Review for 2022-2023 School Year

For the Year 2023/24 Total gross income received was £65,887 (22/23: £46,408) Funds held in reserve at the end of the year amounted to £57,311 (22/23: £36,584).

A minimum level of reserves is set for the start of each school year. This currently stands at £13,000. This reserve allows for PTA overhead costs, running costs of the summer fair, a buffer for cashflow timing on uniform sales/ purchases and for unforeseen expenses or emergency requests from the school.

Trustees' Responsibilities:

The Trustees have complied with the duty in section 17(5) of the Charities Act 2022 to have due regard to the public benefit guidance published by the Charity Commission.

The Charities Act requires the trustees to prepare financial statements for each financial year which gives the true and fair view of the association's state of affairs at the end of the year and of the correctness of the Income and Expenditure Account for that year.

In preparing those Financial Statements, the trustees are required to select suitable accounting policies and then apply them consistently, make judgments and estimates that are reasonable and prudent and prepare the Financial Statements on a Going Concern basis unless it is inappropriate to presume that the association will continue to be in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the association and to enable them to ensure that the financial statements comply with the Charities Act as applicable to smaller charities. They are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' detailed reports including the Treasurer's report and accounts are annexed to these financial statements.

This report was approved by the Trustees on 17 July 2025 and signed on their behalf.

ST MARY MAGDALEN'S RC PRIMARY SCHOOL PTA

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

I report on the financial statements of St Mary Magdalen's RC Primary School PTA for the year ended 31 August 2024, which are set out on pages 5 to 12.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2022 ("the Charities Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than if the requirements that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Objectives & Activities

Registered Charitable Objectives

To advance the education of the pupils in the school in particular by:

- Developing effective relationships between staff parents and others associated with the school.
- Engaging in activities or providing facilities or equipment, which support the school and advance the education of the pupils.

In accordance with the Charity Commission's guidance on public benefit, the PTA aims to provide funds to enhance the school environment and resources available to the children and teachers. All children in the school (which pools its entrance from the local community) benefit from the PTA's funding efforts. Each year the PTA aims to provide funds for a mixture of recurring school costs (as set out below) and to contribute to larger one-off projects that leave a growing legacy of improvements to the school.

Activities

The PTA organises a mixture of small and large fund-raising events throughout the school year. For this year, the most significant fundraiser was the Mortlake Summer Fair.

There are the two annual school fairs at Christmas and in the summer. The Mortlake Summer Fair, held at Mortlake Brewery's grounds, is one of the highlights of the local community's year.

The PTA enables the supply of School Uniform by managing the purchase and distribution from suppliers to parents. Uniform is supplied at cost and so no profit is made. Any difference between income and expense arises due to timing and so cash-flow surplus/ deficit.

Achievements & Performance

This has been a great year of fundraising for the school with the launch of donations to the PTA as well as two new events. Over £25,000 has been raised through the support of the PTA, parents and community.

Financial Review for 2022-2023 School Year

For the Year 2022/23 Total gross income received was £46,408 (21/22: £31,540) Funds held in reserve at the end of the year amounted to £36,584 (21/22: £33,928).

This reserve allows for PTA overhead costs, running costs of the summer fair, a buffer for cashflow timing on uniform sales/ purchases and for unforeseen expenses or emergency requests from the school.

Trustees' Responsibilities:

The Trustees have complied with the duty in section 17(5) of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission. The Charities Act requires the trustees to prepare financial statements for each financial year which gives the true and fair view of the association's state of affairs at the end of the year and of the correctness of the Income and Expenditure Account for that year.

In preparing those Financial Statements, the trustees are required to select suitable accounting policies and then apply them consistently, make judgments and estimates that are reasonable and prudent and prepare the Financial Statements on a Going Concern basis unless it is inappropriate to presume that the association will continue to be in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the association and to enable them to ensure that the financial statements comply with the Charities Act as applicable to smaller charities. They are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' detailed reports including the Treasurer's report and accounts are annexed to these financial statements.

This report was approved by the Trustees on 27 August 2024 and signed on their behalf.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

For the year ended 31 August 2023

I report on the financial statements of St Mary Magdalen's RC Primary School PTA for the year ended 31 August 2023, which are set out on pages 5 to 11.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than if the requirements that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

For the year ended 31 August 2023

1 Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

2 Basis of accounting

2.1 Basis of preparation

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s).

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

St Mary Magdalen's RC Primary School PTA meets the definition of a public benefit entity under FRS 102.

2.2 Preparation of the accounts on a going concern basis

The financial statements have been prepared on a going concern basis. In making their assessment the trustees have reviewed and considered relevant information, including their annual budget and future cash flows. The trustees are of the view that the immediate future of the charity for the next 12 months is secure and that on this basis the charity is a going concern.

3 Income

3.1 Recognition of income

Income is recognised when the charity has entitlement to the resources, any performance conditions attached to the item(s) of income have been met, it is more likely than not that the resources will be received and the monetary value can be measured with sufficient reliability.

3.2 Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by FRS102 SORP or FRS102.

3.3 Grants and donations

Income from donations, is recognised when the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

All items that are donated for fundraising events (principally for resale or as prizes at the summer and Christmas fairs), are recognised in income on their sale or use at events.

ST MARY MAGDALEN'S RC PRIMARY SCHOOL PTA

Notes to the Financial Statements

For the year ended 31 August 2023

3.4 Volunteer help

The value of volunteer help received is not included in the accounts but is described in the trustees' annual report.

3.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

3.6 Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity.

4 Expenditure and liabilities

4.1 Liability recognition

Liabilities are recognised when it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

4.2 Irrecoverable VAT

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

4.3 Creditors

The charity has creditors which are measured at settlement amounts less any trade discounts.

4.4 Provisions for liabilities

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date.

5 Assets

5.1 Individual fixed assets costing £1,000 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a reducing balance basis:

The Charity currently has no tangible fixed assets.

5.2 Debtors

Debtors are measured at their recoverable amounts, being the amount the charity anticipates it will receive in settlement of the debt.

Introduction to PTA Annual Report:

The Trustees present their annual report for the year ended 31 August 2022.

Structure, governance and management

The charity was registered with the Charities Commission on 14 May 2013. The constitution of the St Mary Magdalen's RC Primary School PTA adopted is based on the model constitution provided by PTA-UK (now known as Parentkind). The charity is an unincorporated association.

The principal object is to engage in activities to support the school and assist in the provision of facilities to advance the education of all pupils at the school.

PTA Committee Members Year 2021/22

The membership of the PTA comprises the parents and legal guardians of pupils in the School and members of the teaching or other staff of the School. The Committee, which is elected by the members annually, manages the PTA. This Committee organises events, with the help of the main body of members, to raise funds. These funds are then distributed by either Committee decision or Member Meeting vote, as appropriate. There have been no material changes in either the objectives or policies of the PTA since the last Annual General Meeting.

Trustees and the Executive Committee do not receive any remuneration from the charity

2021/22 Committee Members:

Chair: Allan Aitchison
Secretary: Gemma O'Reilly
Treasurer: Clare Lynch

2021/22 Trustee Members for the PTA Charity:

Chair: Allan Aitchison
Treasurer: Clare Lynch

Subsequent to the year end, Allan Aitchison resigned as trustee and was replaced by Alison Young who is appointed for 2022/23 along with Clare Lynch.

Other Volunteers:

Parents of the school and teachers support the PTA Committee members by volunteering, providing additional bodies at events. In particular the Christmas and Summer Fairs are run by volunteers from each class (making up most of the school families) and by a selection of the teaching staff.

Objectives & Activities

Registered Charitable Objectives

To advance the education of the pupils in the school in particular by:

1. Developing effective relationships between staff parents and others associated with the school.
2. Engaging in activities or providing facilities or equipment, which support the school and advance the education of the pupils.

In accordance with the Charity Commission's guidance on public benefit, the PTA aims to provide funds to enhance the school environment and resources available to the children and teachers. All children in the school (which pools its entrance from the local community) benefit from the PTA's funding efforts. Each year the PTA aims to provide funds for a mixture of recurring school costs (as set out below) and to contribute to larger one-off projects that leave a growing legacy of improvements to the school.

Activities

The PTA organises a mixture of small and large fund raising events throughout the school year. For this year, the most significant fundraiser was the Mortlake Summer Fair.

There are the two annual school fairs at Christmas and in the summer. The Mortlake Summer Fair, held at Mortlake Brewery's grounds, is one of the highlights of the local community's year.

The PTA enables the supply of School Uniform by managing the purchase and distribution from suppliers to parents. Uniform is supplied at cost and so no profit is made. Any difference between income and expense arises due to timing and so cash-flow surplus/ deficit.

Achievements & Performance

After a difficult year in 2019/20 due to the impact of COVID, it has been great to have another great year of fundraising for the school. Over £25,000 has been raised through the support of the PTA, parents and community. This has enabled the school to invest in updated technology, reading materials and playground equipment for the school.

Additionally, each year the PTA funds include a contribution to NS Sport annual costs (external provider of physical education) and a hardship fund (supporting disadvantaged families with school trips and after school clubs).

Once again the PTA team was present and ran all the main events (as listed in activities). Additional volunteers also helped at all events, principally at the Christmas and Summer Fairs where most families contribute their time. The Summer Fair, the principal fundraiser again delivered a great result, despite clashes with other local fairs. This means spending plans for the 2021/22 school year are able to be achieved. All events were extremely well attended and much enjoyed by

all involved.

Trustees' Responsibilities:

The Trustees have complied with the duty in section 17(5) of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

The Charities Act requires the trustees to prepare Financial statements for each financial year which gives the true and fair view of the association's state of affairs at the end of the year and of the correctness of the Income and Expenditure Account for that year.

In preparing those Financial Statements, the trustees are required to select suitable accounting policies and then apply them consistently, make judgments and estimates that are reasonable and prudent and prepare the Financial Statements on a Going Concern basis unless it is inappropriate to presume that the association will continue to be in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the association and to enable them to ensure that the financial statements comply with the Charities Act as applicable to smaller charities. They are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' detailed reports including the Treasurer's report and accounts are annexed to these financial statements.

The Trustees present their annual report with the Independent Examiners' Report on the charity for the year ended 31 August 2021.

Structure, governance and management

The charity was registered with the Charities Commission on 14 May 2013. The constitution of the St Mary Magdalen's RC Primary School PTA adopted is based on the model constitution provided by PTA-UK (now known as Parentkind). The charity is an unincorporated association.

The principal object is to engage in activities to support the school and assist in the provision of facilities to advance the education of all pupils at the school.

PTA Committee Members Year 2020/21

The membership of the PTA comprises the parents and legal guardians of pupils in the School and members of the teaching or other staff of the School. The Committee, which is elected by the members annually, manages the PTA. This Committee organises events, with the help of the main body of members, to raise funds. These funds are then distributed by either Committee decision or Member Meeting vote, as appropriate. There have been no material changes in either the objectives or policies of the PTA since the last Annual General Meeting.

Trustees and the Executive Committee do not receive any remuneration from the charity

Objectives & Activities

Registered Charitable Objectives

To advance the education of the pupils in the school in particular by:

1. Developing effective relationships between staff parents and others associated with the school.
2. Engaging in activities or providing facilities or equipment, which support the school and advance the education of the pupils.

In accordance with the Charity Commission's guidance on public benefit, the PTA aims to provide funds to enhance the school environment and resources available to the children and teachers. All children in the school (which pools its entrance from the local community) benefit from the PTA's funding efforts. Each year the PTA aims to provide funds for a mixture of recurring school costs (as set out below) and to contribute to larger one-off projects that leave a growing legacy of improvements to the school.

Activities

The PTA organises a mixture of small and large fund raising events throughout the school year. For this year, the most significant fundraiser was the Sponsored Cycle from London to Brighton.

There are the two annual school fairs at Christmas and in the summer. The Mortlake Summer Fair, held at Mortlake Brewery's grounds, is one of the highlights of the local community's year.

Other events that the PTA organised during the year include social events such as the Quiz Night, Bingo and Family Fun Run. The PTA also supported the school by providing supplies to in class parties (Christmas, Easter); holding a Shrove Tuesday pancake morning; running a bar at the school summer performances (Proms & Production); and selling Christmas cards and mugs.

The PTA enables the supply of School Uniform by managing the purchase and distribution from suppliers to parents. Uniform is supplied at cost and so no profit is made. Any difference between income and expense arises due to timing and so cash-flow surplus/ deficit.

Achievements & Performance

Due to the consequences of the COVID-19 pandemic and school closures, we have adapted how we fundraise as a PTA this year. We have held 2 online Fairs, one for Christmas and our inaugural Easter Fair. Both of which were a success.

We also had a very successful Summer Fair, which is our biggest annual fundraiser.

This means we have managed to raise over £30,000 throughout the year.

Additionally, each year the PTA funds include a contribution to Ns Sport annual costs (external provider of physical education), transport (supporting school trip and

swimming logistics), library books and a hardship fund (supporting disadvantaged families with school trips and after school clubs).

Once again the PTA team was present and ran all the main events (as listed in activities). Additional volunteers also helped at all events, principally at the Christmas and Summer Fairs where most families contribute their time. We look forward to being able to continue to fundraise on the current levels we have achieved and, hopefully, continue with our more successful online events.

Trustees' Responsibilities:

The Trustees have complied with the duty in section 17(5) of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

The Charities Act requires the trustees to prepare Financial statements for each financial year which gives the true and fair view of the association's state of affairs at the end of the year and of the correctness of the Income and Expenditure Account for that year.

In preparing those Financial Statements, the trustees are required to select suitable accounting policies and then apply them consistently, make judgments and estimates that are reasonable and prudent and prepare the Financial Statements on a Going Concern basis unless it is inappropriate to presume that the association will continue to be in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the association and to enable them to ensure that the financial statements comply with the Charities Act as applicable to smaller charities. They are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' detailed reports including the Treasurer's report and accounts are annexed to these financial statements.

This report was approved by the Trustees on October 2021 and signed on its behalf
