Independent Examiners' Report for the year ended 31 May 2022

Respective responsibilities of trustees and examiner

The trustees (who are also the administrators of the charity for the purposes of charity law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to: examine the accounts under section 145 of the Charities Act, to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and to state whether any matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view, and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention to indicate that:

- accounting records have not been kept in accordance with Charities Act 2011
- the accounts do not accord with such records:
- where accounts are prepared on an accruals basis, whether they fail to comply with relevant accounting requirements and, or are not consistent with the Charities SORP (FRS102)
- any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts.

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity. Further details of each fund is disclosed on the last page (See Detailed Statement of Financial Activities).

Resources expended

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them. (See Detailed Statement of Financial Activities).

Management and governance costs

These costs include costs of the preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to trustees on governance or constitutional matters.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Fixtures, fittings, tools and equipment depreciation over 5 years

The policy for any equipment costing £1,000 or less will be charged as equipment expensed.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost is determined using the first in first out method. The carrying amount of stock sold is recognised as an expense in the period in which the related revenue is recognised.
