Evangelism is a core value and outreach strategy of the church to reach out to communities. #### **Youth Ministry**

The Youth Ministry Teams run vibrant Christian youth programmes weekly. These are designed to support the spiritual growth of the youths. The youth services are coordinated by Youth Ministers. Sessions were held to encourage Christian way of life, to be responsible youth members of communities, provided advice on social issues, career and support during and after the exams. The youths were and continue to be mentored into leadership roles by having the opportunity to participate in various departmental activities of the church.

#### **Children Ministry**

The operation of the Sunday School ministry was impacted by the Coronavirus pandemic and the attendant lockdowns in 2021. The charity however through the use of appropriate technology continued its implementation of the Christian faith by ensuring that children were inclusive, in the learning process of ongoing age-appropriate bible teachings.

The ministry focused on building self-confidence and raising high self-esteem in each child. This was achieved through teaching, music, drama, and dance sessions. As a ministry it continues to cater for the spiritual needs of children every Sunday, through age-appropriate bible stories and scripture teachings. Also, the Sunday School continues to help children enhance their learning of the bible through memorization of passages.

### **INDEPENDENT AUDITORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022**

---

We have audited the financial statements on pages 11 to 18 for the year ended 31 December 2022 which comprise the statement of financial activities, the balance sheet and the related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's trustees as a body, for our audit work for our audit work, for this report, or for the opinions we have formed.

#### **Respective responsibilities of trustees and auditors**

The Trustees have responsibilities for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards. These are set out in the Statement of Trustees' Responsibilities in the Report of the Trustees.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and international standards on Auditing (UK and Ireland)

Specifically:

- to examine the books and accounts of the charity in compliance with Section 43 of the 1993 Act;
- to strictly adhere to the general directions provided by the Charity Commission under Section 43(7)(b) of the Charities Act 1993; and
- to state whether particular matters have come to our attention in the course of our examination.

We report to you whether the financial statements have properly been prepared in accordance with the New United Kingdom Generally Accepted Accounting Practice and in accordance with the Charities Act 2011.

We also report to you whether the information given in the Trustees' Report is consistent with the financial statements. We consider the implications of our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

In addition we report to you if the charity has not kept proper accounting records, if we have not received all the information and explanations we require for our work, or if information specified by law regarding trustees' remuneration and other transactions with the charity is not disclosed.

We read the other information contained in the Annual Report, and consider whether it is consistent with the audited financial statements. This other information comprises only the Trustees Report. We consider the implications of our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to other information.

### INDEPENDENT AUDITORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

---

#### **The extent to which the audit was considered capable of detecting irregularities including fraud**

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the charity through discussions with trustees and other management, and from our commercial knowledge and experience of the industry.
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the charity, including the Companies Act 2006, taxation legislation, data protection, anti-money-laundering, employment, environmental and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management.
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud;
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in note 1 were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims; and
- reviewing correspondence with HMRC.

## **NEW COVENANT CHURCH**

### **INDEPENDENT AUDITORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022**

---

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any. Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### **Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charity's circumstances, consistently applied and adequately disclosed. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### **Opinion**

In our opinion:

- the financial statements give a true and fair view, in accordance with the New United Kingdom Generally Accepted Accounting Practice, of the state of the charity's affairs as at the year end and of its incoming resources and application of resources, including its income and expenditure, for the period then ended;
- the financial statements have been properly prepared in accordance with the Statement of Recommended Practice and the Charities Act 2011; and the information given in the Trustees Report is consistent with the financial statements.

#### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where we are required by law to report to you if, in our opinion:

## NEW COVENANT CHURCH
