- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Radford Foundation will promote for the benefit of the inhabitants of Mansfield Town and the surrounding areas the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Working with Mansfield Town Developments Ltd, a Community Interest Company in Mansfield, we have established a purpose built recreational facility at Woburn Lane, Pleasley that is available to the Mansfield Community.

It incorporates a full 3G floodlight football pitch, three full sized football pitches and a mini pitch. In addition there are function rooms, class rooms, offices and a medical facility.

The facility is available for hire by persons, groups and companies in the Mansfield and surrounding areas at an economic rate with discounts available.

The profits from the facility will be invested into the Radford Foundation for further benefits to the community.

We have reached agreement with Mansfield Town Developments for either the lower of a share of Profits made or a Commission on Sales of the Facilities Hire to be paid into the Foundation.

The impact of COVID in 2020 inhibited our activities.

Our vision is to create a safer, stronger community for the people of Mansfield and the surrounding areas, to improve the facilities available to youth programmes and to support the town's drive, passion and fundamental commitment to economic and social growth.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The impact of COVID meant that apart from the income from the Woburn facility there was no activity of the Foundation during 2020.
