Summary of the objects of the charity set out in its governing document

The Radford Foundation will promote for the benefit of the inhabitants of Mansfield Town and the surrounding areas the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Working with Mansfield Town Developments Ltd, a Community Interest Company in Mansfield, we have established a purpose built recreational facility at Woburn Lane, Pleasley that is available to the Mansfield Community.

It incorporates a full 3G floodlight football pitch, three full sized football pitches and a mini pitch. In addition there are function rooms, class rooms, offices and a medical facility.

The facility is available for hire by persons, groups and companies in the Mansfield and surrounding areas at an economic rate with discounts available.

The profits from the facility are invested into the Radford Foundation for further benefits to the community.

We have reached agreement with Mansfield Town Developments for either the lower of a share of Profits made or a Commission on Sales of the Facilities Hire to be paid into the Foundation.

Our vision is to create a safer, stronger community for the people of Mansfield and the surrounding areas, to improve the facilities available to youth programmes and to support the town's drive, passion and fundamental commitment to economic and social growth.
