A Coaching centre is being run in Punjab, India. At this centre private and free tuition are provided for poor children in the evening. This centre supplements the education provided from their school classes helping who are lagging behind in school due to various reasons including lack of funds or support. In addition the children are provided with relevant warm clothes, books and stationary.

To encourage children to attend the classes and look after their health, light refreshment is provided during the class break and furthers more a right temperature in study rooms created as per weather.

Due to bad weather and very bad health of Coaching Centre member the Coaching Centre was not in operation for a significant period during this year.

Due to a few medical issues we too could not go to India to look after Coaching Centre and open new Coaching Centre. However we have helped poor and unwell parents of Coaching Centre children.

Our plan is to visit India in 2026 to identify and setup additional support for the Coaching Centre as deemed necessary..
