The trustees who served as a trustee in the reporting period were as shown above.

All the trustees are also members of the charity.

Farzana Choudhury also attended trustees meetings as an associate trustee without any voting rights.

APASENTH INTERNATIONAL

Trustees' Report for the year ended 31 March 2021

OBJECTS AND ACTIVITIES

APASENTH International focuses on improving the lives of vulnerable people with learning disabilities, autism, and other special needs in urban and rural communities in Bangladesh. We work with local partners and stakeholders to provide a range of services in health, education, and poverty reduction for children and adults with disabilities and reduce levels of discrimination and stigma.

We advocate for the full inclusion of people with disabilities in society and provide information, advice and support to families and carers.

We aim to provide high quality, personalised care and support to help people achieve their goals, live a fulfilling life, and be connected with society.

APASENTH International was founded in response to the severe lack of services for vulnerable children and adults in Bangladesh with learning disabilities, autism, and other special needs. The new charity draws on the considerable expertise of our sister organisation - APASEN (previously known as APASENTH) - which is one of the UK's biggest diaspora-led charities (No.1114290) with more than thirty years' experience in the health and social care sector for people with learning disabilities, autism, and other special needs.

ACHIEVEMENT AND PERFORMANCE

Apasen-Phoenix School

An effective curriculum

During the last financial year, our structured curriculum has been supporting the development of pupils' self-help skills, communication, emotional well-being and social interaction. Pupils got engaged in a variety of activities through circle times, group work, free flow, child initiated and adult initiated learning. There have been opportunities for active exploration, learning through play, movement and sensory activities.

The school has invested in a refurbishment and new build project that has resulted in low arousal environments in classrooms. The management has ensured that the adults are trained to keep a calm voice and use minimal language when giving instructions or at times of crisis. Initiatives have been taken to develop pupils' communications opportunities to support and promote independent learning and problem-solving strategies.

We have developed good listening systems within the classroom, Circle Time, Social Use of Language Programme and augmentative communication systems etc. The school provided communication tools, symbols and visuals across the school to encourage and facilitate spontaneous communications.

The school management has taken initiative to introduce a range of rewards that are specific to the pupil's individual needs and sensory behaviours e.g. favourite toys, activities, computer, messy play, stickers, outdoor/indoor play or social praise.

How we supported our pupils during Pandemic situation:

Coronavirus has dramatically changed the way we work. Following the school closures during COVID-19, we started home activities to support our pupils. We effectively took some steps that include:

APASENTH INTERNATIONAL

Trustees' Report for the year ended 31 March 2021

Zoom Meeting:

As per the office schedule, the online work covered 5 days a week.

Home Activity Session

The members of staff called the pupils and their parents twice a week to give instruction for the guided activities. Subsequently, follow-up has been made and activity pictures or videos being archived.

Parents Meeting:

Parents' meetings have been organised every month virtually to discuss the issues being raised including school curriculum and pupils' mental health. In addition, Phoenix School London led some training for staff and parents on how to manage pupil's behaviour and improve their communication skills. The parents of Phoenix School London also shared their experience with parents in Sylhet.

Teacher's training

During the pandemic, online training has been given every Thursday.

Vaccination:

All Phoenix teachers and school staff are vaccinated. All had completed two doses of vaccination.

Communication with Parents:

A Facebook and WhatsApp group have been created to establish regular communication with parents. Therefore, we shared notice, photos, Videos, training link and many more information.

Distributing Gift for appreciate pupils:

Our home activity was based on newly developed curriculum. We have been continuing these sessions for over 18 months. We distributed gifts to appreciate our parents and pupils after 3 to 4 months.

Home visit (activity materials):

We often visited our pupils to see how they are doing and provided activity materials.

Reassessment

Following the closure of the school, the management arranged a reassessment to see pupils' behaviour issue and the changes required to make in the existing learning structure. After the reassessment, all the changes have been incorporated depending on pupils' needs.

Distributing safety materials:

The safety materials and books have been distributed to the pupils at the beginning of September 2021.

Now we are open

After resuming the school activities from 12th of September 2021, we have been following all the Health and Safety protocols. We ensured that the extra measures have been taken for Safeguarding and Child Protection. The school aspires to continue the Health and Safety measures following the government guidance.

Apasen Day Centre Report

Academic Activity

Throughout the pandemic, Apasen Day Centre continued its online session for the service users. This continuous process was running until the physical service started. The Day Centre care officers created a regular lesson plan and implemented creative ideas for service users' development to keep

APASENTH INTERNATIONAL

Trustees' Report for the year ended 31 March 2021

parents motivated. The home visit sessions were carried out by the care officers on a regular basis. Apasen ensured all safety measures are in place for the staff or care officers during their home visits e.g. by providing PPE, hand gloves, masks, hair cover, sanitizers and spray.

In absence of face-to-face service, Apasen Day Centre created a form to re-assess the difficulties and challenges of its service users to support them appropriately. Also, members of Apasen Day Centre conducted regular staff meetings as well as parents meetings on a monthly and weekly basis.

Apasen provided online trainings to members of staff on ADHD, Learning Disability and Understanding Autism etc. Also, they were given trainings on documentation from Therap global (software) on a weekly basis to generate qualitative reports.

Apasen International arranged events to distribute a range of row foods e.g. rice, oil along with safety materials including masks, gloves etc. The materials were distributed amongst the people with special needs.

Apasen International celebrated International Mother Language Day on 21st February 2021 and paid homage to the language martyrs. On the national Children Day in 2021, Apasen Day Centre sent gifts to all its service users. Due to pandemic, Apasen International could not celebrate the 101st birthday of Bangabandhu Sheikh Mujibur Rahman to avoid public gathering. However, Apasen care officers initiated an innovative virtual event with its service users to mark the occasion through activities including drawing, coloring flag, knowing the history and contribution of Bengali father of the nation.

Apasen observed all the national and international days related to its service including International Asperger's Day, World Down Syndrome Day, Autism Awareness Day and Learning Disability Week.

PUBLIC BENEFIT

The Board confirm that they have complied with the duty in the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

In particular, Apasen International has contributed to the beginnings of a care sector in Bangladesh through its capacity building and training work and wider advocacy and policy influencing activities. It has contributed to increasing support for specialist education provision for children with autism across the country and set standards for this with key government organisations.

Further information regarding the Charity's activities, public benefit and impact are presented on its website. <http://www.apaseninternational.org.uk>

STRUCTURE, GOVERNANCE AND MANAGEMENT OF THE CHARITY

The Board is the administrative and governing body and meets regularly throughout year, ensuring and monitoring that the Charity is performing well, is solvent and complies with all its obligations. The trustees met four times during the last year and assessed progress against targets - both fundraising and project based. It is expected that the trustees are active in supporting fundraising for APASENTH International's projects.

They acknowledge the on-going generous support from Apasen in assisting our international activities to improve the lives of poor children and young adults with learning disabilities, autism, and other special needs.

APASENTH INTERNATIONAL

Trustees' Report for the year ended 31 March 2021

The Chief Executive is supported by a senior manager, strategic adviser, senior trainer, and finance and administration officer. Some of these roles are in-kind support from Apasen as well as shared office space. Apasen International has also engaged an interim country coordinator who manages stakeholder engagement and project monitoring in Bangladesh on a part-time basis.

The methods used to recruit and appoint new charity trustees.

The Board identified skills, knowledge and competencies felt to be necessary to provide suitable oversight, governance and guidance to the charity. The Trustees self-assess against those skills. Any recruitment to vacancies on the Board or decisions to expand the number of Trustees will initially be considered against this skills matrix.

The Charity has in place a programme for the induction and training of new Trustees.

FINANCIAL REVIEW

The Trustees reported a surplus of £2,370 on operations for the period under review. The income for the year was £99,154 and expenditure was £96,784. The fund balance at the end of the period of £7,170 comprised unrestricted funds of £7,170 and restricted funds of £nil.

The trustees consider the financial performance by the charity during the year to have been satisfactory.

Policies on reserves.

It is the policy of the Charity to maintain a proportion of its reserves in a readily realisable form to ensure that its core activity could continue during a period of unforeseen difficulty. The Trustees consider readily realisable reserves to be the amount of reserves that are easily converted into cash without the need to dispose of any of its properties.

The Trustees assess the required level of reserves on an annual basis alongside its operating budget. This assessment takes into account the risks associated with each stream of income and expenditure varying from budget, its planned activity level, commitments to repay the loans secured on its properties and the need to keep sufficient bank balances to be able to manage the day-to-day fluctuations of receipts and payments.

The reserves policy was reviewed by the Trustees and based on its 2020-21 operating budget and cash flows, it was agreed to have a readily available reserve figure of at least a minimum of 3 months running costs of £5K or whichever is more.

PLAN FOR THE FUTURE

During the year 2021-22, we are planning to introduce robust activities, training programmes and external connectivity.

Considering the needs we shall develop working relationships with other agencies in Bangladesh so that we may develop further projects with their collaboration.

APASENTH INTERNATIONAL

Trustees' Report for the year ended 31 March 2021

STATEMENT OF TRUSTEES'S RESPONSIBILITIES

Trustees are required to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the CIO and the incoming resources and application of resources, including the net income or expenditure, of the CIO for the year. In preparing those financial statements the trustees are required to:

- ☐ Select suitable accounting policies and then apply them consistently;
- ☐ Observe the methods and principles in the applicable Charities SORP;
- ☐ Make judgements and estimates that are reasonable and prudent;
- ☐ State whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- ☐ Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act.

The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees confirm that to the best of their knowledge there is no information relevant to the Independent Examination of which the Examiner is unaware.

The Trustees also confirm that they have taken all necessary steps to ensure that they themselves are aware of all relevant financial information and that this information has been communicated to the Examiner.

The Trustees are members of the charity, but this entitles them only to voting rights. The Trustees have no beneficial interest in the charity.

This report was approved by the Board of Trustees on 27 July 2021 and signed on their behalf by:

Helal Rahman

HELAL RAHMAN
Trustee and Chair

Independent Examiner's to the Trustees of the charity on the accounts for the year ended 31 March 2021

I report to the charity trustees on my examination of the accounts of We Belong for the period ended 31 March 2021.

This report is made solely to the trustees as a body, in accordance with the Charities Act 2011. My examination has been undertaken so that I might state to the trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the trustees as a body, for my examination, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity trustees of the CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

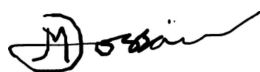

I report in respect of my examination of the CIO's accounts carried out under section 145 of the 2011 Act. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the CIO as required by section 130 of the Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the applicable requirements concerning form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give as 'true and fair' view which is not considered part of an independent examination.
4. The accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP FRS 102), The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

In applying the financial reporting framework, the Trustees have made a number of subjective judgements, for example in respect of significant accounting estimates. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The nature of the estimation means the actual outcomes could differ from those estimates. Any significant estimates and judgements affecting these financial statements are detailed within the relevant accounting policy below.

The financial statements are presented in sterling which is the functional currency of the charity and are rounded to the nearest £1.

Public benefit entity

The charity meets the definition of a public benefit entity under FRS 102.

Going Concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as grants and appeal income. Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Income recognition

Income, whether from exchange or non-exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Donated goods, facilities and services

Donated services and facilities (including seconded staff and use of property) are included in the accounts on the basis of the value of the gift to the charity.

All donated services and facilities are recognised as donation income when received, (provided the value of the gift can be measured reliably) and recognised as an expense with an equivalent value.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated..

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities and is decreased by the utilisation of any provision within the period and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

All creditors and provision arising from ongoing activities are included.

Financial instruments including cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

Time spent by the CEO and HR Officer and Trainer is included based on their actual salary cost for the time supported by the charity. Office space cost is based on estimated cost for one desk space occupied by the Charity.

The charity has no direct staff costs as Apasen has seconded a team of senior managers to support the organisation while it is being established. This is also noted in Donated Goods and services.

No employees received emoluments (excluding pension costs) in excess of £60,000 per annum.
