STEVENAGE SPORTING FUTURES TEAM LIMITED

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST AUGUST 2022

The 2021-22 academic year saw a return to face to face delivery following the COVID-19 pandemic with staff members visiting schools to deliver sessions and events and competitions being hosted at various venues across Stevenage and the surrounding areas. Following the reduced subscription cost in the 2020-21 academic year, the subscription cost returned to the usual rate in the 2021-22 academic year with full delivery expected. Across the year, there has been 10,901 attendances at Stevenage Sporting Futures Team provision, 42 primary and 6 secondary events delivered and 10 teacher training opportunities. This has included a range of new events, competitions and opportunities which has included: Mental Health Champions Training, Year 5 Handball, Year 5 and 6 Ultimate Frisbee and Targeted Teacher CPD to name only a few. The Stevenage Sporting Futures Team have featured in the local newspaper, The Comet, on four separate occasions, raising the profile of the organisation and its' work. At the start of the year, 25 out of the 32 local primary schools continued to buy into the annual subscription to the Stevenage Sporting Futures Team allowing for a continued programme of activities. Two schools joined the partnership throughout the academic year, with one school committing to the partnership for the next three academic years. Therefore, 27 out of 32 local primary schools were a partnership school of the Stevenage Sporting Futures Team. Despite lockdown restrictions being lifted, schools have struggled with staff and student absence across the academic year, therefore being unable to release staff members to attend events. The continued use of virtual competition and online content allowed for opportunities to still offer key elements of the programme without the need for groups meeting together. Using lateral flow testing and risk assessments where appropriate, staff have been able to deliver sessions in school meaning school staff absence has not been a factor and the partnership provision has been able to be delivered at their school sites. Staffing changed significantly since the previous academic year. A new Partnership Manager was appointed, joining the team from the Welwyn, Hatfield School Sports Partnership. This prior experience has assisted with a smooth transition and schools have remained engaged and satisfied with the opportunities, praising a new, innovative approach. The previous Project Co-ordinator was promoted, with a salary increase, to Project Manager and the previous Junior Community Coach had their job title changed to Community and Secondary Engagement Coach to show a change in responsibilities, working 1 day a week up to May 2022 and 2 days a week in June and July 2022. In April 2022, the current Competition Lead was successful in securing an additional responsibility of Deputy Designated Safeguarding Person, a position which was advised following a policy review, with an additional annual payment paid monthly. In May 2022, the Project Manager resigned after successfully interviewing for an advanced role at a local company. Due to the current funding only being confirmed until 31 August 2022, it was decided that this job role could be covered internally for half a term. Therefore, the Partnership Manager and Community and Secondary Engagement Coach shared the job responsibilities as Acting Joint Project Manager. The Community and Secondary Engagement Coach received an hourly salary uplift for this.

SSFT were successful in becoming an FA Girls Football Partnership in the Year 2020-21, which came with an annual funded amount of £6,750. The programme is available until 2024 and it is hoped that this will be a positive programme and source of funding during this period. This year, Stevenage has been nationally recognised as a partnership that engages schools successfully. The programme engages with a local partner, Stevenage Football Foundation and through this some funding was initially allocated from the programme to support their delivery. This delivery has started in schools that needed additional assistance with offering girls football in their curriculum or extra-curricular offering. The scheduled Stevenage School's Dance Festival had been moved to February 2022 but was cancelled due to the rise in COVID cases over the 2021 Christmas break. Instead, the Dance Festival was delivered in July 2022. Despite a smaller number of schools taking part than expected, the event was run to a small profit. The first large-scale face to face Annual Sports Awards Evening was delivered in July 2022, just over the sponsorship budget received. The small profits made from the Dance Festival have covered these costs. Due to the return of a full partnership provision offering, there has been an increase in face to face event costs including facility hire, refreshments and printing. However, these increased costs were forecasted in the budget, which has meant the budget has remained stable throughout the year.

STEVENAGE SPORTING FUTURES TEAM LIMITED

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST AUGUST 2022

Objectives and activities

Public benefit

The trustees of Stevenage Sporting Futures Team confirm that due regard has been paid to the public benefit guidance published by the Charities Commission and that in setting and reviewing the strategic objectives of SSFT, they are mindful of its charitable purpose for public benefit.

Achievement and performance

Fundraising activities

Incoming resources in the year were £138,948 (2021 - £109,019). A surplus of £15,835 (2021 - £16,218) was made in the year.

Future activities

29 schools have confirmed their intention to be part of the partnership for the 2022-23 academic year, which is the largest number of schools in several years, adding 4 to the previous 25 which were confirmed in September 2021. This has been offered at the full cost once again, determined by schools size and breakdown of KS1 and KS2 school roll. The cost of the partnership package has remained the same as the 2021-22 academic year. The Partnership Primary Schools provision document has been shared with schools. The document shows an active, dynamic and innovative partnership offering with opportunities for all students. This includes a variety of developmental events, in school delivery and the competitive county pathway to ensure that all students have access to high quality physical education and mental health opportunities. External funding has been received for various projects in 2022-23 including Primary Mental Health Champions (Hertfordshire Community Foundation) and the Year 4/5 Lacrosse Programme (The Lacrosse Foundation). Once again, a longer term funding picture for both the PE and School Sports Premium and the School Games programme was expected but was not announced. In December 2021, the School Games programme was confirmed until August 2022, with the programme being extended until March 2023 in March 2022. In June 2021, the PE and School Sports Premium was confirmed for the 2022-23 academic year, although all of the schools had confirmed their partnership sign up. There is still no guarantee of a future past August 2023, making longer term planning continually difficult. But, it is welcome news that the schools would sign up to the partnership regardless of the sports premium. The existing Partnership Manager will be stepping aside from the Stevenage Sporting Futures Team from 1 September 2022. An additional layer has been added to the existing staffing structure to offer this individual the job role of Executive Partnership Manager. The Executive Partnership Manager will have oversight of strategic Leadership and Management, defining and delivering the vision and objectives of the Stevenage Sporting Futures Team. The current Inclusion Lead has been offered the role of Head of Partnership with responsibility for Inclusion who will ensure the smooth day to day running of all aspects of the Stevenage Sporting Futures Team. The current Competition Lead/Deputy Designated Safeguarding Person and Community and Secondary Engagement Coach remain the same. Two individuals join the staffing team from September; a School Games and Partnership Project Lead and School Delivery and Competition Lead. The staffing structure will be reviewed throughout the academic year and changed if necessary. All staff have been offered 1 year fixed term contracts, with notice periods being extended to 1 month from 1 week. The future of SSFT moving beyond Summer 2023 will be discussed with the directors, executive group and the current staffing group.

Following the reduced subscription cost in the 2020-21 academic year, the subscription cost returned to the usual rate in the 2021-22 academic year with full delivery expected. Across the year, there has been 10,901 attendances at Stevenage Sporting Futures Team provision, 42 primary and 6 secondary events delivered and 10 teacher training opportunities. This has included a range of new events, competitions and opportunities which has included: Mental Health Champions Training, Year 5 Handball, Year 5 and 6 Ultimate Frisbee and Targeted Teacher CPD to name only a few. The Stevenage Sporting Futures Team have featured in the local newspaper, The Comet, on four separate occasions, raising the profile of the organisation and its' work. At the start of the year, 25 out of the 32 local primary schools continued to buy into the annual subscription to the Stevenage Sporting Futures Team allowing for a continued programme of activities. Two schools joined the partnership throughout the academic year, with one school committing to the partnership for the next three academic years. Therefore, 27 out of 32 local primary schools were a partnership school of the Stevenage Sporting Futures Team. Despite lockdown restrictions being lifted, schools have struggled with staff and student absence across the academic year, therefore being unable to release staff members to attend events. The continued use of virtual competition and online content allowed for opportunities to still offer key elements of the programme without the need for groups meeting together. Using lateral flow testing and risk assessments where appropriate, staff have been able to deliver sessions in school meaning school staff absence has not been a factor and the partnership provision has been able to be delivered at their school sites. Staffing changed significantly since the previous academic year. A new Partnership Manager was appointed, joining the team from the Welwyn, Hatfield School Sports Partnership. This prior experience has assisted with a smooth transition and schools have remained engaged and satisfied with the opportunities, praising a new, innovative approach. The previous Project Co-ordinator was promoted, with a salary increase, to Project Manager and the previous Junior Community Coach had their job title changed to Community and Secondary Engagement Coach to show a change in responsibilities, working 1 day a week up to May 2022 and 2 days a week in June and July 2022. In April 2022, the current Competition Lead was successful in securing an additional responsibility of Deputy Designated Safeguarding Person, a position which was advised following a policy review, with an additional annual payment paid monthly. In May 2022, the Project Manager resigned after successfully interviewing for an advanced role at a local company. Due to the current funding only being confirmed until 31 August 2022, it was decided that this job role could be covered internally for half a term. Therefore, the Partnership Manager and Community and Secondary Engagement Coach shared the job responsibilities as Acting Joint Project Manager. The Community and Secondary Engagement Coach received an hourly salary uplift for this.

SSFT were successful in becoming an FA Girls Football Partnership in the Year 2020-21, which came with an annual funded amount of £6,750. The programme is available until 2024 and it is hoped that this will be a positive programme and source of funding during this period. This year, Stevenage has been nationally recognised as a partnership that engages schools successfully. The programme engages with a local partner, Stevenage Football Foundation and through this some funding was initially allocated from the programme to support their delivery. This delivery has started in schools that needed additional assistance with offering girls football in their curriculum or extra-curricular offering. The scheduled Stevenage School's Dance Festival had been moved to February 2022 but was cancelled due to the rise in COVID cases over the 2021 Christmas break. Instead, the Dance Festival was delivered in July 2022. Despite a smaller number of schools taking part than expected, the event was run to a small profit. The first large-scale face to face Annual Sports Awards Evening was delivered in July 2022, just over the sponsorship budget received. The small profits made from the Dance Festival have covered these costs. Due to the return of a full partnership provision offering, there has been an increase in face to face event costs including facility hire, refreshments and printing. However, these increased costs were forecasted in the budget, which has meant the budget has remained stable throughout the year.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST AUGUST 2022

Objectives and activities

Public benefit

The trustees of Stevenage Sporting Futures Team confirm that due regard has been paid to the public benefit guidance published by the Charities Commission and that in setting and reviewing the strategic objectives of SSFT, they are mindful of its charitable purpose for public benefit.

Achievement and performance

Fundraising activities

Incoming resources in the year were £138,948 (2021 - £109,019). A surplus of £15,835 (2021 - £16,218) was made in the year.

Future activities

29 schools have confirmed their intention to be part of the partnership for the 2022-23 academic year, which is the largest number of schools in several years, adding 4 to the previous 25 which were confirmed in September 2021. This has been offered at the full cost once again, determined by schools size and breakdown of KS1 and KS2 school roll. The cost of the partnership package has remained the same as the 2021-22 academic year. The Partnership Primary Schools provision document has been shared with schools. The document shows an active, dynamic and innovative partnership offering with opportunities for all students. This includes a variety of developmental events, in school delivery and the competitive county pathway to ensure that all students have access to high quality physical education and mental health opportunities. External funding has been received for various projects in 2022-23 including Primary Mental Health Champions (Hertfordshire Community Foundation) and the Year 4/5 Lacrosse Programme (The Lacrosse Foundation). Once again, a longer term funding picture for both the PE and School Sports Premium and the School Games programme was expected but was not announced. In December 2021, the School Games programme was confirmed until August 2022, with the programme being extended until March 2023 in March 2022. In June 2021, the PE and School Sports Premium was confirmed for the 2022-23 academic year, although all of the schools had confirmed their partnership sign up. There is still no guarantee of a future past August 2023, making longer term planning continually difficult. But, it is welcome news that the schools would sign up to the partnership regardless of the sports premium. The existing Partnership Manager will be stepping aside from the Stevenage Sporting Futures Team from 1 September 2022. An additional layer has been added to the existing staffing structure to offer this individual the job role of Executive Partnership Manager. The Executive Partnership Manager will have oversight of strategic Leadership and Management, defining and delivering the vision and objectives of the Stevenage Sporting Futures Team. The current Inclusion Lead has been offered the role of Head of Partnership with responsibility for Inclusion who will ensure the smooth day to day running of all aspects of the Stevenage Sporting Futures Team. The current Competition Lead/Deputy Designated Safeguarding Person and Community and Secondary Engagement Coach remain the same. Two individuals join the staffing team from September; a School Games and Partnership Project Lead and School Delivery and Competition Lead. The staffing structure will be reviewed throughout the academic year and changed if necessary. All staff have been offered 1 year fixed term contracts, with notice periods being extended to 1 month from 1 week. The future of SSFT moving beyond Summer 2023 will be discussed with the directors, executive group and the current staffing group.

Financial review

Reserves policy

Stevenage Sporting Futures Team Limited is working towards ensuring that funds are available in each financial year to meet any reasonable foreseeable contingency. The charity will maintain a projection of income and work towards ensuring that this continues to be derived from as wide a variety of sources as possible. They will take all necessary steps to ensure that at no time would it be possible for the cessation of one or more funding streams to present so serious a challenge to the future of the organisation.

3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).
