Activities

Objects: TO ADVANCE EDUCATION OF YOUNG PEOPLE AGED 5 TO 16 FOR THE BENEFIT OF THE PUBLIC WHO SUFFER FROM FINANCIAL HARDSHIP TO SUPPORT THEIR EDUCATION BY CONTRIBUTING TOWARDS SUCH EQUIPMENT, CLOTHING, ITEMS, TRIPS OR CURRICULUM ACTIVITIES AS THE TRUSTEES IN THEIR ABSOLUTE DISCRETION DEEM APPROPRIATE.

Activities: We have supplied young people with clothing such as P.E kits, Jackets and Uniform. For example, without P.E kit students are less likely to get involved in lessons, therefore affecting their education. We have also been able to send students on Geography and History trips to support their GCSE's, if we were not able to support these young people it would affect their GCSE results.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance education of young people aged 5-16 for the benefit of the public who suffer from financial hardship to support their education by contributing towards such equipment, clothing, items, trips or curriculum activities as the trustees in their absolute discretion deem appropriate.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

All trustees have read the public benefit guidance and we have planned our activities for the year in accordance with this.

For the public benefit, to advance the education of young people in need in the Harlow and surrounding areas. By providing grants, equipment/clothing such as; Blazers, P.E Kits and other school uniform etc. By providing young people with opportunities that without the charities support they would not be able to take advantage of, such as; educational trips, sports trips, activity camps, clubs and activities. Throughout the year the charity has supported many young people within the Harlow area supporting their education. No Child Without supports young people from low income families whose education is being affected by the parent's income. We have supplied young people with clothing such as P.E kits, Jackets and Uniform. For example, without P.E kit students are less likely to get involved in lessons, therefore affecting their education. We have also been able to send students on Geography and History trips to support their GCSE's, if we were not able to support these young people it would affect their GCSE results.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

During the year, No Child Without focused on strengthening the charity's financial position after a period in which expenditure had exceeded income. The Trustees therefore prioritised fundraising activity and careful stewardship of the charity's funds to ensure that No Child Without could continue to support children and young people in line with its charitable objectives.

The charity's main charitable donation during the year was a grant of £1,000 to Plant Pots and Wellies, an inclusive local community initiative which supports children and adults with additional needs. The donation was made to help support children's access to outdoor, horticultural and creative learning opportunities, including activities that promote confidence, sensory exploration, social interaction and engagement with the natural environment.

Although the charity's activity during the year was more focused than in previous years, this approach enabled the Trustees to protect the charity's financial sustainability while still making a meaningful contribution to a project directly benefiting children with additional needs. The Trustees remain committed to rebuilding income and identifying further opportunities to support children and young people in future years.

Brief statement of the charity's policy on reserves

There is currently no reserves policy in place. All remaining funds are carried forward to be used in the following year.

Summary of the main achievements of the charity during the year

Supply P.E kit/uniform – many parents have been unable to supply uniform and P.E kit which the charity has purchased for them. Without this students would feel and look different and could ultimately lead to being bullied or singled out by peers. Because of the funding given to these young people this has been avoided.

School trips – parents who have been unable to afford trips for GCSE lessons have been subsidised or paid for by the charity. Without this support students would not have been able to completed vital coursework, which would therefore affect their overall grade. Sports

Overseas Trips- the charity has offered support with subsidising students who deserve to experience these trips. Some young people may never have left the country or been on a plane before, therefore we are helping to improve their culture experiences as well as giving them an emotional experience they will never forget.

Music lessons – GCSE and other young people have been given the opportunity to attend extra curriculum lessons and improve their skills and take qualifications.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance education of young people aged 5-16 for the benefit of the public who suffer from financial hardship to support their education by contributing towards such equipment, clothing, items, trips or curriculum activities as the trustees in their absolute discretion deem appropriate.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

All trustees have read the public benefit guidance and we have planned our activities for the year in accordance with this.

For the public benefit, to advance the education of young people in need in the Harlow and surrounding areas. By providing grants, equipment/clothing such as; Blazers, P.E Kits and other school uniform etc. By providing young people with opportunities that without the charities support they would not be able to take advantage of, such as; educational trips, sports trips, activity camps, clubs and activities. Throughout the year the charity has supported many young people within the Harlow area supporting their education. No Child Without supports young people from low income families whose education is being affected by the parent's income. We have supplied young people with clothing such as P.E kits, Jackets and Uniform. For example, without P.E kit students are less likely to get involved in lessons, therefore affecting their education. We have also been able to send students on Geography and History trips to support their GCSE's, if we were not able to support these young people it would affect their GCSE results.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Supply P.E kit/uniform – many parents have been unable to supply uniform and P.E kit which the charity has purchased for them. Without this students would feel and look different and could ultimately lead to being bullied or singled out by peers. Because of the funding given to these young people this has been avoided.

School trips – parents who have been unable to afford trips for GCSE lessons have been subsidised or paid for by the charity. Without this support students would not have been able to completed vital coursework, which would therefore affect their overall grade. Sports

Overseas Trips- the charity has offered support with subsidising students who deserve to experience these trips. Some young people may never have left the country or been on a plane before, therefore we are helping to improve their culture experiences as well as giving them an emotional experience they will never forget.

Music lessons – GCSE and other young people have been given the opportunity to attend extra curriculum lessons and improve their skills and take qualifications.
