Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 March 2022.

Objectives and activities

Objects and aims

The objective of the charity is the prevention and relief of financial hardship in the Braintree district and surrounding areas by providing grants, items and services to individuals in need and/or charities and other organisations working to prevent or relieve financial hardship.

Objectives, strategies and activities

This year we have been able to make donations to The Orchid Practice, to assist with speech therapy sessions, and The Braintree Youth Project.

Public benefit

The charity provides grants, items and services to individuals in need and/or charities and other organisations working to prevent or relieve financial hardship and is therefore deemed to be acting for public benefit.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Financial review

Policy on reserves

The charity is currently holding free reserves of £28,485 which the trustees feel is a reasonable level to ensure that they can continue to meet the charity's objectives.

Investment policy and objectives

The charity holds funds in a current account which generates a small amount of interest.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The Charity has received a donation of £20,000 towards the end of the year which has significantly increased the level of available reserves held at the Balance Sheet date.

The trustees of the Charity continue to meet to discuss the applications for funds and they ensure that sufficient funds are in place before accepting grant applications.

Structure, governance and management

Nature of governing document

The charity is a Charitable Incorporated Organisation registered on 27 June 2013 and it is controlled by its governing document, the Foundation Model constitution.

Recruitment and appointment of trustees

Excluding the first trustees, every trustee must be appointed for a term of two years by a resolution passed at a properly convened meeting of the charity trustees.

In selecting individuals for appointment as charity trustees, the charity's existing trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

CSS Charitable Trust

Trustees' Report (continued)

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.
