

RDTF annual report year end 2021

Not a lot has changed since last year with a lockdown being in place during the first 3 months of the year. The charity continues to work closely with Steve Shaw from the Cambridgeshire County Council who works directly with the teams of people who oversee many under privileged children including carers, looked after children, children with learning difficulties and children with disabilities.

This year since April Steve has been able to identify more children who have been able to benefit through the charity's support which has been even more vital due to the last 2 years of the pandemic.

We are committed to working with Steve and the Cambridgeshire County Council to support children who are living in very underprivileged circumstances.

Sadly, our annual golf fundraiser day was cancelled again this year due to Covid however we feel we are still in a strong financial position going into next year.
