Section B Structure, governance and management

Description of the charity's trusts

Type of governing document
(eg. trust deed, constitution)

Constitution (Foundation Model)
Adopted 8 April 2013

How the charity is constituted
(eg. trust, association, company)

Charitable Incorporated Organisation

Trustee selection methods
(eg. appointed by, elected by)

Appointed by existing Trustees

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

ElmsWild has a Health & Safety policy and a Safeguarding policy, copies of which are given to all existing and new Trustees. Site risk assessments for the sites for which we are responsible and activity risk assessments are maintained. All are reviewed annually and circulated to all Trustees. Safety advice is given to all volunteers. Safeguarding training is undertaken by all Trustees.

ElmsWild is affiliated to the Green Light Trust.

ElmsWild is a member of The Conservation Volunteers (TCV) and Community Action Suffolk.

ElmsWild receives advice and support from Orchards East on matters relating to the community orchard.

All Trustees give their time voluntarily and received no remuneration or other benefits.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

- (1) To promote for the benefit of the public the conservation, protection and improvement of the physical and natural environment in the parish of Elmswell, Suffolk, by the development of native species woodland, orchards and wildlife areas.
- (2) To advance the education of the public in the conservation, protection and improvement of the physical and natural environment.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Trustees planned and carried out the year's activities having due regard for the Charity Commission's guidance on public benefit, which was discussed at trustee meetings.

Our activities included:

- Events open to the whole community (general work parties, wildflower meadow creation, willow cutting and distribution). This benefits people by providing opportunities to learn new skills, and to enhance their local environment.
- Activities with people of all ages, including children from our local nursery and uniform groups (learning about wildlife, craft activities). This benefits people by providing facilities for learning outside the classroom, learning about nature, and encouraging people's positive interaction with the natural environment.
- Development and maintenance of the community woodland and orchard at Lukeswood and wildlife area at Kiln Meadow (keeping paths and rides open, maintaining trees and hedges, maintaining wildflower areas). This benefits people by providing natural areas where they can walk, take healthy exercise, be close to nature, and share these experiences with children, families, and other community members. It has been particularly important during the pandemic restrictions to provide natural areas where people can enjoy outside exercise.
- Creating and improving wildlife habitats (hedgerows, wildflower areas, woodpiles, ponds) and surveying local wildlife. This benefits people by providing opportunities to explore nature on their doorstep and contribute to its conservation.
- Maintaining and improving other local natural areas (e.g. public garden, mini wildflower meadows and scattered orchard), and establishing a new project at Town Field This benefits people by providing pleasant open/green spaces for recreation and enjoyment.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The Trustees are very grateful for the contribution of volunteers who help out at our wildlife and woodland sites and who also help with community events and educational activities. In particular the Trustees would like to acknowledge:

- Help received from teams of volunteers from Anglian Water and Thomas & Young, who have assisted with conservation work.
- The help and cooperation received from members of the Trefoil Guild towards community activities.
- The help and support received from the staff of Street Farm Nursery.
- Continuing advice and assistance given by members of the Suffolk Naturalists' Society, Suffolk Biodiversity Information Service, Suffolk Wildlife Trust and Suffolk Butterfly Conservation.

Summary of the main achievements of the charity during the year

Educational activities

Whenever Covid restrictions permitted members of ElmsWild continued to facilitate educational activities and visits by local groups and organisations, including Rainbows, Elmswell Toddlers and Trefoil Guild. Visits to Lukeswood by children and staff from Street Farm Nursery Forest School continued wherever possible.

Community activities and events

It was difficult to hold community events during the year and our annual Apple Day was unfortunately cancelled due to the government restrictions. However, we were able to cut willow and distribute bundles to members of the public who were interested in using willow for a variety of garden and craft projects.

Wildlife/conservation activities

Work parties were suspended at various times during the year in order to comply with government restrictions. However, essential maintenance work was continued at all sites by volunteers working alone. ElmsWild adopted TCV guidelines for safe working during the pandemic. The annual cut and rake at Kiln Meadow was again carried out with the assistance of volunteers from Anglian Water. A group of volunteers from Thomas & Young helped with maintenance of the mini wildflower meadows.

In March Trustees were delighted to find a rare fungus at Lukeswood, *Caloscypha fulgens*, which was confirmed as only the second record for Suffolk by the County Recorder.

Trustees started a programme of tree guard removal at Lukeswood in order to remove plastic from the environment.

Other achievements

ElmsWild negotiated and signed an agreement with Elmswell Poor Lands charity to manage Town Field, an historic field in the village, with the aim of establishing a wildflower meadow.

Members of ElmsWild, along with other volunteers, have continued to maintain the Elmswell Memorial Garden and to keep it open for the local community to enjoy.

Section E

Financial review

Brief statement of the charity's policy on reserves

We hold £4325 at this year end and aim to hold at least £1000 to meet running costs and any unforeseen expenditure.

Details of any funds materially in deficit

Not applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Our main sources of income this year have been donations from local organisations and parish council, along with a Locality Budget grant from Mid Suffolk Council.

The funds raised have gone towards:

- Basic running costs which allow us to keep our sites open for everyone to enjoy.
- Purchase of PPE to facilitate safe working during the pandemic.
- Maintaining/developing the woodland, orchards and wildspace, including the tools and equipment required to do this.
- Development of a new wildflower meadow at Town Field.
- Holding community events and activities

Section F

Other optional information

The Coronavirus pandemic and successive lockdowns have continued to be a challenge during the year. Workparties were suspended from December 2020 until April 2021 and in-person Board meetings could not be held from November 2020 to March 2021. Some community events also had to be cancelled. However, essential maintenance work continued, with volunteers working individually. This has meant that all of our sites remained open for local people to enjoy access to open space. Trustees remained in regular contact through email and phone calls; Board meetings were held outside at Lukeswood during the summer months.

Section G

Declaration

The trustees declare that they have approved the trustees' report above.

Independent Examiner's Report

ElmsWild

31/07/21

1152850

Respective responsibilities of student and examiner

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention
(other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

* Please delete the words in the brackets if they do not apply.
