Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution (Foundation Model) Adopted 8 April 2013
How the charity is constituted (eg. trust, association, company)	Charitable Incorporated Organisation
Trustee selection methods (eg. appointed by, elected by)	Appointed by existing Trustees

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

ElmsWild has a Health & Safety policy and a Safeguarding policy, copies of which are given to all existing and new Trustees. Site and activity risk assessments are discussed and reviewed at Trustee Board meetings. All are reviewed annually and circulated to all Trustees. Safety advice is given to all volunteers. Safeguarding training is undertaken by all Trustees.

ElmsWild is a member of The Conservation Volunteers (TCV).

All Trustees give their time voluntarily and received no remuneration or other benefits.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

- (1) To promote for the benefit of the public the conservation, protection and improvement of the physical and natural environment in the parish of Elmswell, Suffolk, by the development of native species woodland, orchards and wildlife areas.
- (2) To advance the education of the public in the conservation, protection and improvement of the physical and natural environment.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Trustees planned and carried out the year's activities having due regard for the Charity Commission's guidance on public benefit, which was discussed at trustee meetings.

Our activities included:

- Activities with people of all ages, including children from our local uniform groups, and joint activities with other community groups (e.g. talks and displays, open day visits, willow cutting and distribution). This benefits people by providing opportunities for informal learning, encouraging people's positive interaction with the natural environment.
- Events open to all including craft sessions, where possible using material from our own woodland, Apple Day and work parties. This benefits people by providing opportunities to learn and share new skills, and to enhance their local environment.
- Continuing development and maintenance of the community woodland and orchard at Lukeswood, wildlife area at Kiln Meadow, and wildflower meadow at Town Field (keeping paths and rides open, maintaining trees and hedges, maintaining wildflower areas). This benefits people by providing open green space where they can walk, take healthy exercise, be close to nature, and share these experiences with children, families, and other community members.
- Creating and improving wildlife habitats, surveying local wildlife, and participating in local and national wildlife projects. This benefits people by providing opportunities to explore nature on their doorstep and contribute to its conservation.
- Maintaining and improving other local natural areas (e.g. public garden, mini wildflower meadows and scattered orchard). This benefits people by providing pleasant open/green spaces for recreation and enjoyment, and by encouraging people to introduce more nature friendly habitats in their own gardens.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The Trustees are very grateful for the contribution of volunteers who help maintain our wildlife and woodland sites and who also assist with community events and educational activities. In particular the Trustees would like to acknowledge:

- Continuing help received from volunteers from BT, who have assisted with work at Lukeswood.
- The help and cooperation received from members of the Trefoil Guild towards community activities, and especially for keeping our first aid equipment up to date.
- Support from local tree conservation group, the Wandering Woodsmen.
- Advice and assistance given by officers from the RSPB, and by members of the Suffolk Naturalists' Society, Suffolk Biodiversity Information Service, Suffolk Wildlife Trust and Suffolk Butterfly Conservation.

Trustees also acknowledge the support of local parish, district and county councillors.

Summary of the main achievements of the charity during the year

Educational activities

Members of ElmsWild continued to facilitate educational and recreational visits by local groups, including Elmswell Rainbows, Brownies and Guides, Elmswell Toddlers and Trefoil Guild.

Under new management Street Farm Nursery was no longer able to maintain its connection with Lukeswood. However, Forest School visits continued with another local organiser.

ElmsWild established links with other local groups, including Walsham Wild Woods and Stowupland Biodiversity Group, with exchange visits taking place.

Community activities and events

In September our Lukeswood Apple Day was enjoyed by many visitors, with stalls and activities from village organisations and local crafters.

ElmsWild volunteers gave a talk to the Mid Suffolk Green Party in October.

Community willow cutting was again held in January and bundles distributed to residents for their own garden and craft projects.

In May ElmsWild held an open afternoon at Lukeswood to welcome families who had recently moved to the village – “Walk, Talk and Eat Cake”.

Wildlife/conservation activities and achievements

The annual cut and rake at Kiln Meadow, Town Field and the orchard at Lukeswood were carried out successfully in September.

Work continued on establishing a wildflower meadow and on restoring the ancient hedges at Town Field.

With help from the RSPB, ElmsWild joined Operation Turtle Dove, with the aim of encouraging turtle doves to feed and breed at Lukeswood.

Volunteers helped to build a stag beetle stumpery and a reptile hibernaculum at Lukeswood.

Trustees were pleased to be able to record the presence of Wasp Spiders at Lukeswood.

Trustees recorded a good year for orchids, with four varieties present at Lukeswood.

Craft activities

Trustees held two willow weaving sessions at Lukeswood, led by local experts and open to residents to join in.

An open community event, “Hands On at Lukeswood”, provided a carousel of craft activities, suitable for all ages.

Our Crafty Christmas event was this year devoted to raising funds for St Nicholas Hospice Care.

Other achievements

With the help of a Locality Budget grant Trustees installed a new wheelchair friendly picnic bench at Lukeswood, which will help to make our woodland more accessible to all members of the community.

A new sign was installed at the southern end of Lukeswood to welcome visitors approaching from this direction on the public right of way.

Section E Financial review

Brief statement of the charity's policy on reserves

We hold £5964 at this year end and aim to hold at least £3000 to meet running costs and any unforeseen expenditure.

Details of any funds materially in deficit

Not applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Our main sources of income this year have been: donations from local organisations and individuals; fundraising events; parish council grant; County Council Locality Budget grant.

The funds raised have gone towards:

- Basic running costs which allow us to keep our sites open for everyone to enjoy, including insurance.
- Maintaining/developing the woodland, orchards and wildspace, including the tools and equipment required to do this.
- Provision of new equipment to facilitate conservation work in the village.
- Provision of facilities to enhance accessibility of our community woodland

Section F Other optional information

31 July 2025

Charity no
(if any)

1152850

Set out on pages

(Remember to include the page numbers of additional sheets.)

**Respective
responsibilities of
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

** Please delete the words in the brackets if they do not apply.*
