TRUSTEES REPORT
(INCLUDING DIRECTORS' REPORT)
FOR THE YEAR ENDED 31ST MARCH 2024

The Trustees who are also the Directors of the charity under company law submit their report and the financial statements of Culture Coventry for the year ended 31 March 2024.

The company was incorporated on 14 January 2013; registered with the Charity Commission in February 2013 and commenced trading on 1 August 2013.

The charity is a company limited by guarantee not having a share capital. It is governed by its Memorandum and Articles of Association.

PRINCIPAL ACTIVITIES AND OBJECTS OF THE CHARITY

The principal activities and objects of the Trust are:

- To support, promote, maintain and operate, for the benefit of the public, a road transport museum that permanently preserves road transport objects manufactured in the United Kingdom, with particular reference to the unique contribution made to these industries by the City of Coventry and the West Midlands Region.
- To provide a high quality arts and heritage service for the people of Coventry and visitors to the city through the management, care and display of the city's collections and the creation of an engaging programme of public exhibitions, events and activities.
- To encourage users to connect and engage with Coventry's rich heritage through interpreted objects and archives, to inspire creativity, enjoyment and learning, and create an understanding of the city and its communities.
- To provide a broad range of opportunities to access Coventry's arts and heritage collections through permanent displays, temporary exhibitions, public events, learning and outreach programmes and online digital resources.
- To work in active partnership with funders and with community, learning, heritage and business organisations to develop the diversity and impact of activities for the benefit of the people of Coventry and visitors to the city.
- To ensure that, in everything it does, the Trust secures equality of opportunity for all communities through the diversity and range of its activities. The Trust particularly seeks to engage with those groups that traditionally are under-represented as users of arts and heritage services on grounds of gender, age, disability, class, race or sexual orientation.
- To ensure that the Trust always fulfils its performance obligations to those bodies who support it financially and to those that provide guidance, help and support through museums and other sectors in general.

CHARITABLE PURPOSE

The company, also a registered charity, exists to manage the collections held within its care on behalf of the collection owners, Coventry City Council. The collections are designated as being of national importance by the Arts Council England.

CHARITABLE PURPOSE (continued)

The mission and objectives of the Trust are as follows:

Mission:

To be recognised as dynamic and innovative museums that give our visitors a fresh perspective on the story of Coventry, and create ambassadors on a local, national and international level.

Objectives:

In order to fulfil our mission, we will embrace the following objectives:

- To proudly portray the story of Coventry locally, nationally and internationally, so that visitors to the City gain a full appreciation of how Coventry's innovative spirit echoes throughout history and continues to influence the world in which we live.
- To care for and display the City's collections in engaging ways that inspire visitors to further connect with Coventry's rich history and its ambitions for the future.
- To ensure that opportunities for learning are woven into the fabric of everything we do.
- To ensure that staff, stakeholders, investors, visitors, volunteers, and the local community are given every opportunity to contribute to the life of the Museums, and their future success.
- To create opportunities for economic growth and maximising funding opportunities, so the Museums are financially sustainable and contribute to the regeneration of the City.
- To be acknowledged by our peers as a dynamic organisation, that seizes opportunities with an entrepreneurial spirit, and actively contributes to the development of the museum sector.

The local authority acquires objects through purchase, donation or loan, the prime means being through donation, which accounts for over 90% of the collection. Decisions on acquisitions are made to ensure balance in the collecting arrangements and to ensure that all objects acquired can be properly cared for.

The vast majority of the exhibits are retained, as far as is reasonably possible, in original condition so that visitors can understand the changing dynamics of materials used in production processes and are displayed in settings that authenticate a sense of time and place. The archive also contains a vast range of original material that provides relevant support for the displays and an invaluable resource for researchers and historians.

PUBLIC BENEFIT

The benefit to the public is significant and increasing. The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities.

Culture Coventry Trust, through the collections it manages and shares with the public, facilitates a range of learning experiences and in so doing shares knowledge to audiences, researchers, and sector peers.

ORGANISATIONAL STRUCTURE

The Board of Trustees leads and maintains full and effective control of the company and accepts ultimate responsibility for directing the affairs of the company, ensuring that it is continually meeting its stated objectives within a financially sustainable business plan. The Board is responsible for matters of key strategic importance, financial policy, acquisitions, and partnership development.

ARRANGEMENTS FOR SETTING UP PAY AND REMUNERATION OF KEY MANAGEMENT

The Trustees consider the senior management team comprise the key management personnel of the Charity in charge of directing, running and operating the charity on a day-to-day basis. The pay of the senior staff is reviewed annually and is based on performance and average earning across the sector.

TRUSTEES

The Trustees during the year under review and up to the date of this report were:

E. Coulon – Chair
R. Medwell
J. W. Elliott
K. Railton
R. A. Shaw
N. R. Aziz
R. Blythe – resigned 20th March 2024
W. Parry

As the charitable company is limited by guarantee, not having any share capital, none of the Trustees held any interest in the shares in the charitable company or hold any right to subscribe for shares.

STRATEGIC REPORT

ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

The Trust continued to provide a wide range of opportunities for cultural engagement and experiences, through some vibrant programming at its museum and gallery venues, along with a growing programme of outreach activities. Overall usage of the Trust venues increased by 33% on the previous year to 372,000 visitors, which was impressive amidst the challenges being encountered sector wide by cost of living pressures for visitors and the increasing costs of running sizable venues such as museums and galleries.

Much of this improvement was brought about by the positive 'Dippy effect' on visitor numbers early in the 2023/24 financial year, having secured the three year loan of Dippy from the Natural History Museum towards the end of the previous financial year. The visitor numbers did however become steadier throughout the remainder of the year, as the teams continued to develop the public and commercial events programme, including corporate events offers; sleepovers for both adults and children; children's birthday parties; a series of 'lates'; and family holiday activities.

The '*Work on Walls*' exhibition within the Herbert Art Gallery and Museum attracted 16,487 visitors, creating links to Dippy through a series of new wall-based commissions that responded to the collections. Many of the artists were inspired by the natural history collections, including a huge mural by Andy Council entitled 'Coventry in Dippy' that incorporated Coventry landscapes within an outline drawing of the famous Diplodocus.

ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR (continued)

The Herbert Art Gallery and Museum also hosted the *'Wildlife Photographer of the Year'* exhibition, being the first time ever that the exhibition was hosted digitally at the same time as it was being exhibited at the Natural History Museum in London. It also served as a trial of admission charging for selected exhibitions, as part of generating more income to meet the increasing demands placed upon operating budgets. This trial proved to be successful not only in generating income, but also by showing that a reasonable level of charging has no noticeable impact upon visitor numbers. Throughout the course of the 23 week exhibition, there were 29,429 visitors.

Other exhibitions at the Herbert Art Gallery and Museum throughout the year included the *'Coventry Open'* exhibition, which opened towards the end of March 2023, celebrating the quality and diversity of art being produced in the city and the wider region; along with the fourth edition of the *'Coventry Biennial – Like a Shortcut Through the Brambles'*.

At Coventry Transport Museum, the Trust marked the occasion of the 40th anniversary of the Thrust land speed record with a public Question and Answer session, involving the Thrust 2 Team and hosted by Richard Noble. BBC Midlands Today covered the session and conducted interviews with Richard Noble and staff from the Transport Museum.

Alongside this, work continued throughout the year on the proposed development of the City Centre Cultural Gateway, which will involve the relocation of some of the stored vehicle collections, along with social history and archaeology collections into a reimagined national Collections Centre, working in partnership with the Arts Council England; the British Council; Coventry University; and Coventry City Council.

The Learning and Engagement Team continued to work within a range of educational, learning and community outreach programmes, such as the creative work with CRISIS and Coventry Refugee and Migrant centre, which saw the installation of community created ceramic tiles and mosaics installed into the community garden space.

Similarly, the team continued to play a key role in the delivery of the Coventry Cultural Education Partnership (CCEP), representing the organisation on both the strategic steering group and the Equality Diversity and Inclusion and Programme working groups. The focus for the CCEP throughout the year shifted towards consolidating and supporting existing partnerships and programmes across the city that support the acquisition of creative learning and cultural capital amongst young people.

From a digital perspective, a new highlights tour on the Smartify platform was launched, which enables visitors to listen to audio explaining the 15 most popular objects in the galleries. Visitors can access the content through QR codes, or by downloading a free app which is used by museums across the UK and internationally. This shift into the use of technologies will be expanded upon in the coming years, following the commissioning of digital consultants, who will be responsible for designing a number of digital solutions across the business that create efficiencies, whilst also enhancing the visitor experience.

Strategically, the Trust also continued to be at the heart of and supporting the wider cultural ambitions of the city, delivering alongside the City Council's – *'One Coventry Plan'*, whilst also continuing to play a role in the *'Culture Works'* proposed model for delivery of culture in the city – which looks to build on the legacy of the UK City of Culture 2021.

ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR (continued)

Whilst the year has continued to be extremely successful from the perspective of providing a wide ranging cultural programme and experiences for visitors, the Trustees remain mindful of the economic challenges that are being presented by future reductions in local authority funding from Coventry City Council, along with substantial challenges brought about by increasing employment costs.

Accordingly, the Trustees have received a range of significant business proposals from the Senior Leadership and Senior Management Teams, which will shift some of the business operating principles of the Trust, whilst also looking to introduce new income generating initiatives. Such changes will be absolutely critical into the forthcoming Financial Year, where the scale of the economic and financial challenges facing the Trust are unprecedented.

As always, the Trustees would like to extend their thanks and express sincere appreciation to the teams of staff, volunteers and partner organisations who make the Trust's contribution to the cultural life of the city possible, especially when set within the context of the challenges currently being faced.

FINANCIAL REVIEW

Income for the year was £4,061,000 compared to £3,741,000 in the previous year, whilst the total expenditure was £4,966,000 compared to £5,178,000 in the previous year. This resulted in a net deficit of £905,000, before accounting for pension fund actuarial adjustments, compared to a deficit of £1,437,000 in the previous year. Charitable expenditure includes depreciation of £1,089,000.

The actuarial loss on the pension fund valuation was £508,000, compared to a gain of £4,375,000 in 2023. The net movement of funds on the SOFA was a deficit of £1,413,000. As at 31 March 2024, the Charity had total funds of £3,339,000 compared to £4,752,000 in the year ending 31 March 2023.

Unrestricted charitable funds were in surplus at 31st March 2024 by £1,347,000 compared to a surplus of £1,768,000 in the previous year.

Restricted funds at 31 March 2024 were £1,992,000, representing a decrease of £992,000 on the previous year.

The company's assets continued to be used for the company's objectives of providing facilities for arts and heritage, and the company continued to be grateful for the generous support that it receives from its major sponsors and donors, so that the Trustees consider that the company has sufficient funds to meet its objectives. The accounting policies used to produce the Trust's financial statements are shown on pages 16 to 19.

GOING CONCERN AND FUTURE PLANS

The charity has total reserves of £3,339,000 at 31st March 2024 of which £1,347,000 is unrestricted. The charity had net current assets of £1,139,000 as at 31 March 2024, compared to £1,119,000 in 2023.

The charity has received confirmation from Coventry City Council of its continued commitment to the Funding and Management Agreement for a period of at least 12 months from the approval of these financial statements. However, the City Council has also indicated that it is looking to reduce its level of funding by 15%, so that the Trustees have received a range of significant business proposals from the Senior Leadership and Senior Management Teams, which will shift some of the business operating principles of the Trust, whilst also look to introduce new income generating initiatives.

GOING CONCERN AND FUTURE PLANS (continued)

In light of these proposals along with the current levels of reserve funding, the Trustees consider that the company has sufficient cash resources available to continue to meet its liabilities as they fall due for the forthcoming year.

Based on the factors set out above, the Trustees therefore continue to adopt the going concern basis of accounting and are satisfied that no material uncertainty exists in relation to going concern.

SUPPORT FROM OTHER ENTITIES

Coventry City Council is aligned with the overarching objectives of the Trust. Coventry City Council grant is detailed in Note 2 of the financial statements.

VOLUNTEERS

The Trust has continued to utilise and benefit from the services of volunteers throughout the year and is very grateful for the keen and active support provided by them.

INVESTMENT POLICY

Currently investments are held in interest bearing deposit accounts for ease of access to allow use for charitable purposes. This is the most effective way of ensuring an investment return whilst allowing maximum liquidity.

TRUSTEE INDUCTION AND TRAINING

New Trustees are nominated by members of the Board of Trustees and appointed where they have the necessary skills to contribute to the charity's management and development. When new Trustees are appointed, they are given an introduction to the work of the Trust and provided with the information they need to fulfil their roles, which includes information about the role of Trustees and charity law.

RISK MANAGEMENT

The Board has a Business Risk Register incorporated within its Business Planning protocols and the Trustees seek to consider, review and update this accordingly at their Board meetings along with the impact and likelihood of realisation. The Risk Register also identifies any mitigating measures being taken to avert such risks and the Board seek to track the implementation and mitigating impact of such measures.

We confirm that the major risks to which the charity is exposed, as identified by the Trustees have been reviewed and systems have been established to mitigate those risks.

RESERVES POLICY

The Trustees, through the development of the Charity's business planning, have considered the level of reserves appropriate to the risks, opportunities and future contingencies faced by the charity. Based on this review, the Trustees believe the charity should look to grow free reserves to £1,500,000.

As at 31 March 2024, the Charity's unrestricted reserves, excluding the accounting entries required under Financial Reporting Standard 102 relating to the Charity's share of the pension scheme liabilities, were £1,347,000, compared to £1,210,000 in 2023.

THIRD PARTY INDEMNITY PROVISION FOR TRUSTEES

Qualifying third party indemnity provision is in place for the benefit of all Trustees of the charity.

FUNDRAISING STANDARDS

The Charity does not contract with a third party to undertake fundraising on its behalf. Hence, we have received no fundraising complaints during the year.

AUDITORS

Dafferns LLP has indicated its willingness to continue in office.

TRUSTEES RESPONSIBILITIES IN THE PREPARATION OF THE FINANCIAL STATEMENTS

The Trustees (who are also Directors of Culture Coventry for the purposes of company law) are responsible for preparing the Trustees' Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the charitable company of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these Financial Statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

The Trustees who were in office on the date of approval of these Financial Statements have confirmed, as far as they are aware, that there is no relevant audit information of which the auditors are unaware. Each of the Trustees have confirmed that they have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditors.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
CULTURE COVENTRY**

A COMPANY LIMITED BY GUARANTEE

We have audited the Financial Statements of Culture Coventry (the 'charitable company') for the year ended 31 March 2024, which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cashflows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2024, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the Financial Statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the Financial Statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the Financial Statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Trustees' annual report, other than the Financial Statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the Financial Statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements, or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the Financial Statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report (incorporating the Directors' report) for the financial year for which the Financial Statements are prepared is consistent with the financial statements; and
- the Directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the charitable company, or returns adequate for our audit have not been received from branches not visited by us; or
- the charitable company Financial Statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the Financial Statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the Directors' report and from the requirement to prepare a strategic report.

Responsibilities of Trustees

As explained more fully in the Trustees' responsibilities statement set out on page 8, the Trustees (who are also the Directors of the charitable company for the purposes of company law) are responsible for the preparation of the Financial Statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed auditor under the Companies Act 2006 and section 151 of the Charities Act 2011 and report in accordance with those Acts.

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
CULTURE COVENTRY
A COMPANY LIMITED BY GUARANTEE**

Auditor's responsibilities for the audit of the financial statements (continued)

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management, and those charged with governance around actual and potential litigation and claims;
- Enquiry of entity staff in compliance functions to identify any instances of non-compliance with laws and regulations;
- Reviewing minutes of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for bias

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the Financial Statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the Financial Statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities.

This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

FOR THE YEAR ENDED 31ST MARCH 2024

LEGAL STATUS OF THE CHARITY

Culture Coventry (Charity) is an incorporated charity, limited by guarantee and is registered at the Charity Commission in England and Wales. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the Charity. The Charity is governed by its Memorandum and Articles of Association.

The address of the Charity's registered office and principal place of business is The Herbert Art Gallery & Museum, Jordan Well, Coventry, CV1 5QP.

BASIS OF ACCOUNTING

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1,000.

INCOME

All income is included in the Statement of Financial Activities ('SOFA') when the charitable company is entitled to the income, there is probability of receipt, and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Donations and legacies are included in full in the Statement of Financial Activities when receivable.
- Investment income is included when receivable.
- Income from charitable trading activities is accounted for when earned.
- Income from grants, where related to performance and specific deliverables, are accounted for as the charitable company gains rights to consideration by its performance.
- Income from grants, where not related to performance, are accounted for upon notification.

EXPENDITURE

Expenditure is recognised on an accruals basis as a liability is incurred or when the charitable company is deemed to have a legal or constructive obligation which will result in a probable transfer of economic benefits. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Raising funds comprise the costs associated with attracting donations and the costs of trading for fundraising purposes.
- Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage.

RETIREMENT BENEFITS

For defined benefit retirement plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date.

Actuarial gains and losses arising are recognised immediately in the Statement of Financial Activities.

Past service costs are recognised as an expense on a straight-line basis over the average period until the benefits become vested. To the extent that the benefits have already vested, the cost is recognised immediately in the Statement of Financial Activities.

The amount recognised in the Balance Sheet represents the present value of the defined benefit obligation, adjusted for unrecognised past service costs, and reduced by the fair value of plan assets. Any asset resulting from this calculation is limited to the lower of the asset, and any unrecognised past service cost plus the present value of available refunds or reductions in future contributions to the plan.

The rate used to discount the benefit obligations is based on market yields for high quality corporate bonds with terms and currencies consistent with those of the benefit obligations.

Gains and losses on curtailments / settlements are recognised when the curtailment / settlement occurs.

FOR THE YEAR ENDED 31ST MARCH 2024

TAXATION

The Trust is a Registered Charity and undertakes activities which, under present legislation, are not subject to Corporation Tax. The Trust's subsidiary is not a Registered Charity and undertakes trading activities within the meaning of the Taxes Acts and is liable to Corporation Tax. However, the subsidiary gift aids all its taxable profits to the Trust. Consequently, no provision is made for the payment of Corporation Tax either current or deferred.

FUND ACCOUNTING

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the charitable company.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

TANGIBLE FIXED ASSETS

Fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses. Depreciation is provided on all tangible fixed assets at rates calculated to write each asset down to its estimated residual value evenly over its expected useful life, as follows:

Museum refurbishment cost	over 10 years
Fixtures and fittings	between 3 - 6 years
Computer equipment	over 3 years

INVESTMENTS

Investments are stated at cost and are subsequently measured at cost less any accumulated impairment losses.

STOCKS

Stocks are valued at the lower of cost and estimated selling price less costs to complete and sell, which is equivalent to the net realisable value. Provision is made for obsolete and slow-moving items.

DEBTORS

Trade, group, and other debtors are recognised at the settlement amount due after any trade discounts, offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

CASH AT BANK AND IN HAND

Cash at bank and cash in hand includes cash and monies on short term deposit, at the bank and other short term liquid investments with original maturities of three months or less.

CREDITORS AND PROVISIONS

Creditors and provisions are recognised where the charitable company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount allowing for any trade discounts due.

LEASED ASSETS AND OBLIGATIONS

An asset and corresponding liability are recognised for leasing agreements that transfer to the charitable company substantially all of the risks and rewards incidental to ownership ("finance leases"). The amount capitalised is the fair value of the leased asset or, if lower, the present value of the minimum lease payments payable during the lease term, both determined at inception of the lease. Lease payments are treated as consisting of capital and interest elements. The interest is charged to the SOFA to produce a constant periodic rate of interest on the remaining balance of the liability.

All other leases are operating leases, and the annual rentals are charged to the SOFA on a straight-line basis over the lease term.

FINANCIAL INSTRUMENTS

The charitable company only has financial assets and liabilities of a kind that qualify as basic financial instruments and are not considered to be of a complex nature. Such financial instruments, except for investments classified at fair value through the SOFA, are initially recognised at transaction value and subsequently measured at their settlement value.

Financial assets held at amortised cost includes all debtors and cash, excluding prepayments and tax.

Financial liabilities held at amortised cost includes all creditors, excluding tax and social security creditors.

16. PENSIONS AND POST-RETIREMENT BENEFITS

a. Defined Benefit Pension Plan

The Charity participates in a pension scheme operated by West Midlands Metropolitan Authorities Pension Fund. The assets of the scheme are held separately from those of the Charity.

Pension costs are assessed in accordance with the advice of an independent qualified actuary using the projected unit method. The most recent valuation was at 31 March 2024. The total contributions made for the year ended 31 March 2024 was £128,000 (2023: £174,000), of which employer's contributions totalled £84,000 (2023: £95,000). Employee's contributions for the year totalled £44,000 (2023: £79,000).

In addition to the above, the following information is required to be disclosed in accordance with the adoption of FRS 102 in relation to the part of the West Midlands Metropolitan Authorities Pension Fund attributable to the Charity. The last full funding valuation of this scheme was carried out at 31 March 2022. A qualified actuary updated the results of that valuation at 31 March 2024 to obtain the figures stated below. Twenty-one staff transferred to the company from Coventry City Council on 1 April 2003. The Projected Unit Method has been used.

The major financial assumptions used by the actuary were:

	2024	2023
	%	%
Rate of increase in salaries	3.75	3.95
Rate of increase or pensions in payment	2.75	2.95
Discount rate	4.85	4.75

The Mortality assumptions used in the valuation of the pension liabilities were:

24. CRITICAL ESTIMATES AND AREAS OF JUDGEMENT

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The charitable company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 16, will impact the carrying amount of the pension liability. Furthermore, a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2022 has been used by the actuary in valuing the pension liability at 31 March 2024. Any differences between the figures derived from the roll-forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical/ areas of judgement

The judgements (apart from those involving estimation) that have the most significant effect on the amounts recognised in the financial statements are disclosed below.

Leasing

In categorising leases as finance leases or operating, leases, management makes judgements as to whether significant risks and rewards of ownership have transferred to the charity as lessee.
