POWER OF LOVE MINISTRIES INTERNATIONAL

REPORT OF THE TRUSTEES FOR THE PERIOD ENDED 31 MARCH 2025

The following is an account of the activities, events and general progress of Power of Love Ministries International. The Ministry continues to establish and develop which is, at present is its primary activity.

GENERAL INFORMATION

The Charity continues to meet in North London. This year saw us moving to a new place of worship. This new place is bigger and better than the former place of worship; it affords us both an office and a storage space. We give glory to God.

MEMBERSHIP

Registered membership of the Church has grown within this period.

NURTURING THE CHURCH

Weekly prayer meeting and bible studies are held weekly.

OTHER ACTIVITIES

Evangelism is an ongoing thing and this done by word of mouth, sharing of leaflets and organisation of events like our annual worship night. This year's worship night was well attended by friends, relatives and others who took away, among other things, something from the Gospel preached that day.

SUMMER TRIP

As usual, our annual beach trip was undertaken, but this time, with another church. This was wonderful and particularly therapeutic because it brought people from other communities together. We were able to talk about problems and shared ideas about various things. The trip ended with a commitment to repeat this in the succeeding years and also committing to pray and support each other from then on

CHRISTMAS ACTIVITES

The Christmas festivities were crowned with a performance of the Nativity play by the children and the youth. It went down well with the congregation.

SUPPORT TO OTHER CHARITABLE ORGANISATIONS

The charity is committed to supporting agencies and projects which carry out valuable and essential services by way of donations to charities suggested by the membership.

As such, we are able to help some 7 orphans in a village in Ghana called Asikuma in the Denkyira district. The total remittance to them monthly is £150, and this little amount is able to help them with things like school clothes, fees, etc., to help them get education resulting in better life. In order for these orphans to be part of the community, each one has been placed with a member of their extended family. It is our belief that in so doing, these children will not have a feeling of rejection but rather have a feeling of belonging.

TRUSTEE MEETING

The trustees held meetings during which the progress of the Church was discussed and plans to increase the church numbers of activities in the Community was also discussed. Some of the plans to see the charity forward were:

1. Evangelism & Missions – Efforts to be increased.
2. Youth – Youth services to be held monthly to encourage the youth to participate more, in preparation for leadership since they are the leaders of tomorrow.

CONCLUSION

The commitment of the members to the vision of the Charity has allowed us to maintain a vibrant and healthy environment for spiritual and natural growth. We are proud of this growth and we thank God for it.

POWER OF LOVE MINISTRIES INTERNATIONAL

FINANCIAL REVIEW AND RESERVES POLICY

The income of the charity for the year was **£34,937** by way of Donations.

The cost of charitable activities was **£35,386**. This was spent directly and indirectly to support the charities activities. At the end of the year there was a favorable net movement of funds amounting to **(£449)**. At the end of the year, 31 March 2025, there was an unrestricted fund balance amounted to **£9,648**. The charity's policy is to retain reserves, in the form of unrestricted funds, to a level where they equate in value approximately 12 months expenditure. This should provide a reasonably secure financial base on which to plan future projects and commit to related expenditure, before external funding has been fully secured. The charity is reviewing its reserves policy so that the charity would be able to continue its current level of activities in the event of a significant drop in funding.

COME BLESS THE LORD MINISTRIES INTERNATIONAL

REPORT OF THE TRUSTEES FOR THE PERIOD ENDED 31 MARCH 2022

The following is an account of the activities, events and general progress of Come Bless the Lord Ministries International. The Ministry continues to establish and develop which is, at present is its primary activity.

GENERAL INFORMATION

The Charity continues to meet in North London. This year saw us moving to a new place of worship. This new place is bigger and better than the former place of worship; it affords us both an office and a storage space. We give glory to God.

MEMBERSHIP

Registered membership of the Church has grown within this period.

NURTURING THE CHURCH

Weekly prayer meeting and bible studies are held weekly.

OTHER ACTIVITIES

Evangelism is an ongoing thing and this done by word of mouth, sharing of leaflets and organisation of events like our annual worship night. This year's worship night was well attended by friends, relatives and others who took away, among other things, something from the Gospel preached that day.

SUMMER TRIP

As usual, our annual beach trip was undertaken, but this time, with another church. This was wonderful and particularly therapeutic because it brought people from other communities together. We were able to talk about problems and shared ideas about various things. The trip ended with a commitment to repeat this in the succeeding years and also committing to pray and support each other from then on

CHRISTMAS ACTIVITES

The Christmas festivities were crowned with a performance of the Nativity play by the children and the youth. It went down well with the congregation.

SUPPORT TO OTHER CHARITABLE ORGANISATIONS

The charity is committed to supporting agencies and projects which carry out valuable and essential services by way of donations to charities suggested by the membership.

As such, we are able to help some 15 orphans in a village in Ghana called Asikuma in the Denkyira district. The total remittance to them monthly is £300, and this little amount is able to help them with things like school clothes, fees, etc., to help them get education resulting in better life. In order for these orphans to be part of the community, each one has been placed with a member of their extended family. It is our belief that in so doing, these children will not have a feeling of rejection but rather have a feeling of belonging.

TRUSTEE MEETING

The trustees held meetings during which the progress of the Church was discussed and plans to increase the church numbers of activities in the Community was also discussed. Some of the plans to see the charity forward were:

1. Evangelism & Missions – Efforts to be increased.
2. Youth – Youth services to be held monthly to encourage the youth to participate more, in preparation for leadership since they are the leaders of tomorrow.

CONCLUSION

The commitment of the members to the vision of the Charity has allowed us to maintain a vibrant and healthy environment for spiritual and natural growth. We are proud of this growth and we thank God for it.

FINANCIAL REVIEW AND RESERVES POLICY

The income of the charity for the year was **£37,962** by way of Donations.

The cost of charitable activities was **£28,484**. This was spent directly and indirectly to support the charities activities. At the end of the year there was a favorable net movement of funds amounting to **£9,478**. At the end of the year, 31 March 2022, there was an unrestricted fund balance amounted to **£20,653**. The charity's policy is to retain reserves, in the form of unrestricted funds, to a level where they equate in value approximately 12 months expenditure. This should provide a reasonably secure financial base on which to plan future projects and commit to related expenditure, before external funding has been fully secured. The charity is reviewing its reserves policy so that the charity would be able to continue its current level of activities in the event of a significant drop in funding.
