TRUSTEES' REPORT

The Trustees are pleased to present their annual Trustees' report together with the Financial Statements of the Charity for the year ending 31st March 2025 which are also prepared to meet the requirements for a Directors' Report, accounts for Companies Act purposes and in accordance with the provisions applicable to companies entitled to the Small Companies exemption.

The Financial Statements comply with the Charities Act 2022, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice: Accounting and Reporting by Charities, Charities SORP (FRS102) and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

VOLUNTEERING AND IN-KIND CONTRIBUTIONS

During 2024/25 Torus Foundation hosted a total of four volunteers. One person volunteered at FireFit Hub and supported with the delivery of activities for children and young people. In addition, three volunteers helped to train participants on the "IT Include Mersey" programme.

Torus Foundation works in partnership with a range of organisations and individuals who contribute to programmes at no financial cost to the organisation. The extensive range of partnerships developed across Torus Foundation add real value to the projects being delivered, through the additional assets and skills gifted by partners across the city region. In order to capture their value Torus Foundation uses actual costs and proxies to calculate in kind funding. Example proxy values include room/venue hire £50/hour, volunteer hours £11.44/hour and tutor costs £25/hour. A combined value of £513,470 in-kind funding was generated for the benefit of Torus Foundation customers in 2024/25.

OBJECTIVES & ACTIVITIES

Torus Group's ("Group") charitable arm Torus Foundation became part of the Group in January 2017, to make a positive difference to communities across Merseyside and the surrounding area.

Activities center around five key focus areas: Employment and Skills; Financial Inclusion; Health and Wellbeing; Digital Inclusion; and Youth. Activities are delivered directly by Torus Foundation colleagues as well as through third party providers.

FINANCIAL REVIEW

In 2024/25, the Charity received income of £7.8m (2023/24: £6.6m). This includes £3.2m received as Gift Aid from the Group (2023/24 £3.9m), £0.1m donation from the parent (2023/24: £0.3m), Social Value Levy from the Group £0.5m (2023/24 £0.5m) and £4.0m income from the other sources, including restricted funding for Energy Vouchers and Healthy Neighbours schemes (2023/24: £2.0m).

From 2023/24, suppliers awarded contracts for repairs and maintenance services to Group's housing properties are required to pay a tendered rate on contracted turnover, known as a Social Value levy (SVL). For HMS, the SVL has partially replaced Gift Aid as a mechanism of donating to the charity. In 2024/25, SVL was received from HMS and one other external supplier.

TRUSTEES' REPORT (continued)

EMPLOYMENT

Torus Foundation helped 290 people to find work:

- 43 work placements and volunteer placements were undertaken.
- 6 people were supported into an apprenticeship.
- 382 Individuals were supported to access employment related training courses.
- 95% of customers reported an increase in skills and confidence as a result of engaging with the Torus Foundation Employment and Skills Team.

FINANCIAL INCLUSION

- 35,516 interventions were provided through the financial inclusion service.
- A total of £3,566,099 in financial gains was obtained for Torus customers.

HEALTH & WELLBEING

- 1,507 adults attended health and wellbeing sessions.
- 480 adults were supported through the Social Prescribing service.
- 511 Households were supported through the Healthy Neighbours Programme.

YOUTH

- In line with the Firefit Hub Youth Impact Framework, 751 outcomes were achieved by FireFit Hub members.
- 5,594 free portions of food were served to FireFit Hub Youth members.

DIGITAL INCLUSION

- 18 people received a digital kit.
- 1 physical Digital Hub was provided during the year.
- 42 individuals engaged with the digital inclusion service.

RESERVES

The Charity establishes restricted reserves for specific purposes where their use is subject to external restrictions. Unrestricted reserves relate to historic surpluses and deficits from the Charity's activities. Reserves are used to fund the Charity's future activities.

At the year end the Charity held £130k in restricted reserves (2024: £258k) and £5.6m in unrestricted reserves (2024: £5.0m).

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is a company limited by guarantee, incorporated on the 14th March 2013 and registered as a charity on the 11th July 2013.

The Charity's governance is set out in its Memorandum and Articles of Association of 13th March 2013. The management of the Company's affairs is vested in the Board of Trustees about whom the Memorandum and Articles of Association state that there will be a minimum of three.

In January 2017, the charity was incorporated into Liverpool Mutual Homes as ComMutual and a new Board was formed. The current Board is made up of 6 Trustees which includes the Chair who is a Torus (Group) Board member, an Executive Board member who is Torus's Chief Operating Officer and 4 Trustees.

TRUSTEES' REPORT (continued)

On 1 January 2019, Liverpool Mutual Homes amalgamated with Torus62 Limited and its subsidiaries Helena Partnerships Limited and Golden Gates Housing Trust in accordance with the Co-Operative and Community Benefit Society Act 2014. This formed a new Community Benefit Society called Torus62 Limited. The former Torus community activities were transferred into the Charity which now provides services across the entire Group and specifically its Heartland areas of Liverpool, St Helens and Warrington.

In April 2019, ComMutual changed its name to Torus Foundation.

EXECUTIVE MANAGEMENT STRUCTURE

The Chair is authorised to manage the Charity on a day-to-day basis under a written scheme of delegation from the Board, which is reviewed annually. The Chair has an executive team which is responsible for the delivery of the strategic plan and it meets formally on a monthly basis, in order to review the key performance indicators for the organisation and to keep abreast of developments in the organisation generally. The Senior Leadership Team brings together senior managers to develop ownership of the strategic plan and regularly meets with the Executive Team.

TRUSTEE TRAINING AND DEVELOPMENT

The Trustees have continued to support the development of the organisation. The Trustees are drawn from a range of community representatives, including those associated with key stakeholders such as Merseyside Fire and Rescue Authority and the Torus Group.

All Trustees have been involved in formulating the plans and action required to ensure the ongoing development of the short and medium term strategy for the organisation and have been involved in Group Away Days discussing issues including:

- The Group's Strategies; *and*
- Business Planning.

As and when new Trustees are recruited and appointed, a full induction is delivered to ensure that they are fully conversant with the aims, objectives and operation of the Charity

PUBLIC BENEFIT

The Trustees have had due regard to the guidance published by the Charity Commission on public benefit and in particular the supplementary guidance on public benefit and fee charging, ensuring the Charity's work delivers its aims and charitable objectives.

GOING CONCERN

The Foundation has consistently delivered services in line with budgets and maintained reserves at levels required to comply with Charity Commission requirements. Group policy is to stress test Business Plans to ensure they are robust and stay within specified Golden Rules. The recent challenging economic operating environment has had an adverse impact on Group commercial entities and their ability to generate Gift Aid and Social Value Levy to the levels expected in the Torus Group amalgamation Business Plan. This is forecast to impact the Torus Foundation Gift Aid receipt in 2025/26. The Charity has mitigated this risk through sourcing funding through other sources and the Charity remains in a robust position to continue operations into the future with cash and cash equivalents £2.5m as at 31st March 2025.

TRUSTEES' REPORT (continued)

After reviewing the Charity's revised forecast and projections, taking into account the principal risks and uncertainties, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future, being a period of not less than 12 months from the date of approval of these financial statements. The Charity therefore continues to adopt the going concern basis in preparing its financial statements.

PRINCIPAL RISKS AND UNCERTAINTIES

Risks that may prevent the Charity from meeting its objectives are reported to Group Audit and Risk Committee on a quarterly basis. Risks are recorded and assessed in terms of their impact and probability.

Torus aims to become a leading growth and regeneration group for the North-West. Its charitable arm, Torus Foundation, aims to become a sector-leader in supporting communities to grow stronger and to thrive, providing targeted services to support tenants, customers, and communities most in need. With a strategic focus on Liverpool, St Helens and Warrington, as well as key neighbouring areas, it will create better places to live, and support sustained economic growth and regeneration.

KEY RISK AREA	KEY CONTROLS IN PLACE	MITIGATING ACTIONS
Being unable to deliver our Social Impact Ambitions	<ul style="list-style-type: none"> • Grant conditions tracker • Torus Foundation Fundraising Strategy • Torus Foundation Financial Plan • Partnership agreements with providers • Social impact evidence via CSR • Torus Foundation Board • HMS Business Plan Targets 	<ul style="list-style-type: none"> • Social Impact Policy is being developed to capture the social impact delivered across all Group members. • The Charity continues to source external funding.

The continued challenging economic operating environment and the potential impact on Group Gift Aid generation is an ongoing principal risk to delivering social impact ambitions. The Torus Foundation Board has recognised this risk in the medium term and has taken proactive action to address this issue with a continuous review of projects and expenditure being undertaken along with a review of the reserves policy. Budgets and business plans are in place and have been stress-tested against risks. Cash and finances are monitored on a monthly basis to support management decision making.

Further risk has been identified due to continued cost-of-living increases and the impact this has on the lives of Torus tenants and Torus Foundation communities. It is expected that the Charity will see demand continue to increase for services over the next year which could adversely affect the delivery of the charitable social impact ambitions.

TRUSTEES' REPORT (continued)**PLANS FOR THE FUTURE**

The Charity is an ambitious organisation and is keen to expand its impact across the three Torus Heartlands. Following a place-shaping approach, the Charity will use its regional influence and partner networks to ensure communities have the right resources; acting as an enabler and coordinator (where needed) to create places people want to live, work and do business.

Where possible, the Charity will seek to work in collaboration, utilising the strengths of partners across Liverpool, St Helens and Warrington, promoting co-investment models.

The Torus Foundation Fundraising Strategy sets out its approach to diversifying income to increase resilience as a charity and expand provision across the North West. Torus Foundation will maximise impact in communities by:

- Securing significant additional grant funding,
- Implementing a corporate fundraising plan,
- Leveraging additional monies through match funding and in-kind funding,
- Explore commercial opportunities and tenders, *and*
- Expanding reach and delivery of projects within the FFH model.

The Charity will also look to expand its provision by joining with other organisations where an opportunity exists to add value to the delivery of both organisations.

POST BALANCE SHEET EVENTS

There are no other events since the year-end that have had a significant effect on the Charity's financial position.

EXTERNAL AUDITORS

Torus Group appoints the external auditors for all Group companies.

ANNUAL GENERAL MEETING

The Charity is not required to hold an Annual General Meeting under its Articles of Association.

APPROVAL

The Trustees' report was approved by the Board on 19th August 2025 and signed on its behalf by:

Sarah Jane Saunders
Trustee
Date: 19th August 2025

TRUSTEES' RESPONSIBILITIES STATEMENT

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees confirm that:

- so far as each trustee is aware, there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the charitable company's auditor is aware of that information.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

By order of the board of trustees

Sarah Jane Saunders
Trustee
Date: 19th August 2025

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TORUS FOUNDATION (continued)**Opinion on the financial statements**

In our opinion, the financial statements:

- give a true and fair view of the state of the Charitable Company's affairs as at 31 March 2025 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of Torus Foundation ("the Charitable Company") for the year ended 31 March 2025 which comprise the statement of financial activities, the balance sheet, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remain independent of the Charitable Company in accordance with the ethical requirements relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions related to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charitable Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Trustees' report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TORUS FOUNDATION (continued)

performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Other Companies Act 2006 reporting

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report, which includes the Directors' Report prepared for the purposes of Company Law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report, which are included in the Trustees' Report, has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Charitable Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report or the Trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion;

- adequate accounting records have not been kept by the Charitable Company, or returns adequate for our audit have not been received from branches not visited by us; or
- the Charitable Company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of Trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charitable Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charitable Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under the Companies Act 2006 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TORUS FOUNDATION (continued)

the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Non-compliance with laws and regulations

Based on:

- Our understanding of the Charitable Company and the sector in which it operates;
- Discussion with management and those charged with governance;
- Obtaining and understanding of the Charitable Company's policies and procedures regarding compliance with laws and regulations.

We considered the significant laws and regulations to be the applicable accounting framework, FRS 102, UK GAAP, the Companies Act 2006, Charity SORP and UK tax legislation.

The Charitable Company is also subject to laws and regulations where the consequence of non-compliance could have a material effect on the amount or disclosures in the financial statements, for example through the imposition of fines or litigations. We identified such laws and regulations to be the health and safety legislation and & employment equity act.

Our procedures in respect of the above included:

- Review of minutes of meeting of those charged with governance for any instances of non-compliance with laws and regulations;
- Review of correspondence with regulatory and tax authorities for any instances of non-compliance with laws and regulations;
- Review of financial statement disclosures and agreeing to supporting documentation;
- Review of legal expenditure accounts to understand the nature of expenditure incurred; and
- Review of serious incidents register and reports.

Fraud

We assessed the susceptibility of the financial statements to material misstatement, including fraud.

Our risk assessment procedures included:

- Enquiry with management and those charged with governance regarding any known or suspected instances of fraud;
- Obtaining an understanding of the Charitable Company's policies and procedures relating to:
 - Detecting and responding to the risks of fraud; and
 - Internal controls established to mitigate risks related to fraud.
- Review of minutes of meeting of those charged with governance for any known or suspected instances of fraud;
- Discussion amongst the engagement team as to how and where fraud might occur in the financial statements;
- Performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TORUS FOUNDATION (continued)

Based on our risk assessment, we considered the areas most susceptible to fraud to be management override of controls and revenue recognition in relation to grant income and material error through journals to revenue.

Our procedures in respect of the above included:

- Testing a sample of journal entries throughout the year, which met a defined risk criteria, by agreeing to supporting documentation;
- Setting expectation of common revenue journal posting and investigate any journal outside of our expectations, tracing journal entry to appropriate supporting documents.
- Assessing completeness of grant income with reference to supporting documentation;
- Assessing significant estimates made by management for bias; and
- Obtaining an understanding of the control environment in monitoring compliance with laws and regulations;

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's ("FRC's") website at:

<https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Charitable Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charitable Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charitable Company and the Charitable Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The accompanying notes form part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

1. Legal status

The Charity is limited by guarantee and has no share capital. Every member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up whilst he or she is a member or within one period of ceasing to be a member for the debts and liabilities of the Society contracted before he or she ceases to be a member, such as may be required not exceeding £1.

Registered Office	4 Corporation Street St Helens Merseyside WA9 1LD
-------------------	--

2. Accounting policies

Basis of accounting

The Financial Statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with:

- Statement of Recommended Practice: Accounting and Reporting by Charities (Charities SORP (FRS102));
- Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102); and
- Charities Act 2011 and the Companies Act 2006.

The Charitable Company constitutes a public benefit entity as defined by FRS102.

The Charitable Company has taken the exemption in relation to the preparation of a statement of cash flows on the basis that the company is included in the consolidated financial statements of Torus62 Limited as at 31 March 2025. These financial statements may be obtained from its registered office: 4 Corporation Street, St Helens, Merseyside, WA9 1LD.

The recent challenging economic operating environment has had an adverse impact on Group commercial entities and their ability to generate Gift Aid and Social Value Levy to the levels expected in the Torus Group amalgamation Business Plan. This is forecast to impact the Torus Foundation Gift Aid and Social Value Levy receipt in 2025/26. However, the Charity remains in a robust position to continue operations into the future with cash and cash equivalents £2.5m as at 31st March 2025 (31st March 2024: £5.4m).

After reviewing the Charity's revised forecast and projections, taking into account the principal risks and uncertainties, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future, being a period of not less than 12 months from the date of approval of these financial statements. The Charity therefore continues to adopt the going concern basis in preparing its financial statements.

NOTES TO THE FINANCIAL STATEMENTS (continued)

Incoming resources

Income is recognised when the Charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

Income from government and other grants, whether capital grants or revenue grants, is recognised when the Charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the Charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably, and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the Charity, or the Charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Volunteers and donated services

Donated professional services and donated facilities are recognised as income when the Charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the Charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the general volunteer time is not recognised. Refer to the Trustees' annual report for more information about their contribution.

On receipt, donation of professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Funds

Unrestricted funds are donations and other incoming resources receivable or generated for the furtherance of the Charity's objects without further specified purpose and are available as general funds.

Restricted funds are to be used for specific purposes are laid down by the donor. Expenditure which meets these criteria is charged to the fund, together with a fair allocation of management and support costs.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered and is reported as part of the expenditure to which it relates.

Costs of raising funds comprise the costs associated with attracting donations, grants and legacies and the costs of trading for fundraising purposes.

NOTES TO THE FINANCIAL STATEMENTS (continued)

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Other expenditure includes all expenditure that is neither related to raising funds for the Charity nor part of its expenditure on charitable activities.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis, as set out in the notes to the accounts.

Debtors

Short term debtors are measured at transaction price, less any impairment and are measured subsequently at amortised cost using the effective interest method.

Creditors

Short term creditors are measured at transaction price.

Financial Instruments

The Charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities, such as accounts receivable and payable.

Fixed Assets

All fixed assets are initially recorded at cost.

Depreciation is provided to write off the cost of each asset over its useful economic life at the following rates:

Fixtures and fittings	- 3 to 10 years straight line
-----------------------	-------------------------------

Pension Cost

The Foundation participates in the Merseyside Pension Fund and the Cheshire Pension Fund, part of the Local Government Pension Scheme ("the Schemes"); both are multi-employer defined benefit scheme.

The difference between the realisable value of the assets held in the Defined Benefit Pension Schemes and the Schemes' liabilities measured on an actuarial basis using the projected unit method are recognised in the Statement of Financial Position as a pension scheme asset or liability as appropriate.

The carrying value of any resulting pension scheme asset is restricted to the extent that the Charity is able to recover the surplus either through reduced contributions in the future or through refunds from the scheme.

Changes in the defined benefit pension schemes asset or liability arising from factors other than cash contribution by the Charity are charged to the Statement of Financial Activities in accordance with FRS 102.

NOTES TO THE FINANCIAL STATEMENTS (continued)

The current service cost and costs from settlements and curtailments are charged against operating surplus. Past service costs are recognised in the current reporting period. Interest is calculated on the net defined benefit liability. Remeasurements are reported in other comprehensive income.

The Charity also provides a Group Pension Scheme supplied by AVIVA, which is a defined contribution scheme. The income and expenditure charge represent the employer contribution payable to the scheme for the accounting period.

Reserves

The Charity establishes restricted reserves for specific purposes where their use is subject to external restrictions. Unrestricted reserves relate to historic surpluses and deficits from the Charity's activities. Reserves are used to fund the Charity's future activities.

Contingent liabilities

A contingent liability is identified and disclosed for those grants resulting from;

- a possible obligation which will only be confirmed by the occurrence of one or more uncertain future events not wholly within the Trustees control; *or*
- a present obligation following a grant offer where settlement is either not considered probable.

Significant judgements and key areas of estimation uncertainty

Management's estimate of the defined benefit obligation is based on several critical underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the liability and the annual defined benefit expenses.

Management apply a consistent set of financial assumptions, which are in line with those provided by Pensions Funds.

NOTES TO THE FINANCIAL STATEMENTS (continued)**18. Related party transactions**

Catherine Murray Howard a trustee of the charity, is a representative of Torus62 Limited. Torus Foundation has entered into a Service Level Agreement with Torus62 Limited for the provision of support services such as IT, Human Resources, Finance and Asset Management. The value of services procured during the period was £771,629 (2024: £804,240).

Simon Bean a trustee of the charity, is an employee of Career Connect. Career Connect subcontract to Torus Foundation in relation to the New Leaf and Springboard programmes. The value of services during the period for New Leaf was £nil (2024: £21,625) and Springboard was £nil (2024: £34,255).

19. Ultimate controlling party

An Intra Group Agreement is in place between Torus62 and its subsidiaries, whereby subsidiaries agree that their immediate and ultimate shareholder/member is Torus62 Limited (Community Benefit Society 7973). As Torus62 controls the appointment of the Board it is considered to be the beneficial owner. In the opinion of the Trustees Torus62 is the ultimate parent company and controlling party.
