Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	CIO Foundation Model Constitution dated 1 April 2013, amended 17 July 2013
How the charity is constituted (eg. trust, association, company)	Charitable Incorporated Organisation (CIO)
Trustee selection methods (eg. appointed by, elected by)	Appointed by the existing trustees

Additional governance issues (Optional information)

•	One or more Trustees have undertaken the following courses and gained pass certificates: Mental Health First Aid (MHFA) training. safeTALK Suicide alertness for everyone. Cumbria Police/Get Safe Online Cyber Security Proficiency Course. OCNW Computerised Accounts Level 2. European Computer Driving Licence (ECDL). Lancaster University Personal Skills (Volunteering in Social Care) Grade 1. In 1990 a small group of Mental Health Service Users setup Furness Mental Health User Group (FMHUG). Another small group later setup a further group, Furness Mental Health Group (FMHG). Later Creating Space for Carers in Furness (CSCF) was set up. Over the years these Groups had looked for a place to setup a base to work from in one of the following wards: Walney Island, Barrow Island, Central, Hindpool or Ormsgill. Then in 2012 a base became available that these and other groups could work from on Barrow Island. It was felt that the time was also right to setup a separate organisation that was a registered charity, Furness Mental Health Trust (FMHT). FMHUG, FMHG and CSCF would still retain their own identities and use facilities provided by FMHT.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1-The relief of sickness and the preservation of health among people with Mental Health problems and their families in particular but not exclusively by the promotion of Mental Health services in the Furness area of Cumbria.

2-To advance the education of the general public in all areas relating to Mental Health problems.

Summary of the main activities undertaken for the public benefit in relation to these objects.

Statutory Declaration: The trustees declare that they have complied with their duty to have due regard to the guidance on public benefit published by the commission in exercising their powers or duties. In the 2013-2014 financial year we secured a base to work from on Barrow Island and had commenced phase 1 of the renovation of the complex. Phase 1 of this five year Mental Health Wellbeing Hub Renovation Project: This renovation project is not like a normal renovation project where you employ a contractor to undertake all of the work. FMHT is a Service User and Carer run and lead Mental Health Charity and this project is being undertaken primarily by people who have Mental Health problems and is a Wellbeing Hub Project to help them rebuild self-confidence, self-esteem and develop new skills to equip them to enable them to get back into the job market. Therefore this Wellbeing Hub Project is a long term project that relies on when Mental Health Service Users are well enough to take part and the availability of Funding Grants to purchase materials etc. and pay contractors for skills not available within the group. We have to remember that Mental Health is like a roller coaster ride, it is very up and down. We can't always progress as fast as we would like to. This is why this is a very important Wellbeing Hub Project. Some of the Outcomes will include: - Increased self-esteem and self-confidence. - Healthier, more active lifestyle. - Improved life skills. - Improved citizenship skills.

Additional details of objectives and activities (Optional information)

The final phase of this five year Mental Health Wellbeing Hub Renovation Project: When completed (it was estimated late 2020, middle 2021 but due to COVID-19 we now estimate it will be early 2024) the Complex will include: Large Conference Room carpeted 19m x 11m; Large Hall with hard floor 10m x 11m; Cafe/Kitchen; Charity Shop; Meeting Rooms; Lounge; Concert Room; Gym; Games Room - Snooker, Darts, Dominos, Cards; etc; Bingo; Carpet Bowls; Table Tennis; Basketball; Office; Living Accommodation; Storage; Garden; Car Park; Fibre Optic Broadband with Wi-Fi; Computers; A/V Equipment; etc. There had been a lot of damage from water entering the building. The Roofer replaced a number of slates and four lead valleys that had been damaged or stolen. Two roofs also had to be completely replaced. We commissioned an electrical installation check which uncovered some serious issues. We also commissioned a gas boiler check and in the process discovered a gas leak and a number of other problems. A new gas main supply pipe was laid to the National Grid. On lifting the ground floor carpets and lino in three rooms we discovered serious woodworm in the floorboards and rotten floor beams. This resulted in us having to backfill, insulate and concrete the three floors. Two shutters were damaged by attempted break-ins and were repaired, serviced and new locks fitted. After discovering that the Club building required a Gas and Water supply and more major renovation work than was first planned, the Valuation Office Agency removed the Club building from the rating

system and therefore still has a NNDR Rating Value of zero.

The whole project is still behind schedule due to funding, ongoing vandalism, break-ins and thefts etc. and now COVID-19. This now means we have had to put the whole renovation project on hold.

We have now increased one to one support, peer to peer support and food deliveries etc.

This financial year Volunteers have contributed in excess of 10,300 hours which it is estimated, using the UK Living Wage, has saved the Charity around £95,000.

The Trustees do not receive payment for their time.

The Charity has no paid staff.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The Charity has provided a number of Service Users the opportunity to Volunteer and put their skills to use or learn new skills. As a result of being involved in the project five Service Users this year have found employment.

A number of Service Users are benefiting from the loan of computers. This helps them in the learning of digital skills and also adds to their skills to access the job market etc. We also have out on loan a small number of Mobile Wi-Fi Modems, Mobile Phones and Finger Pulse Oximeters.

Service Users and Carers have had a significant input into the Project and helped shape its direction. Service Users and Carers also lead on what facilities we provide currently and what the complex will provide when completed.

Service Users and Carers in 1990 had decided that the completed complex project would be called “whatever the physical location of the complex project was + Community Centre/Hub”.

The Charity has submitted a number of applications for grants this financial year; however all of these except these have been unsuccessful.

The only successful ones were:

£22 from Amazon Smile.

£5669 from Barrow Council LRSG

£10 from Just Giving.

£9959 from NLCF COVID-19

£14 from PayPal Giving Fund.

£1000 from Tesco Groundwork

This financial year our amount of room use/storage and car park income has increased substantially. However at the end of February this dropped to zero due to COVID-19. We have had to cancel all onsite activities:- Service User/Carer Groups and Peer to Peer Support Groups etc.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Charity has not yet set a reserves policy, but intend to work towards a 6 month of reserves once the final phase of the project is completed.

Details of any funds materially in deficit

Further financial review details (Optional information)

•

The Charity received ten Grants this financial year:
£22 from Amazon Smile.
£5669 from Barrow Council LRSG
£10 from Just Giving.
£9959 from NLCF COVID-19
£14 from PayPal Giving Fund.
£1000 from Tesco Groundwork

The Charity this financial year received no further Long Term Loans. Although not listed in the accounts as restricted, the Long Term Loans are primarily for the renovation project. The total interest on our Long Term Loans in the current financial year was £4,000.

The Charity has no investments or investment policy.

Due to COVID-19 the Mental Health Wellbeing Hub Renovation Project is currently on hold. We have setup a COVID-19 Project delivering food and essential items etc and going out to Service Users and Carers giving one to one support, peer to peer support etc. This has all increased our expenditure, purchasing food, essential items and PPE equipment etc.

If the COVID-19 lockdown continues for any length of time without room hire income and further grants we estimate that the unrestricted funds will run out in the very near future.

Section F

Other optional information

The biggest setback was the break-in in 2013 where thieves removed copper piping and brass fittings, striped the boiler and blower radiators all of which resulted in flooding the building. All this resulted in £40,000 worth of damage.

In June 2015 we suffered a break-in which resulted in damages and losses totalling £7,081 we submitted an Application for Compensation, however to date no compensation has been received. In September 2015 the Police / CPS obtained a successful prosecution against two people: 1-Martin Sorrenson, Age 34, Total Offences to Date 79, Sentence for Break-in at FMHT Premises: 36 weeks imprisonment. 2-Scott Graham, Age 27, Total Offences to Date 77, Sentence for Handling Stolen Goods the property of FMHT: 26 weeks imprisonment. The Police have yet to return the 9 function gardeners multi-tool.

In April 2016 Chris Lippett of 41 James Watt Terrace, Barrow Island, LA14 2TS agreed to do some building work. He obtained the price and availability of materials from various trade suppliers and was given £1,090 to purchase these materials. Chris Lippett never purchased the materials nor did he do the work. This matter was reported to the Police.

In July 2017 we suffered an assault and theft which resulted in losses totalling £6,000 we submitted an Application for Compensation, however to date no compensation has been received. In December 2017 the Police / CPS obtained a successful prosecution against two people: 1-Dawn Goodwin, Sentence for Theft x2 and burglary at FMHT Premises: 29 months imprisonment. 2-Paula Goodwin, Sentence for Theft x2 and burglary at FMHT: 29 months imprisonment. Taking a conveyance without authority to remain on file for both of them. The Police have yet to return the CCTV backup drive.

In August 2017 we discovered the main wooden beams supporting two roof sections were rotten and at risk of collapse. We have had quotes in excess of £60,000 for which we are trying to source funding for.

In January 2018 thieves stole one of the roof lead valleys and flashing causing £2,000 of damage. This matter was reported to the Police.

In April 2018 floor timbers and door frame stolen.

It is sad that we still continue to be plagued with vandalism and minor break-ins. These acts of vandalism and break-ins result in damages and losses for which we never receive any compensation.

We engaged advisers, Amethyst Training and Development Ltd, to write a five year business plan. In January 2015 the process of structuring the business plan is ongoing.

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
