City Church Preston

Report of the Trustees for the year ended 31 December 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives

City Church Preston is a community of faith, hope and love that seeks to communicate the life changing message of Jesus to Preston and beyond. The Church seeks to serve the community and encourages its church partners and regular attendees to be involved in all positive aspects of serving our city.

The objectives of the Church are for the benefit of the public:

- a) to advance the Christian faith in accordance with the Statement of Faith of Assemblies of God in such ways and in such parts of the United Kingdom or the world as the Directors from time to time may think fit;
- b) to relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods or services of any kind including through the provision of counselling and support in such parts of the United Kingdom or the world as the Directors from time to time think fit, and;
- c) to advance education in such ways and in such parts of the United Kingdom and the world as the Directors from time to time may think fit.

In accordance with its aims, the Church planned and delivered a range of activities throughout the year. These activities were planned with due regard to the Charity Commission's guidance on public benefit, and in particular, the specific guidance on charities for the advancement of religion.

Church partners and attendees have been encouraged to become active in the expression of their Christian faith through;

- teaching, encouragement and practical demonstration on how to follow the example of Jesus, in faith, word and action.
- Collective acts of worship.

The Church also provided marriage and funeral services, with emotional and practical support provided for the family and friends of those who had passed away.

Aims and purposes

The trustees are responsible for ensuring that City Church Preston fulfils its charitable aims which are to advance the Christian faith, relieve sickness and financial hardship, and advance education.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities and review of the year

City Church Preston is a vibrant faith community centred on the teaching and example of Jesus Christ. It is a community which is socially and ethnically diverse, inclusive, and connects with all ages. The Church is welcoming to all, particularly those who are interested to learn more about the Christian faith. Opportunities have been provided for those who wish to gain an understanding of the basic principles of Christianity, together with water baptismal services for those who wish to be baptised.

During 2024 the Church provided a network of practical support for people, including pastoral support for those in challenging situations, visiting those who were sick or bereaved, and support for the elderly and disabled. Practical support and guidance were made available to those who were in financial difficulty, together with prayer and support for difficult situations faced by those in the church community, their colleagues, friends, family and the wider community. Pastoral connections were maintained through one-to-one sessions to encourage and support individuals.

The food market provision has been a consistent source of encouragement, with many members of the local community not only engaging with this, but also volunteering to help run it. The trustees are grateful to Preston City Council for grant funding which underwrites the cost of the food distributed at the market and allows a good selection of fresh food to be made available in addition to tinned and packet goods.

Throughout the year the church leaders taught on how to live as beacons of hope in the world, picking up on Jesus' words about being the light of the world. The church was encouraged by Ps Agust Olafsson from Iceland, talking about how we can all be witnesses for Jesus. The community responded by continuing to share the faith with others and offering support to those in need. This provided reassurance and encouragement to many.

The Tamil-speaking service on Sunday afternoons continues to cater for those from India and Sri Lanka. This has been a great point of connection for the Asian community as the church hosted a worship event drawing contributions from churches across the area. The Tamil church is able to network people and help them settle by providing practical and pastoral support as they adjust to a new culture. A weekend away was organised to allow relationships to deepen and faith to flourish. Intentional work is undertaken to create spaces where the whole church comes together as one body, regardless of mother-tongue spoken.

A whole church away day was held at Bleasdale Parish Hall in the Trough of Bowland. Church and local community members enjoyed chatting, games, walking, food and worshipping together in a different environment. For some it was a rare opportunity to get out of Preston, with transport provided. Thanks to the generosity of the church community everything was free of charge.

Strong connections have been made with students and young adults through weekly activities for the 18-30s. A significant proportion of the students who connect with the church are from abroad. We are able to provide a warm and welcoming 'home from home' environment where friendship and peer support are fostered. This has positive effects on people's wellbeing. The sports hall is well used by this group.

Children and young people are encouraged in their faith journey through age-appropriate content / opportunities to explore questions of faith and allowed to reach their own conclusions.

The church continued to live-stream Sunday services on the church website and YouTube, helping members who were otherwise unable to attend to access the teaching and allowing prospective visitors to get a foretaste before they arrived. Church services and content were made widely available and advertised on the church website, notices in the building, and through social media, so that they were made available to as many people as possible.

During the year all policies and procedures are reviewed (and updated where appropriate). The safeguarding policy is updated annually to reflect the latest advice from AOG and Thirty One:Eight advisory service.

ACHIEVEMENTS AND PERFORMANCE

Staff and volunteers

All areas of church life are essentially staffed by volunteers who freely give their time and skills, and without whom the charity could not function. Towards the end of the year the church appointed a part-time Safeguarding Co-ordinator. The only other remunerated staff members during 2024 were the part-time Lead Pastor, and the part-time Church Caretaker.

Two leadership 'away days' were undertaken in the year with the trustees and Ministry Team coming together to pray, plan, and learn together.

Missions

As in previous years, there continues to be a strong emphasis on missions work outside the church itself - locally, around the UK and overseas. During the period the church has given £9,884 to support missions. This has included direct support to missionaries working in the UK and overseas.

Church premises

The church building, St Thomas' Centre, gives City Church Preston an operating base, a home in the community, and supports the extension and development of ministry opportunities within the community we serve. All church services and the weekly coffee morning drop-in, which allows pastoral conversations and support, and creates an accessible connection point for the local community, are held in the building. In January 2024, the main boiler was condemned. After several fundraising events, and much generous support from the church and local community, the boiler was replaced in September 2024.

Partnerships

The Church is committed to playing a full part in the Assemblies of God GB fellowship, aiming to always be a net contributor to this wider network. This includes contributing to the AOG GB Relief and Development fund, and playing an active role in the AOG Hub and Zone meetings. The Senior Pastor took on responsibility for representing AOG on the United Board for military chaplaincy and is now part of AOG's national chaplaincy team. The Church also continues to benefit from close working with other churches and organisations in Preston, the North West and elsewhere in the UK and abroad. A successful partnership with Preston City Council and FareShare continues to provide food markets each month.

The Church continues to pursue partnerships that are of benefit to attendees and the wider community, such as its partnerships with Community Solutions, Diverse Church, Fusion (linking into the students at UCLan), Mercy UK and many others.

Summary

There has been a continuation of the good work carried out by the church, with many people, both young and old, being empowered and encouraged to make better life choices. For some this has been to take further steps on their journey to faith, with a number becoming part of the church community. The church was able to provide pastoral, emotional and practical support to those in need. In all these areas the Trustees wish to record their thanks to God for his leading and provision, together with their thanks to all the volunteers who have sacrificially given of their time and finance in service to both the church community and the wider community.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).
