TRUSTEES' REPORT (Cont.)

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Moorside Cricket and Bowling Club was incorporated as a company limited by guarantee on 27th March 2013. Subsequently, it was registered as a charity with the Charity Commission on 30th July 2013. On 31st October 2022, it had 454 members.

Appointment of trustees

As set out in the company articles, there can be a minimum of seven and a maximum of fourteen trustees. At this, the ninth annual general meeting, one third of the directors retire from office or, if their number is not a multiple of three, the number nearest to one-third, must retire from office. As two directors were appointed during the year, they will automatically retire and seek reappointment by the members. Members are invited to nominate trustees prior to the AGM. Generally, trustees have been involved with the charity for some time and are aware of their rights and obligations as trustees and they are made aware of the plans and financial position of the charity upon appointment.

Organisation

The board of trustees aims to meet at least twelve times per year, or more as business requires; all major decisions, both financial and non-financial, are discussed at these meetings before being put into effect.

Subsidiaries

The Charity has a wholly owned subsidiary: Moorside C&BC Community Interest Company (CIC) which was incorporated on 28th October 2013. Moorside C&BC CIC was established to carry out commercial trading activities chiefly: the operation of the social facilities of the Club; its bar; and the hosting and organisation of entertainment for the Club's members and the local community. Any surpluses generated by the subsidiary are covenanted, through gift-aid, to the charity.

Risk management

The trustees have conducted a review of the major risks to which the charity is exposed, and this review is regularly updated at trustees' meetings. Where appropriate, systems or procedures have been established to mitigate the risks, both financial and non-financial.

Objects and activities

The Objects of the Charity are specifically restricted to the following:

- i. the promotion, encouragement and organisation of all-age community participation in healthy recreation and sporting activity for the benefit of the inhabitants of the village of Moorside, Oldham; the Metropolitan District of Oldham; and the surrounding areas;
- ii. the advancement of the education of children and young people undergoing and not undergoing full-time education through participation in active sport;
- iii. the relief of old age through the promotion of physical activity for elderly people; and
- iv. the provision and maintenance of public recreational facilities for the playing of crown green bowls, cricket and other sports in the interests of social welfare.

This provision may be amended, only, by special resolution and then only with the prior, written consent of the Charity Commission.

ACHIEVEMENTS AND PERFORMANCE

CROWN GREEN BOWLS

The sport was disrupted by Covid-19 during 2020-21. Similarly, the organisation of the bowls section also suffered. However, in 2022 the Bowls Committee was re-established. Unfortunately, the club had to withdraw its A Team from the Saddleworth League at the last minute, due to a shortage of players. This team will be reinstated for the 2023 season.

During the 2022 season, the Club entered teams in the following leagues and the final league positions were as follows:

Team	Division	Position
Chadderton League A	2	9/10
Chadderton League B	4	7/10
Failsworth	2	3/8
Oldham Ladies A	1	7/9
Oldham Ladies B	4	9/9
Oldham Ladies Over 60's A	1	5/9
Oldham Ladies Over 60's B	3	7/8
Oldham Men's Veterans	2	10/10
Saddleworth B	3	9/9
Tameside Ladies	1	6/8

In addition to league fixtures, a number of club handicaps were organised throughout the summer. These were well supported by bowlers and non-bowlers alike. The handicaps were usually sponsored and in some cases were fund-raisers for health-related charities.

CRICKET

A full set of senior men's league cricket fixtures was played during the 2022 season. The 1st XI was promoted to the GMCL Premier League in 2019. Unfortunately, the team finished 10th out of 12 teams and therefore was relegated to Premier League 2 for the 2023 season.

The T20 side "Moorside Mavericks" came top of their mini-league winning 5 of their six matches. They progressed to the semi-final and finals day. Unfortunately, they lost their semi-final match.

More promisingly, the 2nd XI had a much more successful season finishing second in their league of 13 teams. They will be promoted to a tougher Division in 2023. At times, the 2nd XI struggled to field 11 players as some of the team were selected to backfill absent 1st XI players. In 2023 it is hoped that a number of junior players will move up to senior cricket.

The Club was pleased to acknowledge sponsorship from local businesses. All three senior men's teams benefited from teamwear sponsorship again in 2022.

The women's cricket section played a number of tournaments and festivals.

Junior Cricket continued to expand with 67 junior members signing on for the season. As well as entering two teams in the winter indoor leagues, the Club also entered teams in the GMCL Under 9, Under 11 and Under 13 leagues. Regular practice sessions were held, culminating in a 3-day cricket camp held in August.

CAPITAL RENEWALS

The development of the Club's facilities continued. The major projects were the redevelopment of the cricket changing rooms, replacement of cricket sight screens, replacement of the outfield mower and new bowling green lights.

COMMUNICATIONS

The Club's website, using the *Pitchero* cricket website programme, continues to provide news and information including club news, social events, match reports and photographs. The Club's Facebook page continues to be very successful as a means of communication with over 1,800 "likes" reached during the summer.

CHARITABLE OBJECTS

The Trustees are mindful of the Charity Commission guidance on public benefit and are confident that the work of the charity fulfils the public benefit test. The charity's trustees continue to be especially grateful to its volunteers who work tirelessly for it.

RESERVES POLICY

The trustees have examined the charity's requirements for reserves in light of the main risks to the organisation. It had established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be approximately equal to six months' expenditure having regard also to any contingencies that might arise and any possible downturn in income. The trustees have been able to sustain this position.

TRUSTEES' RESPONSIBILITIES

Charity law requires the trustees to prepare accounts that give a true and fair view of the state of affairs of the charity and of its income and expenditure for the financial year. In doing so, the trustees are required: to select suitable accounting policies and apply them consistently; observe the methods and principles of the Charities SORP; make judgements and estimates that are reasonable and prudent; state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and prepare the accounts on the going-concern basis unless it is inappropriate to presume that the charity will continue in operation. The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the accounts comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Moorside Cricket & Bowling Club
Independent Examiner's Report
For the Year Ended 31 October 2022**

We report on the accounts of the company for the year ended 31 October 2022 which are set out on pages 6 - 11.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied ourselves that the charity is not subject to an audit under company law and is eligible for independent examination it is our responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to our attention.

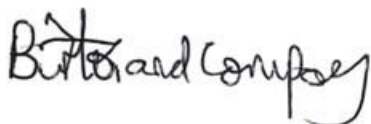

BASIS OF INDEPENDENT EXAMINER'S REPORT

Our examination was carried out in accordance with the General Directions given by the Charity Commission. That examination includes a review of the accounting records kept by the charity and a comparison of the financial accounts with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with our examination no matter has come to our attention:

- 1 which gives us reasonable cause to believe that in any material respect the requirements:
- to keep accounting records in accordance with the Companies Act 2006 section 386; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of the Companies Act 2006 section 396 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities
- have not been met; or
- 2 to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Moorside Cricket & Bowling Club
Notes to the Financial Statements
For the Year Ended 31 October 2022

1. ACCOUNTING POLICIES

1.1 Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice - Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and with the Charities Act 2011.

1.2 Fund accounting

Unrestricted funds comprise accumulated surpluses and deficits on general funds that are available for use at the discretion of the trustees in furtherance of the general objectives of the Charity and that have not been designated for other purposes.

Restricted funds are funds subject to specific restrictions imposed by donors or the purpose of the appeal. At present all funds are unrestricted.

1.3 Incoming resources

All incoming resources are included in the Statement of Financial Activities (SOFA) when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of gifts, donations and membership fees and is included in full in the SOFA upon receipt.

Income from grants is recognised when entitlement is certain and any conditions attached to receipt of the grant are wholly within the control of the Club. Capital grants are released to income as the assets to which they relate are depreciated.

Any assets donated to the Club are included at their estimated value where the amounts involved are material, reasonably quantifiable and measurable. No value has been attributed to the contribution of the members acting as volunteers in assisting in the staging of games and events.

Investment income is included when receivable.

1.4 Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Freehold	1% straight line
Plant & Machinery	15% reducing balance basis
Fixtures & Fittings	10% reducing balance basis

Please note that there is a change of depreciation policy in the year from those used in previous years. It is believed that the new rates adequately provide for the true economic value of the assets.

2 Average Number of Employees

Average number of employees, including directors, during the year was as follows: NIL (2020: NIL)
