## **TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)**

***FOR THE YEAR ENDED 31 AUGUST 2024***

---

The trustees present their report and the unaudited financial statements for the year ended 31 August 2024 which have been prepared in accordance with the Accounting and Reporting by Charities Statement of Recommended Practice issued by the Charity Commission in July 2015, the Memorandum and Articles of Association of the Company and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102.

The trustees confirm that the Charity Commission's general guidance on public benefit has been considered in relation to the objectives of the Charity to advance education. The report sets out these aims and objectives and describes how they have been met in the current year.

### **Objectives and activities**

#### **Our Aims**

The objectives of the School are the advancement of education (including social and physical) of boys and girls in a multicultural environment with a Scandinavian focus, and in particular to maintain a day school in Islington, London.

We aim to provide a first class education to boys and girls from the ages of 2-11. We seek to provide an educational environment that develops our pupils' capabilities, competencies and skills. We aim to promote multilingual and multicultural education. We promote the academic, moral and physical development of our pupils through our academic curriculum, pastoral care, sporting and other activities. We provide an educational environment where each student can develop and fulfil their potential, building their self-confidence and inculcating a desire to contribute to the wider community. In doing so, we prepare our pupils for the opportunities, responsibilities and experience of later life.

#### **Our Objectives**

Our objectives are set to reflect our educational aims and the ethos of the School. It is important to us that we maintain and enhance the academic success of the School. This objective is, however, set in the context of the broader goals we set for the School and its pupils.

In setting our objectives and planning our activities our Governors have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education and on fee-charging. Our key objectives for the period included:

- To offer high quality education to any family interested in the Scandinavian child-centric model of education;
- To offer families with a connection to Scandinavia the opportunity for their children to learn to speak, read and write Scandinavian languages;
- To build partnerships with secondary schools that can offer London Scandinavian School pupils the opportunity to continue their studies of Scandinavian languages;
- To recruit high quality staff with skills to provide a high quality education;
- To recruit staff to provide multilingual and multicultural education;
- To create extra-curricular provision for pupils;
- To provide support of our pupils in need of fee assistance through bursaries;
- To maintain and develop first class pastoral care for pupils;
- To increase pupil numbers to provide financial security for future years;
- To play our part in the life of our local community through our community access and service programmes.

### *Strategies for achieving aims and objectives*

#### **Our Ethos, Strategy and Policies**

Our Governors are responsible for setting a strategy for achieving the objectives they have set. The focus of our strategy is on the development of our pupils, their continued high levels of academic and co-curricular achievement and to further widen access to the education our School provides. In taking forward our strategy we:

- Review the School's academic syllabus, teaching practices and examination results;
- Ensure the range of co-curricular activities available to our pupils is stimulating and challenging;
- Ensure the multilingual and multicultural facets of the School's aims are promoted within the curriculum and through extracurricular activities;
- Invest in facilities and equipment of our School;
- Co-operate and share resources with local schools; and
- Continue to review and develop our methods for awarding bursaries to ensure wider access to pupils from all backgrounds.

### *Criteria used for assessing success*

#### **Our Ethos: A Caring School Serving Our Local Community and Society**

London Scandinavian School is a registered charity which seeks to benefit the public through the pursuit of its stated aims. Our fees are set at a level to ensure the financial viability of the School and at a level that is consistent with our aim of providing a first class education to boys and girls.

Our School welcomes pupils from all backgrounds, both British and Scandinavian children in particular will benefit from the School's multicultural approach. To admit a prospective pupil we need to be satisfied that our School will be able to educate and develop a prospective pupil to the best of their potential and in line with the general standards achieved by their peers. An individual's economic status, gender, ethnicity, race, religion or disability do not form part of our assessment processes.

We are an equal opportunity organisation and are committed to a working environment that is free from any form of discrimination on the grounds of colour, race, ethnicity, religion, sex, sexual orientation or disability. We will make reasonable adjustments to meet the needs of staff or pupils who are or become disabled.

Our School is committed to safeguarding and promoting the welfare of our pupils and expects all staff and volunteers to share this commitment. Parents are given regular information about their children's social and academic progress through parent evenings in addition to the traditional end of term and year reports. We maintain regular contact with parents throughout the year through informal contacts and through our newsletter. We have vigorous safeguarding procedures in place, and we work closely with Islington Council to ensure new regulations are immediately integrated into our policies and staff training.

### *Public benefit*

#### **Access Policy**

It is important to us that access to the education we offer is not restricted to those who can afford our fees. We believe our pupils benefit from learning within a diverse community. A great deal of learning occurs through social interaction, conversation and shared experiences which helps our pupils develop an understanding of the perspectives of other people that will be vital in their adult lives. Our bursary policy contributes to a widening of access to the education we offer and the facilities we enjoy. Our policy states 10% of any surplus must fund bursaries. In years of no financial surplus we aim for 10% of the cohort to receive some kind of financial support through bursaries.

### *Activities*

#### **Bursary Policy**

The Governors' view our bursary awards as important in helping to ensure children from families who would otherwise not be able to afford the fees can access the education we offer. Our bursary awards are available to all who meet our general entry requirements and are made solely on the basis of parental means or to relieve hardship where a pupil's education and future prospects would otherwise be at risk - for example in the case of redundancy. In assessing means we take a number of factors into consideration including family income, investments and savings and family circumstances for example dependent relatives and the number of siblings. However, our School does not yet have an endowment and in funding our awards we have to be mindful that we must ensure a balance between fee-paying parents, many of whom make considerable personal sacrifices to fund their child's education, and those benefiting from the awards.

The bursary awards range from 25-50% remission of fees. Information about fee assistance through bursaries is provided to all applying to the School. The success of our bursary scheme is explained in our review of the activities and achievements section of this report. Details of bursary awards are also set out in the accounts.

#### **Fundraising Standards**

During the 2023/2024 school year our active fundraising activities included a campaign targeting private donors. One private donor, made total donations of £45,000 to the school. In all matters related to fundraising and donations, London Scandinavian School abides by the Code of Fundraising Practice published by the Institute of Fundraising.

#### **Achievements and performance**

*Significant activities and achievements against objectives*

### Details of Bursary and Scholarship Awards – Policy into Practice

#### Bursaries

During the academic year to 31 August 2024 bursary applications for 2 pupils were received and awarded. This is below our target to offer 10% of our school places with bursary remissions. We are pursuing a plan of proactively soliciting bursary admissions.

#### Review

The Governors review our Bursary and Scholarship Awards policies annually to ensure that able children can accept offers of places at our School through the availability of means tested fee assistance. Our policy is designed to widen access to our School. We anticipate this review will help inform the development of our policy and help ensure the objective of wider access continues to be achieved.

#### Community Service

The School's After-School-Club is open to the wider community and attracts children from other schools. Additionally we have regular events open to the wider community such as a Summer Party and Sports Day.

### Financial review

#### Our Finances

The financial statements show a net profit for the period on School activities of £54,437 (2023: deficit of £37,381). Fee income is the principal source of income contributing £620,160 (2023: £407,867).

Total funds at the year end show a net deficit of £38,950 (2023: deficit £93,387). Our pupil numbers remained stable through the school year and grew from the previous year. We continue the focus to recover our pupil numbers and hope to continue producing surpluses in future years.

As a charity the parents of our pupils have the assurance that all the income of the School must be applied for educational purposes. As an educational charity we enjoy tax exemption on our educational activities and on our investment income and gains provided these are applied for our charitable aims. As a charity we have also enjoyed an 80% reduction on our business rates on the property we occupy for our charitable purposes. The financial benefits we receive from these tax exemptions are all applied for educational purposes and indirectly help us to maintain our bursary policies and 'teaching link' programme.

However, as an educational charity, during 2023/24 we have been unable to reclaim VAT input tax on our costs as we were exempt for VAT purposes. We also pay tax as an employer through the national insurance contributions we make. In addition to the very substantial benefits our School brings to our pupils, the local community and society through the education we offer, our bursary programme creates a social asset without cost to the Exchequer.

#### *Reserves policy*

#### Reserves and Financial Health

The Governors regularly review the finances, budgets and spend against budget (together with a monthly cash flow analysis) as part of the effective stewardship of the School. Capital and Reserves at the year end stood at a negative £38,950 (2023: £93,387) reflecting the challenges encountered by this new school. The ongoing financial strength of the business will be dependent on increasing pupil numbers.

### *Major risks*

#### **Risk Management**

The Governors are responsible for the overseeing of the risks faced by the School. Detailed considerations of risks are delegated to the Senior Management of the School. Risks are identified, assessed and controls established throughout the year. A formal review of the charity's risk management processes is undertaken on an annual basis. Risk is managed under the headings of financial sustainability, school safety, student welfare, employment, school trips and events and community access. Through the risk management processes established for the School, the Governors are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

#### **Plans for future periods**

##### **Future Plans**

London Scandinavian School's main growth priority is the addition of new pupils in order to bring the School to a position of financial strength. Our goal is to exceed 40 children at the start of the 2024/2025 school year. Further growth is likely as the school develops a reputation for quality and marketing strategies increase recognition.

The Governors intend to continue their current strategies of maintaining the School's position in a competitive market by investing to provide high quality education for our pupils. Achieving a high standard of academic results is a constant aim whilst maintaining the breadth and depth of the education provided. The Headteacher and senior staff continue to review the curriculum to ensure that the educational qualifications remain appropriate for our pupils' development.

### *Recruitment and appointment of trustees* **Governor Recruitment and Training**

The Governing body requires breadth and depth of experience to carry out its duties effectively and efficiently. When recruiting new Trustees and Governors the important attribute is a passion for the work of our School and an understanding of education as a holistic and rounded experience of personal growth. We advertise locally and through our connections for new Governors. We also invite senior Anglo-Scandinavian business people to consider joining our board. Where possible the Governors consider that the skills and experience of the Board should comprise the following:

- A Governor with a business background.
- A Governor with a financial/accounting background.
- A Governor with education experience.
- A Governor with senior managerial experience.
- A Governor with experience of equal opportunities or disability needs.
- At least one female Governor and at least one male Governor.
- One Governor may have one or more of these skills.

The results for the year and the financial position at the year-end were considered satisfactory by the trustees.

The Governors, amongst whom three are also the charity trustees, are responsible for the overall management and control of London Scandinavian School Ltd and meet a minimum of eight times a year. The Governors work under the chairmanship of Alex Kahn, Chair of the Board. Emily Bridges is responsible for overseeing the financial management of the school.

All trustees give of their time freely and no remuneration or expenses were paid in the period, with the exception of Emily Bridges who receives fees for her work on the board of governors. Aside from this, no Governor or person connected with a Governor received any benefit from either means tested bursaries or scholarships awarded to our pupils.

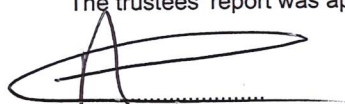

### *Organisational structure* **Organisational Management**

The Governors determine the general policy of the School. The day to day running of the School is delegated to the Head, supported by senior staff. The Headmaster undertakes the key leadership role overseeing educational, pastoral and administrative functions in consultation with the senior staff.

The day to day administration of the School is undertaken within the policies and procedures approved by the Governors, which provide for only significant expenditure decisions and major capital projects to be referred to the Governors for prior approval.

The Headteacher oversees the recruitment of all educational staff, administrative and non-teaching support staff. The Head is invited to attend Governors' meetings.

## NOTES TO THE FINANCIAL STATEMENTS

**FOR THE YEAR ENDED 31 AUGUST 2024**

---

### **1 Accounting policies**

#### **Charity information**

London Scandinavian School Ltd is a private company limited by guarantee incorporated in England & Wales, company number 08155547. The registered office is Curran House, 3 Highbury Crescent, London, N5 1RN.

#### **1.1 Accounting convention**

The financial statements have been prepared in accordance with the charity's [governing document], the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### **1.2 Going concern**

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes. There were no restricted funds in the period.

#### **1.4 Income**

Income, including government grants, is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

#### **1.5 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

# LONDON SCANDINAVIAN SCHOOL LTD

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

---

### 1 Accounting policies

(Continued)

Expenditure, including staff costs, is included in the accounts on an accruals basis and has been classified under headings that aggregate all costs relating to that category. The irrecoverable VAT is included with the item of expenditure to which it relates.

When expenditure cannot be directly attributed to specific activities, it is apportioned on the basis of the estimated time spent by staff on those activities.

#### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	20% on cost
Computer equipment	20% on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

#### 1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

#### 1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

# LONDON SCANDINAVIAN SCHOOL LTD

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

### 1 Accounting policies

(Continued)

#### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Derecognition of financial liabilities**
