TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees through their selected representative, present their annual report together with the financial statements of the Company for the period from 1 January 2024 to 31 December 2024. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees, through their selected representative, confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The charitable purposes of One Acre UK Limited are:

- Prevention or relief of poverty or financial hardship in Africa by providing items and services to individuals or families in need, or other organizations working to prevent or relieve poverty;
- The advancement of education and training;
- Promotion of sustainable development for the benefit of the chronically hungry African farm families.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Grant-making policies

During the year 2024, OA UK Ltd raised grant funding amounting to £251,998. The donations received are used as directed by the agreements with the respective donors.

Achievements and performance

a. Main achievements of the Company

In 2024, One Acre UK continued its efforts to prevent and relieve poverty among Africa's chronically hungry smallholder farm families. The charity achieved this objective by raising donations from individuals and institutions to invest in the programmes and initiatives of our related charity organization One Acre Fund, all of which take place on the African continent. This programming provides high-quality farm inputs and training, among other activities, to improve farmers' crop yields and resilience over time, reducing hunger and poverty in some of the most vulnerable households in the world. In 2024, the average farmer reached by One Acre UK's core programme was able to achieve \$102 in new profits and assets, equivalent to a 36% increase in income on supported land. Additionally, through its trustees, One Acre UK also provided important strategic advice to management in Africa to improve the effectiveness and efficiency of its programmes and broader operations.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024

Achievements and performance (continued)

b. Review of activities

During the financial year 2024, the charity recorded income of £261,036 and expenditure of £276,638 for normal operation.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

b. Reserves policy

One Acre UK Limited shall avoid a negative net asset position on its balance sheet. The fundraising team will strive to raise funds to cover all the operating costs, and in the unlikely event a shortfall in a given year puts One Acre UK Limited at risk of negative net assets, One Acre Fund US, the related charitable entity, will cover the expenses for that period or extend said funds to One Acre UK Limited.

Structure, governance and management

a. Constitution

One Acre UK Limited is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association.

b. Methods of appointment or election of Trustees

The oversight of the Company is the responsibility of the Trustees, who are elected by the existing Trustees and co-opted under the terms of the Memorandum of Association.

Plans for future periods

One Acre UK intends to pursue the same strategy in 2025 and beyond, as it did in 2024 and previously. That is to say, One Acre UK will mobilize grant resources from UK and international donors and deploy those resources to support African smallholder farmers to increase their crop yields; and in turn, reduce hunger and poverty in their households. Additionally, One Acre UK will continue to provide strategic counsel to management in programme countries to improve the effectiveness and efficiency of its programmes and broader operations. One Acre UK does recognize that 2024 wasn't a strong year for fundraising compared to the previous year; hence, the organization will continue operating at prudent staffing levels.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the Company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

1. General information

One Acre UK Limited is a charitable company, limited by guarantee and registered with the Registrar of Companies in England & Wales (company number: 08150121) as well as the Charities Commission (charity number: 1153193). The Registered Office address is Kemp House, 152-160 City Road, London, EC1V 2NX.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

One Acre UK Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.4 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.5 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.6 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.7 Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.8 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.
