**Summary of the objects of the charity set out in its governing document**

The objective of the trust is to benefit such registered charities or such charitable purposes and in such proportions and in such manner and subject to such terms and conditions as the trustees in their absolute discretion think fit from time to time. The trustees must use the income and may use the capital of the Trust in promoting the objects.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The charity makes donations to a range of charities and charitable purposes mainly in England and Wales but also in Israel. In doing so the trustees have familiarised themselves with the guidance on public benefit given by the Charity Commission and have had regard to this. The trustees have clear ideas what charities and charitable purposes they wish to support, and speculative applications for funding are unlikely to be successful.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.
