Activities

Objects: The objects of the CIO are to relieve those in need for the public benefit, in particular, but not exclusively by: a) Providing access to justice and other services to people in detention, formerly in detention, and those who are liable to be detained in England and Wales, and who are unable to access legal aid;b) Providing legal representation as an all-round comprehensive community-based service to those in need and those without the financial means to do so for themselves, or due to government imposed restrictions; c) Providing legal advice and assistance to vulnerable individuals; d) Researching (publishing the useful results for the benefit of the public), advocating and campaigning (where to do so furthers the CIO's exclusively charitable purpose) for better treatment and conditions of those in detention; and e) Providing training to aspiring legal aid practitioners in order that they may be better prepared to work for the benefit of the CIO's beneficiaries in their future careers.

Activities: Provision of access to justice through legal representation and advice, research, advocacy and campaigning for individuals in detention or who are liable to be detained and who have no access to effective legal aid.

Charity name: Intervene Project

Charity registration number: 1153228

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To provide access to justice for people in detention and those liable to be detained. This is done through the provision of information and advice, legal representation, advocacy, and research.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The Intervene Project relies on one full-time employed Manager and up to 17 volunteer caseworkers to provide our clients with legal advice and representation on a pro bono basis. We currently support around 108 prisoners (March 2025) who attest they have faced abuse or neglect whilst in custody.</p> <p>We typically correspond with clients via letter and telephone conferences. We regularly gather evidence, correspond with potential defendants, draft Letter's Before Action, send Freedom of Information and Subject Access Request's, and write to the establishment on the prisoner's behalf.</p> <p>We strive to secure our clients compensation and settlements at the pre-action stage where possible. Where necessary, we will issue County Court claims on behalf of our client.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	It can be confirmed the trustees have had regard to the guidance issued by the Charity Commission on public benefit. Intervene fully complies with the 'benefit aspect' and the 'public aspect'.

Policy on grant making	Para 1.38	NA
Policy on social investment including program related investment	Para 1.38	NA
Contribution made by volunteers	Para 1.38	Much of the casework undertaken by the Intervene project is completed by our Manager and 17 volunteers. The volunteers are typically law students who apply to work with us. Our clients gain the benefit of the pro bono caseworkers' legal knowledge, whereas the volunteers experience the day-to-day management of a variety of civil law cases. The experiences the volunteers gain often aids their employability into future careers as solicitors and barristers.
Other		Additionally, we are working with research students to raise awareness of the issues our clients face by way of a research paper and developing a regular blog to further promote the work undertaken.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The volume of casework and clients Intervene takes on is exponentially increasing, due to the extent of demand for our services. We strive to assist all clients, whether referred to us from Kesar & Co Solicitors or who approach us directly, provided their case falls within our ambit and they can demonstrate a degree of financial need. We anticipate the need for our service will continue to increase due to the frequency of abuses within the prison system and the cost-of-living crisis.</p> <p>Intervene has once again increased its volunteer intake over the past year. The Charity is never short of applications from talented law students who wish to offer their legal knowledge to our clients. Our volunteers typically remain with us for an</p>

	<p>average of three months, and usually only leave once they have secured a paid legal position elsewhere..</p> <p>The Manager is responsible for assessing all correspondence and casework produced by the volunteers before it is sent out. Intervene also continues to allow volunteers to apply their knowledge to live cases and to gain experience of active case management.</p> <p>We have had success in a variety of matters, helping clients receive improved dental care, healthcare and mental healthcare in prison, regain property improperly retained by police forces and prison staff, receive compensation payments for lost property and medical negligence, gain appropriate prison employment, secure transfers to alternative prisons, appeal adjudications, be placed on rehabilitation courses, stop obstructions to their communications with family and legal representatives, and issue claims in the County Court that have led to substantial Part 36 offers. In each case we take on, we defend our client's human rights. Pursuing these cases can help drive reform in prison policy such that the circumstances giving rise to abuses or neglect will not be repeated.</p> <p>The charity has focussed most of its efforts on the pre-action stages of claims. Thus, we have submitted numerous LBAs, and regularly send detailed correspondence to Governors outlining the various injustices faced by our clients. We have taken many cases to the Prison and Probation Ombudsman for investigation. Further, when we deem the merits of a case justify litigation, we issue cases in the county courts. We have instructed medical experts and barristers to help in some cases.</p> <p>Throughout the process safeguarding and safer custody are of the upmost importance and immediate steps are taken to ensure their wellbeing is maintained. We engage with adult social care and the independent advocacy providers to ensure their statutory rights around care and treatment are upheld. This further helps with the pre-</p>

		<p>action stages of a claim and quite often will help to resolve the immediate situation effectively.</p> <p>Intervene continues to employ a full-time manager to manage the charity, casework, and volunteers. This has enabled an increase in the volume of clients the Charity is able to take on. It has also allowed Intervene to expand its research and awareness raising to the promote the improvements required within the legal aid sector. Shorter blogging posts are being collated to promote current issues as they arise, and the project hopes to launch this in the upcoming year.</p>

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

This Report is attached to the Accounts of the Intervene Project for the year ended 31 March 2025 and is in respect of an examination carried out on the Accounts under section 145 (1) of the Charities Act 2011. The Accounts are set out on pages 1 to 3 .

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

As Trustees of the Project you are responsible for the preparation of the accounts; and you consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 "The Act" but that an independent examination is required.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Organisation and a comparison of the Accounts presented, with those records. It also includes considering any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the Accounts.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

* to keep accounting records in accordance with section 130 of the Act; and to

* prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the Accounts to be reached.

THE INTERVENE PROJECT

FOR THE YEAR ENDED 31 MARCH 2025

ORGANISATION'S OBJECTS AND ACTIVITIES

Provision of access to justice through legal representation and advice, research, advocacy and campaigning for individuals in detention or who are liable to be detained and have no access to effective legal aid.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Law applicable to charities in England and Wales requires us as the Trustees of The Intervene Project to prepare accounts for each financial year which give a true and fair view of the financial activities of the Charity during the accounting year; and the Charity's financial position at the end of the year. In preparing those accounts the Trustees are required to:

- (a) select suitable accounting policies and apply them consistently;
- (b) make judgements and estimates that are reasonable and prudent; and
- (c) prepare the accounts on a going concern basis (unless it is inappropriate to assume that the Charity will continue in operation).

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity. They are also responsible for safeguarding the assets of the Charity and hence taking reasonable steps to prevent and detect fraud and other irregularities.

RESERVES POLICY

To hold funds to cover three months planned expenditure at the commencement of each year.

This report was approved by the Management Committee acting on behalf of the Trustees

In each case we take on, we defend our client's human rights. Pursuing these cases can help drive reform in prison policy such that the circumstances giving rise to abuses or neglect will not be repeated.</p> <p>The charity has focussed most of its efforts on the pre-action stages of claims. Thus, we have submitted numerous LBAs, and regularly send detailed correspondence to Governors outlining the various injustices faced by our clients. We have taken many cases to the Prison and Probation Ombudsman for investigation. Further, when we deem the merits of a case justify litigation, we issue cases in the county courts. We have instructed medical experts and barristers to help in some cases.</p> <p>Throughout the process safeguarding and safer custody are of the utmost importance and immediate steps are taken to ensure their wellbeing is maintained. We engage with adult social care and the independent advocacy providers to ensure their statutory rights around care and treatment are upheld. This further helps with the pre-action stages of a claim and quite often will help to resolve the immediate situation effectively.</p>
--	--	---

		Intervene continues to employ a full-time manager to manage the charity, casework, and volunteers. This has enabled an increase in the volume of clients the Charity is able to take on and provide Vacation schemes to volunteers to support a major step in their legal career towards gaining training contracts.

Notes (1) & (2)

Kesar & Co has housed the Intervene project for 10 years. This support has taken the form of supply of all office services, including utilities, postage etc. It has also included office space and the use of office equipment. This has been quantified in the accounts along with the support of the volunteers who allow the project to support their client's. The Trustees wish to record their utmost appreciation for the continued support in the provision of the office services and expertise which they receive from Kesar & Co and the volunteers who dedicate their time to the cause.

THE INTERVENE PROJECT

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

This Report is attached to the Accounts of the Intervene Project for the year ended 31 March 2024 and is in respect of an examination carried out on the Accounts under section 145 (1) of the Charities Act 2011. The Accounts are set out on pages 1 to 3 .

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

As Trustees of the Project you are responsible for the preparation of the accounts; and you consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 "The Act" but that an independent examination is required.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Organisation and a comparison of the Accounts presented, with those records. It also includes considering any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the Accounts.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

* to keep accounting records in accordance with section 130 of the Act; and to

* prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the Accounts to be reached.

FOR THE YEAR ENDED 31 MARCH 2024

ORGANISATION'S OBJECTS AND ACTIVITIES

Provision of access to justice through legal representation and advice, research, advocacy and campaigning for individuals in detention or who are liable to be detained and have no access to effective legal aid.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Law applicable to charities in England and Wales requires us as the Trustees of The Intervene Project to prepare accounts for each financial year which give a true and fair view of the financial activities of the Charity during the accounting year; and the Charity's financial position at the end of the year. In preparing those accounts the Trustees are required to:

- (a) select suitable accounting policies and apply them consistently;
- (b) make judgements and estimates that are reasonable and prudent; and
- (c) prepare the accounts on a going concern basis (unless it is inappropriate to assume that the Charity will continue in operation).

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity. They are also responsible for safeguarding the assets of the Charity and hence taking reasonable steps to prevent and detect fraud and other irregularities.

RESERVES POLICY

To hold funds to cover three months planned expenditure at the commencement of each year.

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To provide access to justice for people in detention and those liable to be detained. This is done through the provision of information and advice, legal representation, advocacy, and research.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The Intervene Project relies on one full-time employed Manager and up to 25 volunteer caseworkers to provide our clients with legal advice and representation on a pro bono basis. We currently support around 300 prisoners (March 2023) who attest they have faced abuse or neglect whilst in custody.</p> <p>We typically correspond with clients via letter and telephone conferences. We regularly gather evidence, correspond with potential defendants, draft Letter's Before Action, send Freedom of Information and Subject Access Request's, and write to the establishment on the prisoner's behalf.</p> <p>We strive to secure our clients compensation and settlements at the pre-action stage where possible. Where necessary, we will issue County Court claims on behalf of our client.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	It can be confirmed the trustees have had regard to the guidance issued by the Charity Commission on public benefit. Intervene fully complies with the 'benefit aspect' and the 'public aspect'.

	SORP reference	
Policy on grant making	Para 1.38	NA

Policy on social investment including program related investment	Para 1.38	NA
Contribution made by volunteers	Para 1.38	Much of the casework undertaken by the Intervene project is completed by our Manager and 20 volunteers. The volunteers are typically law students who apply to work with us. Our clients gain the benefit of the pro bono caseworkers' legal knowledge, whereas the volunteers experience the day-to-day management of a variety of civil law cases. The experiences the volunteers gain often aids their employability into future careers as solicitors and barristers.
Other		Additionally, we are working with research students to raise awareness of the issues our clients face by way of a research paper and developing a regular blog to further promote the work undertaken.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The volume of casework and clients Intervene takes on is exponentially increasing, due to the extent of demand for our services. We strive to assist all clients, whether referred to us from Kesar & Co Solicitors or who approach us directly, provided their case falls within our ambit and they can demonstrate a degree of financial need. We anticipate the need for our service will continue to increase due to the frequency of abuses within the prison system and the cost-of-living crisis.</p> <p>Intervene has once again increased its volunteer intake over the past year. The Charity is never short of applications from talented law students who wish to offer their legal knowledge to our clients. Our volunteers typically remain with us for an average of three months, and usually only leave once they have secured a paid legal position elsewhere. Each of our volunteers contribute one full day per week and the work they undertake counts towards their qualifying work experience should they pursue the new solicitors SQE qualification.</p>

The Manager is responsible for assessing all correspondence and casework produced by the volunteers before it is sent out. Intervene also continues to allow volunteers to apply their knowledge to live cases and to gain experience of active case management.

We have had success in a variety of matters, helping clients receive improved dental care, healthcare and mental healthcare in prison, regain property improperly retained by police forces and prison staff, receive compensation payments for lost property and medical negligence, gain appropriate prison employment, secure transfers to alternative prisons, appeal adjudications, be placed on rehabilitation courses, stop obstructions to their communications with family and legal representatives, and issue claims in the County Court that have led to substantial Part 36 offers. In each case we take on, we defend our client's human rights. Pursuing these cases can help drive reform in prison policy such that the circumstances giving rise to abuses or neglect will not be repeated.

The charity has focussed most of its efforts on the pre-action stages of claims. Thus, we have submitted numerous LBAs, and regularly send detailed correspondence to Governors outlining the various injustices faced by our clients. We have taken many cases to the Prison and Probation Ombudsman for investigation. Further, when we deem the merits of a case justify litigation, we issue cases in the county courts. We have instructed medical experts and barristers to help in some cases.

Throughout the process safeguarding and safer custody are of the utmost importance and immediate steps are taken to ensure their wellbeing is maintained. We engage with adult social care and the independent advocacy providers to ensure their statutory rights around care and treatment are upheld. This further helps with the pre-action stages of a claim and quite often will help to resolve the immediate situation effectively.

Intervene continues to employ a full-time manager to manage the charity, casework, and volunteers. This has enabled an increase in the volume of clients the Charity is able to take on. It has also allowed Intervene to expand its research

		and awareness raising to the promote the improvements required within the legal aid sector. Shorter blogging posts are being collated to promote current issues as they arise, and the project hopes to launch this in the upcoming year.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Law applicable to charities in England and Wales requires us as the Trustees of The Intervene Project to prepare accounts for each financial year which give a true and fair view of the financial activities of the Charity during the accounting year; and the Charity's financial position at the end of the year. In preparing those accounts the Trustees are required to:

- (a) select suitable accounting policies and apply them consistently;
- (b) make judgements and estimates that are reasonable and prudent; and
- (c) prepare the accounts on a going concern basis (unless it is inappropriate to assume that the Charity will continue in operation).

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity. They are also responsible for safeguarding the assets of the Charity and hence taking reasonable steps to prevent and detect fraud and other irregularities.

RESERVES POLICY

To hold funds to cover three months planned expenditure at the commencement of each year.

This report was approved by the Management Committee acting on behalf of the Trustees

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

This Report is attached to the Accounts of the Intervene Project for the year ended 31 March 2023 and is in respect of an examination carried out on the Accounts under section 145 (1) of the Charities Act 2011. The Accounts are set out on pages 1 to 3.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

As Trustees of the Project you are responsible for the preparation of the accounts; and you consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 "The Act" but that an independent examination is required.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Organisation and a comparison of the Accounts presented, with those records. It also includes considering any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the Accounts.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

* to keep accounting records in accordance with section 130 of the Act; and to

* prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the Accounts to be reached.

**THE INTERVENE PROJECT
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 MARCH 2023**

1/ Accounting Policies

Basis of preparation.

The financial statements have been prepared under the historical cost convention and include the results of the charity's operations as described in the Trustees Report and all of which are continuing.

The accounts have been prepared in accordance with the Statements of Recommended Practice for charity accounts.

2/ and 3/.

Kesar & Co has housed the Intervene project since its inception. This support has taken the form of supply of all office services, including utilities, postage etc. It has also included office space and the use of office equipment. This has been quantified in the accounts along with the support of the volunteers who allow the project to support their client's. The Trustees wish to record their upmost appreciation for the continued support in the provision of office services and expertise which they receive from Kesar & Co. and to the volunteers who dedicate their time to the cause.

General : In the previous year income was under the threshold and an Independent Examination was not required, therefore there are no comparative figures available.

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To provide access to justice for people in detention and those liable to be detained. This is done through the provision of information and advice, legal representation, advocacy, and research.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The Intervene Project relies on one full-time employed Manager and up to 20 volunteer caseworkers to provide our clients with legal advice and representation on a pro bono basis. We currently support around 200 prisoners (March 2022) who attest they have faced abuse or neglect whilst in custody.</p> <p>We typically correspond with clients via letter and telephone conferences. We regularly gather evidence, correspond with potential defendants, draft Letter's Before Action, send Freedom of Information and Subject Access Request's, and write to the establishment on the prisoner's behalf.</p> <p>We strive to secure our clients compensation and settlements at the pre-action stage where possible. Where necessary, we will issue County Court claims on behalf of our client.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	It can be confirmed the trustees have had regard to the guidance issued by the Charity Commission on public benefit. Intervene fully complies with the 'benefit aspect' and the 'public aspect'.

	SORP reference	
Policy on grant making	Para 1.38	NA

Policy on social investment including program related investment	Para 1.38	NA
Contribution made by volunteers	Para 1.38	Much of the casework undertaken by the Intervene project is completed by our Manager and 20 volunteers. The volunteers are typically law students who apply to work with us. Our clients gain the benefit of the pro bono caseworkers' legal knowledge, whereas the volunteers experience the day-to-day management of a variety of civil law cases. The experiences the volunteers gain often aids their employability into future careers as solicitors and barristers.
Other		Additionally, we are working with research students to raise awareness of the issues our clients face by way of a research paper and developing a regular blog to further promote the work undertaken.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The volume of casework and clients Intervene takes on is exponentially increasing, due to the extent of demand for our services. We strive to assist all clients, whether referred to us from Kesar & Co Solicitors or who approach us directly, provided their case falls within our ambit and they can demonstrate a degree of financial need. We anticipate the need for our service will continue to increase due to the frequency of abuses within the prison system.</p> <p>Intervene has doubled its volunteer intake over the past year. The Charity is never short of applications from talented law students who wish to offer their legal knowledge to our clients. Our volunteers typically remain with us for an average of three months, and usually only leave once they have secured a paid legal position elsewhere. Each of our volunteers contributes one full day per week and the work they undertake counts towards their qualifying work experience should they pursue the new solicitors SQE qualification.</p> <p>The Manager is responsible for assessing all correspondence and casework</p>

produced by the volunteers before it is sent out. Intervene also continues to allow volunteers to apply their knowledge to live cases and to gain experience of active case management.

We have had success in a variety of matters, helping clients receive improved dental care, healthcare and mental healthcare in prison, regain property improperly retained by police forces and prison staff, receive compensation payments for lost property and medical negligence, gain appropriate prison employment, secure transfers to alternative prisons, appeal adjudications, be placed on rehabilitation courses, stop obstructions to their communications with family and legal representatives, and issue claims in the County Court that have led to substantial Part 36 offers. In each case we take on, we defend our client's human rights. Pursuing these cases can help drive reform in prison policy such that the circumstances giving rise to abuses or neglect will not be repeated.

The charity has focussed most of its efforts on the pre-action stages of claims. Thus, we have submitted numerous LBAs, and regularly send detailed correspondence to Governors outlining the various injustices faced by our clients. We have taken many cases to the Prison and Probation Ombudsman for investigation. Further, when we deem the merits of a case justify litigation, we issue cases in the county courts. We have instructed medical experts and barristers to help in some cases.

Throughout the process safeguarding and safer custody are of the upmost importance and immediate steps are taken to ensure their wellbeing is maintained. We engage with adult social care and the independent advocacy providers to ensure their statutory rights around care and treatment are upheld. This further helps with the pre-action stages of a claim and quite often will help to resolve the immediate situation effectively.

Intervene continues to employ a full-time manager to manage the charity, casework, and volunteers. This has enabled an increase in the volume of clients the Charity is able to take on. It has also allowed Intervene to expand its research and awareness raising to the promote the improvements required within the legal aid

		sector. Shorter blogging posts are being collated to promote current issues as they arise, and the project hopes to launch this in the upcoming year.
