EAST MIDLANDS PROVINCE

Executive Summary

The province experienced a year of significant spiritual growth, organisational stability, measurable numerical and financial progress. We remained steadfast in our mandate of soul-winning, discipleship and regional transformation, underpinned by unity in leadership and active participation across all ministries.

We were greatly strengthened spiritually, through multiple revival initiatives in May, October and November, by Evangelist Kuda Gwarimbo, which resulted in renewal, deliverance and recommitment to Christ. Attendance at both revivals brought new converts who are being nurtured by local leadership.

The province had a net increase of 75 members, from 652 in 2024 to 727 in 2025, with the strongest gains from Mega and Leicestershire. The highest demographic growth was women and men, with a slight decline in the Young Generation suggesting a need for targeted discipleship strategies.

The provincial financial position remains strong, with a 16% increase in tithe income from 2024, supported by an increase in the number of active tithers. Strategic investments were made in infrastructure, equipment and facilities to support ministry effectiveness.

Leadership remained stable, with consistent pastoral oversight. Leadership development was supported through finance and leadership training that strengthened accountability and spiritual oversight.

All ministry activities remained vibrant, with the 200-member strong Go Quickly & Tell hosting a prayer retreat attended by 121 and working towards the national budget. MOI initiatives were also fruitful, with 25 rededications and appointment of a new leadership committee during the Provincial Prayer Retreat.

Two-day provincial revival services were held in every region which were well attended, with powerful ministration. The spiritually charged atmosphere brought revival and resulted in testimonies of healing, deliverance and renewed commitment to Christ.

Overall, the year was marked by revival, growth and consolidation, approaching the next season positioned for greater impact focused on advancing the work of God through sustained spiritual growth, a stronger youth ministry and solid financial stewardship across all the regions.

Evangelism Outreach

The Evangelism Team conducted street outreach, distributing flyers with one individual attended the final day of the revival. They were blessed, expressed a desire to continue fellowshipping with the church and follow-up ongoing in collaboration with local leaders.

Home Talents

The event featured vibrant sporting and cultural competitions amongst the regions that cultivated unity, including athletics, choirs, soccer, netball, tug of war, poetry and mimicking. The Legacy Trophy was awarded to Northampton (Mega Region) for outstanding participation. The day was concluded with a concert that included powerful worship

Men of Integrity (MOI)

EAST ENGLAND PROVINCE

Executive Summary

We glorify the God of Ezekiel, whose Angel encamps and protects the saints of the Lord, the membership strength of 410 in our two Regions of four Assemblies. 2025 was a blessed year for us, as we experienced exponential growth numerically, financially, and spiritually, with a new baby Assembly that we are nurturing in Kingsleyn.

The finances remain healthy and the province able to sustain itself, no longer operating in deficit. The pastoral leadership team that includes Provincial Overseers Washington & Evelyn Mujuruki, Regional Pastors Dr David & Rev Florence Simango, and Pastor Spiwe Mateta, have a vision of church planting as their mandate. We continue to believe that God will open doors for us to acquire our own provincial centre.

Leadership seminars, Workers Fellowships, prayer retreats, various ministerial activities and Anniversary celebrations were a success. We did exceptionally well in the working Missions together with the rest of the nation and are thrilled to announce the great joy that was visible during all the services at every level, having stretched ourselves towards our goal. For the Dagenham Church Project, all the roofing materials have been acquired and the paperwork now in place for the renovation works to start, as soon as the timeline is received from the building committee and engineer.

MINISTRY ACTIVITIES

- **Young Generation and Child Evangelism** - groups meet twice weekly online and attend children's church every Sunday, offering consistent spiritual growth and fellowship. In September, CE International Director Pastor Dope, alongside national leaders, visited all provinces and led online seminars for teachers, parents, and children. From September 28-30, the Young Generation attended a conference in Slough, joined by advisors. The event addressed topics like technology, peer pressure, drug abuse, and dating, followed by activities and a deliverance session. Many children reportedly experienced spiritual breakthroughs and were filled with the Holy Spirit. Thanks are extended to the advisors for their dedication.
- **Youth & Young Adults** - regularly attend Sunday services at their places of worship. During the Regional Resurrection Conference, they took a lead role in organising services, sharing the Word, and leading devotion. They also participate in praise and worship, weekly Zoom sessions, shared meals, and sometimes gather for Bible study and quizzes.
- **Men of Integrity** - hold Zoom meetings and home gatherings to pray and learn about starting business projects locally and back home. Attendance varies because of work schedules, so ministry leaders ask for continued prayers as it can be hard to bring men together.
- **Go Quickly & Tell** - the ladies regularly gather for spiritual growth through Tuesday prayers, both online and in person, lifting the work of God and His servants, our mum Senior Archbishop Prof E. Guti, the Presiding Bishop Dr. Joseph Guti & Pastor Nyasha Miriam and the two Apostles including their spouses, Michael Nyambo and Dr. Steve Simukai. They also joined Saturday Mountain Movers intercession focused on their families, which are resulting in positive testimonies, as well as attending the National Tuesday prayer meeting in Birmingham where character, legacy, and forgiveness were taught. Some provinces held prayer retreats which were well attended and have fostered significant personal growth.
- **Couples** - have benefited from services and conferences that addressed marital challenges through powerful speakers. Many marriages have been restored and given practical tools for their relationships. They meet regularly, both in person and online, to encourage each other, and ongoing restoration is evident at home and within the church community.
- **Single Ladies** - they gather regularly for prayers in their assemblies, encouraging one another to intercede for the work of God and its leaders. They participated virtually in the International Single Women's Conference to celebrate the 40th Anniversary of the ministry. They were uplifted and encouraged by powerful speakers of the Word of God.

Unprecedented progress in outreach was witnessed, revival programs and restructuring of Bible study groups, which significantly contributed to our growth.

There was satisfactory attendance of the three Provincial Council meetings, with leaders willingly sacrificing to travel long distances to attend and honour them.

Through better understanding of their responsibility to support Missions to fulfil the mandate of winning souls for Christ, the leaders and saints doubled the amount from 2024, with aspirations to do the same for Provincial Centre talents in 2026. The Kingdom Wealth Creation initiative achieved remarkable progress collectively, to achieve financial freedom and overcome lack. Multi-projects and businesses that support others to reach their full potential were birthed.

A record number of leaders attended the life-changing Deeper Life Conference this year. Youth and Child Evangelism conferences were held at both provincial and zonal levels, and the well-attended August FAMB regional conference, which culminated in a powerful Big Sunday. The report highlights the milestones achieved, as testimony of God's faithfulness, future plans and prayer requests.

All the assemblies are meeting and functioning well, with new members including Elders and Deacons relocating from abroad.
All ministries are thriving through the guidance of the pastorate team.
Through various speakers, with the same passion and strategy of working talents, we managed to gather money towards the Multi-Project Talents, to support various projects taking place in Zimbabwe.

Grounding in the Word of God through the 34 home cell groups continued to yield results of winning souls to Christ. The teachers, directors and all elders were gathered to be trained and equipped for the growth to extend to the further parts of the province. That same spirit allowed the province to excel in working Missions, taking top positions in the nation at every level.

The provincial finances remained stable, through faithful tithing and free will offerings. We appreciate every believer who gave cheerfully, which allowed the assemblies, regions and province to meet their commitments.

MAJOR CALENDAR EVENTS

The Resurrection Conference, Ezekiel Guti Day and Church Anniversary were all celebrated successfully, with invited speakers. Many people participated in the Walkathon and other park activities on Ezekiel Guti Day, which ended with breaking bread and a concert full of praise and worship.

The June prayer conventions were hybrid, with powerful teachings, great revival and deliverance. The believers met regionally, with a mighty move of the Holy Spirit and working Missions on the last day.

Many leaders attended the July Europe Leaders Deeper Life Conference in Birmingham for great teachings. The Family Convention in August started virtually, as the nation addressed families locally through their different ministries, then the province met hybrid in Kent with Overseers Gombakomba and many other speakers, to deliver kingdom teachings to the many families that were in attendance.

SCOTLAND PROVINCE

"Where Jesus Lives"

EXECUTIVE SUMMARY

Scotland continues to move forward and grow steadily, making wonderful progress through the faithfulness of our believers in every area, after laying a strong foundation for the year through the ten days of prayer and fasting. We are immensely thankful to the God of Ezekiel for His love, grace and faithfulness that have been evident in every step, every challenge faced and every celebrated victory as we continued with the legacy of our father, Archbishop Professor Ezekiel H Guti. We managed to buy the books that he wrote from Zimbabwe, to perpetuate that legacy from reading them.
From two regions and five assemblies currently, a steady increase in membership is testimony to effective outreach initiatives, continued efforts in soul winning and member retention. We are especially proud of our Youth & Young Adults, who are shining ambassadors for Christ and role models as the emerging generation. Their commitment to serve, taking up responsibilities in various ministries and departments, is both inspiring and encouraging. We are witnessing the rise of many young leaders who carry a genuine passion for God's work and the future of the Church.
Financially, the God of Ezekiel continued to provide for all our needs as we experienced healthy growth through increasing faithfulness of believers who respond to teachings on tithes and giving. With one heart, the province raised funds to assist with essential repairs and refurbishments of our Centre.
Over 160 saints worked Missions, maximizing the 100% participation effort to advance the gospel to all nations. The focus on developing and sustaining home talents continued, and a variety of income-generating activities are making good progress, with participants going as far as seeking means of securing their profits that are safe like community bank accounts.

The province was honored to host the International Directors for Child Evangelism, Pastors Petros and Regina Dope, where the ministry was taught how to revive the young ones.

Prayer Requests

1. For God to protect and strengthen all believers and their families as we approach the end of the year.
2. For Dundee Assembly to continue growing, and leaders to be stirred up to go and support the work of God in this new area.
3. For the Single Ladies as they seek revival and renewed commitment within their teams.

MINISTRY REPORTS

Child Evangelism – remains active in Sunday services, helping children grow in confidence and knowledge of Christ. They support the Grace Mission Fund (ODCF) but need more teachers for its smooth operation. The September National Child Evangelism week was a major highlight where we joined the nation as families for a virtual Sunday service led by the International Directors, Pastors Dope.
Youth & Young Adults – they continued to flourish, offering Connect online services on Thursdays and prayer on Tuesdays. Attending the August National Big Sunday and the September Zonal Youth Conference deepens their commitment, their involvement in Sunday services and midweek prayers in their respective assemblies.
MOI – they may not have been meeting as consistently but continue to be influential and supportive at every level.

Go Quickly & Tell - Tuesday prayer meetings continued though with low attendance. The August High Tea brought women together for impactful fellowship and encouragement; eight ladies managed to attend the National Big Tuesday in Birmingham in October, and the November Christmas Dinner was strongly supported.

Single Ladies – they continued being vibrant, supporting the work of God and standing in the gap to pray.
Couples Fellowship – the August "Tales Around the Fire" event combined a BBQ and teaching, leading to restored marriages and vow renewals. Couples enjoyed worship, practical lessons for Christ-centered marriages and deepening of bonds within families.
FAMB Ministry – the August conference benefitted families from 3 days of worship and featured teachings that included effective communication in marriage and purposeful parenting. Bonding activities, corporate prayer and shared meals were added, followed by pouring in of testimonies of restored relationships and renewed commitment. Excellent attendance reflected a growing interest, as FAMB continues to anchor families in church doctrine and faith as the firm foundation of a thriving church

CLOSING REMARK

Our heartfelt gratitude goes to the God of our father for His continual guidance. We are thankful to our Pastorate and leaders for their dedication to nurture Scotland Province as we experience many positive developments. The commitment, sacrificial giving, prayers and mutual support shared among leaders and believers is deeply appreciated. We are confident we will continue to rise and flourish through steadfast prayer and a firm anchor in our church bible doctrine.
We thank the God of our father for His faithfulness that enabled us to partake of His grace in 2025.

WEST MIDLANDS PROVINCE

Introduction

The year 2025 has shown clear progress in the West Midlands Province across spiritual life, membership and finances. The province continues to grow in line with its commitment to expansion, stability and the mandate of the church.
This report focuses on three areas of growth:

- Spiritual Growth
- Numerical Growth
- Financial Growth

These areas reflect the current strength and direction of the province.

Numerical Growth

There was continued improvement in membership involvement and participation. Growth in the congregation reflects the effectiveness of soul winning, follow-up and member retention.
Members are not only joining the church but are also remaining active and involved in church activities. This shows the positive effect of outreach efforts and the focus on creating a welcoming church environment. The province continues to grow steadily, with members who are committed and engaged.

Spiritual Growth

The spiritual development of members remains a key strength of the province. Throughout 2025, there has been clear evidence of growth in faith, commitment and understanding of the Word.
Through teachings, prayer meetings and fellowship, members are developing stronger personal relationships with God and stronger unity within the church. This spiritual maturity is producing committed believers who actively support and build the vision of the church.
Spiritual growth continues to be the foundation of all other progress in the province.

Financial Growth

The 2025 financial performance of the province shows improved stewardship and stronger understanding of biblical giving among members.
Regional Tithes Highest Figures

- Birmingham Region: £39,168.71 (up from £22,355.32 in 2024)
- Wolverhampton Region: £15,921.33 (up from £8,150.44 in 2024)
- Wales Region: £11,364.88 (down from £13,041.34 in 2024)

Birmingham and Wolverhampton recorded strong growth in tithes, showing increased commitment and effective financial oversight. Wales recorded a slight decrease, which highlights the need for renewed encouragement and teaching on tithing.
Overall, the financial progress has strengthened the province's ability to support its activities and plan for its future. Prayer continues for full participation in tithing across all regions.

Vision Going Forward

The vision of the province remains focused on spiritual strength, numerical growth+ and financial stability. The progress achieved in 2025 provides a strong foundation for greater responsibility and continued development.

Conclusion

The progress seen in 2025 shows the importance of balanced growth. Spiritual maturity strengthens commitment. Commitment supports numerical growth. Increased numbers strengthen capacity. Financial stability supports the work of the church.
These areas support one another and will continue to drive the steady growth of the West Midlands Province in the coming years.

YORKSHIRE PROVINCE

INTRODUCTION

The province remains focused on the spiritual growth of leaders and believers, emphasizing the importance of maturity in Christ. Deliverance continues to be a major focus across our regions, with ongoing teachings and practical sessions on healing and deliverance.

Various services centered on healing and deliverance are being conducted throughout the province, resulting in remarkable testimonies of transformation, healing and breakthrough.

Bible study teachers are continually encouraged to use our father's books and teachings on deliverance and how to maintain it, ensuring sound doctrine and consistency in ministry. These efforts have strengthened believers' understanding of spiritual warfare and empowered them to walk in lasting freedom, while enjoying the Kingdom of God.
The province continues to prioritize leadership development as a key pillar for sustainable growth and excellence. We remain committed to building strong, effective and spiritually mature leaders who can serve with excellence and integrity. Leadership development seminars were held at both regional and provincial levels, which were highly impactful, providing spiritual empowerment and practical leadership training by the Bishop Dr M Kasese and the National Administrator, Apostle O Zezani. They strengthened teamwork, clarified ministry responsibilities, reinforced the vision and structure of the church.
Water baptism sessions were conducted successfully as part of the church's commitment to discipleship and spiritual growth. We rejoice in the continued fruit of evangelism, for the 27 baptised in the year who will be included in the discipleship sessions being implemented to ensure they are nurtured and grounded in the Word and fully integrated into the life of the church.
Encouraging renovation works continue at the Provincial Centre, with proposals expressed through Provincial Council to work talents in 2026.

MINISTRY ACTIVITIES

Child Evangelism & Young Generation
The departments remain among the most active and vibrant ministries and continue to display remarkable commitment through their dedicated teams of teachers and leaders who invest in nurturing the spiritual growth of children and young believers. They continue to demonstrate exceptional growth and enthusiasm through consistent engagement of teachers and children in prayer, fellowship and national activities. This has greatly contributed to the province's vision of raising Spirit-filled, Word-grounded and Christ-centered children who will carry the Gospel legacy into the future.

FINANCE

Beyond the remarkable increase in tithing, in both figures and the number of tithers, the province continues to pray and encourage one another in the Word of God towards 100% participation.
Through its Provincial Council, the province agreed to embark on exercising the Guidance, Rules and Policy of the church: -

- An Elder or Deacon who stops giving Tithes must step down from Leadership
- Elders shall be re-elected after every three years if they still meet the standard as set in Article 8 of the Policy document

Youth & Young Adults The ministry continues to grow in strength and spiritual depth as a vibrant arm of the province, shaping the next generation of leaders and believers. The year was marked by impactful gatherings, empowering teachings, fellowship and discipleship that strengthen the faith of young people, to grow their spiritual maturity and commitment to God's Kingdom work.
Go Quickly & Tell This essential pillar continues to grow in strength and impact, fostering prayer, unity and empowerment among women. Through regular prayer meetings, impactful teaching sessions and community-focused initiatives, the ministry continues to build spiritually strong and health-conscious women who are ready to serve God and their communities with purpose.
Men of Integrity This ministry is a vital part of the church's structure, which continues to make steady progress in providing a platform for men to grow spiritually, fellowship together and take active roles in the life of the church. There is renewed focus to empower them to lead in their homes and communities with integrity and godly character using our father's books.
Families Builder Ministry (FAMB) This ministry plays a vital role in strengthening families and promoting unity within the body of Christ and has clearly become an essential part of the provincial calendar. Several successful conferences were held at regional level, which will continue and focus on family restoration, marriage enrichment and community building, to ensure the family unit remains strong and godly as a foundation of a God-fearing church

CHILD EVANGELISM MINISTRY

National Overview

2025 was a year of continuing with the legacy from our founding father, with significant breakthroughs experienced despite some challenges. Our focus for the year was on empowerment of parents, children, leaders and teachers, which greatly benefited from the visit of the International Child Evangelism Director, Pastors Petros & Regina Dope in September. They brought intense teachings through virtual and physical sessions, which played a pivotal role in shaping the future of CE ministry in the UK. The Director also addressed the National Board, where structural and management issues were discussed.

National, Zonal, Provincial & Local Highlights

The ministry continues to have CE-led Sunday services, organized local day trips and KMD Music and dance participation in services led by Elder Orbert Mazivisa. However, CE and YG ministry participation is not consistent throughout the nation due to various limitations.

Key Events: In September 2025, Pastors Petros & Regina Dope, the CE International Directors, visited all three UK zones, Zone 1, Zone 2, and Zone delivering transformative teachings and engaging sessions that impacted children, parents, teachers and church leaders.

- Monday Prayer: Emphasis on parental intercession, inspired by Hannah's story (1 Samuel).
- CE Teachers' Sessions: Training on biblical foundations, teaching methods, and ministry challenges.
- Parents' Session: Based on Deuteronomy 6 & 11, highlighting parents as spiritual guides during early childhood.
- Church Leadership Session: Genesis 18:18–19 underscored strategic leadership and support for CE ministry.
- Children's Session: Jeremiah 1:4–5 and John 10:10 taught children about divine purpose and resisting negative influences.
- Combined Parents & Children Session: "Gadgets and Our Children" (Ephesians 6:11–13) offered balanced tech guidance and fostered open dialogue.
- Big Sunday Family Service: Themed "The Family" (Malachi 4:5–6), focused on unity, spiritual restoration and the importance of a strong family for the future of the church.

The 2025 empowerment process was through interactive sessions and strategic leadership engagement. Highlights included the Zone 3 Young Generation Conference, which empowered 105 children and 19 adults under the theme "Have Values – Live with Purpose" (Daniel 1:8), resulting in spiritual breakthroughs such as healing, deliverance and Holy Spirit baptism. Impactful Q&A sessions addressed real-life issues like faith, identity, mental health and technology, while the International Director clarified Sunday School and KMD structures, leadership roles and age-specific segmentation.

Most importantly throughout these sessions, children received Jesus Christ and many rededicated their life to Jesus.

Report Summary and Future Plans

Though the issues and questions raised across the zones were different, a level of maturity and commitment to growth was reflected. Looking ahead, the ministry is focused on: -

- **Strengthening leadership and teacher capacity across all zones.**
- **Increasing parental involvement and support.**
- **Addressing logistical and financial challenges.**
- **Promoting deeper spiritual engagement among children.**
- **Planning for end-of-year and Christmas events to continue momentum.**
- **Create structured environments that prioritise CE within the broader church calendar.**

The 2025 activities summary reflects the children's continued participation in local church programs, though levels will vary from one assembly to another. While many assemblies have embraced CE, challenges such as inadequate venue facilities, imbalanced student-to-teacher ratios, and scheduling conflicts with other church programs have affected effectiveness. These logistical issues often result in reduced time for children's ministry activities and hinder the ability to provide age-appropriate spiritual engagement. Despite these obstacles, the commitment to nurturing children's spiritual growth remained strong by God's grace.

Closing remarks

We thank God for all who have faithfully availed themselves for the work of God in this exciting growing ministry. We are grateful to God for giving us international & local speakers, Pastors, parents and guardians who support, guide and pray for us.

Each Provincial Chairlady also serves as a member in the National Steering Board, which is made up of National Girls Director, National Girls Pastor, National Girls Advisor, the Co-ordination Chair and her team.

Year in Review

Prayer

The ministry started 2025 with great anticipation and purpose, with a powerful and transformative 31 days of consistent prayer and fasting, into a season committed to deepening our relationship with God. The theme was #PushingPrayer2025, through sessions that were a collective journey of lifting each other up and a rallying cry to see God move in profound ways within our ministry and beyond. It was inspiring to witness numbers steadily growing, as evidence of the desire for spiritual growth. Hearts were being transformed, lives being touched and a hunger for God's presence growing. Several powerful and anointed speakers ministered throughout the year, with messages of hope and strength that fuelled our passion to keep pressing forward in faith. Their encouragement helped us stay focused on the vision of our ministry and burden for:

- both the Girls Ministry and the Mature Girls Fellowship, to be filled with a deep and compelling passion to preach the Word of God boldly which is the love of Christ.
- the ministry to be empowered by the Holy Spirit and rise as witnesses of God's truth, as vessels of hope and light in a world that is desperately in need.
- the spirit of self-control to be cultivated in every girl, to grow in how to exercise restraint, patience and wisdom in daily life, being fully aligned with God's will, reflecting His character and purpose.

Conclusion

The year ended on a high note, with an end of year national virtual service and awards night on 10th December, well attended with over 100 gadgets logged in. We celebrated the showers of blessings and gave our gift of love to Ezekiel Guti Junior Legacy School of Special needs, to stand with our Presiding Bishop and our Mum, knowing the many needs the school has.
New members from abroad are expanding the ministry rapidly, integrating into our community and actively participating in various activities. We close out 2025, a year of growth and success, eagerly anticipating the new heights that God has in store for 2026.
As we move forward, we are committed to giving back to the ministry that has blessed us so much, through the lessons and bonds we have built.

These included Best Chairman, Best Secretary and exceptional commitment through financial contributions by provinces.
The National Big Sunday was a spiritually impactful and well-coordinated event that strengthened leadership capacity, encouraged unity and deepened spiritual empowerment among the youth. We thank the God of Ezekiel who was faithful in enabling us to deliver a successful end of year conference.

This was a powerful, spirit-led national gathering that attracted international delegates from Australia, USA and Bulgaria. The vibrant attendance of 700 was honoured to have Overseer Calisto Manyati, the International Youth Director, as the main speaker, mightily used by God to minister a prophetic and life-changing word that stirred hearts, ignited faith and called many into deeper service. The atmosphere was filled with worship, purpose and the presence of God, with many experiencing personal encounters as the Spirit of God moved powerfully throughout the service.
A special missions appraisal segment celebrated the youth who laboured in missions, recognizing their efforts and commitment. Their testimonies inspired others to rise and serve in the Great Commission.
8 people were born again, answering the call of salvation and stepping into new life in Christ and 17 individuals baptized in water, publicly declaring their faith in Christ.
To conclude the service, all attendees had a time of fellowship, enjoying food, conversations and shared joy, deepening relationships.
The presence of the international delegates underscored the global vision of our ministry and the unity of the body of Christ beyond borders. It was more than a gathering, but a divine encounter, a celebration of youth ministry and a launching point for greater impact ahead.

WEDDINGS

God has been faithful in hearing our prayers and are grateful that we were able to share in the joy of the brothers and sisters who wedded this year and those planning to wed in the months ahead. Our leaders continue to encourage us to cling to the God of our father, to live as young people who fear God and walk upright. We continue believing for more Godly marriages and weddings.

CONCLUDING REMARKS

Our 2025 achievements have only been possible through the support given by our advisors, Pastors and parents. We appreciate this support and request for continued prayers, so that we may grow in all areas of our lives to become a generation of young people that fear the Lord and are fully committed to the things of God. We very much desire to have good relationships with our parents, families, leaders and peers.

GO QUICKLY & TELL MINISTRY

INTRODUCTION

We thank the God of our Father, Apostle Professor Ezekiel H. Guti, for His sustaining grace upon the ministry of 2,500 members in 2025. Through continued prayer, teachings, evangelism and fellowship, the ladies remained committed to the vision and purpose of the ministry. This report outlines key activities, growth, and contributions of the year, reflecting on spiritual progress, leadership impact and financial participation nationwide, through a committed leadership of the National Organising Board and Finance Team.

PRAYER MEETINGS & BIG TUESDAYS

All female Pastors met to pray at EGCC for the first 5 days during the 10 days of prayer and fasting in January. They focused on cleansing, sanctification, mending relationships and interceding for Snr Archbishop Eunor Guti, Presiding Bishop Dr Joseph Joe Guti, Pastor Nyasha Guti and the Apostles together with their wives.

There was a landmark event in April, a National Big Tuesday for over 180 ladies. Dr Bella Kasese delivered a powerful and encouraging teaching, to continue practicing being true disciples who are rooted and grounded in the Word of God. This was followed by another at EGCC in October, with 133 women attending in person and 220 joining via Zoom, where Overseer Talent Mayemu taught on 'The Importance of Forgiveness', as a key to spiritual growth, emotional healing and peace in relationships. Testimonies from nationwide showed transformed prayer lives, stronger families and deliverance from anger. There was also a presentation on breast cancer awareness that encouraged ladies to prioritise their health.

Weekly Tuesday prayers continued virtually and physically as well as monthly Mountain Movers prayer meetings over Zoom.

TALENTS PROJECT

The nation saw the hand of God as ladies partnered with our Mum, Snr Archbishop Eunor Guti, in supporting the projects started by our Father, the Bond Servant of God Archbishop Ezekiel H. Guti. Throughout March and April, God gave grace for the ladies to gather weekly to raise all the money needed for the bookshop, £35,000.00. Speakers encouraged on partnering with their substance through the Word of God. All glory goes to the God of Ezekiel who said to our Father, 'I am your money, go and teach my people to work using their hands.'

RETREATS & FELLOWSHIP

Prayer retreats which were spirit filled were held in all provinces in March, as we exercised what has been taught in our Jerusalem, Zimbabwe. Most provinces hosted year-end prayer retreats in October and November, to give thanks to the God of our Father for being with us throughout 2025 and two provinces managed to go on vacation trip to Egypt and Morocco, to relax, bond and fellowship.

Most provinces hosted meetings during October, the Breast Cancer Awareness Month, for teachings on self-care and early detection

CHINA (THURSDAY) SESSIONS

These sessions were hosted across the nation, virtually and physically, with some provinces doing Big Saturdays with good attendance. The focus was on equipping women on personal grooming, marriage, health, home talents, and other practical areas that empower spiritually and socially.

FINANCIAL CONTRIBUTIONS & SUBSCRIPTIONS

Efforts to sustain ministry finances continued throughout the year, partnering through individual subscriptions. By the grace of God and with 100% participation, the nation managed to raise the £100,000.00 that the Finance Team had set as a budget and a stable income for 2026, starting with our contribution towards International Office Maintenance going in January.

- The nation participated in the March international prayer and fasting program, praying for our children and the work of God.
- The virtual Leadership Training Seminar was held in March and graced by powerful speakers, including Overseer S Mbizvo, Pastor Carol Guti and Dr D Simango our National Umbrella. The teachings were profound and those who attended were greatly empowered and equipped.
- Our very successful National Prayer Retreat was held in August in Leicester, with Pastor Angelista Mandonga and Pastor Florence Simango as our main speaker. Her teachings on prayer were phenomenal.
- Many ladies managed to login onto the online 40th Anniversary Celebrations held in September in Zimbabwe with a few attending physically. It was indeed a unique celebration, where the teachings and testimonies propelled the ministry to another level.
- The Silver Ladies were highly favoured to have a very successful virtual fellowship with Pastor Alice Nyamurowa in November.

NATIONAL CONFERENCE AND THANKSGIVING BIG SUNDAY

The Single Ladies wrapped up the year with this very powerful and unique gathering in Birmingham in November.
The atmosphere was joyous and celebratory. The lineup of speakers was awesome, with "Back to Basics" teachings from Pastor Alice Nyamurowa, focusing on the identity of a prayerful Single Lady; Apostle Osca & Overseer Cecilia Zezani passionately spoke about Legacy and God's rewards for those who seek Him; Pastor Angelista Mandonga led a powerful Holy Spirit Session and Umbrella Elder Gwinyai Masaka encouraged us on the power of seeking forgiveness.
The highlight...a thrilling dress competition which crowned Miss UK 2026 along with two Princesses, each receiving cash tokens.
We are excited about this revival Spirit which will ignite the ministry to take on 2026, empowered to spread the vision to other single ladies.
All glory to the God of Ezekiel for the monies that were raised towards Acts of Grace. Who can do such works without the God of our father Ezekiel.

Prayer Requests

- All the single ladies to love their Ministry and participate fully.
- All the children to be protected and to love their Church.

All provinces to have effective Umbrellas who are beneficial to the Ministry

CONCLUSION

- We thank God for our National Executive of Bishops, Administrators and Apostles for all the support and prayers. We appreciate the Overseers, Pastorate and all our Umbrellas for the unwavering support.
- We acknowledge and thank God for our ministry Pastor, Pastor Angelista Mandonga and National Board led by Elder Sandra Mangwende for the hard work and commitment to the ministry.
- 2025 was a great year and we look forward to even a better 2026.

EXECUTIVE SUMMARY

INTRODUCTION

The School Director, School Council, teachers and students continue to thank God for the legacy left by our Father, the late Apostle and Servant of God, Professor EH Guti.
We are delighted to report that by God's grace we are practising what we learned and received and heard and saw in our father, through this report as testimony to this statement.

Highlights

2025/27 Class Launch:15/03/2025

- This year our school launch on the 15th March 2025. We saw many students enrolled to the school with a total of 145 students of those remains 128 active students. Currently we have open application for 2026/28 and already we are witnessing increased number of applicants – current responses of 74 applicants. On the day of launch, we deliver tasters on Bible Synthesis and Deliverance.
- **School Intranet Site**
- We are currently in the process of revamping the school site to make it more user friendly and to bring it in line with new developments, which has taken longer than expected due to some unforeseen circumstances. We are very hopeful that this will be up and running before year end.
- Let it be emphasised that this is a learning tool only, whose access is given by a school administrator and is secure, posing no threat to anyone

Classes
The school uses the Zoom App for conducting all the lessons. There are 2 classes running at any one time during the year. Year 1 and Year 2.
Students and teachers are sent the annual school calendar in advance showing when classes will be held during the year. The lessons run from 10:00am – 14:30pm on a Saturday.
We have noted an uptake in enrolment and consistency in attendance with the online classes. Physical lessons presented us with a few challenges of teacher availability, travel, venue, student availability, uniformity and effectiveness of delivery of lectures.
Teachers are expected to do PowerPoint presentations and to give assignments for students to do further research.

CHALLENGES & PRAYER REQUESTS

- Encourage more leaders, including deacons, to enroll before ordination.
- Pray for more UK gWe would like to see more leaders coming to the school.
- We would like to see deacons attending school before being ordained to be elders.
- We are believing God for UK graduates that will go on to enrol for the fulltime ministry.
- raduates to enter full-time ministry, especially from the Youth Ministry.

TEACHER TRAINING (13/12/25)

- We held a successful teacher's seminar online, with attendance of 20 delegates including members of the school council and teachers.
- Our guest speaker was South Africa, AMFCC National Part-time bible school Coordinator, Overseer Dr E Chizeya.
- He provided an overview of AMFIC's history and mission, emphasizing the main purpose of the school; to equip the believer to take the gospel further as to the great commission (Mathew 28 vs 19-20). The programme is designed to take a transformative approach which will transform the life of individuals as they learn rather than academic, hence challenging lecturers to assess their teaching effectiveness. He concluded on the role and responsibilities of lecturers in theological education, highlighting the importance of specializing in subjects, conducting research, and balancing academic teachings with practical church teachings.
- Indeed, it was a life transforming seminar, and we hope to conduct more physical seminars in near future.

FUTURE PLANS:

- **- Research into operational viability of physical classes.**
- **- Completion of school intranet**
- **- Continuous development of proper school faculties.**
- **- We desire to see the school becoming more integrated in the ministry by offering training services for provinces, regions and assemblies.**

CONCLUSION

We would like to thank God for the establishment of the school in our Nation. We are continuing to see growth in the number and quality of students who are coming out of the school. We thank God that some are progressing into full time ministry. This we find to be very encouraging. We also want to thank God for our UK Board of Bishops, Apostles, Administrator, Overseers, pastors, elders and deacons for the tremendous support they give to the school.

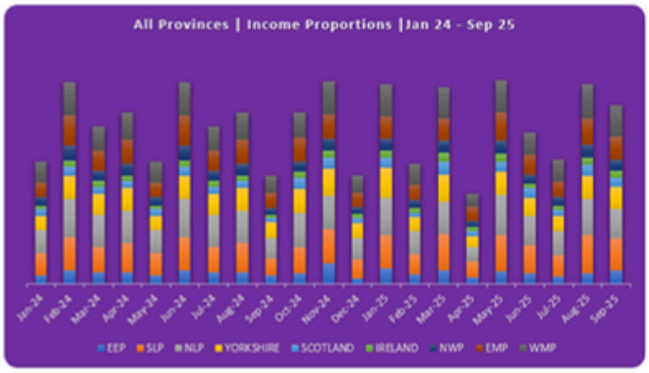
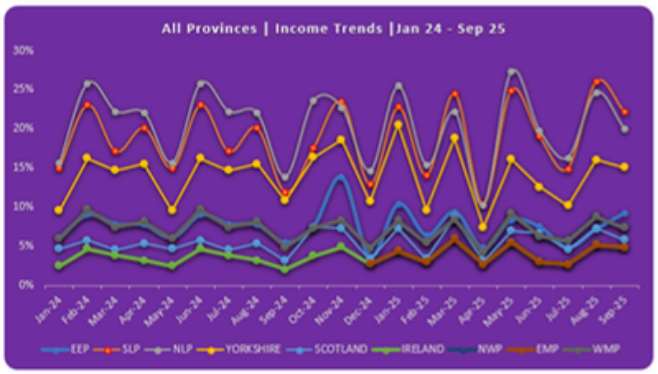
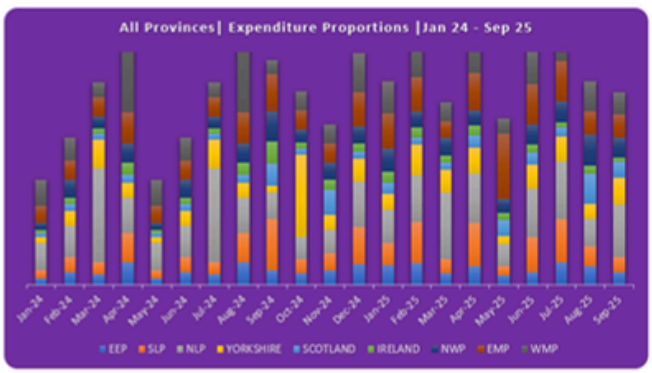
Figure 1 – Consolidated tithe income and expenditure (UK & Republic of Ireland) Jan 24 – Sep 25

The charts in Fig 2 below illustrate the variation in contributions made by each province towards the national tithe income and expenditure between Jan 2024 and Sep 2024:







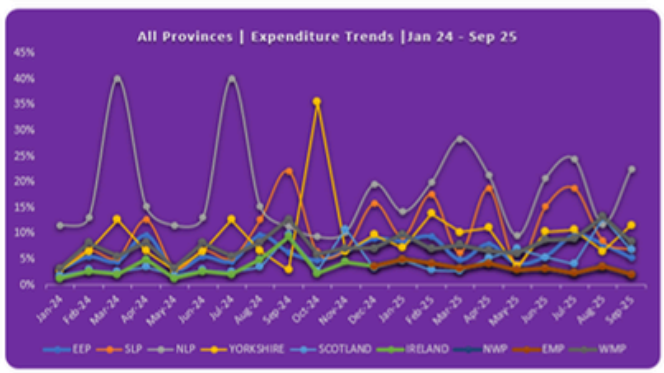


Figure 2 – Variation across the 9 provinces (UK & Republic of Ireland) Jan 24 – Sep 25.

Each of the nine provinces in UK and Republic of Ireland reported a surplus at the end of September 2025 to evidence that FIFCII(UK) is in a resilient financial position to sustain its operations for the foreseeable future. We are looking forward to ending this financial year positively if current trends continue. As a nation, we continue to provide financial support to ZEGU and Mbuya Dorcas Hospital.
We thank the God of Ezekiel for the guidance, leadership and prayers of our mum, Senior Archbishop Professor Eunor Guti, our father, the Presiding Bishop Dr Joseph Joe Guti, the two Apostles, SG M. Nyambo and DSG Dr. S. Simukai.
We delivered a finance symposium in the Schengen region where the following nations were represented: Germany, Netherlands, Switzerland, Austria, Poland, Sweden, France, Slovakia, Belgium, Italy, Romania and The Czech Republic.
Back in the UK, we held a provincial finance chairpersons' colloquium focussed on collaborative dialogue that was attended by finance leaders from all the nine provinces in the UK and Republic of Ireland.

2. External Audits

We are continuing to comply with the laws of the UK and Republic of Ireland. We are also pleased to report that our books of accounts were audited on time. We are working very closely with our external auditors and are following their recommendations and advice.

3. Cashless Collection

We are all now living in a predominantly cashless society and as a charity, we acknowledge that we need to adapt so we don't get left behind. Believers tend to give more when they donate with their card so adopting cashless technology is an innovation that promised to maximise our fundraising income. As a result, in 2025, we acquired at least one device for each of the assemblies in UK and Northern Ireland (the Republic of Ireland was not included due to Brexit complications). Since then, we have seen a significant improvement in Freewill Offering, Missions, Talents and other collections for special projects.
We would like to thank the Deputy Secretary General and the UK National Council for approving our investment in digital transformation. We look forward to a prosperous 2026.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, E Dessai & Co Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED

Opinion

We have audited the financial statements of FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED (the 'charitable company') for the year ended 31 March 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transaction outside the normal course of business and reviewing accounting estimates for bias;
- Reviewing minute of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more the compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves international concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The financial statements have been prepared under the historical cost convention.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Musical Instrument	-	25% on reducing balance
Furniture & Fittings	-	25% on reducing balance
Office equipment	-	25% on reducing balance

Taxation
The charity is exempt from corporation tax on its charitable activities.

Fund accounting
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED

Opinion

We have audited the financial statements of FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED (the 'charitable company') for the year ended 31 March 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception
In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:
- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees
As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transaction outside the normal course of business and reviewing accounting estimates for bias;
- Reviewing minute of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more the compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves international concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

23 December 2024

THE LETTER TO ALL THE CHURCHES OF FORWARD IN FAITH MINISTRIES INTERNATIONAL WORLDWIDE FOR THE JANUARY 2025 TEN DAYS OF PRAYER AND FASTING IN PREPARATION TO ENTER THE NEW YEAR.

Greetings to you beloved leaders and saints, in the Name of our Lord and Saviour, Jesus Christ.

We are thankful to the God of our father Ezekiel Guti for the opportunity to prepare to enter into a new year and new season by His grace. We do not know what is in it, but our God knows everything. For guidance in these sacred prayer programs our leaders in the outside nations should prepare their own prayer items according to the needs in their nations, as we were guided by our father, the Apostle and Servant of the Lord Jesus Christ. (Ezra 8:21; 1 Chronicles 28:9). *(Please read this letter slowly so that everyone understands. Read all the Scripture references cited in this cover letter).*

The new year we are entering in is a year of **continuing to practice to be true disciples who understand and are rooted and grounded in our Church Bible Doctrine in unity, love, prayer, and the fear of God**. We are therefore encouraged to continue practicing the life of the Kingdom of God and working on our characters to be more like our Lord Jesus Christ, (Galatians 4:19; Colossians 2:7; Ephesians 3:17). We keep holding on to the Divine pattern of our Church that yields positive results as stated in the ZAOGA-FIF History Book of Remembrance on page 10, which says, "this ministry was born and has come this far through intensive prayer and fasting." We also take serious heed to the **warnings** we received from the ZAOGA-FIF History Book of Remembrance on page 20, that we should guard against **pride, the love of money, and the temptation of women or men (sexual immorality)**. The call for "fear not, sin not" should sound louder as we aim to remain true disciples who practice what we learned and received and heard and saw from the life and teachings of our father. Philippians 4:9.

Therefore, it is very important that our fasting and praying is not just ritual but serious intercession accompanied by true repentance where necessary. Isaiah 58:6; Proverbs 15:29, "The Lord is far from the wicked, but He hears the prayer of the righteous."

Let us daily intercede for our Senior Archbishop, Professor Eunor Guti, as well as our father (the Presiding Bishop) and our mother, our Archbishops, Bishops, Apostles, together with their spouses, and **all** our Church leaders all over the World that the God of Ezekiel may continue to give them victory over all kinds of spiritual warfares that they face. (Romans 15:30; Ephesians 6:12).

Those who are pregnant should not fast, but rather spend more time reading the Word of God and praying. We should try to maintain good oral hygiene and avoid dozing at our work places.

As usual we are all encouraged to participate in the organized chain prayer groups, and to spend more time reading and meditating on the Word of God (Joshua 1:8; Psalm 1:2-3). The Ten Days Prayer Convention is from the 2nd to the 5th of January 2025.

The God of our father Ezekiel Guti bless us and strengthen us all to remain fervent in prayer.

Yours in the Lord's Vineyard,

.....

The Centre is open for internal and external event bookings, inviting donations that go towards offsetting operational costs. More strategic planning will be required that will attract the level of revenue that can support the outstanding development.
The National Assets Team manages the day-to-day operations which include all enquiries, the booking process, overseeing the actual event and scheduling of maintenance works.

MISSIONS

As we continue in the legacy of our father, God gave us grace to raise £669,568.50 to support missionary work, to enable missionaries to take the gospel of Jesus Christ to the nations of the world. We are humbled as a nation that every year, we have committed time on our annual calendar to work towards that noble cause, GO YEE THEREFORE ...THE NUMBER ONE THING!!!

EUROPE DEEPERLIFE CONFERENCE

We managed to host a power packed conference, the first after the promotion to glory of His bondservant. Over 700 delegates attended, to be taught by the Senior Archbishop Professor Eunor Guti as the main speaker, supported by the two Archbishops, Drs Mateus and Petronela Simao (Mozambique), Archbishop Elias Zwelipane and Bishop Prisca Soko (South Africa), the Presiding Bishop of Forward in Faith Ministries International, Dr Joseph Joe and our mother Pastor Nyasha Miriam Guti, the Secretary General Apostle Mishael and Pastor Leticia Nyambo, the Deputy Secretary General Apostle Dr Steve and Dr La-Verne Simukai (the Go Quickly International Director). They were encouraged to perpetuate the legacy of our Father Archbishop Professor Ezekiel H Guti, to endeavour to be his true disciples through emulating what we learned, received, heard and saw in him.

FUTURE PLANS

·Centres
We give glory to God of our father Ezekiel Guti who continues to amaze us. After the Ezekiel Guti Convention Centre in Birmingham, which was officially opened in 2019, He enabled us to buy centres in Edinburgh [Scotland], Leeds [Yorkshire], and Warrington [Manchester]. Our future plans and desire as a nation is to have at least one building that belongs to us in all our 9 provinces where we can gather anytime as children of God without restrictions.
·Leadership Training
All our nine provinces have included leadership seminars in their calendar of events, to train, educate, empower and equip our Deacons and Elders. The areas to be covered include Church Doctrine, bringing understanding of roles and responsibilities in line with our Guidance, Rules and Policy so that we are all equipped to perpetuate the legacy of our father Archbishop Professor Ezekiel H Guti as we continue to serve the Lord effectively and meaningfully.

CONCLUSION

Our heartfelt acknowledgement and sincere gratitude go to the Senior Archbishop Professor Eunor Guti, our father the Presiding Bishop, Dr Joseph Joe Guti & Pastor Nyasha Miriam Guti for their support and prayers which have brought the nation this far. We can never thank God enough for what He has done, for having enabled His bond servant Professor Ezekiel H Guti who is now His glory, to take the gospel of the Kingdom to more than 5 continents of the world. As a nation we will endeavour to perpetuate the legacy that our father left us.

WEST MIDLANDS PROVINCE

OVERSEERS S & T MAYEMU

Introduction

The West Midlands Province has demonstrated remarkable and consistent growth across multiple areas, reflecting its adherence to the organizational vision of expansion and sustainability. The statistics and membership strength signify an ongoing upward trajectory that is aligned with the organization's goals. This growth can be categorized into three key domains: financial growth, spiritual growth, and numerical growth. Below is a detailed analysis of each area:

Vision

- Financial Growth
- Spiritual Growth
- Numerical Growth

Numerical Growth

We saw a steady increase in membership strength, which highlights the PROVINCE'S successful efforts in soul winning, member retention, and active participation. This is indicative of effective outreach initiatives, community integration, and a focus on fostering a welcoming and inclusive environment. Furthermore, the expanding membership base suggests the intensive follow up programs.

Spiritual Growth

The spiritual journey of the members is another standout success. People aren't just joining—they're growing. The teachings, activities, and gatherings are helping believers deepen their connection to the God of our father. This focus on personal and collective spiritual development is creating a strong and unified church, with members who feel genuinely invested in what they're building together.

Financial Stability

The financial health of the province has shown a positive trajectory, supported by the active contributions of the members and the prudent management of resources by our capable finance team. This growth reflects both the understanding of the believers on tithing and effective financial stewardship by the leadership. The availability of resources has enabled the province to sustain its current operations while planning for future growth and community-driven initiatives. We pray for 100% participation for all our believers in the province, in regards to tithing.

GO QUICKLY

The West Midlands Province, comprising Birmingham, Wales, Bristol, and Wolverhampton, experienced remarkable growth in 2024, with membership increasing from 229 ladies in March to approximately 372 by October. Under the leadership of Overseer Talent Mayemu and Elder Gretchen Paradza, the province focused on fostering unity, prayer, and empowerment. Key events included a transformative prayer retreat in March at Hebron Hall, Cardiff, attended by over 110 ladies, where teachings on love, unity, and ministering in God's house led to testimonies of healing and restored faith. Other highlights included the inaugural Big Tuesday service in February, a Ladies Empowerment Seminar in September attended by 58 ladies, and regional prayer retreats emphasizing deliverance and well-being. The province also hosted its first annual Christmas Ball in November, a joyful celebration attended by 80 ladies, including pastors and the overseer. Each region contributed to the province's growth through consistent prayer sessions, gatherings, and events such as a High Tea Extravaganza in Wolverhampton and a retreat in Wales. The year saw significant spiritual impact, recognition of outgoing board members for their contributions, and the appointment of a new board led by Elder Dadi Mutama. With breakthroughs in faith, unity, and spiritual growth, 2024 laid a strong foundation for continued success in 2025.

Conclusion

These three areas of growth feed into each other. When members feel spiritually fulfilled, they're more likely to stay and invite others, boosting numbers. A growing membership brings in more energy and resources, which supports even more programs and activities. Financial stability, in turn, makes it possible to provide quality initiatives that keep members engaged and growing. It's a cycle of progress that keeps building momentum in our province.

The Legacy Continues!

NORTH WEST PROVINCE

OVERSEERS B & N CHAKANYUKA

Introduction

We thank the God of our father Archbishop Ezekiel H. Guti for His continued grace, as we moved from strength to strength in this year of practicing to be true disciples. We laid a strong foundation for the year through the ten days of prayer and fasting, and continued with assembly services physically and virtually. Church attendance continued to rise as the year progressed, with several families relocating from Zimbabwe and new converts joining. We give glory to the God of our father for the growth being witnessed and continue to pray for more souls as we move the vision forward.

We held successful Provincial Big Sundays, weeks of prayer and fasting with deliverance from the power of darkness and healing from various ailments. Several testimonies of the faithfulness of God have been shared throughout the year. Both Go Quickly and Men of Integrity attended prayer retreats in Wales where people were spiritually revived and uplifted. Some deliverance sessions were conducted during Easter Conference and our 64th Church Anniversary celebrated at regional level. We saw the hand of God during the June prayer conventions, where guest speakers held one-to-one deliverance sessions.

The province was blessed through an empowerment weekend (29th November to 1st December) through the DSG, Apostle Dr Steve Simukai. He was mightily used to train leaders in seminars, empowering the church and every ministry through the Word of God. NWP will never be the same again after this.

HOME TALENTS

- Several families were encouraged to work talents for their homes with emphasis on starting
- businesses to leave an inheritance for their children. Weekly services were held online with

local, national, and international guest speakers.

MISSIONS

- The province joined forces with the nation in June and July, advancing the work of Missions
- and spreading the gospel to all nations. Over weekly national services, the province
- conducted its own virtual services to encourage contributions from the community, featuring
- gifted speakers from across the nation. Several Big Days were organized to encourage active
- engagement in the four pillars of missions and celebrate generosity. The God of our father

blessed our efforts, and we give Him all the glory.

MINISTRIES

Child Evangelism and Young Generation: The children have their own Saturday
services at the provincial level to be taught the Word of God and learn to be MCs and
forerunners. They have interactive Bible quizzes, games, and sometimes practice
KMD.

Ministries cont...

- Youth: They have their online services on Tuesday and prayer on Saturday mornings. They hosted a zonal prayer convention at the provincial centre in January where four youths were water baptized. Their Easter conference was power-packed, with encouragement to work talents and participate in church activities. The August sports day attracted a huge turnout.
- Men of Integrity: Regular Tuesday prayers are held in regions and monthly as a province, with over 20 speakers invited to share so far and attendance expected to grow. A few fellowships were organized to encourage men to socialize and be united. The men joined the global Walkathon on Ezekiel H. Guti Day in May, a great occasion which was marked by fellowship as 'The Legacy Continues.'
- Go Quickly and Tell: Tuesday prayers, a Big China for High Tea, and a November Glitz and Glamour event.
- Single Women: They enjoy celebrating each other's birthdays, and many attended the National Leadership Seminar via Zoom. They hosted their Valentines Dinner as a group in February and are delighted that two of them recently got married.
- Couples: A romantic dinner was held in February attended by 12 couples, and a virtual retreat in September with powerful international speakers helped many couples.

PROVINCIAL EVENTS

- The three PC meetings held provided an opportunity to discuss progress within ministries, review provincial finances, and plan God's work going forward. These are followed by provincial Big Sundays at the Provincial Centre.
- June prayer conventions were held successfully, and we saw the mighty hand of God at work with the church hungry for the things of God. We thank God for the month of prayer. Training, which proved invaluable, was organized for different groups to support their development needs, including new Deacons and Elders, the National Finance team, and secretaries. Additionally, the National Music Ministry hosted a Zoom seminar, providing worship training to the Praise and Worship team.

MAJOR HIGHLIGHTS

- **Provincial Centre Renovations:** We are in the process of renovating the Provincial Centre, with a room for children's church ready for decoration. We are also creating more space for our provincial gatherings and celebrations. A big day to fundraise for new chairs was held in September and was a huge success.
- **National Administrator and Bishops:** The Province was graced with visits from National Administrator O & Rev C Zezani and Bishop M & Rev B Kasese, which uplifted the church community, allowing unity to become evident and beneficial.

FINANCE

- Several fundraising days planned by the provincial finance board are strengthening our financial position as we progress. With continued teachings, we pray that more people will tithe faithfully.

FINAL REMARKS

- Our hearts overflow with gratitude to the God of our father, Ezekiel Handinawangu Guti, for guiding us this far. We witnessed the strength of unity and collaboration as we made strides to enhance our Provincial Centre. We are reminded to persist in applying the teachings and practices we saw, received, heard, and learned from our father. This dedication will help us to continue growing and truly living as disciples of Jesus Christ.

SOUTH LONDON PROVINCE

"Where Everyone is A Winner"

OVERSEERS M & B GOMBAKOMBA

South London Province is made up of two regions, South Bank and Bumper Harvester, comprising eight assemblies: Haslemere, Maranatha, Southampton, City, Sutton, Kent, Portsmouth (Cottage 593), and Exeter. Recently, the province welcomed the birth of two new assemblies, Pool Bournemouth and Plymouth Cornwall, bringing the total number of assemblies to ten.
The province, with a growing membership of approximately 662 believers, is being led by Overseers Morris and Betty Gombakomba. They are supported by Pastor Phyllis Burke and Pastors Chris and Faith Sande.

Major Highlights

SEMINARS

Leaders were equipped through various training sessions and teachings conducted at the assembly, regional, and provincial levels. These efforts reflect the power of the God of Ezekiel working in the province under the theme, "Striving to be true disciples rooted and grounded in the doctrine of the church."

- Deacons and Elders were strengthened in their roles and responsibilities through several impactful training sessions. These sessions used books authored by our father, Professor Ezekiel Guti, and included life-changing teachings delivered by key speakers such as SG Apostle M and Reverend L Nyambo, UK National Administrator Apostle Oscar Zezani, Overseer Edmore Chizeya, and Evangelist Caroline Guti.
- Finance Seminars: These sessions focused on empowering all secretaries who handle church finances. Participants received training on the correct procedures for managing God's money and working collaboratively as a team. The training drew from the History Book, Finance Rules & Policy, and Guidance Rules & Policy, ensuring all practices align with church guidelines.

CONFERENCES

The two regions hosted successful Church Anniversary and Easter Conferences, marked by high attendance and impactful teachings from visiting speakers. These events also celebrated church history with vibrant performances by Child Evangelism and members representing various cultural backgrounds. Fifteen individuals were water baptized during the Easter celebrations.
Leaders from the province also attended the Europe Leaders Deeper Life Conference held at EGCC in July, where they were richly blessed by the teachings.

PROVINCIAL/REGIONAL PRAYER

The province begins every month with a week of prayer and fasting (morning glory), gathering testimonies of healing, new business contracts, and other blessings. Regions then continue these prayers throughout the month.
In June, Prayer Conventions were successfully held in different formats, including virtual, physical, and hybrid gatherings. The conventions featured teachings by various visiting speakers, empowering the entire church to stay vibrant in the spirit of prayer.
The June Believers' Convention ended with a Holy Spirit session, during which many people were revived and filled with the Holy Spirit.
Through missions, the Deacons raised £13,021.00, demonstrating the faithfulness of the God of Ezekiel in providing resources for His work.

PROVINCIAL CENTRE

In October 2023, the province launched Talents, set to officially commence in January 2024. The initiative gained momentum, and by March, the province celebrated the successful raising of £182,928.67 in just three months. A joyful Big Day celebration marked this milestone, and the province is now praying and believing God for breakthroughs in identifying and purchasing their provincial centre.

BIG SUNDAYS

- On 10th March, the province gathered in large numbers to thank God for His goodness. Believers traveled from far and wide, including the Isle of Wight, for this special day. The event was graced by Zonal Bishop Dr. Jonathan and Reverend Greater Chikwawawa.
- In September, the FAMB Big Sunday attracted a significant turnout, with the service focusing on family building and the family unit. DSG Apostle S. Simukai visited the Southbank Region, and the gathering concluded with fellowship.

MISSIONS

- The province joined the national church in missions work following the launch in May 2024. South London Province achieved a remarkable total of £190,443.62, with members joyfully participating, including children.
- In July, the province held a special campaign based on Philippians 4:18-20, encouraging members to give £50 each. This campaign was a resounding success, showing the unity and dedication of the province to missions.

HOME BIBLE STUDY

The province currently has 30 Bible study groups meeting both virtually and physically, with growing attendance. These sessions aim to ground believers in the Word of God, fostering discipleship based on the church doctrine. Notably, a group of ten believers has emerged in the Isle of Wight, and plans are underway to establish a new assembly in Weymouth, following a visit by the Overseers.

EZEKIEL HANDINAWANGU GUTI DAY

On 4th May 2024, the province celebrated Ezekiel H. Guti Day with a Gospel Musical Show led by the youth. The day featured performances by guest artists, the Kingdom Music and Dance Ministry, and the SLP Praise & Worship team, creating a joyful atmosphere of worship and celebration of the God of Ezekiel.

Ministries

Child Evangelism
This vibrant ministry serves over 69 children who attend both Zoom and physical services on Sundays. Friday services have also been introduced, drawing an attendance of 12-15 children eager to learn. Many children now own their own Bibles and actively participate by memorizing and reciting verses during services.

Men of Integrity
The men's ministry has seen notable growth, holding retreats and prayer meetings. Events such as the Green Pastures Prayer Retreat and the International Wisemen Conference in Zimbabwe have brought transformative teachings.

Couples Ministry
Events such as the May Couples Teaching Session and a November Christmas Dinner were well-received, with plans underway for a Valentine's trip abroad in 2025.

Youth (Boys of Thunder)

The youth ministry remains active, participating in missions, talents, and regional morning prayers. A Boys Fellowship held in April focused on critical topics like deliverance, personal development, and empowerment, transforming the lives of attendees. They also joined the National Boys Conference in October, where they were ministered to by Senior Archbishop Dr. E. Guti and DSG Apostle Dr. Steve Simukai.

This ministry continues its powerful intercessory prayers every Tuesday, with consistent participation ranging from 42 to 75 women. Notable events include prayer retreats and the Bindura Outdoor Prayer Experience, where women poured out their hearts before God and received deliverance.

CONCLUSION

South London Province is immensely grateful to the God of Ezekiel for the tireless leadership of **Overseers Morris and Betty Gombakomba**, whose dedication continues to guide the province to greater heights.

SCOTLAND PROVINCE

"Where Jesus Lives"

OVERSEERS P & N AUSTIN

Overview

Scotland Province had a year of growth and expansion in 2024, focusing on various projects and fundraising activities for the restoration of the Provincial Centre. These efforts, undertaken in stages, have allowed the province to manage the workload while ensuring the congregation remains motivated in contributing to this vital work. With strong leadership support and the generosity of the saints, the province is now ready to serve the local community, starting with a Christmas carol service.

Provincial Centre

At the end of 2022, we were blessed with the purchase of our very own Provincial Centre, which was a great morale booster for the saints, giving us a new sense of belonging and purpose. The building is in a usable state and has started generating regular revenue to help pay for the general upkeep but still needs a lot of work to be done (renovation, repairs, decorating, etc). We hold regular fund-raising big days that include individuals taking up standing orders and responsibility for specific projects that need upgrading. We have seen a surge of commitment from many leaders who have not only stepped forward but have also been strong encouragers to others in dealing with various challenges.

Prayer Requests

The province's prayer focus includes:

1. Continuation of learning from the teachings of Archbishop Dr. Ezekiel H. Guti.
2. Unity and harmony among the saints.
3. Faithfulness in tithing.
4. Protection for families, businesses, and projects.
5. Expansion with new assemblies and conversions.

Membership and Leadership Growth

The province continues to thrive as ZAOGA members from Zimbabwe join, bringing both financial support and leadership experience. Plans are in place to open new assemblies in Dundee and Edinburgh City. The visit of the Presiding Bishop, Apostle Dr. Joseph Joe Guti, alongside our Mother Pastor Miriam Nyasha Guti, and other key leaders like Apostle Dr. Simukai and Zonal Bishop Dr. Michael Kasese, indicates that Scotland is being prepared for greater things ahead.

Ministry Engagement and National Conferences.

All ministries actively participated in national conferences, with members testifying to emotional healing and deliverance through powerful teachings. Notable speakers included Senior Archbishop Prof. Eunor Guti and Pastor Mirriam Nyasha Guti.

Provincial Activities

The province's activities in 2024 included:

- Missions: Partnered in fundraising efforts to support missions during June and July.
- Home Talents: The congregation worked diligently through Big Days and teachings to accumulate wealth, with some purchasing assets and investing in businesses.
- Ministry Reports:
- Child Evangelism: Regular Sunday lessons and Bible study activities.
- Youth: Active participation in services and events, including the successful Zone 3 Conference and the upcoming National Youth Conference/Christmas Ball.
- Men of Integrity (MOI): Continued their engagement with international teachings and are leading national prayer efforts.
- Go Quickly & Tell: Women's group continued with virtual prayer meetings and participation in national events.
- Single Ladies: Their continued commitment through prayer supports the church's work.

Conclusion

Scotland Province expresses gratitude for the faithful guidance of God and the leadership of Overseers and Pastors. With anticipation for 2025, the province is committed to serving God faithfully in unity, love, and adherence to the teachings of Archbishop Dr. Ezekiel H. Guti. Thank you for your continued prayers and support.

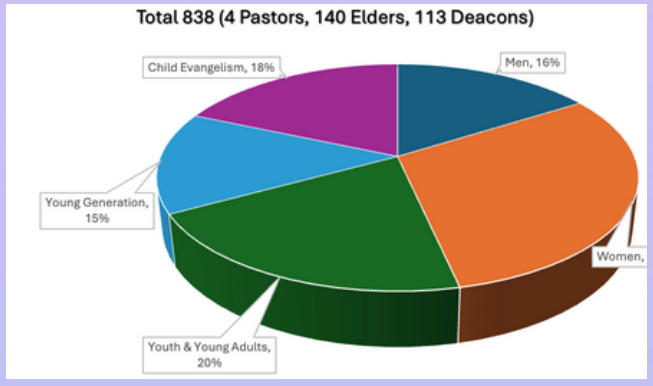
YORKSHIRE PROVINCE

OVERSEERS C & S MANYATI

INTRODUCTION

The year began with our Overseers, C & S Manyati, strongly encouraging the province with the message of ONE YORKSHIRE, united by the Spirit of God. We are grateful that this vision has made Yorkshire a very sweet place to be, with visible leadership, especially in this season of transition. We continue to witness the marks of Apostleship, which were upon our father, in our Pastorate. These marks are growing and increasing the province spiritually and numerically, to the glory of God.

MEMBERSHIP STRENGTH



PROVINCIAL SPECIAL OCCASIONS

• Archbishop Matheus & Dr. Petronela Simao's Visit (August)
Their visit brought a deeper understanding of God's faithfulness in the FIFMI ministry. Archbishop shared his powerful testimony of how God called him into ministry, which inspired many and assured us that the God of Ezekiel does not fail.

• Apostolic Empowerment Visit (November)
The visit of the Deputy Secretary General, Apostle Dr. Steve Simukai, was a huge success. With full house attendances from Friday to Sunday, the seminar empowered, encouraged, and grounded leaders in the work of grace. One of the key lessons from Apostle Simukai was, "Time consciousness reflects the type of leader you are."

PROVINCIAL PROGRESS

Settling in the UK
Recognizing the challenges of settling in the UK, the province organized a 4-part series program, inviting experts from various fields like driving, social work, teaching, and policing. This program attracted both members and non-members, including people from outside our province. The success led to the creation of a specialized program for the Young Generation.

• New Assemblies
Scarborough, Durham, Middlesborough, and Carlisle Assemblies are now fully functional, with leadership structures in place. By God's grace, Leeds North and Sheffield South Assemblies will soon be added.

• Home & Centre Talents
Two families purchased 250 chairs from China for the Provincial Centre, with delivery expected before Christmas. Renovation plans are also in progress, awaiting approval.

• New Region: Progress City
The new Progress City Region is now operational, comprising Newcastle, Durham, Scarborough, Carlisle, and Middlesborough Assemblies. The vision sown by the Apostle and Servant of God years ago is being fulfilled in our time.

• Deliverance Sessions
We witnessed many powerful testimonies of deliverance, including one woman who surrendered charms she had brought from Zimbabwe to be burnt after prayer.

FINANCE

The province has seen remarkable growth in tithes, both in amount and participation, ranking 4th nationally out of the nine provinces. Our commitment to the principles of tithing and faithful stewardship has led to contributions towards various needs, including:

- Buying pastors' air tickets for conferences in Zimbabwe
- Venue rentals
- Music equipment purchases
- Supporting new arrivals with settling-in programs
- Purchasing furniture for the Provincial Centre

MINISTRY ACTIVITIES

Child Evangelism & Young Generation
We continue to see our children involved in various ministry activities, from leading Bible studies to performing at church events. Our children have attended National Young Generation Conferences, fun days, fellowship gatherings, and talent shows. The weekly online services during summer holidays were a great success, with discussions on issues like bullying, social media, dressing, and settling in the UK. We believe that training up children in the way they should go will not only benefit them now but will also establish their future in Christ.

Youth & Young Adults
Yorkshire remains the province with the highest number of youth members in the nation, with vibrant Boys and Girls Ministries. The province is empowered by the presence of the UK-Youth Director, National Youth Pastors, and the National Youth Chairman. One highlight of the year was the Voices of Triumph (VOT) youth singing group's concert in November, featuring international guest ministers.

Go Quickly & Tell
Our 3-day Prayer Retreat in March was a huge success, with over 70 attendees each day. Pastor Shami Mwale ministered powerfully from Isaiah 58, and the Holy Spirit moved mightily, bringing deliverance, healing, restoration, and forgiveness. Women's ministry also saw an increase in attendance, especially at Tuesday prayer meetings, with an emphasis on influencing others unto good works.

Single Women
The forty-two single women in our province joined national prayer sessions and have actively participated in leading prayer meetings and sharing the Word. They were visited by the National Ministry Pastor in November and are also planning a visit to the Overseers before Christmas.

SUMMARY

In 2024, the province saw incredible growth and progress, marked by:

- Increased membership strength
- Growth in tithing and offerings
- Hosting great servants of God
- Ministerial prayer retreats

Financial Overview

The year 2024 has been a fruitful year in the UK. We are pleased to report good tithe expenditure control. This resulted in each province reporting a surplus at the end of Sep 2024 as evidence that FIFCII(UK) is a going concern.
The charts below illustrate the variation in provincial contributions made by each province towards the national tithe income and expenditure between Jan 2023 and Sep 2024.

Board Composition

Following the resignation of Elders Gwen Kanyangu and Martin Mangaba from the National Finance Board, the Board reorganised to the structure below:

Elder Simbai Gonye	Deputy Chairperson (Assets)
Elder Merry-Mercy Mandisodza	Finance Director
Elder Mercy Masiye	Secretary (HR)
Elder Adonis Sithole	Deputy Secretary (Internal Auditor)
Elder Patience Maoko	National Finance Manager

Tithing

All provinces reported a cumulative surplus at the end of month 9. We are looking forward to a strong closing position at the end of the financial year if current trends continue as expected.

External Audits

We are continuing to comply with the laws of the United Kingdom of Great Britain and Northern Ireland. We are also pleased to report that our books of accounts were audited on time and will follow the recommendations from our auditors.

Provincial Finance Seminars

The UK national finance committee delivered scheduled training sessions to provincial committees across the nation and facilitated elections in with the Forward in Faith Guidance, Rules, and Policy and the Finance Policy, Rules, and Guidelines.
We had the honour to meet with the Deputy Secretary General of FIFMI, Apostle Dr Steve Simukai on the 23rd November 2024 in Rotherham, Yorkshire. This was an opportunity for impartation of wisdom, strategic direction and burden for the work of God. We look forward to a prosperous 2025.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, E Dessai & Co Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on ..... and signed on the board's behalf by:

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED

Opinion
We have audited the financial statements of FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED (the 'charitable company') for the year ended 31 March 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:
- give a true and fair view of the state of the charitable company's affairs as at 31 March 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion
We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern
In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information
The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006
In our opinion, based on the work undertaken in the course of the audit:
- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transaction outside the normal course of business and reviewing accounting estimates for bias;
- Reviewing minute of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more the compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves international concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, E Dessai & Co Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on ..... and signed on the board's behalf by:

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED

Opinion
We have audited the financial statements of FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED (the 'charitable company') for the year ended 31 March 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:
- give a true and fair view of the state of the charitable company's affairs as at 31 March 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion
We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern
In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information
The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006
In our opinion, based on the work undertaken in the course of the audit:
- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transaction outside the normal course of business and reviewing accounting estimates for bias;
- Reviewing minute of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more the compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves international concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

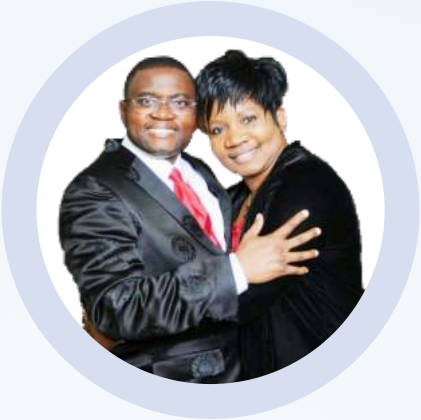
NATIONAL ADMINISTRATOR'S REPORT



Apostle Oscar &
Pastor Cecilia Zezani

OPENING REMARKS

It is humbling to share what the God of our father Archbishop Apostle Professor Ezekiel H Guti has done in our nation of United Kingdom in 2023, more so after the promotion to glory of his bondservant. We continued to soldier on under the theme "Striving to be True Disciples who are Rooted and Grounded in the Doctrine of our Church during the Transition" (Acts 15:21, Ephesians 317; Philippians 4:9). The nation witnessed the faithfulness of God as we were celebrating the home going of our father, to be comforted and strengthened by Archbishop Elias Soko, who reminded us of the teachings of our father.
In September, our leader assigned to oversee the work in Europe, Apostle Dr Steve Simukai also came, encouraged the leadership of the nation and emphasised that we put Philippians 4:9 into practice.

PROJECTS

01. EZEKIEL GUTI CONFERENCE CENTRE (PROJECT TALENTS)

We give glory and honour to the God of our father who allowed us to raise £770,000.00 through working talents to complete the main foyer, the state-of-the-art kitchen and heating/ventilation systems. These have since been fully commissioned. We are believing God for money to complete the mezzanine floor, the bookshop, baptismal pool, the Archbishop Suite and landscaping.

02. MISSIONS

God allowed us to raise £456,855.00 towards Missions Fund. We continue to encourage the saints on the importance of monthly standing orders as we realise a steady monthly income through them.

03. EUROPE LEADERSHIP DEEPERLIFE CONFERENCE

IThe 2023 conference that was scheduled for 26th to 30th July wasn't held due to the homegoing celebrations of the bondservant of God, our father Archbishop Professor Ezekiel H Guti.

04. PROVINCIAL RESTRUCTURING

The work of God continues to grow and now have 9 provinces, 21 regions and 68 Assemblies as detailed below, since restructuring in November.

- Ireland & Isle of Man – Overseer Richard & Christine Sabvute
- East England – Overseer Washington & Evelyn Mujuruki
- East Midlands – Overseer Abisha & Ann Forest
- North London – Overseer Edmore & Kundai Chibwana
- North West – Overseer Big & Nelia Chakanyuka
- West Midlands – Overseer Shepherd & Talent Mayemu
- Scotland – Overseer Philip & Norah Austin
- South London – Overseer Morris & Betty Gombakomba
- Yorskshire – Overseer Calisto & Sikhanyisiwe Manyati

New Assemblies
Due to the influx of people from abroad, the God of our father allowed the opening of new assemblies.

- Yorkshire Province – York, Bradford, Wakefield & Lincoln Assemblies (4)
- Greater Midlands Province – Taunton Assembly
- North West Province – Crewe & Lancaster Assemblies (2)
- South London Province – Exeter Assembly

New Church Building
We honour the God of our father Archbishop Apostle Ezekiel H. Guti for allowing us to purchase a church building in Warrington, North West Province.

Soul Winning
We look forward to winning more souls for the Kingdom of God in 2024, opening more assemblies and also buying more provincial centres for believers to have their own places of worship. We endeavour to fulfil the Great Commission (Matthew 28:28-20) through your prayers.

05. MINISTRIES

We are witnessing growth in all ministries as they continue to fulfil their calendar events under the leadership of their committees and pastorate teams.

06. FUTURE PLANS

Finding affordable places of worship can be challenging in some places from practices that are against our Guidance, Rules and Policy like being asked to sign an agreement to support same sex marriages.Our request is that we be allowed to work Provincial Centre Talents in 2024 to fulfil our desire for every province to have at least one church building as a place of worship. Believers are willing and ready to work such Centre Talents. We thank the God of our father for giving us centres like Edinburgh (Scotland), Leeds (Yorkshire), Warrington (North West) and Ezekiel Guti Conference Centre (Birmingham).

06. CONCLUSION

Our sincere gratitude goes to our father who went to be with the Lord and our mother, the senior Archbishop Apostle Professor Eunor Guti, for their unwavering support and prayers which have brought the nation of United Kingdom this far.
As the work continues to grow, we request for prayers from our mother, for the nation to remain in the vision given to our father, the bondservant of God, Archbishop Professor Ezekiel H Guti.
2023 will be remembered for two major events. The year began with celebrations of a milestone in the life of our father, the Archbishop Professor Ezekiel H Guti, the legendary whom God allowed to preach non-stop for 75 years, leading Forward In Faith Ministries International for 63 years. It was joy unspeakable when we celebrated his 100th birthday, the CENTENARIAN and great icon of our time!!! Soon after, he transitioned to glory and will always celebrate his rich legacy.
We can never thank God enough for what He has done through our father, allowing him to take the true gospel of Jesus Christ to more than 168 nations and states.

BISHOP DR. J & G CHIKWAWAWA

BISHOP DR. MJ & DR. B KASESE

BISHOP'S REPORT

OPENING REMARKS

The United Kingdom nations (England, Wales, Scotland and Northern Ireland) and the Republic of Ireland (which includes Isle of Man), have been grouped under three Zones, as follows: -

- Zone 1 – the southern part of England i.e. Greater London, which includes East England, South London and North London Provinces; presided over by Bishop Dr. J. Chikwawawa.
- Zone 2 - the middle part of England i.e. Greater Midlands and Ireland Provinces; presided over by Bishop Dr. JDK Samasuwo.
- Zone 3 - the north, which includes North West, Yorkshire and Scotland Provinces; presided over by Bishop Dr. MJ Kasese.

PROVINCIAL VISITS

Zone 1

The number of visits carried out in the year increased, covering all the three Provinces. Plans are being put in place to visit every Assembly in the coming year (2024).

South London Province (SLP)
The first visit was their first quarter PC, including visits to City, Sutton and Southampton Assemblies, with encouragement on Home Talents and some feedback from the Male and Female Pastors Conference. They were all left with fresh fire and a great zeal to work Home Talents and to succeed in all areas.

East England Province (EEP)
The visit was in the last quarter of the year, for their PC and the East London and Essex Regional Big Sunday the following day. The Leaders were trained and charged to excel in their different positions and callings. The visit to Dagenham Assembly left the Church bubbling with joy after powerful teachings accompanied by deliverance.

North London Province (NLP)
Every region was visited, with powerful teachings accompanied by deliverance in West London (Blessed) Region; Regional Home Talents Celebration Service in North London (Super North) that left the Church with an uncontrollable spirit of joy. Luton and Cambridge Assemblies received powerful and encouraging teachings through the Word, which greatly benefitted and strengthened the Church.

Expectations for 2024
The Zone is looking forward to the new year with confidence. A programme is already in place to coordinate the Bishop's visits that will enable greater progress. The prayers of the saints and more grace from God will propel the Zone to new and higher levels in all aspects.

Zone 2

The Home Going of our father Apostle Prof. E.H. Guti halfway through 2023 and a protracted time of celebrating his life very much affected the programmed Provincial and Regional visits the rest of the year.

Greater Midlands Province (GMP)
The month of March was spent in Northampton (Mega) Region and we were very encouraged to see the growth of Corby Assembly compared to the previous year, through many people coming from abroad as well as Northampton Assembly. It is a great blessing to witness seasoned leaders (Elders and Deacons) with specific ministries like Praise and Worship, Hosting and Ushering, lifting the standard of the services. The powerful praise and worship, great testimonies given in an atmosphere of great joy indicated how the God of our father was working in the lives of the saints and meeting them at their points of need. The Regional visit concluded with an awesome Big Sunday, where giving of big amounts of money was an indication of good understanding of the working of Talents.

Leicestershire Region was also visited on their Regional Big Sunday, was encouraging to see the great potential of growth and the two Assemblies going back to meeting separately again.

- **Anniversary and Centenary Celebrations (100th Birthday)** of our father, Archbishop Apostle Professor E.H. Guti, in Harare, 14th May 2023, the greatest Birthday Celebration ever experienced in our Church.

- **International trips:**
  - 28/07/23 to 17/08/23, Zimbabwe Celebrating the Home going of our father, Archbishop Apostle Prof. E.H. Guti.
  - 02/09/23 to 03/09/23, Northern Ireland, Belfast (Bishops and National Administrator.)
  - 18/09/23 to 25/09/23, Zimbabwe for Male Pastors Conference.
  - 25/09/23 to 04/10/23, Australia, Deeper Life 1, Sydney.
  - 04/10/23 to 11/10/23, Australia, Deeper Life 2, Perth.
  - 11/10/23 to 19/10/23, Zimbabwe.
  - 03/11/23 to 07/11/23, Hannover Germany, Schengen Region Big
  - Weekend with The Apostle, Dr. Steve & Dr. La-Verne Simukai.
  - 18/11/23 to 20/11/23, Netherlands visit.

- **SADOP SPECIAL DAY with Bishop Dr JDK & Dr Mabel Samasuwo.** Although they are good at organizing their events, this was a great eye opener concerning the needs of SADOP and much encouragement needed.

Zonal Changes and Looking Ahead
Greater Midlands Province (GMP) has now become two provinces, West Midlands and East Midlands Provinces. 2023 was looking forward to growth in every area, spiritually (maturity), physically (numbers) and have witnessed some growth from people coming from overseas. This needs to change in 2024, as we practice more Soul Winning.We need to emphasise more provincial expansion, through winning and discipling of more souls, as well as opening more Assemblies. Seminars that include sessions on financial growth by encouraging faithful tithing and giving in general are needed. On spiritual growth, teaching on maturity must continue, repeated time after time on the Kingdom of God

Zone 3

·Scotland Province
We were unable to visit either of the two Assemblies in Glasgow Region but were able to visit Edinburgh (Success) Region, only at their Provincial Centre. We shared the platform with Pastor Tendai Bvunzawabaya at a MOI seminar held at the Centre on 6th of May, spoke at the MOI Provincial Big Sunday on 7th May, preached at their Provincial Big Sunday on 16th May and attended Edinburgh Big Sunday on 28th May.

Northwest Province (NWP)
We visited the new Provincial Centre in Warrington on 10th September and attended Sunday Service at their new Assembly in Crewe. On 8th October we did home visits, attended Sunday Service at Warrington Assembly on 15th October and Dr. Bella Kasese attended the Blackburn Assembly Service whilst I was in Ireland.

Yorkshire Province (YSP)
We attended Bradford Sunday Service in North Yorkshire Region on 2nd April, followed by some Home Visits. Easter Convention was attended at Leeds Assembly and a Leadership Seminar a week later. Unfortunately we were unable to visit most of the Assemblies. We were in South Yorkshire Region from 17th to 23rd April, had a Zoom Service, a MOI BBQ then guest speakers at the Youth Big Sunday on 30th April.

PROVINCIAL SUMMARY REPORTS

EAST ENGLAND PROVINCE

OVERSEERS W & E MUJURUKI

Executive Summary

We give glory to the God of our Father for the Angel of Zaoga Forward In Faith Ministries, encamped around all leaders and believers in the Province, protecting and keeping us. 2023 has been a difficult year for us as our father was promoted to glory, but we thank God for the encouraging and strengthening word that we received from our leaders.

- East England Province is made up of two (2) regions namely, East Anglia Region and East London and Essex Region.
- The Pastoral team includes Overseers Washington and Evelyn Mujuruki who are also Regional Pastors for East London and Essex Region, working together with Pastor Spiwe Mateta.
- Regional Pastors for East Anglia Region are Dr David and Pastor Florence Simango.

We have a powerful team of Elders and Deacons who are zealous for the work of God, in unity through regular Workers Fellowships that plan and execute the work. We continue to see numerical growth as many new members are being received from overseas.
The province is enjoying life changing activities through its various ministries as they fulfil their different objectives rooted in prayer.
Our tithing continues to fluctuate and we continue to encourage all our members to be faithful for the province to become financially sound.
Nevertheless, one of our greatest challenges is migration as we have seen a great number of our members relocating up north where accommodation and house prices are cheaper than in London.

Statistical Analysis of Membership

We have gained a 33% increase in membership during the year and 16 people were water baptised during the period under review.

Ministry	Count
Pastors	5
Men	82
Women	124
Youth	63
Young Generation	38
Child Evangelism	34
Grand Total	346
New Members	106 *(included in total)*

Soul Winning & Church Growth

- We have 11 functional Home Cell Groups who meet every Wednesday with a vision to build them to become vibrant as a tool for soul winning.
- Two (2) crusades, two (2) worship services and BBQ summer fellowships were held which attracted believers who had stopped coming to church for a long time to return and now attending church regularly. Five (5) people gave their lives to Christ.

Events and Conferences

Missions
The province worked a substantial amount for Missions which brought great joy during all the services held to encourage each other to continue partnering with our father, Archbishop Apostle Ezekiel H Guti in the Great Commission (Matthew 28:19-20).

Home Talents
Through talents conferences and the anointing of the season, a lot of money was gathered by every region towards Kingdom Wealth Creation. Members made great achievements like opening businesses in the UK, buying houses in the UK, stands to build houses and factories in Zimbabwe, farms to start various projects like piggery, poultry and cattle farming. All this brought great joy in the city when the province came together to celebrate in November.

Seminars
Leaders and ministries realise the importance of empowerment and growth through training. Whether at regional or provincial level, they were all power packed, practical and life changing.

Conclusion

We are still a young province and kindly ask for your prayers, that the God of our father will continue to cause us to achieve our objective of being financially sound especially in tithes and offerings. We have a vision as a province to grow numerically, financially and spiritually. We believe we will be successful through your prayers coupled with our hard work.

IRELAND & ISLE OF MAN PROVINCE

OVERSEERS A & A FOREST

Introduction

Ireland Province has 3 regions, namely Northern Ireland, Republic of Ireland and Isle of Man. There are 61 Elders, 40 Deacons and 452 believers in total, shepherded by Overseers Abisha & Ann Forest. We acknowledge the spirit of unity and working together in all the regions to the glory of the God of our father, Archbishop Apostle Ezekiel H Guti.

GENERAL REMARKS

Services and prayers are mostly held at regional level, with provincial gatherings and leadership meetings from time to time. Notably, service attendance has fluctuated, many believers missing out due to the shift patterns that affect the majority.

CHALLENGES

Many of the newly relocated members are still settling in, hence not yet stable in church attendance and supporting church activities financially.

- We have a lot of places where our members have relocated to yet there isn't an established assembly. There is therefore a great need to open assemblies to reduce travelling distances.
- Manpower is still our biggest cry to cover the workload as the area is too big to be effectively covered by one Pastor.
- The different currencies used by the two different nations pose a challenge when the Province deal s with finances, given the different financial laws governing those nations.

Conclusion

We thank the National Office for the support we always receive through training, seminars and conferences. We hope the challenges that have been highlighted will be noted and addressed, so as to ensure that we run provincial events more progressively.

NORTH LONDON PROVINCE

OVERSEERS E & K CHIBWANA

Introduction

We are highly favoured and share this 2023 report with the great joy of the Lord. The God of our father Ezekiel Guti has been faithful to us as a Province as we have now acquired new offices and our three regions testifying of His goodness. This report mostly covers the critical areas which focus on exponential growth.

Members

Having ended 2022 on an ambitious vision of adding new members, we began the year with great enthusiasm and high expectations. Indeed, the God of our father is faithful as we are continually receiving an influx of members from abroad and within the nation. Every assembly has been receiving new members and some venues are no longer able to accommodate them. The joy in both online and physical services has been boosted as more giftings are now available for the benefit of the body of Christ. We are using various strategies that include prayers, fellowships, concerts and home visits to settle and ground the new members.

Finances

We continued to believe the God of our father for a net-breaking financial breakthrough which He faithfully fulfilled. We joyfully and bountifully participated in the various national projects.
Teaching and prayers for all members to be faithful in tithing and giving were embarked on, that were followed by phenomenal increases in all our regions and more than hundred percent in some cases. To this extent, we have surpassed all our set targets to the glory of the God of Ezekiel, Amen!

Home Talents

We put in place encouragement programmes such as provincial services and weekly prayers. There was so much joy as people worked beyond their expectations, with some buying houses in the UK and abroad even for cash, some saving large amounts of money and some starting new business projects. People testified and glorified God as they celebrated the great works manifested through their obedience to the school of talents with evidence through pictures and videos. Who can do such unless God is with them and many people were so encouraged such that they requested for a relaunch of Home Talents.

Leadership and Church Growth

The church grows based on prayer, the Word, leadership seminars and training, all for the purpose of meeting people's needs and advancing the kingdom of God. This has immensely empowered the leaders and in turn benefitted the church tremendously.
We look forward to building on such breakthroughs and high trajectory realised by all regions in the last quarter of the year. We continue to believe in the God of Ezekiel for growing the province in every given area, through empowerment from prayers, fellowships and leadership training.

Prayer

- The province is believing and praying for a provincial centre.
- Some of our assemblies now need and are looking for new venues as some have become too small because of the increased membership.

NORTH WEST PROVINCE

OVERSEERS B & N CHAKANYUKA

Introduction

2023 was a good year for the Province and we thank the God of our father for the wonders He continues to do. We witnessed many FIFMI saints relocating from abroad to all our Assemblies which brought about the birth of Crewe and Lancaster Assemblies. People who had left church are also coming back.
The teamwork amongst 6 Pastors, 57 Elders and 38 Deacons, together with the spirit of unity and prayer is sustaining us. and many are relocating from abroad. While we are growing numerically and spiritually, we also pray for a boost in our finances through faithful tithing and offerings.
The PC meetings we held allowed us to plan the work of God, to review our financial performance and organise relevant training throughout the year. We pray that more teachings will result in more faithfulness in tithing.
We joined the nation in celebrating the 63rd Church Anniversary as well as the 30 days celebrations that were declared after our father, the Archbishop Professor Ezekiel H Guti was promoted to glory.

Membership Structure & Church Growth

- Manchester Assembly has grown numerically to an attendance of 143 every Sunday
- Liverpool Assembly has 56 attending every Sunday
- Bolton Assembly has an attendance of 21
- Preston Mega Assembly have an attendance of 65
- Warrington Assembly now have 35 believers attending every Sunday
- Crewe Assembly the new baby has 68 saints
- Lancaster the second new baby has an attendance of 17

We have 21 vibrant Home Cell Groups across the Province and Warrington Assembly held a crusade that contributed to the 16 souls that gave their lives to Christ in the year.
This is the God of our father in action and we look forward to greater things in 2024 with the hedge of protection around every family and assembly. The weeks of prayer and fasting that we had have been followed by many testimonies of the faithfulness of the God of our father through deliverance and healing.

Provincial Centre

Through the strong desire amongst the saints and leadership to partner with God in this year of working Home Talents, God gave us grace to raise money towards buying our own center. We now have our own Provincial Center and greatly appreciate the support and guidance we received from the National Office.

Ministries & Events

Every ministry is fully functional, catering for the needs of its members from Child Evangelism, Youth up to adults of Single Women, Go Quickly and Men of Integrity.
We also have students attending the UKMFCC Bible School.

Missions 2023 - The Unfinished Mandate

We worked Missions, partnering with our father Apostle Professor Ezekiel H Guti for the gospel to be preached to all nations. Gifted and anointed speakers from around the nation brought awareness, taught and encouraged the church to participate in the four pillars of missions, to pray, give, send and go. We give glory to the God for giving us the grace.

Major Highlights

- Members of the National Executive visited every assembly during the year, which greatly uplifted the believers.
- Most of our ministry structures were put in place in preparation for 2024.
- We have a dream and a vision to become a big, great province as we are getting ready for the Ten Days of Prayer and Fasting which will unlock many opportunities and breakthroughs.

SOUTH LONDON PROVINCE

Where Everyone is A Winner"

OVERSEERS M & B GOMBAKOMBA

Born on 27th August 2022, the province has two regions and seven assemblies. The membership of 619 is led by Overseers Morris & Betty Gombakomba, supported by Pastor Phyllis Burke, Pastors Christopher and Faith Sande.

Celebrating a life well lived

The province was deeply saddened by the promotion to glory of our father, Archbishop Apostle Professor Ezekiel H. Guti and joined the FIFMI family the world over in celebrating a life well lived. We attended services conducted and broadcast via several social media platforms and Ezekiel TV. Believers also had opportunity to testify about the goodness of the God of Ezekiel during our church services; many managed to travel to Zimbabwe with the Overseers and leaders for the final home going celebrations

Major Highlights

Finance Seminars

The year started with grounding of leaders through training and teachings at every level. The hand of the God of Ezekiel is evident in our province under the theme:

"Striving to be true disciples rooted and grounded in the doctrine of the church".

We are grateful to the organisers for the two powerful finance seminars that were held which included all who handle church money.

- The finance team, all secretaries and Chairing Elders with our Overseers met virtually in February to be empowered and equipped on correct ways of handling God's money. The church was taught about tithing through the delegates, the secretaries reminded of their duties and the power of teamwork.
- The National Finance team came in September to equip the provincial team including all secretaries, Chairing Elders, Assets Team and Pastors, focussing on the same topic of correct ways of handling God's money.

Prayer

Theprovince embraced the vision of starting each month with praying and fasting, then continuation through the month by the regions. We are experiencing the goodness of God through many testimonies being shared including healing, businesses getting new contracts and emotional healing. We give glory to God.

Thanksgiving Big Sunday

The province gathered in great numbers on 12th November, the last Big Sunday of the year, from as far as Isle of Wight, with hearts full of thanksgiving, for the goodness the God of Ezekiel had shown in the lives of individuals, families and the church. It was indeed the day of the Lord which became even bigger as opportunity was taken to welcome Overseers Morris and Betty Gombakomba. Attendance was 212 adults, 30 children and 40 gadgets logged on Zoom.

Home Bible Study Groups

We saw growth in attendance throughout the 30 cell groups, as believers continued to be grounded in the word of God, "Striving to be true disciples rooted and grounded in the doctrine of the church". These are attended both virtually and physically. We give glory to God for such growth that has extended to the furthest part of our province, with two strong bible groups being birthed where we do not have assemblies. The Isle of Wight group has ten believers and Exeter Group started after a visitation of the believers in their homes by the Overseers had made them feel the love of God.

Church Growth

The church is growing numerically from new converts and as people relocate from different countries. We are grateful to God for paving the way, welcome and celebrate a new assembly, Baby Portsmouth, born on 5th August 2023. The total attendance of both adults and children was 53 on this launch day.
God raised sponsors for the launch and money for rentals towards the new birth which was christened "Cottage 593". Elections were conducted for the leadership structure of Chairing Elders, Assembly Secretary, Vice Secretary and Finance Chairman, to assume office on 5th November 2023 after the appropriate induction process.
The National Office successfully secured a contract for venue hire for church services and we give all the glory to God.

Ministries

Youth

- Many boys travelled to Leicester for the 3-day life changing National Boys Conference held in October.
- Belize Mission House – the provincial youth embarked on a mission to furnish the Mission House and were able to raise £13,187.37, exceeding their target of £10,000.00!!
- Soul Winning – they went out into the streets of Working handing out flyers in preparation for the Night of Revival in November, a demonstration of more participation and growing stronger in the work of God. We are surely witnessing the God of Ezekiel in action. The Worship and Prayer Night event came out well, drawing on local residents and visitors from other provinces. The attendance of 151 adults and 17 children had a life transforming and Holy Spirit filled experience, with 4 people receiving Jesus as their personal saviour and 7 Holy Spirit baptised.

Go Quickly & Tell

Prayer
Tuesday prayers continued consistently and growth in numbers of ladies joining in for prayer seen.
A 3-day prayer retreat in March attracted women from all four corners of the province. 45 ladies gathered at the prayer mountain, with the facilitators standing on Isaiah 58 as guided by our father. As the ladies were encouraged to believe the word of God and the power therein, many were delivered from the spirit of unforgiveness and received emotional healing.
Dinner followed by pyjama night, spa outings followed by high tea were also organised for women's fellowship, interaction and encouraging each other.

Family Builders Ministry (FAMB)

Families gathered in the park during summer and enjoyed "church in the park", led by the Child Evangelism Ministry. There was much joy on the day with a programme that included bible study, bible quiz and biblical games. This was concluded by a picnic fellowship and church enjoyed the day in the presence of the Lord.

SCOTLAND PROVINCE

OVERSEERS P & N AUSTIN

Introduction

This is a summary report of activities, events, achievements, developments and challenges experienced during 2023, a unique year for Scotland Province. We continued to move ahead and excel, through the obedience of our father, Archbishop Apostle Professor Ezekiel H Guti to the gospel of truth.

Provincial Centre

At the end of 2022, we were blessed with the purchase of our very own Provincial Centre, which was a great morale booster for the saints, giving us a new sense of belonging and purpose. The building is in a usable state and has started generating regular revenue to help pay for the general upkeep but still needs a lot of work to be done (renovation, repairs, decorating, etc). We hold regular fund-raising big days that include individuals taking up standing orders and responsibility for specific projects that need upgrading. We have seen a surge of commitment from many leaders who have not only stepped forward but have also been strong encouragers to others in dealing with various challenges.

Church Growth

Scotland has seen a big increase in numbers due to the influx from Zimbabwe through the work visa program. This has benefitted us in many ways, not least with tithing but also as many of them were already leaders in Zimbabwe. They are eager to do the work of God in their new places of worship.
An area calling for attention for church growth is the possibility of new assemblies. We are looking to establish one in Dundee in 2024 and possibly Fife as well, areas which are both to the east between Edinburgh and Aberdeen assemblies.

Ministerial Activities

Most activities and programmes have gone physical. All ministries have reported positive growth after the privileged of being taught the Word and being enriched through gifted speakers.

- **Missions** – Families joyfully partnered with the great missionary of our time, our father Archbishop Apostle Ezekiel H Guti in raising money to support Missions.
- **Home Talents** – These were worked by families to accumulate wealth and many were able to buy assets and invest in businesses.

Finance

The province has had to seriously look at its current financial situation due to additional responsibilities like the purchase of the Provincial Centre. Whilst we are now getting returns from its use, it took a while to achieve through much communication amongst the various stake holders.

For the better part of the year, our monthly tithe was below target, averaging around £7000.00. We believe this will change for the better through encouraging teachings from home cell group level and more members who have come from abroad for work.
We are meeting our obligations but aiming at creating a bigger comfort margin in preparation for 2024 and beyond.

Promotion to glory

The whole province was left with a heavy sense of loss when our father Apostle Archbishop Professor Ezekiel H Guti passed on in July. Regardless, grace abounded as the body of Christ stepped up to the challenges, was part of the strong national contingent that travelled to Zimbabwe to send our father home. It might take some time to recover from his passing and the loss, but we know that FIFCII UK is moving into the new chapter our father had prepared us for and determined to be an effective part of this transition. We will continue to stand with our mother, Archbishop Apostle Eunor, our father Apostle Dr Joseph Guti and the two Apostles, Mishael Nyambo and Dr Steve Simukai.

Conclusion

Scotland Province might be small in size but mighty in heart and serving a big God. We praise and thank the God of Ezekiel for all His blessings and for remaining gracious to His children. We are confident that 2024 will be a year with bigger, greater, mightier blessings than we have already seen or even believed possible.

YORKSHIRE PROVINCE

OVERSEERS C & S MANYATI

Introduction

The province is under the leadership of Overseers Calisto & Sikhanyisiwe Manyati and Pastors Blessing & Cleo Mutingwa, assisted by a powerful team of Pastors, Elders and Deacons. We adopted the vision of ONE UNITED YORKSHIRE which led us to numerical, spiritual and financial growth.

Prayer

We do daily morning prayers at 4am. Our prayer conventions were successful and had the National Administrator Apostle Osca & Overseer Cecilia Zezani for the June convention and the whole month. We had a great week of prayer and fasting end of November.

Leadership Seminars

Two leadership seminars were held where one of them had the Secretary General Apostle Nyambo who grounded the leadership during the transition period.

Home Talents

There was notable growth in the understanding of Home Talents as demonstrated by great enthusiasm and participation from our Youth and Young Adults. Great testimonies were shared of houses built, farms purchased, houses bought both in the UK and abroad, as well as cash savings.

Church Growth

New Assemblies
Wakefield Assembly was reopened in March, Lincoln Assembly officially opened in September, York Assembly in October. Brighouse Assembly had closed end of 2022 and two assemblies, Bradford and Huddersfield have been birthed from it. All of them continue to witness consistent growth, so much that Huddersfield believers can no longer fit in their venue, whilst Bradford are now filling the current venue which is quite big.
As taught and encouraged by Archbishop Apostle Eunor Guti at the July National Big Sunday to take the church to the people, we are praying for more assemblies in Lincolnshire, Scarborough, Durham and Carlisle. The big cities of Sheffield and Leeds are also being encouraged to give birth to second assemblies.

Provincial Centre Building

Major repairs and maintenance works have been undertaken to meet compliance and as per Health and Safety requirements. There are no more leaks from the roof after it was repaired as well as the gutters. The electricity and gas works have been completed, fire doors have been fitted including clearly marked fire exit signs, assembly points and extinguishers around the building. New windows have been fitted, the floors redone and benches replaced with chairs.

Ministries activities and special occasions

Child Evangelism
CE had a successful Camp Meeting in October, where 115 children took part. The children from abroad were privileged to make friends in their new environment and be taught about "Life in UK".

Youth & Young Adults
2023 has been the most active year for this ministry and the province now has very active and participating members, empowered by vibrant Boys Ministry & Girls Ministry. On going provincial activities include Youth Big Sundays, get togethers, Girls Night Fellowships and Boys meetings. A Youth Sports Day and 3 successful music concerts were done during the year.

Go Quickly & Tell
A 3-day Prayer Retreat was held in March at the Provincial Centre, attended by between 70 and 102. The province had the honour to host Overseer Cecelia Zezani as the speaker for Big Tuesday in June, where she taught about being a kingdom wife. The number of women attending Big Tuesday Prayer has doubled since then.

Men of Integrity (MOI)
The men have started Saturday prayers at the Leeds Church.

KMD
The ministry is very active and continues to grow. It has given joy to children coming from abroad where the ministry has been active for many years.

Water Baptism
30 saints from Young Generation to Adults were baptised

Finance

We noted a remarkable increase in our tithes, not only in figures but also in the number of people tithing. We are also seeing church leaders taking the burden in the ZAOGA – FIF way of giving, where individuals, families and groups partner with the province financially to meet some of the needs. These include air tickets, venue rentals, purchase of music equipment and supporting new arrivals from abroad.

Conclusion

We continue to pray for our mother Archbishop Apostle Eunor Guti and the three Apostles. We believe that the covenant of God with our father Archbishop Professor Ezekiel H Guti will continue to be established. Yorkshire will move from glory to glory by His grace.

MINISTERIAL & DEPARTMENTS REPORTS

CHILD EVANGELISM MINISTRY

Introduction

The Ministry is led by National Director, Pastor Phyllis Burke, assisted by Pastor Kundai Chibwana, Pastor Lisa Dongo who recently joined ministry, and a National Board chaired by Elder S Shumirai, through a vibrant pastorate team, teachers and friends of the Ministry. The National CE Board was reinstated and recharged to continue with the work through the transition period. This report shares our national overview, progress, challenges and future plans.
We experienced a great loss when our father was promoted to glory, which impacted a lot of children. The teachers gave us an understanding to appreciate the era that the bondservant of God had been among us and the legacy he has left.
2023 saw national growth through children coming from oversees which also brought excitement in all our events. Despite the challenging circumstances beyond anyone's control, the teachers had to solder on with the children's services, teaching the word of God so that they will not depart from it when they grow.

National Overview

The reinstated National Board might not have met physically but saw the hand of God through the interactive meetings, teachings and services. Decentralisation of activities and conferences to zones and provinces was encouraged. KMD has continued to grow as they participate in many gatherings and been enhanced by the experienced children from overseas.

Provincial Activities

Provincial and Regional Big Sundays ensured that children's church services take place, covering topics and teachings from the word of God which ground the children. The return of decentralised programmes included conferences, day trips and outdoor activities. The children actively take on roles as forerunners, MCs, praise and worship, ushering, hosting, participation in drama and reciting memory verses.
Not every province has venues with designated rooms for children's church running separately from the adult's church. Regardless, the children still attend their Sunday services without dedicated facilities. We can therefore clearly see that the Children's Church was our father's desire and vision for them.
KMD (Kingdom and Dance Ministry) is led by Elder Obert Mazivisa and has been a success since its launch in 2022. Their successful and joyful performances at various gatherings are a result of dedication and commitment from teachers, parents and children themselves.

2024 PLans

Through the unwavering support of our pastors, parents and guardians, we look forward to doing great exploits and plan to hold the following events:-

- National Young Generation Conference in April 2024
- Teacher's Training Seminar in March 2024
- Parents Seminar in July 2024
- Relaunch of the ODC Fund
- Compose a first UK KMD song

Closing remarks

There has been improvements since the pandemic as teachers and children are more confident in arranging meetings and conferences.
Although there has been an increase in membership through new teachers and children from oversees, we have noticed some inconsistency in church attendance and availability due to work commitments.
This is an exciting and growing ministry; we thank God for all who have faithfully availed themselves for His work. God is giving us speakers, Pastors, parents and guardians who continue to support, guide and pray for us in this transition period.

BOYS (BOT) MINISTRY

Introduction

We thank the God of our father, Archbishop Professor Ezekiel H Guti for giving us Pastor Blessing Mutingwa, who was appointed as the BOT Pastor middle of 2023. He works with a 7-member National Committee and 21 National Advisors.
Great revival and excitement has been experinced in our ministry with 186 members and we managed to hold a National BOT online service, well attended and received by the young men. We also had a very successful physical National BOT conference in Leicester.
This ministry is comprised of members 15 years and above, which indicates having students at GCSE, A Level, University students and an economically active age group from all the provinces. We are currently setting up provincial regional committees for 2024.
We thank God for continuous growth of the ministry due to influx of new arrivals from abroad and a proportion from across the nation who are converting. Glory to the God of our father, Ezekiel Guti.

National prayer service

The service on 26th May 2023 was successful, well attended and received by many. Our Pastor shared powerfully on walking in the fear of God as a young man, using our father as a great example to emulate and learn from

National Conference

We had a very powerful conference in Leicester, one of its kind with over 100 boys in attendance from 27th to 29th October. There were various speakers including university lecturers, social workers, teachers and entrepreneurs. Workshops were organized according to age groups for relevant and age-appropriate teachings {Workshop 1 (15-19) and Workshop 2 (20+)}. Topics covered career path, self-care, business, GCSE/A Level options and marriage preparation, followed by combined workshops where advisors had ample time to answer questions and share their wisdom. The importance of knowing the God of our father Ezekiel Guti was shared by the National Pastor.
It was indeed a unique conference, graced by Dr Winston Jaricha who shared powerfully on the fear of God as a young man, desiring to be a true disciple of our father Ezekiel Guti. Dr Jaricha ministered a word of deliverance that changed the conference atmosphere with a great move of the Holy Spirit as many began to pray, cry and being prayed for. We thank the God of our father Ezekiel Guti for such a conference.

2024 Goals

1. To engage in soul winning activities and give every young man an opportunity to witness to other young men as encouraged by our father Archbishop Professor Ezekiel H Guti.
2. To ensure that functioning BOT committees are set up in every province and region.
3. To ensure that BOT activities are taking place from regional level.
4. To engage all young men across the nation through monthly national prayer services and other relevant activities.

2024 Calendar Events

1. Monthly national prayer services (the last Wednesday of every month) unless there are other national programmes.
2. BOT prayer retreat, 1st to 3rd March 2024
3. National BOT Conference, 25th - 27th October 2024

NATIONAL GIRLS MINISTRY REPORT

introduction

The membership in the 8 provinces of UK is made up of girls from 15 years old. Every province is run by boards that include Pastor, Advisor, Chairperson & vice, Secretary & vice as well as committee members. Every provincial chairlady then becomes a National Steering Board member, which also includes the National Girls Advisor, the Coordination Chairperson and the National Girls Director.

The National Organising Committee, comprising all provincial boards, all girls' pastors and girls' advisors, ensures e+ective communication at every level. In this transition season, the ministry celebrates "A Life Well Lived" after our father, Archbishop Professor Ezekiel H Guti was promoted to glory, leaving us a big God and a great legacy. He often referred to the GOQ as his friends and some travelled to Harare for the Home Going Celebrations as a demonstration of the
love for our father. We promise not only to walk the vision but to run with it. We are pleased to report that provincial events took place to engage the girl child, through services, prayers, brunch outings and Christmas dinners being planned to close the year

Year in review

Year in ReviewThe girls started the year with a bang, with 31 days of prayer and fasting, which continued throughout the year with 10pm prayer sessions. We saw our numbers grow through prayer and encouragement from powerful speakers.

- The first national event was in March in Wales with the Director Overseer Cecilia Zezani and guest speakers, Overseer Talent Mayemu and Pastor Shami Mwale. The teachings centered on Isaiah 58, followed by pouring out during the faith clinic. The great move of God during the retreat brought great joy and expectation to the coming conference.

- The National Conference was held in October at EGCC and over 250 girls were overjoyed to have our mother, Archbishop Professor Eunor Guti as the main speaker. The planning team staged an exciting programme with guest artists and speakers who taught on critical topics like prayer, mental health, substance abuse and grooming. We were highly favoured to lead the concluding National Big Sunday with the guidance from our National Director Overseer C Zezani, our pastors and advisors. Their belief in all the departments to execute and deliver a quality service is much appreciated.

- We started to encourage the girls to join Go Quickly Tuesday prayers in their regions and many have been attending. A lot of girls also logged into the Todays Woman conference in September.

Acknowledgements

We thank our Director and the Pastorate team for: -

- grooming, loving and encouraging us. Many girls have gotten engaged, married, some have graduated and obtained good jobs; some have become elders whilst in girl's ministry through the teachings we receive.
- allowing the ministry to become a safe space for us to learn, grow and share our experiences. We have been taught valuable life skills such as leadership, communication and teamwork, to not only benefit our personal lives but our professional careers as well.
- the opportunity given to form lifelong friendships and bonds with other young women who share our values and beliefs. We have been able to support each other through difficult times and celebrate each other's achievements, an investment that we truly treasure. These are lessons and relationships for a lifetime; we hope to continue growing and to give back to the ministry that has given us so much as we move forward.

National Youth & Young Adults Big Sunday

A Big Sunday was held on Sunday 30 April 2023, with UK National Youth Directors Overseers Manyati at the Ezekiel Guti Convention Centre, Birmingham. The theme was "Rooted in Christ: Set your affection on things above," based on Colossians 2:7, "Let your roots grow down into him, and let your lives be built on him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness" (NLT). It was a powerful day in the Lord's presence, with vibrant items presented by each province, and it was very well attended, with some regions hiring coaches to enable their youth and young adults to come in their numbers. A total of 485 people were counted in attendance.

UK Youth & Young Adults Celebrate: A life lived well

The youth and young adults ministry joined the ZAOGA Forward in Faith family in celebrating the life and legacy of Archbishop Professor Ezekiel H Guti. Youth members shared their testimonies of how the life and teachings of our father impacted their lives, and Director Cals Manyati shared a word commemorating his life as well as encouraging the youth and young adults to continue in the ways the Archbishop taught and exemplified.

National Education Symposium

We held a National Education Symposium in September 2023 to prepare for the new academic year. With the numerous pathways and options available in the UK education system, the purpose of the three sessions was to help students make the right educational choices and to help parents/guardians know the best ways to support their children. We believe that from the teachings given by several speakers acquainted with the national education system many parents/guardians were equipped to champion their children's success, and children were encouraged to strive in their education through current and former students sharing their experiences.

Missions

The Youth for the Nations continued to stand in partnership with our father by working Missions in June, under the theme "KingdomMissions@75".

Weddings

God has been faithful in hearing our prayers and are grateful to have shared the joy of all our brothers and sisters who wedded this year. Our leaders continue to encourage us to cling to the God of our father, to be a youth that fears God, walking upright and continue believing for more marriages and weddings.

Provincial Updates

Updates and images submitted by Scotland, North West, North London, South London and Yorkshire Provinces: -

Scotland Province

The Youth have picked up momentum since the last national event attended this April. They continue to house a Youth Connect Forum (now into its third year) on Thursday evenings and have invited assemblies in England to join. This is a platform where the youth gather virtually to pray, fellowship and discuss issues they face as young people, how they affect their faith and walk with Christ. They have hosted 2 Provincial big Sundays, the Easter conference, a GOQ fellowship and Assembly-level Big Sundays across the province. Some members got baptised during the Easter conference. They continue to get support and encouragement from Advisors and Youth Pastors, Pastors Gunha.

The Scotland Youth and Young Adults actively attend local and national events in numbers. They take a major role in participating in church departments and leadership positions especially after the Church Standards teachings received from Pastor Shami Mwale in April. More activities are planned to encourage engagement and fellowship across the province to keep momentum with the active Boys and Girls ministries. They continue to welcome new members, encourage more participation in weekly prayers, home cell groups and Sunday services.

"By God's grace we celebrated 3 university graduations and a wedding. We continue to do our best and to excel as a Christ Ignited Youth. We also continue to meet in person as much as we can and virtually to fellowship, pray, celebrate or even just to check on one another. We are always grateful for the support that comes from our Advisors, Youth Pastors and the ever-hardworking Provincial Youth Board."

North London Province

They have been active mostly online, holding prayer every Thursday night and a youth member giving a word of encouragement during the session.
Super North Region youth held a concert, "The Centenary Experience" with several guest musical artists on 13th May to celebrate the life of our father.
As a province they had a 3-day conference in October with Overseers EJ and K Chibwana as guest speakers. Friday was online with 43 gadgets, a concert with guest artists on Saturday attended by 50, then closed with a Youth & Young Adults Big Sunday which featured four youth forerunners attended by over 100.

"It was a powerful conference where above all else, the joy of the Lord was present. People were delivered and danced like never before during the concert. We hope to do more things like this going forward

North West Province
The youth have been and are encouraged to continue participating in assembly activities and maintain visibility in the ministry. Peniel Region Youth hosted a fellowship BBQ at their Overseer's house and were encouraged by the Youth Advisors Mr & Mrs Woyo, Pastor Lorraine and the Overseers. They attended the National Big Sunday at EGCC in April, continue to participate in national and zonal youth activities, such as the "back to school" online seminars hosted at national level.
Manchester Assembly host virtual weekly bible studies that are open to all members within the province, had their first physical bible study and fellowship hosted by Deacons Mr & Mrs Makore in August.
The Girls Ministry meet bimonthly virtually for prayer and have also held their first 'Girl Talk' session with the Advisors and Girls Pastor with more than 20 devices logged in.
Regarding upcoming events, Peniel Region youth have planned a get together and a big Sunday in November which will be held at the Provincial Centre.
Challenges faced in the year include lack of response and engagement from some youth, with low attendance at events compared to the number of youth members. Transport is also a challenge for most youth in the province.

"We pray to see the ministry grow and reach its full potential. Youth are facing so many challenges in this nation and this is a matter of urgency as we do not want to continue losing more youth to the world. We pray that the church at large would have the burden for the youth ministry just as our father Archbishop Apostle Ezekiel H Guti, as we work towards carrying on his legacy. We continue to urge our parents and leadership to support the ministry as it is such a large ministry that cannot flourish without the support, guidance and wisdom of our leaders."

South London Province
Since April the Youth and Young Adults have been cultivating the grassroots congregation from assembly to provincial level, achieved through weekly sessions held in both regions. They have also endeavored to encourage youth to participate in main church activities (prayers, meetings and church services) as well as zonal and national youth services.
Their first Youth Big Sunday hosted International Youth Director, Overseer Cals Manyati as part of his field trip, Provincial Youth Pastors Sande, Youth Advisors and Leaders from their respective regions. The service was a great success, attended by 109 with all departments being led by the youth. The word by the Director was themed 'Living with a purpose' and he explained the important history of Forward in Faith Ministries International, how God walked with our father Ezekiel Guti to carry the gospel to many nations.
To celebrate our father Ezekiel Guti's 100th birthday, the Youth organised an interactive quiz/trivia night which was not only fun and competitive, but also successfully challenged the youth around the history of our church and the life of our father Archbishop Professor Ezekiel H Guti.
At a Fellowship Night which included discussion, games, sharing amongst young people on how they coped during the mourning/celebration period, Elder Dr Dzobo encouragement them to remain prayerful and seeking God just as our father did. He also shared a testimony on his life journey as a young person as a way of encouraging them to live a life that pleases God.

Upcoming events include a youth-led all-night prayer and worship event aimed at reviving young people's prayer life and relationship with God. The dedicated youth worship team will be working alongside the intercession team to invite the spirit of God (Psalms 85 vs 6: will you not revive us again that your people may rejoice in you). As a buildup to the event, the Outreach Team spent a day spreading awareness and sharing the news to the general public in the area through event flyers.
A private dinner party has also been planned to celebrate the Christmas season and encourage fellowship amongst the young people.

“The blessing and favour of the Lord has been over SLP Youth and Young Adults since April 2023, under the guidance of provincial youth pastors, Pastors Sande and Overseers Gombakomba. Provincial youth advisors, Elders Patience and Adonis Sithole, have provided overwhelming support and motivation to do the work of the Lord.”

National Youth Conference (24-26 November 2023)

It started with a youth worship night which was a great experience. There was intense prayer, healing and Holy Spirit Baptism on that Friday night. Elder Mrs Mutambira shared about how she didn’t understand the saying "God of Ezekiel" and led many youths into that understanding that ended with faith clinic. The Friday service was attended by 273 and the Saturday Christmas Ball a great event with 350 youth in attendance. Powerful youth preachers featured throughout the conference with a relay of 7 who preached with the International Youth Director Overseer Manyati on Sunday. The God of Ezekiel revealed himself in a mighty way, with great deliverance and healing taking place. This conference revealed the maturity of the youth leadership through organising such a great conference that invited 430 youth on the Sunday.

Closing Remarks & Prayer Request

Our 2023 achievements could only be possible through the support given by our advisors, Pastors and parents. We appreciate this support and request for continued prayers, for us to grow holistically to be a people that fear the Lord and are fully committed to the things of God. We very much desire to have good relationships with our parents, families, leaders and peers.

GENERAL REMARKS

2023 was eventful, more so with the promotion to glory of our beloved father, Archbishop Professor Ezekiel H. Guti. Women continued to be actively involved in various activities, meeting more physically and less virtually. There was an increase in membership through arrivals from abroad, soul winning and one-on-one invitations mainly within the local Zimbabwean community. It is very encouraging that other nationalities are also joining.

HIGHLIGHTS

MUM@50 was celebrated in January, in honour of Archbishop Professor Eunor Guti for her commitment in serving God's kingdom alongside our father. People met in their different nations as they were able to, to celebrate the grand event of our role model of godly womanhood, true discipleship to the vision and doctrine of the church of God.

The Centenarian (100 years) Celebrations

Go Quickly Ministry was part of many members of the UK congregation who joined the rest of the FIFMI family for the May 14th gigantic international Centenary Celebrations of our dear father, Archbishop Professor Ezekiel H. Guti at AMFCC Harare. It was all colourful and joy unspeakable with baba's children in Centenary regalia and graced by many dignitaries including the Honourable, President of Zimbabwe Dr. E D Mnangagwa.

Promotion to Glory

On 5th July we received the news of the promotion to glory of our dear father, the Founder and Visionary of ZAOGA Forward in Faith Ministries International, Apostle Archbishop Professor Ezekiel H. Guti. An undesirable dream, a great loss to the family and church at large, with 30 days of mourning being declared as well as him being conferred with national hero status by President Mnangagwa on July 26th. The UK Female Pastors travelled to Zimbabwe for the Home Going Celebrations which were held from 3rd to 5th August then to Bindura where our father was laid to rest.

PRAYER

Female Pastors

They gathered in Leicester for January 10 days of Prayer and Fasting with the International Director Dr. La-Verne Simukai as their main speaker, who ministered powerfully from Isaiah 58. It was a time of cleansing, sanctifying themselves, mending broken relationships, praying for our father and mother and the work of God.

- **Prayer Retreats** held around the nation rekindled the Isaiah 58 teachings from the Pastors' Deeper Life. The sessions were rebuking and inspiring.
- **Intercessory Tuesday Prayers** continued for the work of God, for the Apostle & Servant of God, Archbishop Professor Ezekiel H. Guti, our mother Archbishop Professor Eunor Guti and the three Apostles appointed before our father was promoted to glory.

In July we zoomed in together with the international church where our International Director, Dr. Laverne Simukai shared to encourage and console the Church; to be steadfast in the faith and to continue in the legacy our father had left. The blanket of sorrow was turned into joy and celebration.
We appreciate and love the visit to the UK by our mum, Archbishop Professor Eunor Guti and our lives can never remain the same. The visit was concluded with a virtual National Big Tuesday on 31st October with 690 gadgets logged in.

NATIONAL MOUNTAIN MOVERS

The Zoom Saturday nights are always power packed, with intercessory prayers for the nation, our children and families, because of challenges mothers face in the UK; the work of God internationally, our mother Archbishop Professor Eunor Guti, our father Apostle Dr. Joseph J. Guti, the SG Apostle Mishael Nyambo and DSG Apostle Dr. Steve Simukai.
A word of encouragement is always given, chain prayers and international guest speakers invited occasionally.

HIGH TEAS

National High Teas continue to be hosted in different Provinces and now occurring in Regions as well. Greater Midlands Province hosted a well presented Ladies Lavender Luncheon with 250 delegates, where the ladies were treated to finger foods, Gospel Artists from our church, powerful testimonies and the Word of God.

NATIONAL EVENTS

The National Women's Conference hasn't been held since 2020 due to reasons beyond our control but has been successfully pencilled in for 2024.

Training for Pastors, Chairladies, and Secretaries was held virtually on 2nd April under the theme: "Striving to be true disciples who are rooted and grounded in the doctrine of our Church." (Acts 15:21). The women leaders were equipped, encouraged and repositioned to do the work of God by international speakers, Student Pastor C. Tambudze (Canada) and Overseer L. Kombora (New Zealand).

Today's Woman Conference 2023 under the theme "Today's Woman Serving God in her Generation" was held in September at the Glamis Arena, attended virtually by UK women and graced by our mother Archbishop Professor Dr. Eunor Guti together with the International Director Dr. Laverne Simukai. All those who attended are grateful to the organisers for the diverse, life changing and inspirational topics shared.

Kingdom Wealth Creation
Home Talents were worked as families with many testimonies being shared at various platforms, by people who bought houses, opened businesses, bought cars, some engaging in farming and mining. Those who managed to save money in Community Accounts shared the proceeds in October and November. Working Home Talents empowered and delivered the women from the spirit of poverty.

Glamorous Ball Dinners were organised at exquisite venues by some provinces and end of year Christmas parties also on the cards.

LADIES MEETING (CHINA)

All the Provinces held Ladies Meetings with topics that included Good Parenting Skills, Creating Good Relationships with in-laws, Mental Health, Bedroom Issues, Etiquette, Life in the UK for the New Arrivals, How to be Loving Wives.

FINANCE

The Ministry had a stable income throughout the year through women who understand the working of projects and are generous in giving towards the work, making the work lighter. The income has met all the obligations.

PLANS FOR 2024

- National Women's Conference
- Having a great harvest through Home Talents
- Reaching out to many ladies, restoration of broken relationships, marriages and families
- The women to catch the spirit of prayer, to hunger and thirst for the work of God and strive to be true disciples of the Servant and Apostle of God
- Peace and unity to reign in the church of God, so our prayers may be answered

CONCLUSION

We thank the God of our father Archbishop Apostle Professor Ezekiel H. Guti for 2023, for bringing many women from abroad and adding new souls into the Ministry. We pray that every woman in the UK will remain steadfast in the teachings and doctrine of our Church towards serving God all the time.

UNITED KINGDOM MULTINATION FOR CHRIST COLLEGE (UKMFCC)

EXECUTIVE SUMMARY

INTRODUCTION

The National Council, National Executive, School Council and all the students of the United Kingdom Multination for Christ College pay tribute to our father, the Apostle and Servant of God Archbishop Professor Ezekiel H. Guti for the Bible School amongst all the innumerable achievements of his life. We started 2023 very well but as is the case with all of us, the promotion to glory of our father on 5th July 2023 left a big dent in our hearts. Some of the highlights of the year are detailed below.

2023 CLASS LAUNCH

On 11th February we witnessed the launch of the 2023 class with 58 students in attendance. Two powerful introductory lectures were delivered, namely Bible Synthesis and Deliverance, with a purpose of giving the students a taste of the school.
40 of these students have gone through their first year and will be sitting their end of first year examination in January 2024.

END OF COURSE EXAMINATIONS

On 22ndJanuary the final year class sat their end of year examinations, conducted online and the marking done automatically on our Google based system.
23 of these students were due to graduate this August at the Europe Deeper Life Conference which did not take place due to the home going celebrations for our father.

JANUARY 2024 EXAMS

A total of 40 1st year students will sit their 1st year mock exams. Another 30 students (2022 – 2024 cohort) will be sitting their final year examination.

ONLINE CLASSES

The school uses the Zoom App for all lessons.
Students and teachers receive the annual school calendar in advance showing when classes will be held during the year.
There are 2 classes running at any given time during the year, Year 1 and Year 2.
2022 - 2023 final year class have finished their syllabus and waiting to write the final exam in January 2024.
Classes continued in 2023 with very consistent attendance. Most teachers use PowerPoint presentations to deliver the lectures, as assignments are also given out for students to do further research.

2023 UKMFCC GRADUATION

This graduation was postponed as already mentioned though the preparations had reached an advanced stage, gowns ordered and all the officiating guests contacted. The students had all paid their graduation and course fees, now to be part of the 2024 graduating class.

TEACHER TRAINING

The teacher training which had been scheduled for September could not be held due to international conferences that followed our father's home going celebrations.

FUTURE PLANS (2024)

- End of course examination.
- 2024 class launch scheduled for February.
- Desire to see the school develop to having facilities and offer services like other colleges in this nation.
- UKMFCC to become more relevant to the ministry by offering training opportunities for provinces, regions and assemblies.
- Teacher training sessions.
- School site improvements and launch of new site.
- Graduation.

CHALLENGES & PRAYER REQUESTS

We are asking for prayers for the school to produce graduates that will make a difference in their communities and win souls for the kingdom of God.
We ask for prayers that the school enrolment may grow even bigger and that our current leaders realise the need to attend.
We are believing God for UK graduates that will go on to enrol for fulltime ministry.

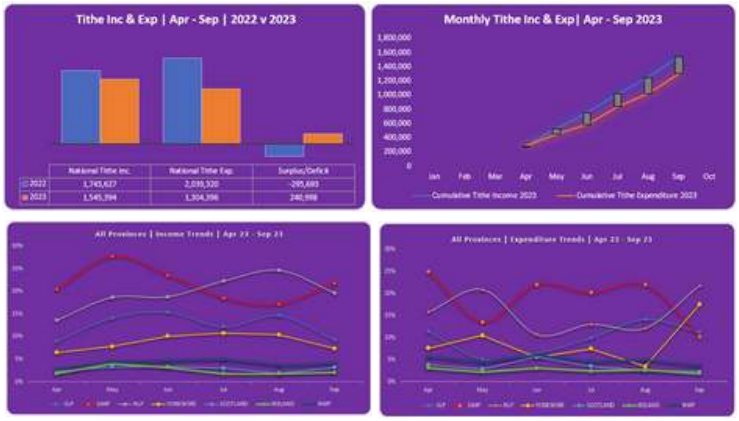
The Archbishop's Promotion to Glory

On the 5th of July 2023, the bond servant and apostle of Jesus Christ, Archbishop Professor Ezekiel H Guti was promoted to glory. As the National Finance Board, we were honoured to support the "Celebration of a Life Well Lived" series of events held in August in Zimbabwe. We supported all our fulltime workers who joined the rest of the world in thanking God during the Home Going Celebrations. "For David, after he had served his own generation by the will of God, fell on sleep, and was laid unto his fathers, and saw corruption". Acts 13 v 36

Financial Overview

2023 has been a productive and progressive year for the UK. We successfully financed the cash purchase of a place of worship in Manchester, to the northwest of England. We are pleased to report good tithe expenditure control that has resulted in a surplus of more than £240k for the 6 months between April and September 2023 compared to the same period in 2022. Tithe income in 2023 continues to exceed expenditure which sends a positive message on the sustainability of the church in the United Kingdom.



The top three contributors to national tithe income in 2023 were GMP, NLP and SLP. As shown in the trend charts above, there's variation in provincial spending habits. Looking at the latest data points in September, the top three tithe expenditure was in NLP, Yorkshire and SLP. We expect to understand a more complete picture at the end of the financial year in March 2024, but the trajectory is encouraging. NWP, Ireland and Scotland present the largest opportunity for financial growth as their contribution to the national income and expenditure in 2023 has been approximately 3% and 4% respectively, on average.

The UK continued to provide financial support to ZEGU and Mbuya Dorcas Hospital. We thank the God of Ezekiel for the guidance, leadership, and prayers of our mother Archbishop Professor Eunor Guti and the three Apostles, Dr Joseph Joe Guti, Apostle M. Nyambo and Apostle Dr. S. Simukai.

Board Composition

There were no changes to the structure of our national finance board as shown below:

NB: This analysis ignores freewill offering and other funds belonging to each province

Tithing

A comparative analysis of closing balances at the end of September 2023 versus opening balances on the 1st April 2023 reveals that the strongest growth in net income was reported by GMP (60%), NLP (52%), SLP (72%), YSP (27%), Ireland (70%) and Scotland (14%). The steepest decline was reported by NWP (-229%) and EEP (-27%).

All provinces reported a surplus at the end of Month 6, and we look forward to a strong closing position if current trends are maintained up to the end of the financial year. Please note that Ireland has a known challenge with remitting tithes from Dublin due Brexit complications.

External Audits

We continue to comply with the laws of the United Kingdom of Great Britain and Northern Ireland. We are also pleased to report that our books of accounts were audited on time and will follow the recommendations from our auditors

5.National Finance Symposiums and Provincial Finance Seminars

From 31st March to 2nd of April 2023, we held a national finance symposium as part of our collaboration with provincial finance committees and the National Executive Board. This was great opportunity to network, share knowledge and begin a new financial year together in one accord.

The National Finance Committee delivered training to provincial committees including Scotland (15th April 2023), East England Province (29th April 2023), Greater Midlands Province (19th – 20th May 2023), Republic of Ireland, Northern Ireland and Isle of Man (26th – 27th May 2023), South London Province (23rd September 2023). We met with key stakeholders from the EGCC Management Committee, EGCC Building Committee, North West Province to support, advise and provide financial oversight.

On 2nd December 2023 we supported East Midlands and West Midlands Provinces with the election of their new provincial finance committees, following the restructure of Greater Midlands Province. The table below gives more information on the recent and current provincial structures:

We had the honour to meet with the Deputy Secretary General of FIFMI, Apostle Dr. Steve Simukai on the 15th September 2023 at our national office. This was a unique opportunity for impartation of wisdom and strategic direction in the appropriate application of the Forward in Faith Guidance, Rules and Policy as well as the Finance Policy, Rules and Guidelines. We look forward to a prosperous 2024

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED

Opinion
We have audited the financial statements of FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED (the 'charitable company') for the year ended 31 March 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:
- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion
We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern
In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information
The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006
In our opinion, based on the work undertaken in the course of the audit:
- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transaction outside the normal course of business and reviewing accounting estimates for bias;
- Reviewing minute of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more the compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves international concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The trustees (who are also the directors of FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, E Dessai & Co Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern
In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information
The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006
In our opinion, based on the work undertaken in the course of the audit:
- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transaction outside the normal course of business and reviewing accounting estimates for bias;
- Reviewing minute of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more the compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves international concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF FORWARD IN FAITH CHURCH INTERNATIONAL INCORPORATED

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Musical Instrument	-	25% on reducing balance
Furniture & Fittings	-	25% on reducing balance
Office equipment	-	25% on reducing balance

Taxation
The charity is exempt from corporation tax on its charitable activities.

Fund accounting
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments
Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of FORWARD IN FAITH CHURCH INTERNATIONAL IN for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on ..... and signed on the board's behalf by:

Opinion

We have audited the financial statements of FORWARD IN FAITH CHURCH INTERNATIONAL IN (the 'charitable company') for the year ended 31 March 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transaction outside the normal course of business and reviewing accounting estimates for bias;
- Reviewing minute of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more the compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves international concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF FORWARD IN FAITH CHURCH INTERNATIONAL IN

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NATIONAL REPORT 2022

"MOULDING A TRUE DISCIPLE WITH A GOOD HEART"
(MATTHEW 29:11; 1 CORINTHIANS 11:1).

NATIONAL ADMINISTRATOR'S REPORT

Apostle Oscar & Pastor Cecilia Zezani

Introduction

It is indeed humbling to share what the God of our father has done in the nation of United Kingdom in 2022, a year that was extraordinary through the theme "Moulding a true disciple with a good heart" (Matthew 29:11; 1 Corinthians 11:1). It was all joy to receive the bond servant and Apostle of God, our father Professor Ezekiel H Guti to host the 15th Europe Leaders Deeperlife Conference in August. The nation experienced the awesomeness of God through the Apostolic visitation. Seeing him strong at 99 years was proof enough that God raised him to impact nations of the world with the true gospel of the Kingdom of God for His own glory.

PROJECTS

1.EZEKIEL GUTI CONFERENCE CENTRE (PROJECT TALENTS)

Whilst the secondary hall remained fully functional, the God of our father gave us grace to work Centre Talents and raise £ 770,000.00, to complete the kitchen, foyer and commission the HVAC System to fully automatic mode. This will bring the centre to a level where it is hireable by external users and generate more funds towards final completion. Further to the meeting by the Building Committee with our father, we received the blessing to commence the planning for the next phase of works. We pray for knowledge, wisdom and diligence that comes from God to lead us as we progress with this project.

2.MISSIONS

The God of our father enabled us to raise £ 390, 339.02 towards the Missions Fund in the 2 months of June & July. The nation continues to encourage the importance of monthly Standing Orders, which provide a steady income that can be relied upon for monthly budgeting purposes.

3.EUROPE LEADERSHIP DEEPERLIFE CONFERENCE

It was a unique experience, when we least expected him, for him at 99 years to host this conference and grace the nation. There was a powerful line up of guest speakers that Included Apostle Joe Guti (National Executive Chairman) & Pastor Nyasha; Apostle Dr Steve Simukai (Deputy Secretary General) & Dr La-Verne Simukai (International Women's Director); Apostle Dr Atoria Gudyanga; Dr Dorcas Jaricha (International Missions Director) & Overseer Dr Winston Jaricha; Bishop Joseph Kativhu & Apostle David Williams from the USA.

We saw some face lifting and improvements of the National Centre and office block in preparation for the conference, to receive our father and mother together with their guests.

4.PROVINCIAL RESTRUCTURING

The work continues to grow and we now have 8 provinces that saw the transfers of some Overseers

- South East England is now 2 provinces, South London and East England.
- Pastor Phil Austin was elevated to the post of Overseer for Scotland Province.
- Pastor Edmore Chibwana was elevated to the post of Overseer for North London Province.

The eight provinces are as follows:

Ireland & Isle of Man - Overseers Abisha & Ann Forest

East England - Overseers Washington & Evelyn Mujuruki

Greater Midlands - Apostle Shepherd & Overseer Talent Mayemu

North London - Overseers Edmore & Kundai Chibwana

North West - Overseers Big & Nelia Chakanyuka

Scotland - Overseer Phillip & Norah Austin

South London - Overseers Morris & Betty Gombakomba

Yorkshire - Overseers Calisto & Skanyisiwe Manyati

5.SCOTLAND CHURCH

Through the guidance and support of our father, Forward In Faith Church International Incorporated managed to acquire a church building in Scotland, to operate as a Provincial Centre.

6.NEW BELIEVERS (CHURCH GROWTH)

We thank the God of Ezekiel in this season as we are receiving an influx of believers from abroad. All provinces and regions have put structures in place to receive and accommodate all these new members so they can acclimatise to the environment of the nation.

7.MINISTRIES

All ministries are showing great signs of growth.

There is a great revival in the Youth Ministry and greatly appreciate our father for all the encouragement and support. He appointed many youths to be Deacons during their National Big Sunday following the Europe Leaders Deeperlife.

CONCLUSION

We would like to express our sincere gratitude to our father and mother for their unwavering support and prayers which have brought the nation this far.

We continue to ask for more prayers and support from them, as the work continues to grow and for the nation to remain in the vision.

BISHOPS' REPORT (UK & IRELAND)

INTRODUCTION

The nations of the United Kingdom (England, Wales, Scotland and Northern Ireland) and Republic of Ireland (including Isle of Man) have now been put into three Zones. These are:

- Zone 1 consists of the southern part of the country, i.e. Greater London, which includes East England, South London and North London Provinces. It is presided over by Bishop Dr J Chikwawawa.
- Zone 2 consists of the middle part of the country, i.e. Greater Midlands and Ireland Provinces, presided over by Bishop Dr JDK Samasuwo.
- Zone 3 consists of the north, which includes Scotland, Yorkshire and North West Provinces. It is presided over by Bishop Dr MJ Kasese.

PROVINCIAL VISITS

While not many were carried out in the year, it is important to note that South London and East England Provinces were not yet in existence until August, formerly under one Province called South East England Province (SEEP). For various reasons the province had no substantive Overseer most of the time, and the Zonal Bishop acted as the stand in Overseer which made it difficult to carry out visits.

In North London Province, Three Counties Region was visited on 31 st July at their Missions Regional Big Sunday and encouraged in working missions. Bedford Assembly was visited on 24th July, Cambridge Assembly on 7th August and the churches were blessed. A successful Provincial Council Meeting was attended on 16 th July in Slough.

LOOKING AHEAD

The Zone is looking ahead with great expectation and anticipation. Meetings have already started, to organise and synchronise more visits for the Zonal Bishop to go around blessing the people of God.

- **ZONE 2**

GREATER MIDLANDS PROVINCE

Greater Midlands Province is led by Overseers Apostle Shepherd & Talent Mayemu with six Regions namely Nottingham Goshen, Leicestershire, Northampton Mega, Wales & Bristol, Birmingham and Wolverhampton.

PROVINCIAL VISITS

The Overseers of Greater Midlands and Ireland put together a programme that allowed us to visit both Provinces, at regional and assembly level. Seven out of the eight regions in total were visited, scheduled for a month (4 weeks), in most cases For two weeks because of a few pre-arranged bookings. Both regions of Ireland Province were covered in March over three weekends, Including a Provincial Council meeting.

It was encouraging to see new leaders being encouraged to run and effectively participate in a business meeting. We were able to minister to both Regions on three Sundays of March and the saints were blessed.

We witnessed hungry saints, desirous to participate in the work and worship the God of our father. The saints from the three Assemblies in the Republic travelled long distances to Dublin, for their first physical service in three years. It was very touching, to witness how local leaders availed themselves to pick saints from public transport locations new to them, as well as both the hunger and desire of fellowship amongst the saints. There is great potential in the Republic of Ireland and the provision of a locally based Pastor will be of great benefit. Many people are coming from Africa for employment and further education, the majority of which are already members of ZAOGA-FIF.

We were in Leicestershire Region for Easter and it was interesting to see the two Assemblies coming together for worship since end of Covid because of venue challenges. What a blessed Easter Conference it was!! In May,

We were in Leicestershire Region for Easter and it was interesting to see the two Assemblies coming together for worship since end of Covid because of venue challenges. What a blessed Easter Conference it was!! In May, we were in Yorkshire Province at Leeds Centre for an awesome 62nd Church Anniversary, where the celebrations included very vibrant Youth and an incredible KMD group which ultimately became central to the group that performed at the Europe Deeper Life Conference official opening.

After the great time for intercession in June the month of prayer, we witnessed the welcome of Pastors for Mega Region, where there is incredible growth, people relocating from Africa and other parts of the country.

Leicestershire Region also welcomed their Pastors in September and we were blessed to witness their expression of love. End of September into beginning of October took us to Goshen Region, Derby & Nottingham Assemblies, where we were blessed to see that the saints were still standing strong, having gone without a Pastor for a long time. Participating in their morning glory was very encouraging, as they lifted one another in prayer before the Lord. They greatly appreciate and are pleased that they now have Pastors. We came to EGCC Local Church in October and witnessed the Overseers' welcome.

The increase in the number of saints through many coming from abroad is encouraging many to attend church services physically, instead of remaining on Zoom. We were back to Northampton Mega end of October and saw the power of God manifesting through Praise and Worship, the Holy Spirit touching people through worship and bringing more believers in.

LOOKING AHEAD

There is an expectancy for growth in 2023 in every area throughout the Zone. Growth spiritually (maturity) and physically (numbers) will result in more people, more Assemblies and Provincial expansion. Such an increase should also lead to financial increase, as saints are blessed through the teaching of the Word of God, thus causing them to mature and become a blessing to the body of Christ.

Unfortunately, we were unable to visit Scotland physically but covered both Regions on Zoom. God willing, the plan is to go round all the Assemblies of Scotland in 2023, to familiarise ourselves and bless the saints.

MINISTERIAL & DEPARTMENTS REPORTS

CHILD EVANGELISM MINISTRY

INTRODUCTION

The Ministry is led by National Director, Pastor Phyllis Burke, assisted by Pastor Kundai Chibwana and a National Board chaired by Elder Shepherd Shumirai. Through a great team of vibrant pastors, teachers and friends of the Ministry, the same momentum and enthusiasm continued throughout 2022 despite the challenges.

The teachers were adjusting back to physical Sunday school class teachings, combining their physical meetings with adapted online methods. It is exciting to share through this national overview report, the national and provincial events that took place as a true sign of growth.

NATIONAL OVERVIEW

The national board structure was revived at end of 2021 and we have continued to see the hand of God through interactive meetings, teachings and services. Although it wasn't possible to hold national physical meetings, Provinces and Regions managed to have Big Sundays. We witnessed the launch of KMD with much excitement after teachers committed to regular rehearsals which subsequently led to a successful performance at Deeperlife.

NATIONAL YOUTH & YOUNG ADULTS BIG SUNDAY

Sunday 28 August was an exciting National Youth Big Sunday with the Apostle and Servant of God, Professor Ezekiel H. Guti at the Ezekiel Guti Convention Centre. 445 youth and young adults were part of the 652 members in attendance, as well as 330 gadgets on Zoom. The programme included music performances, youth speakers by age group who preached the Word with power and boldness, as well as testimonies of how Jesus Christ transformed their lives. 141 people received Jesus Christ as their personal saviour and 45 water baptised.

Our father deposited treasure into the youth leadership and taught virtues of humility and self-control. The youth were empowered to choose Jesus Christ and lead the emerging generation. After blessing the church, everyone had an opportunity to greet our father Baba and we thank our leaders for organising such a high-standard event.

NATIONAL EDUCATION SYMPOSIUM

In preparation for the new academic year, two National Education Symposiums were held in September, to help students, parents/guardians understand and support their children concerning the numerous pathways and options now available in the education system. We believe that the teachings by several experienced speakers will encouraged the children to strive in their education and equip the parents/guardians to champion their success.

NATIONAL GIRLS MINISTRY REPORT

2022 has been a year of consistent prayer, fellowship and empowerment for Girls of Quality Ministry.

By His grace we managed to meet every Wednesday 5am for weekly prayer and also be encouraged through the Word by our advisors and pastorate. This further developed the spirit of prayer and interest to meet as girls, to intercede for our mother and father, the ministry and the work at large.

Further to morning prayers, we also held weekly evening services twice a month at national and provincial levels. These were themed services, with topics ranging from business to health and spiritual empowerment.

The girls also participated in International Ministry Projects spear headed from Harare Headquarters. We raised over £2000.00 towards the cement needed for the 8000 seater, after our mother shared at an International Girls Big Sunday and encouraged "her true friends" to partner with her in the work.

As a way of wrapping our year, each of the three zones hosted a service where Overseer Aquinata De Haas, Pastor Gladys Sibiya and Pastor Cleo Mutingwa shared the Word at the respective zonal services.

We also managed to assist in the planning of the Europe Girls Service "Talitha Cumi" where Bishop Prisca Soko as the speaker encouraged us as girls to be ambitious, hard workers and vision oriented.

We continue to ask for prayers for our ministry as we seek to grow not only in numbers but in the zeal for the things of God.

NATIONAL YOUTH REPORT

INTRODUCTION

The ministry within the eight provinces of the nation through the guidance, wisdom and prayers of the Apostle & Servant of God, Archbishop Ezekiel Guti. We thank God for the shepherds He gave us, National Youth Directors, Overseers Calisto & Skhaa Manyati, who are dedicated to This great work together with the Youth Pastors at every level.

The ministry is growing as more young people are coming into the nation from abroad, with post pandemic zeal and revival evident in all events and activities. We were highly favored in 2022 as many youth and young adults were approved as Deacons by The Archbishop at the National Youth Big Sunday after Europe Leaders Deeper Life Conference.

PROVINCIAL UPDATES

SCOTLAND PROVINCE

The July National Youth Conference and meeting with the Servant and Apostle of God was life changing. Their huge representation allowed picking up of momentum and restarting of their weekly Youth Connect Forum, a provincial platform that discusses issues faced and affecting the faith of young people, their walk with Christ and how to help each other navigate life as young people. A barbeque fellowship in August was an opportunity to have fun, share food and be encouraged by their advisors. "We continue to do our best to meet, either virtually or in person, celebrate together (graduations, birthdays, fellowships), help fellow members in need or those joining us from other parts of the world. We are always grateful for the support that comes from our Advisors, youth Pastors and the ever-hardworking provincial youth board."

YORKSHIRE PROVINCE

Yorkshire has a vibrant youth, working together with advisors and pastors towards strengthening the ministry and bringing more to Christ. From committed rehearsals and good time management all, the Voices of Triumph (VOT) worship team held two worship nights in April and August which were a great success and brought the youth together as one. The team displayed much determination on the days as they progressed to also hold a thanksgiving concert in Leeds in November. Whilst they achieved their goal of bringing youth of many backgrounds to worship and fellowship, the majority of their audience was also from outside the ministry.

"We could not have done this without the support and guidance of our advisors, church sponsors, Pastors Blessing and Cleo Mutingwa, and most importantly, the Holy Spirit. Through prayers and encouragement from the team and the church at large, we got the courage and zeal to do the work of God. The youth of Yorkshire are geared up and ready to be the church of today and tomorrow!"

MISSIONS

As the Youth for the Nations, we continued to stand in partnership with our father by working Missions. We were strongly represented in the National Media Team, tasked with producing flyers, promotional videos, weekly news bulletins and running the Zoom platform for Missions services. We were also blessed and privileged to lead one of the national services from start to finish. We are seeing the hand of God as the youth joined the nation in working Missions cheerfully through the crucial pillars of praying and giving.

NATIONAL EVENTS & ACTIVITIES

NATIONAL YOUTH CONFERENCE

This was held in July 2022 under the theme "Mirrored: The Reflection of Christ in Me" after using social media to build up anticipation for the Conference. It was a powerful weekend which focused on what it means to be a disciple of Jesus Christ, how God's Word is a mirror for our lives and how we can reflect its light in our families, schools, workplaces and wider communities. We were privileged to have high profile speakers, National Administrator Apostle O. Zezani, International Youth Director Overseer C. Manyati, and Pastor T. Bvunzawabaya, supported by vibrant youth advisors and youth leaders as teachers and preachers.

CLOSING REMARKS

The year ended with a field trip in London by the National Director. Our achievements in 2022 were possible only through the support given by our advisors and Pastors and our parents. We appreciate this support and request for continued prayers, so that we may grow holistically and be a people that fear the Lord and are fully committed to the things of God. We very much desire to have good relationships with our parents, families, leaders and peers. We will be having our leadership strategic planning meeting on 17th December 2022 to raise momentum for 2023 and ask for your prayers. We also ask for prayers, for the success of outreach programmes to university students in all the provinces.

GO QUICKLY & TELL MINISTRY

INTRODUCTION

Through the National Board headed by Archbishop Dr Eunor as Chairperson, Mama Bishop Greater Chikwawawa her vice and Pastor Cecilia Zezani as secretary, the ministry enjoyed God's favour throughout the year. Prayers, meetings, fellowships and seminars were held virtually by provinces and regions, then physically when grace abounded and restrictions were lifted. God has even added a great number of ladies from abroad thus increasing numbers notably. We were privileged to welcome our International Director Dr La-Verne Simukai with much joy and celebration, in one of the prayer meetings in May. She proceeded to each on corporate prayer using the book "Guidance and Example of the PrayinG Church" by our father, in context from Psalm 133. Our prayers are powerful when we pray united!

Unfortunately the national conference had to be postponed to 2023 due to dates being close to the Europe Deeper Life Conference. We are pleased to report a stable income for the ministry through women who understand the working of projects and have been generous towards supporting the work of the Ministry. This has allowed obligations to continue to be met and make the work lighter.

PRAYERS

As an intercession ministry, the ladies in provinces and regions continued to meet for prayer for the Servant & Apostles of God, Archbishops Dr Ezekiel H & Dr Eunor Guti, and for the work at large. During the year, we were highly favoured to receive powerful teachings from the International Missions Director Dr D Jaricha and Pastor Nyasha Guti standing in for our mother Dr Eunor Guti. These were well attended and will ultimately grow the ladies in the spirit of prayer.

The Mountain Movers is a powerful national platform held virtually every Saturday and goes to another level to pray for families because of challenges faced by mothers. One of the sessions hosted Mama Bishop Anna Maoko, who encouraged and renewed prayer lives through "preparing hearts when we go before God in prayer" from Psalm 66:18.

FEMALE PASTORS PRAYER

They were camped in Leicester from 1 st to 5 th January for prayer and fasting where God ministered to them in a mighty way. This was soon followed by a prayer retreat where Pastors Carol Guti and Caillar Mhlandhla ministered on "a good character, good heart and working Covenant Kingdom Talents". During the June prayer conventions, they separated from the male pastors and the same topics covered through Mama Bishop Kasese and Overseer Victoria Mabwe. They ended the year in style, with fellowship in a hotel in November, sharing wisdom nuggets and gifts.

LADIES MEETINGS (CHINA)

These meetings are a success in the nation, meeting on Thursdays or Saturdays depending on working patterns, sharing wide ranging topics including developing good relations, hospitality and hosting, grooming, personal development and mental health. Professionals were invited to present in some specialised areas.

All over the nation, the provinces organised various social events including High Teas, dinners out and spas, getaway holiday excursions and Christmas parties etc. These were opportunities to uplift and encourage each other in the presence of the Lord, and to also get away from busy and pressured lifestyles. One such exceptional event was when ladies flew to Ireland, calling themselves Millionaires on the Mission", had spas in the hotel and fellowshipped on a yacht.

COVENANT KINGDOM TALENTS

The nation kick started with a National Prayer Retreat from 24 th to 26 th February, with powerful speakers including Mama Bishop Anna Maoko, Overseer Joylin Rusere and Overseer Isabelle Machuwaire. They taught on working Talents in the Kingdom of God with a good heart, starting and managing small businesses e.g. cleaning, Ironing, delivering food services, etc.

In March, the ladies logged into the International Covenant Kingdom Seminar, where the International Go Quickly Director Dr La-Verne Simukai was the speaker. Though held virtually, many women were uplifted and encouraged, as evidenced through many testimonies of deliverance shared in various platforms.

PLANS FOR 2023

- National Women's Conference
- A great harvest from Home Talents
- Continue reaching out and restore broken relationships in marriage and between parents and children as an aftermath of the pandemic
- More ladies to catch the spirit of prayer, read the Word and to thirst for the work of God
- Peace and unity to reign in the church so our prayers can be answered

CONCLUSION

We thank the God of our father Archbishop Dr Ezekiel H Guti for 2022. It has been a good year with many women added from abroad. We pray that the woman in the UK will remain focused and have the mind to serve God diligently.

We also want to thank God for our UK Board of Bishops, Apostles, National Administrator, Overseers, Pastors, Elders and Deacons for the tremendous support they give to the school.

EZEKIEL GUTI CONFERENCE CENTRE (EGCC) - PROJECT REPORT

OPENING REMARKS

This report relates to the construction of Ezekiel Guti Conference Centre Project Birmingham. We would like to take the opportunity to thank the God of our father Professor Ezekiel H Guti for giving us the funds through working of National Centre Talents, to progress the project to the next stage where we will be able to hire out and generate more income to allow full completion. Further to a detailed briefing meeting with our father in August, he gave us the blessing that allowed us to commence the planning for the next phase of the works.

THE WORKS

The works to be carried out in this phase will include :

- the Heating, Ventilation & Air Conditioning (HVAC) System
- the kitchen
- the foyer

WORKS PROGRESS

1) We appointed Phil Carpenter and his company to be the Principal Contractor and
Project Manager.

2) We placed order for Building Management System (BMS) to control the HVAC so
that it can be fully commissioned to operate automatically. This kit has a long lead in time hence placing the order early.

3) We drafted addendums for contracts with our Designers. These have slowed down because the original contracts were with Forward In Faith Ministries (unincorporated). Now that we are incorporated, we need to adjust the obligations in the contracts to Forward In Faith Church International Incorporated which needs solicitor involvement.

4) We have developed a draft construction programme which is still being interrogated to ensure it is achievable. The aim is to work in all sections simultaneously i.e., Kitchen, Foyer and BMS, to reduce the period on site for contractors and management costs.

5) We have obtained initial advice from Council Building Control so that we understand their requirements for them to approve the kitchen and foyer.

6) We have a revised kitchen layout including change from gas to an electricity stove. Considering the forecast in the world re: gas, we considered it prudent to change from gas fired to electric stove because everyone is pushing for green energy and all new builds are having electric stoves installed. The kitchen layout also had to be revised to take account of the water storage tank, which had to be put in the kitchen. The tank was required because the pipe supplying water to our premises is small.

7) We have obtained provisional quotation for the kitchen.

8) Quotations have been received and have draft figures that are going through value engineering to ensure the works to be carried out sits within our budget then will be shared.

9) The programme will be slightly longer than previously envisaged but are still interrogating it.

10) As advised before; we are taking our time to plan this work to ensure we do not get surprises during the construction phase.

CLOSING REMARKS

We thank the God of our father for the progress made this far. We request that you continue to pray for us to work on this project with diligence, wisdom and knowledge that comes from God and that He may continue to lead us. We request prayers so that we find favour with our contractors, so we can procure the works favourably and for our funds to be adequate for the intended purpose.

EGEA – UK EVANGELISM TEAM

The God of Ezekiel enabled us to hold two (2) physical crusades and the maiden one was at our very own Ezekiel Guti Convention Centre (EGCC) from 5th to 7th August and the second in September in Leicester Region. We thank the God of our father for the invites from Apostle Shepherd & Overseer Talent Mayemu and Pastors Richard & Christine Sabvute respectively.

The first crusade attendance was affected by other local programs that were taking place, the night session opened by Evangelist Edmore Musaigwa and attended by 15 people. One person was delivered from fits. Saturday during the day was a call-in deliverance and healing session that was used by a few people and testimonies of healing recorded. Evangelist Enock Tigere preached deliverance to 20 people in the evening, people were delivered and revived.

We experienced a huge turnout of more than 100 people on Sunday and Evangelist Innocent Kamasho preached the word of God with power which attracted a huge altar call turnout. The sick were prayed for, the bound delivered and 1 person received salvation.

The second crusade was well attended, with attendance of 65 on Friday night, 80 on Saturday night and 150 on Sunday. Evangelist Obert Mazivisa shared a powerful Word on Friday night and many were prayed for. Evangelist Innocent Kamasho preached powerfully on Saturday night and mighty deliverance took place which went until midnight. Our Patron Evangelist Michael Vhareta was used by God mightily on Sunday, which was followed by deliverance and healing. The entire Region was revived and there was so much joy. We continued to hear testimonies the following weeks.

We are looking forward to holding more crusades in 2023 that have been included in the national calendar, the first one being in March in Blackburn Region. Finally we want to thank our father, the Servant & Apostle of God Professor Ezekiel H Guti

who mandated us to go around the nation preaching the gospel of Jesus Christ. We also thank our National Administrators, Bishops, Overseers and Pastors for continuing to support, encourage and pray for us. It is our prayer that doors will continue to be opened for us in the whole nation.

Review the annual June/July Missions campaigns strategy as people are getting used and with an average annual bill of £600 000, relying on one-off campaigns may not be sustainable.Wean off some of the nations currently being supported by the UK e.g. stable countries showing mature leadership like Jamaica and Netherlands.

Request from the National Executive and National Council for an increase of tithes remittance of 3% to Missions. Boost Direct debits by introducing competition amongst the Provinces. Provincial positions were called out at the November National Council for the first time.

A comparative analysis of closing balances at the end of November 2022 versus opening balances on the 1 st of January 2022 reveals that the strongest growth in net income was reported by Yorkshire Province (725%),

South East England Province (45%) and Greater Midlands Province (4%). The steepest decline was reported by North West Province (-770%), Ireland (-101%), Scotland (-97%) and NLP (-3%).

Considering opening balances (savings from prior years), only two provinces closed the year in deficit (Ireland: Oct & Nov 2022) and (North West Province: Aug, Sep, Oct & Nov 2022). Please note that Ireland has a known challenge with remitting tithes from Dublin due to Brexit complications.

NB: This analysis ignores, freewill offering and other funds belonging to each province.

4. External Audits

We are continuing to comply with the laws of the United Kingdom of Great Britain and Northern Ireland. We are also pleased to report that our books of accounts were audited on time and will follow the recommendations from our auditors.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of FORWARD IN FAITH CHURCH INTERNATIONAL IN for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website.

AUDITORS

The auditors, E Dessai & Co Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on ..... and signed on the board's behalf by:

Opinion

We have audited the financial statements of FORWARD IN FAITH CHURCH INTERNATIONAL IN (the 'charitable company') for the year ended 31 March 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transaction outside the normal course of business and reviewing accounting estimates for bias;
- Reviewing minute of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more the compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves international concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF FORWARD IN FAITH CHURCH INTERNATIONAL IN

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.
