- trustees' consideration of major risks and the system and procedures to manage them.

The founding trustees have had 18 years' experience running a worldwide non-profit NGO network, and are able now to apply that expertise as appropriate to the much smaller charity that is HWT.

New trustees are provided with a trustee handbook and required to complete Declaration of Eligibility and Declaration of Interests. HWT has also developed a Complaints Policy, Reserves Policy, Privacy Policy, and Legitimate Interest Assessment (GDPR).

Summary of the objects of the charity set out in its governing document

TO ADVANCE THE EDUCATION OF THE PUBLIC IN WORLDWIDE PROBLEMS RELATING TO PUBLIC HEALTH, SOCIETY AND THE ENVIRONMENT INCLUDING (BUT NOT LIMITED TO) DISEASE, HUNGER, POVERTY, THE NEED FOR EDUCATION, THE IMPACT ON HEALTH OF INEQUALITY, AND THE PROTECTION OF THE PHYSICAL AND NATURAL ENVIRONMENT.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

HWT has once more achieved all its learning objectives: enabling the public, and/or relevant professionals interfacing with the public, to deepen their knowledge, understanding and skills of topics outlined in our mission statement.

IN YEAR 8 HWT AGAIN ACHIEVED ALL OBJECTIVES: HOSTED REGULAR MEETINGS OF LOCAL CLIMATE ACTION NETWORK; INNOVATED A UNIQUE SOFTWARE PLATFORM AND PRODUCED A NEW SOCIAL MEDIA CLIMATE CAMPAIGN 'MY-BIT-YOUR-BIT'; PRODUCED DOCUMENTARY ON WORK OF CHRISTIAN CLIMATE ACTION; UNDERTOOK RESEARCH, INCLUDING EXPERT SITE VISIT, ON THE BEST USE OF OUR WOODS AND BUILDINGS AS A PUBLIC EDUCATION RESOURCE.

Clips from HWT's work are included on our website www.hedgerleywood.org.

The trustees have discussed and had regard to the guidance on public benefit issued by the Charity Commission.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The Trust not only focuses on increasing public knowledge by doing the work as detailed above, but also by widely disseminating the useful results of the work done.

- As a matter of course, the Trust publishes the work on its website; enables its partners to do so on their websites; disseminates these outputs via our social media networks [e.g, Facebook, Twitter and YouTube], and encourages our partners to do the same.

The educational value of HWT's projects has been ensured in 3 ways:

1. HWT delivers projects for and with established charities and other organisations with the capacity to ensure the educational value of the materials being developed. The Trust's work has received enthusiastic endorsements from all the organisations it has worked with. There are frequent repeat requests.
2. HWT has a panel of advisers with recognised expertise in areas of academic enquiry relevant to the work of the Trust, and the necessary knowledge, experience and gravitas. Trustees have consulted in-depth with our advisor Dr Ros Taylor.
3. The founding trustees have decades of public education experience themselves, covering both school-based and digital education:
 - Peter Armstrong was a distinguished senior executive at the BBC, producing and commissioning award-winning documentaries raising public awareness and knowledge about global development, and is winner of the BAFTA Lifetime Achievement Award for interactivity.
 - Anuradha Vittachi is a qualified teacher (PGCE, University of Oxford) carrying through those pedagogic practices in her work as an author, lecturer, TV documentary-maker and award-winning digital editor, using media to serve public education on global development.
