Notes to the Financial Statements	14 to 22
Detailed Statement of Financial Activities	23 to 24

The Trustees present their report with the financial statements of the charity for the year ended 31st August 2022. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

DEATH OF HM THE QUEEN, OUR PATRON

Unique amongst charities in the maritime sector, the Foundation was greatly honoured that The Queen was our Patron and HRH The Duke of Edinburgh was our President. On the death of Her Majesty The Queen and before presenting their annual report together with the financial statements for the year ended 31st August 2022, the Trustees wish to record their profound gratitude to Her Late Majesty for her patronage over the past seven decades and for her unfailing support and encouragement during this time. The Queen and the Duke of Edinburgh visited the Foundation at Bearwood twice: on 26th July 1947 and just seventeen days after her engagement to Lieutenant Philip Mountbatten Royal Navy (later to become HRH The Duke of Edinburgh and the Foundation's President), the Princess Elizabeth visited the Foundation's school, The Royal Merchant Navy School, to present the prizes and inspect the boys and, in 1992, to open the then new school theatre.

The Trustees also wish to record not only their sincere and profound condolences to The King but also their hope for a long, happy and successful reign

OBJECTIVES AND ACTIVITIES

Objectives and aims

The object of the Foundation is to afford charitable benefit and relief to Foundationers by providing for or towards their maintenance and education in accordance with the principles of Christian religion and morality and by assisting them in training for and taking up employment.

Provided that:

"Foundationers" means the children and young people who are in need and are the natural or adopted children or other legal dependents of a person who has served or is serving at sea in the Merchant Navy or Fishing Fleet or the Royal National Lifeboat Institution (RNLI) provided that priority may be given to Foundationers who are British or have at least one British parent.

A person "**serving at sea in the Merchant Navy**" means any seafarer working in any capacity aboard a merchant vessel which includes but is not limited to passenger liners, ferries, container ships, tankers, bulk carriers, break bulk and refrigerated cargo ships, Royal Fleet Auxiliaries (or their equivalent), coasters, specialist ships (e.g. RNLI lifeboats, deep sea rigs, salvage vessels, oil support vessels, lighthouse tenders etc.), luxury private charter yachts.

A person "**serving at sea in the Fishing Fleet**" means any seafarer working in any capacity onboard inshore or deep-sea fishing vessels.

A person "**serving at sea in the Royal National Lifeboat Institution**" means any crew member of a lifeboat operated by this Institution.'

Objectives, strategies and activities

The Foundation's property assets comprise the unencumbered freehold of some 262 acres of the Grade II* Bearwood Estate of which:

- c202 acres is leased until 2121 to Bearwood Lakes Golf Club; and
- c60 acres of woodland called Link Wood is leased to Reddam House (Berkshire) until 27th March 2031; and
- A Licence-to-Occupy was granted to 'Opera at Bearwood' in 2005 was successfully determined on 31st August 2022.

In addition, the Foundation retains a portfolio of quoted investments.

The Royal Merchant Navy Education Foundation

Report of the Trustees for the Year Ended 31st August 2022

OBJECTIVES AND ACTIVITIES

Public benefit

The following activities are undertaken to further public benefit:

- Providing support and funding to existing Foundationers to enable them to maximise and achieve their potential.
- Identifying new Foundationers who qualify for support and would benefit from access to the Foundation's funding during their formative years.
- Developing marketing activities to identify new Foundationers.

The Trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Equality, Diversity and Inclusivity

The Foundation is blind to the individualities of its beneficiaries with each being taken as found. Trustees are routinely conscious of the need and desirability of a multi-talented Board and, currently, the Board comprises a practicing solicitor, a former Asset fund-manager, a former CEO of a national maritime children's charity, a retired Royal Naval officer, a former GP, a current Head of a fee-paying girls' school, a maritime industry communications' specialist, and a retired Judge.

The Foundation's beneficiaries are, by definition, 'needy' and Trustees' focus on their education enables these disadvantaged young people the opportunity to obtain an education or career-training appropriate to their needs and thus, potentially, to lead to more productive working lives.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

This Report is written against a background of the possibility of a global recession, of a continuing war in Ukraine, of potentially huge increases in the costs of both energy and living, and of the continuing adverse economic impact of the COVID-19 pandemic: in short, a growing demand on charities' resources with a reduction in their assets and this is as true for the Royal Merchant Navy Education Foundation as it is for other charities.

Nonetheless and having agreed the aim of widening the beneficiary-class criteria, on 5th July 2022 the Charity Commission gave its formal consent under s.226(2)(a) of the Charities Act 2011 to amend the Foundation's objects to read (the new objects are underlined):

The objects of the Foundation are in order of priority:

1. to afford charitable benefit and relief to Foundationers by providing for or towards their maintenance and education in accordance with the principles of Christian religion and morality and by assisting them in training for and taking up employment; and
2. to support the charitable objects of organisations that operate predominantly in Great Britain and that have activities which could include contributing towards the maintenance training or education of Foundationers. Provided that: "Foundationers" means the children and young people who are in need and are the natural or adopted children or other legal dependents of a person who has served or is serving at sea in the Merchant Navy or Fishing Fleet or the Royal National Lifeboat Institution provided in either case that priority may be given to Foundationers who are British or have at least one British parent. A person "serving at sea in the Merchant Navy" means any seafarer working in any capacity aboard a merchant vessel which includes but is not limited to passenger liners, ferries, container ships, tankers, bulk carriers, break bulk and refrigerated cargo ships, Royal Fleet Auxiliaries (or their equivalent), coasters, specialist ships (eg RNLI lifeboats, deep sea tugs, salvage vessels, oil support vessels, lighthouse tenders etc), luxury or charter yachts. A person serving at sea in the "Fishing Fleet" means any seafarer working in any capacity aboard inshore or deep-sea fishing vessels. A person "serving at sea in the Royal National Lifeboat Institution" means any crewmember of a lifeboat operated by this Institution.

The Foundation's Members approved this change at their meeting on 10th October 2022.

The Trustees had three purposes for this application to the Charity Commission:

- to enable the Foundation to make re-payment grants to other charities; and
- to enable the Foundation to make grants to charities such as maritime London Officer Cadet Scheme; and
- to be able to deploy the Foundation's significant resources more widely.

The Royal Merchant Navy Education Foundation

Report of the Trustees for the Year Ended 31st August 2022

ACHIEVEMENT AND PERFORMANCE

In the year, the Trustees have:

- Recognised the increased needs of their beneficiaries for help with, for instance, buying school uniforms as well as with their maintenance which has resulted in a increase in the number of beneficiaries to 125 (2021: 118).
- Increased monthly grants to undergraduates to £600 for those living away from home and £400 pcm for those living at home with effect from 1st July 2022. These payments continue to be made monthly in arrears rather than, as previously, quarterly in arrears, and are conditional on each recipient self-certifying their continued attendance at their place of education.
- Approved grants of up to £200 pa towards the costs of beneficiaries' school uniforms and £500 pa towards their costs of living.

Foundationer numbers totalled 125 (2021: 118) for the year and Trustees can report a 32.9% increase in overall charitable disbursements amounting to an average cost of £2,754 per capita per annum (2021: £2,072). There has again been a modest reduction in the numbers of Foundationer Post-A-Level Student (PALS) some of whom had previously been supported by the Royal Liverpool Seamen's Orphans' Institution.

Membership of the Educational Trusts' Forum enables the Foundation to stay abreast of developments in the charitable children's education.

All beneficiaries meet the Foundation's eligibility criteria.

The 125 beneficiaries supported during the year were, in the main, in the Secondary educational stage and upward, at a range of schools and Universities. As always, it would be invidious to single out academic success since each beneficiary has wholly different abilities and therefore expectations. Consequently, Trustees look for effort within the beneficiaries' potential rather than pure achievement, and the progress of beneficiaries is monitored either by the receipt of school reports or by regular and informal contact with those at university or in career training. However, the Trustees are pleased to be able to report that the Foundation does not only help people in academic education but also those training for their careers. One such is, as an example, a talented musician who recently achieved a MA in Music Performance and who, out of about 800 applicants, won one of seven apprenticeships with the world-famous Hallé Orchestra.

The Trustees continue to explore how best to implement their wish to work more closely with other maritime children's charities and, just as the Trustees reacted quickly to the adverse effect of C-19 on the fishing community, so they have reacted to war in Ukraine by working closely with the Merchant Navy Welfare Board to help with the education of the needy children of Ukrainian seafarers.

The Trustees continue to explore how best to promote the message that education is part of an overall support package and not separate form or additional to it.

Fundraising activities

As in previous years, no fundraising has been undertaken.

FINANCIAL REVIEW

Policy on reserves

Funds shown on the Charity's balance sheet totalled £20,179,972 (2021: £20,677,136) of which £17,461 (2021: £17,461) is restricted, because the capital or income is not available for the general purpose of the Charity. The Charity's tangible fixed assets are held for use by the Charity. The stated value of the fixed assets, including investments, is £21,031,690 (2021: £20,949,793). Working capital is adequate in the short term to meet needs and the Foundation has neither overdraft facilities nor any charge on assets.

The Bearwood Estate

In 1919, the Foundation was given the freehold of the 493a Bearwood Estate by Sir Thomas Lane Devitt Bt and Sir Eric Yarrow Bt. Between 2012 and 2015, the Trustees disposed of 231a of this Estate while retaining the freehold of the residual 262a.

With the disposal of the 231a of the Estate, the Foundation continues to have a high level of reserves as a safety net to cover the costs of educating beneficiaries.

The Royal Merchant Navy Education Foundation

Report of the Trustees for the Year Ended 31st August 2022

FINANCIAL REVIEW

Investment policy and objectives

The Trustees' investment policy takes account of the Trustees' desire to maintain and grow over time the real value of the capital and income and to reflect their ambitions to maximise the educational support available to beneficiaries.

FUTURE PLANS

The Trustees continue to evolve plans for the Foundation's future, but this development is being constrained by national and international uncertainty. Given that about 47% of the Bearwood Estate has been sold and the retained remainder leased, the Trustees continue to move the charity forward with due diligence.

After about 25½ years' total service with the Foundation including some 16½ years as CEO, the current CEO will be retiring at the end of 2023 and so perhaps the key objective for 2023 is for the Trustees to appoint his replacement.

ROYAL MERCHANT NAVY SCHOOL FOUNDATION (309047)

The Royal Merchant Navy School Foundation, a registered charity (number 309047) which is controlled solely by the Foundation's Trustees, continues even though it received no income nor incurred any expenditure in the year under report.

The Charity Commission has authorised Trustees to use a total return approach to investments.

ACKNOWLEDGEMENTS

The Trustees acknowledge the generosity of all our many supporters and extend our thanks for their help towards the disadvantaged children of seafarers. The Trustees also wish to record their appreciation of the hard work of all the Foundation's Staff.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Royal Merchant Navy Education Foundation:

- was founded in 1827.
- was registered as a Charitable Incorporated Organisation in 2013.
- is governed by:
 - its Constitution dated 24th July 2013 which was approved by the Charity Commissioners on 9th August 2013.
 - the Board of Trustees as listed above.

Recruitment and appointment of new Trustees

Trustees are appointed at a meeting of the Main Board of Trustees on nominations received from serving Trustees or employees.

Organisational structure

The Board is legally responsible for the overall management and control of the Foundation and meets at least three times each year. The whole Board is directly involved in all matters of the Foundation. The day-to-day management of the Foundation is delegated to the CEO.

Induction and training of new Trustees

The induction process includes the opportunity, prior to election, to meet executive staff and to access past Accounts and Minutes, and Trustees are directed to the advice on their duties and responsibilities available both on the Charity Commission website and others. Trustees are also invited to participate in seminars relevant to their duties.

Key management remuneration

Trustees are responsible for Staff remuneration the review of which forms part of the budgetary approval process. In the year ending 31st August 2022, the Chief Executive Officer (formerly known as The Secretary) (CEO) was paid £60,691.

The Royal Merchant Navy Education Foundation

Report of the Trustees for the Year Ended 31st August 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

The Trustees are responsible for the management of risks faced by the Foundation. Throughout the year, new risks are identified and assessed, and controls established. A formal review of all identified risks is undertaken each year: in particular, a review of the Investment Manager's performance is carried out annually. Controls in place to manage the risks include maintaining:

- Clear terms of reference and agenda for Trustee Board and ad hoc Sub-Committees.
- Strategic planning, budgeting, management accounting and financial controls.
- A current Investment Management Agreement.
- Leases or similar legal agreements with all tenants of the Foundation's property devolving, where possible, liabilities to the tenants.
- Insurance where appropriate.

During the year, the Trustees conducted an informal 'stress test' on the Foundation's resources assuming unchanged overall costs set against a 66% reduction in capital investments coupled with zero income.

Serious Incidents

No serious incidents occurred in the year under report.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the Trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of Trustees on 15th June 2023 and signed on its behalf by:

Ms Lesley Robinson LLB (Hons) - Trustee

Report of the Independent Auditors to the Trustees of The Royal Merchant Navy Education Foundation

Opinion

We have audited the financial statements of The Royal Merchant Navy Education Foundation (the 'charity') for the year ended 31st August 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31st August 2022 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Report of the Independent Auditors to the Trustees of The Royal Merchant Navy Education Foundation

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- enquiry of management, those charged with governance and the entity's solicitors around actual and potential litigation and claims;
- enquiry of entity's staff to identify any instances of non-compliance with laws and regulations;
- reviewing minutes of meetings of those charged with governance;
- reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations; and
- auditing the risk of management override of controls including through testing journal entries and other adjustments for appropriateness and evaluating the business rationale of significant transactions outside the normal course of business.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's Trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The notes form part of these financial statements

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year-end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Motor vehicles	- 25% on cost
Computer equipment	- 33% on cost

Individual fixed assets costing more than £250 are capitalised and included at cost.

Investment property

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
