The trustees (who are also directors of African Solutions UK for the purposes of company law) are responsible for preparing the trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. Basis of preparing the financial statements

Going concern

The financial statements have been prepared on a going concern basis.

The directors, who are also trustees for the purposes of charity law ('the trustees'), have reviewed and considered relevant information, including the annual budget and future cash flows in making their assessment. In particular, in response to the Covid19 pandemic, the trustees have 'stressed' their cash flow analysis to take into account the impact on their business of possible scenarios brought on by the impact of Covid19, alongside the measures that they can take to mitigate the impact.

Based on these assessments, given the measures that could be undertaken to mitigate the current adverse conditions, and the current resources available, the trustees have concluded that they can continue to adopt the going concern basis in preparing the annual report and accounts.

Income and endowments

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- *Income from investments* is included in the year in which it is receivable.

- *Expenditure on raising funds* is costs incurred in attracting voluntary income.
- *Expenditure on charitable activities* is costs incurred by the charity in the course of meeting its charitable aims including related governance and support costs.

Fund structure

The funds held by the Trust comprise:

- *Unrestricted general funds* – the 'free' funds held by the charity to be used in accordance with the charitable objects at the discretion of the trustees.
- *Restricted funds* – funds held to be used only for restricted purposes within the objects of the charity. Restrictions arise when specified by donors and grant making bodies or when funds are raised for particular purposes.

3. Legal status of the charity

The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding-up is limited to a maximum £10.

4. Taxation

The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.

The charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The company's registered number and registered office address can be found on the Legal and Administrative Details page.

2. Accounting policies

The principal accounting policies are set out below. The accounting policies have been adopted consistently throughout the year.

Basis of preparing the financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared under the historical cost convention and are prepared on a going concern basis.

African Solutions UK meets the definition of a public benefit entity under FRS 102.

Going concern

The financial statements have been prepared on a going concern basis.

The directors, who are also trustees for the purposes of charity law ('the trustees'), have reviewed and considered relevant information, including the annual budget and future cash flows in making their assessment. In particular, in response to the Covid19 pandemic, the trustees have 'stressed' their cash flow analysis to take into account the impact on their business of possible scenarios brought on by the impact of Covid19, alongside the measures that they can take to mitigate the impact.

Based on these assessments, given the measures that could be undertaken to mitigate the current adverse conditions, and the current resources available, the trustees have concluded that they can continue to adopt the going concern basis in preparing the annual report and accounts.

Income and endowments

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- *Donations and legacies* received by way of grants, donations and gifts are included in full in the statement of financial activities when receivable.
- *Income from investments* is included in the year in which it is receivable.

- *Expenditure on raising funds* is costs incurred in attracting voluntary income.
- *Expenditure on charitable activities* is costs incurred by the charity in the course of meeting its charitable aims including related governance and support costs.

Fund structure

The funds held by the Trust comprise:

- *Unrestricted general funds* – the 'free' funds held by the charity to be used in accordance with the charitable objects at the discretion of the trustees.
- *Restricted funds* – funds held to be used only for restricted purposes within the objects of the charity. Restrictions arise when specified by donors and grant making bodies or when funds are raised for particular purposes.

3. Legal status of the charity

The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding-up is limited to a maximum £10.

4. Taxation

The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 28 FEBRUARY 2021

The Trustees, who are also the directors of the company for the purposes of the Companies Act, present their annual report and the financial statements for the year ended 28 February 2021.

Structure, Governance and Management

Status

African Solutions UK was incorporated as a company limited by guarantee on 1 May 2013 and registered as a charity on 15 August 2013. Its governing documents are the Memorandum and Articles of Association.

Management

The charity is managed by its trustees who are also company directors. They are appointed by ordinary resolution or by a decision of the directors. At the third annual general meeting of the charity and also having served for five years each trustee/director is subject to reappointment by the members of the charity. A full list of trustees serving during the period is given on page 1.

Risk Management

The trustees examine the major risks which the charity faces and seek to control these risks to mitigate any impact that they may have on the charity.

Objectives and Activities

The objectives of the charity are the relief of persons in need by reason of youth, age, ill health, disability, financial hardship or other disadvantage in South Africa and Sub Saharan Africa by the establishment and operation of children's care homes, drop-in centres, apprentice schemes and the provision of specialist advice, equipment and accommodation; and supporting the work of the ASAP Foundation (African Solutions to African Problems) a trust established in South Africa.

Financial Review

The charity's net income for the year ended 28 February 2021 was £1,592 (2020: net expenditure: £46,472). Total funds at 28 February 2021 amounted to £30,577 (2020: £28,985). All resources expended during the year were applied in accordance with the objectives of the charity.

Reserves Policy

The charity's policy is to hold unrestricted, undesignated reserves sufficient to cover three months operational expenditure. The reserves throughout the year and at the year-end have been in line with this policy.

Trustees' responsibilities statement

The trustees (who are also directors of African Solutions UK for the purposes of company law) are responsible for preparing the trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF AFRICAN SOLUTIONS UK

I report to the charity trustees on my examination of the accounts of the company for the year ended 28 February 2021 which are set out on pages 4 to 8.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
