Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The development and education of children and young people, in particular by: promoting their care and safety; promoting their education and promoting parental involvement; promoting their health and wellbeing; providing services to support them and their families and carers; providing services to individuals holding membership of the Charitable Incorporated Organisation.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main activity undertaken for the public benefit is the advancement of education for children aged 2 to 5.

The Charitable Incorporated Organisation has been formed to take on the existing Newstead Road Pre-School Charitable Association, registered charity number 1047690. The new charity structure will address past difficulties in recruiting trustees by limiting their personal liability and improving continuity by allowing staff representation among the trustees.

During the period covered by this report, no aspect of the pre-school's operations had been transferred to this new CIO. This CIO does however hold the pre-school's lease.

Full transfer of the operations depends on re-registration with Ofsted, who will not allow our existing registration to be updated with a new charity number. Instead, we have to register as a new childcare provider, losing historic inspection reports.

The trustees of Newstead Road Pre-School have paid due regard to the guidance issued by the Charity Commission on public benefit in deciding what activities the charity should undertake.
