Dacortium

Report of the Trustees for the Year Ended 31 March 2023

The trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the charities Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland; FRS 102) issued in October 2019.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charity is to promote efficiency and effectiveness in the charitable activities of not-for-profit organisations, voluntary groups and charities operating in the local government area of Dacorum and elsewhere: "the Area of Benefit". In addition to advance the education for public benefit of those involved with voluntary and not-for-profit sector organisations operating in the Area of Benefit.

Dacortium aims to facilitate and support collaborative actions across its membership by providing a legal structure through which its members are able to respond jointly to tender opportunities appropriate to their experience and capabilities and to manage resulting contracts.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

Activities and performance

Dacortium was formed in 2013 in order to facilitate co-operation amongst its members, particularly in addressing public sector tender opportunities. At the time of its formation Dacortium consisted of 10 voluntary sector bodies however during the year 2018/2019 the Volunteer Centre wound up as a charity and transferred its activities to Community Action Dacorum and Signpost Youth Counselling Services merged with Watford YMCA to become Signpost YMCA and withdrew as a member of Dacortium.

Dacortium has continued to deliver the three 'Community Navigator' contracts and work with HCNS (Herts Help Hospital and Community Navigation Service) a collaboration of voluntary organisations working together (and in partnership with Hertfordshire County Council, Herts Valleys Clinical Commissioning Group and East and North Herts Clinical Commissioning Group) to provide an integrated community navigation and social prescribing service throughout Hertfordshire. During the year Dacortium took over responsibility for the GP Link Worker agreements and successfully negotiated service agreements with the respective PCNs.

Public benefit

The Trustees have confirmed that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission. The trustees have recognised the two principles of public benefit and believe that Dacortium meets them.

Financial review

During the year income of £72,688 was received under the Hertfordshire County Council Community Navigator project (2022: £50,222), £234,864 from Watford and Three Rivers Trust (2022: £256,416).

Total expenditure for the year was £268,192 (2022: £246,547). The costs associated with the project amounted to £265,356, primarily payroll costs and are all restricted. Unrestricted costs for maintaining and operating the charity were £2,836.

Financial and risk management objectives and policies

The trustees monitor the financial risk associated with the activities. For the year ended 31 March 2023 the only activity was the HCNS project. At the time of preparing the Annual Report Hertfordshire County Council has issued the tender for the HCNS service with the new contract expected to come into place on 1st April 2024. Existing contracts will remain in place until the end of March 2024.

Reserves policy

The trustees wish to build reserves to a level that will cover overheads for at least six months in the event of winding up the charity. At the year end, free reserves amounted to £55,011 (2022: £50,578).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Structure and governance

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Dacortium is a registered charity and company limited by guarantee which operates in line with its memorandum and articles of association.

Dacortium has a application process which requires members either to be already meeting defined requirements or, for some requirements, to have the ability to meet them within two years of becoming members. In the latter case, they are accepted as Associate Members. All current members (see list below) are full members. These are entitled to nominate a representative for election as one of eight "member representatives" on the Board of Directors. Up to four Independent Directors may also be elected, and the Board is able to co-opt further Directors. The Directors, as Trustees of the Dacortium charity, are charged with the governance of Dacortium. Current full members comprise:

- Undertake a strategic review of current membership, activities and contracts held by Dacortium
- To successfully deliver awarded contracts ensuring we maintain high quality standards and levels of customer feedback.
- Continue to develop our skills and knowledge to ensure that we are recognised as having valuable expertise in areas such as social prescribing and community health and wellbeing.

Independent Examiner's Report to the Trustees of Dacortium

Independent examiner's report to the trustees of Dacortium ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Notes to the Financial Statements
for the Year Ended 31 March 2023**

1. GENERAL INFORMATION

The charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 48 High Street, Hemel Hempstead, HP1 3AF.

The company does not have a share capital. As stated above the company is limited by guarantee of the members to a maximum of £1 each.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The charitable company constitutes a public benefit entity as defined by FRS 102.

The financial statements have been prepared in accordance with the Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Going Concern

There are no material uncertainties about the charity's ability to continue as activities can continue at the level they are supported by the income of the charity.

Income

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

- legacy income is recognised when receipt is probable and entitlement is established.

- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.

- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from corporation tax on its charitable activities.
