Directors, Trustees and Members

The members of the charity are required to be its trustees and directors. A register of members is maintained by the charity. New members are accepted by agreement of all the members. The members may at any time adopt a new policy for accepting applications for membership. New members are expected to have adequate experience in matters concerning the objects of the charity or be able to advise on matters that will aid the charity in achieving its objects.

Decision making by Directors

The directors convene at an annual general meeting and at other board meetings as required throughout the year. At present, they commit to decisions by unanimous votes at the meetings. The directors' decision making powers are governed by the articles of association of the charity.

In furtherance of the objects the directors will have particular regard to the needs of those in poverty or financial hardship.

Financial Review

The Foundation holds an investment portfolio to provide income and growth to financially support the charity's objectives. In addition, the Foundation holds a property where the Sulgrave Club operates, which is held in furtherance of the charity's objectives. All funds are Unrestricted Funds.

The value of the trust investments was £1,819,406 on 30 June 2024 and the value of investments was £1,821,967 on 30 June 2025, an increase of 0.141%. The Foundation does not accept applications for grants.

Reserves policy

The Foundation does not need to keep significant cash reserves to maintain its regular grant making objectives and expense obligations as the Foundation holds investments from which cash can be raised within a short timeframe. As of 30 June 2025, cash reserves were £24,870.16 (£19,874.54 in 2024) which the directors consider to be an appropriate level as this will cover expenses payable. Funds will be raised if necessary from trust investments to adequately cover future grant commitments. The Foundation has no restricted funds.

The charity has no operational risks. When the charity receives assets, it will have risks associated with its investment strategy and it will guard against those risks by ensuring, with advice from investment professionals, reasonable diversification of investments.

The Sulgrave Foundation

Notes to the Financial Statements for the year to 30 June 2025

1. Legal Status

The Sulgrave Foundation is a public benefit company limited by guarantee incorporated in England and Wales. The registered office is 125 Wood Street, London, EC2V 7AW. The correspondence address for the charity is the same as the registered office address.

2. Accounting Policies

(a) **Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value. The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

(b) **Incoming resources**

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

(c) **Resources expended**

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation purposes.

Grants payable are recognised in the year when the offer is made, providing that any related conditions within the control of the Trustees have been fulfilled. Grants offered subject to conditions which remain within the control of the Trustees and have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Value Added Tax is not recoverable by the charity and, as such, is included in the relevant costs in the Statement of Financial Activities.

(d) **Investments**

Investments are stated at market value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals during the year.

(e) **Fixed assets**

Real Property shown in these accounts is reflected at an original acquisition cost to a charity known as The Sulgrave Charitable Trust, from which all asset now held in the Foundation were transferred from. As the property is the site from which a youth club operates and will continue to operate for the foreseeable future, it is not practical to include the asset at market value. Furthermore, there is no relevance in the application of a depreciation policy to the cost value reflected in these accounts.

Investments are reflected at market value.

(f) **Taxation**

The trust is a registered charity and, as such, is not subject to tax on its income and gains to the extent that they are applied to its charitable purposes.

Notes to the Financial Statements for the year to 30 June 2024

1. Legal Status

The Sulgrave Foundation is a public benefit company limited by guarantee incorporated in England and Wales. The registered office is 125 Wood Street, London, EC2V 7AW. The correspondence address for the charity is the same as the registered office address.

2. Accounting Policies

(a) **Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value. The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

(b) **Incoming resources**

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

(c) **Resources expended**

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation purposes.

Grants payable are recognised in the year when the offer is made, providing that any related conditions within the control of the Trustees have been fulfilled. Grants offered subject to conditions which remain within the control of the Trustees and have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Value Added Tax is not recoverable by the charity and, as such, is included in the relevant costs in the Statement of Financial Activities.

(d) **Investments**

Investments are stated at market value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals during the year.

(e) **Fixed assets**

Real Property shown in these accounts is reflected at an original acquisition cost to a charity known as The Sulgrave Charitable Trust, from which all asset now held in the Foundation were transferred from. As the property is the site from which a youth club operates and will continue to operate for the foreseeable future, it is not practical to include the asset at market value. Furthermore, there is no relevance in the application of a depreciation policy to the cost value reflected in these accounts.

Investments are reflected at market value.

(f) **Taxation**

The trust is a registered charity and, as such, is not subject to tax on its income and gains to the extent that they are applied to its charitable purposes.

**Independent Examiner's Report to the Trustees of
The Sulgrave Foundation**

I report to the charity trustees on my examination of the accounts of the company for the year ended 30 June 2024 which are set out on pages five to nine.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Independent Examiner's Report to the Trustees of
The Sulgrave Foundation**

I report on the accounts for the year ended 30 June 2023 set out on pages five to nine.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view ' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the year to 30 June 2022

1. Accounting Policies

(a) **Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) 2nd Edition issued October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) 2nd Edition issued October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

(b) **Incoming resources**

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

(c) **Resources expended**

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation purposes.

Grants payable are recognised in the year when the offer is made, providing that any related conditions within the control of the Trustees have been fulfilled. Grants offered subject to conditions which remain within the control of the Trustees and have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Value Added Tax is not recoverable by the charity and, as such, is included in the relevant costs in the Statement of Financial Activities.

(d) **Cash flow**

The financial statements do not include a cash flow statement because the charity, as a small reporting entity within the provisions of FRS 102, is exempt from the requirement to prepare such a statement (effective 16 July 2014).

(e) **Investments**

Investments are stated at market value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals during the year.

(f) **Taxation**

The trust is a registered charity and, as such, is not subject to tax on its income and gains to the extent that they are applied to its charitable purposes.

**The Sulgrave Foundation
Examiner's Unqualified Report**

Independent Examiner's Report to the Trustees of Sulgrave Charitable Trust

I report on the accounts of the charity for the period ended 30 June 2022 which are set out on pages five to nine.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act;
- follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Acthave not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Independent Examiner's Report to the Trustees of Sulgrave Charitable Trust

I report on the accounts of the charity for the period ended 30 June 2021 which are set out on pages five to nine.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act;
- follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Acthave not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
