

## **Buxton Mountain Rescue Team (BMRT)**

### **Chairman's Report 2020**

**Public Benefit.** For over 50 years Buxton Mountain Rescue Team (BMRT) has carried out its mission of “Saving lives in wild and remote places”. The team is a registered Charitable Incorporated Organisation (CIO) and offers a free of charge rescue service to members of the Public that need help. The team is funded by the public through donations.

**The rescue team has had another good year** delivering all that was asked of it by the Police and other emergency services despite being in the middle of the COVID-19 Pandemic. Team members are all volunteers who give up their time for free in order to help people who need rescuing in the hills. Overall, operational standards remain high and during the year team members dealt with a mixture of call outs including technical rope rescues and some severely injured casualties. Operational membership remains healthy with adequate numbers responding to callouts despite the additional problems associated with the Pandemic.

**2020 was a busy year** with 102 callouts for the team and our Search Dog section. Our rescue service was delivered by 93 active members comprising Hill going and support members who put in an extraordinary 9,585 hours of time in 2020 despite the Pandemic (compared with 19,465 hours of time in 2019). The effect of the Pandemic is clear on our reduced ability to train and fundraise in a normal way.

**The Charity has complied** with all known legal demands and responsibilities and the trustees continue to strive to ensure the team is run efficiently and economically. The team is managed by a board of Trustees which has a number of sub groups reporting to it. The most important of these is the Operations Group which manages all of the day to day training and rescue operations. The Trustees are appointed annually at the Charity AGM and serve for 12 months. The following Trustees served during the year:

- Rick Mobbs (Chairman)
- Kerry Clarke (Vice Chairman)
- Neil Carruthers (Operational Team Leader)
- Keith Birkett MBE (Deputy Team Leader)
- Rob Stordy (Deputy Team Leader)
- Dick Warren (Treasurer)
- John Price (Secretary)
- Matt Simmon (Logistics Officer)
- Dave Goodman (Medical Officer)
- Carina Humberstone (Training Officer)
- Darren Hunt (Fundraising Officer)

**Our Training team** Headed up by Carina Humberstone did an excellent job despite the pandemic delivering 116 exercises (186 in 2019) during the year covering Searching, Medical, crag and rope rescue, water rescue and helicopter training. We have had to adapt training using more online type facilities. This effort ensured that the rescue teams competency levels were the highest possible ensuring that our casualties received the best possible care during their brief time with us.

**The Standard of Casualty Care** continues to improve with 74% of our hill going members attaining the Mountain Rescue Casualty Care certificate. This is a credit to Dave Goodman and his team. Dave heads up our Medical Advisory Group (MAG) which includes a number of medical professionals within the team who freely give their expertise both operationally and in training. Casualty care is the core of what we do and it is rightly a major focus for the rescue team. Delivering casualty care in a Pandemic has been a challenge with all the additional PPE necessary to do the job safely.

**The Charity's finances** are closely governed by Dick Warren the Treasurer and all the charity trustees. Income for the year was down due to the Pandemic at £60,534 (£83,600 in 2019) which is an excellent performance from all those involved in fundraising considering that normal fundraising was effectively cancelled by COVID. On the expenditure side expenses were £53,628, down on last year and £6,906 was added to reserves which increased to £287,885. The team's reserves policy is to keep 2 years of operational running costs on hand as cash. The remainder of the reserves are allocated to future capital purchases.

**The Press and Media team** headed up by Richard Doran had another good year with the rescue team's public profile remaining at a high level with the general public and the emergency services. The Team's YouTube channel was developed in part to help with online fundraising in response to the Pandemic. The Social Media team headed up by Darren Hunt has also played an important part in developing and maintaining our public profile. Social media is also an important conduit for the thanks that we receive from grateful casualties and those people that we have rescued in often difficult circumstances.

**The Logistics group** headed up by Matt Simmon is responsible for all the rescue teams equipment, vehicles and buildings. This is one of the biggest departments in the team and Matt and his team had an excellent year maintaining, checking and servicing all of our equipment. A total of 2,636 operational items in two rescue team bases with a book value of £409,279 including 4 vehicles.

**Our Drone Team** has continued to develop and increase its capability during the 2020 year following a review lead by Rob Stordy. In 2018 the Buxton rescue team became the first rescue team in the UK to receive accreditation for drone operations by the Civil Aviation Authority (CAA). This means we are authorised to use drones to search for missing people.

**Information Technology (IT)** is playing an increasingly important part of rescue team management and operations. The team has continued to develop the D4H personnel and rescue team management software from which I have got many of the statistics in this report. The team has continued with the development of the Google G Suite system which continues to enhance the team's admin capability. This project has been managed by Andy Keen who has done an excellent job of piloting and rolling out the functions of this important system to the team. Dick Warren the team Treasurer has also continued to develop the accounting software package Xero which went live on the 1st January 2019 and a cash management system called Cascade.

**The Support Team** has continued to develop well under the leadership of Jane Poulter and support team members have slowly been able to get more involved in the admin and fundraising of the team. It is hoped that by support team members taking over some of the admin burden normally done by the Hill team members that time can be freed up for the Hill Team to concentrate on core activities and training.

**Going forward in 2021 the team faces some challenges.** The Pandemic is not over and continues to be a constraint on training and normal fundraising. Demand for our rescue service is increasing as a result of Pandemic induced staycations resulting in more and more callouts. The burden of administering the team is also increasing with more regulations and more compliance requirements, more training and qualifications. The time our volunteers can give is limited.

Lastly on behalf of the Trustees and myself I want to say a huge thank you to all our volunteer members who do so much for the team. Also a huge thank you to the Families, partners, and friends that support our volunteers. Without this support we would not have a rescue team.

I report to the charity trustees on my examination of the accounts of the Company for the year ended **31/12/2020**.

Responsibilities and  
basis of report

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

Independent  
examiner's statement

[The company's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [ ] if not applicable.

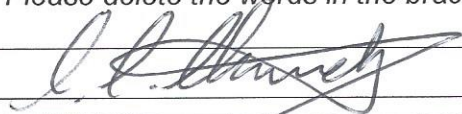

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below \*) which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
