CHAIR'S REPORT

FOR THE YEAR ENDED 31 MARCH 2025

2024–2025 has been a year of meaningful progress, strengthened capability and increased visibility for Bromley Children and Families Voluntary Sector Forum. As we expanded our programmes and partnerships, we continued to consolidate our organisational infrastructure, further positioning the Forum as one of Bromley's most effective and trusted charitable organisations.

Our profile and influence have grown considerably, and we are now firmly recognised by the local authority as a key strategic partner in shaping services for children, young people and families.

Our active participation across key governance boards, including the SEND Governance Board, Bromley Safeguarding Children Partnership, VRU MOPAC Parent Carer Champion Network, Bromley Children's Executive Board, Pro-Active Bromley and SEND Engagement Matters has enabled us to advocate effectively for the voluntary sector. Through this involvement, we ensure

that the voices of families and frontline practitioners are consistently represented at decision-making levels.

Under the leadership of our CEO, **Samantha Britnell** and the management of operations under **Shanna Jarvis** the organisation has progressed with professionalism, innovation and a clear strategic vision. Samantha's commitment to collaboration with member organisations, statutory partners, the Mayor of London's office, The Glades, GLA, NCS and various community funders has advanced our mission and fully embedded our guiding message: **Together We Are Stronger**.

CHAIR'S REPORT

FOR THE YEAR ENDED 31 MARCH 2025

Growth in Funding and Community Fundraising

This year saw a **significant increase in restricted income**, demonstrating a high level of confidence from funders in our governance, delivery and strategic impact.

We are grateful for the support of our key restricted funders, including:

- Clarion Futures Communities
- Stanley Foster Charitable Trust
- Greater London Authority
- London Borough of Bromley (HAF, Short Breaks, VRU MOPAC Parent Carer Champion Network)
- NCS London Youth
- Waitrose Community Fund

In addition to this, we experienced a notable increase in community fundraising, driven by strengthened partnerships with local businesses, community groups and borough-wide supporters.

This reflects growing public recognition of our work and a deeper sense of shared purpose across Bromley.

Looking ahead

Despite continued national challenges – rising costs, increasing demand for services and pressures on local families, the Forum has grown in stability, influence and effectiveness. Our ability to secure increased funding, expand collaborative projects and support more families than ever before demonstrates the resilience, adaptability and dedication of our sector.

Our priorities for the coming year are clear:

- Strengthen collaboration and partnership working
- Expand opportunities for children and young people
- Advocate strongly for the voluntary sector
- Deliver high-quality, evidence-based programmes
- Build on our growing financial and organisational resilience

I extend my sincere thanks to the BCF Forum team for their commitment and professionalism, and to our Board of Trustees for their steadfast guidance and support. As we move into 2025–2026, we do so with confidence, strengthened foundations and a shared belief that:

Together We Are Stronger.

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2025

STRUCTURE, GOVERNANCE AND MANAGEMENT

Background

The Forum is governed by its constitution as a Charitable Incorporated Organisation (CIO). Established in the early 1990s, it provides information, networking, training and representation for approximately 150 voluntary groups. We deliver programmes that support children, young people and families across Bromley, working collaboratively to ensure no child or young person is left behind.

Trustee Recruitment and Appointment

Trustees are nominated by member organisations or existing trustees and appointed at the Annual Meeting.

All trustees undergo enhanced DBS checks and receive induction covering governance responsibilities and the aims of the charity. Trustees meet bi-monthly, with day-to-day operations delegated to the CEO.

The Forum is currently undertaking a trustee recruitment drive to strengthen governance capacity and ensure a broad range of skills are represented. A recent skills audit highlighted areas for development, and these will be addressed over the next 12 months.

The current Chair, **Helen Dyer**, has given notice of stepping down, and we are working to introduce an interim Chair, **Pip Rastall-Phillips**.

Conflicts of interest

No trustee receives personal benefit from the charity. In limited cases, where trustees undertake specialist operational roles—such as Safeguarding Lead during holiday programmes—reasonable remuneration may be approved by the Board. Trustees' organisations may also benefit through partnership delivery, where appropriate and transparently managed.

Risk management

Risks are monitored and managed throughout the year through:

- Strategic planning and budgeting
- Strong financial controls and authorisation procedures
- Safeguarding and safer-recruitment processes
- Compliance with statutory and regulatory requirements
