REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2023

The Trustees present their report and accounts for the year ended 30 June 2023. The Trustees and Trustees' Report constitute the Directors and Directors' Report for the purposes of the Companies Act 2006.

Charity Organisation, Structure, Governance, Patrons and Management

Anointing Fire Catholic Ministries, UK (AFCM, UK) (formerly known as Sehion Ministries) is a company limited by guarantee and registered under the Companies Act 2006 and the Charities Act 2011. Its activities are governed by its Memorandum and Articles of Association. The policy of the Charity is determined by the Trustees, who meet regularly as a Board. Trustees are appointed in accordance with the provisions of the Articles of Association and receive no remuneration for their services. The Trustees determine their number as they consider necessary, although this may not be less than two. If the Trustees consider a vacancy should be filled, they will decide on the specific skills required to ensure an appropriate balance on the Board. The Trustees use their best endeavours, either through personal contact or enquiry, to recruit new trustees. In addition to the financial and legal documents for the Charity, all new Trustees are provided with the guidance available from the Charity Commission on the role of Trustees. All Trustees' meetings are immersed in prayer. The Charity is run primarily by the Trustees, who work with a team of willing volunteers to run the events and publish the magazine. There are no paid employees. Strategic decisions are made by the Trustees, although the day to day running of events is managed by experienced individuals who, inspired by the teaching of Our Lord Jesus Christ, volunteer to assist in this way.

The Charity maintains close relations with the Catholic Church - both through the Roman Catholic Archdiocese of Birmingham, within which much of its work is carried out, and also with the Syro-Malabar Eparchy of Great Britain, since many of the participants at events are from the Syro-Malabar community. The Trustees are delighted that Archbishop Bernard Longley, Archbishop of Birmingham; Mar Joseph Srampickal, Bishop of the Syro Malabar Eparchy of Great Britain and Yoohanon Mar Theodosius, Bishop of Muvattupuzha, Syro Malankara Apostolic Visitor to Europe and Oceania, are all Patrons of the Charity.

Directors, Company Secretary and Independent Examiner

The Trustees, who are also Directors of the Charitable Company, and the Company Secretary are as on page 2. Deacon David Palmer and Fr Soji Soji Olikkal Mathew both retired as Trustees with effect from 14 March 2023. The Trustees would like to record their sincere thanks to both of them for their hard work for the Charity from its inception and for many years of service as Trustees. Harrison Beale & Owen act as Independent Examiners for the Charity.

Aims, objectives, principal activities and criteria for measuring achievement

The Charity's principal objective is the advancement of the Catholic Faith for the benefit of the public. It does this by organising prayer meetings, conferences and similar events; producing and distributing literature and broadcasting information using modern media to enlighten others about the Catholic Faith; training individuals and groups to further the work of evangelisation; and related activities to support the promotion of Christian beliefs. The Charity runs monthly Second Saturday Conventions in Birmingham, which are attended by people of all ages from around the United Kingdom. The Charity runs Schools of Evangelisation and Retreats, in both the UK and abroad, and produces the Kingdom Revelator, a monthly magazine for teenagers. In all of the above, the aim of the Charity is to improve and enhance the Spiritual, and thus mental and physical, wellbeing of those attending worship services, talks, etc. and those receiving and reading the magazine - whether in hard copy or online.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2023 (continued)

Spiritual wellbeing is not easy to measure or monitor in this life, although it will be more apparent in the next. However, it is reasonable to take attendance at gatherings (or on-line participation) as an indicator of the public benefit derived from the services being offered and to note that the donations, which are freely made, continue to reflect broad satisfaction with the services provided by the Charity. Thus the twin measures of attendance at events and the continuing support of donors are considered reasonable indicators when assessing the 'success' of the Charity; these are monitored by Trustees and continue to be at encouraging levels.

Volunteers and Supporters

The Trustees would like to record their thanks to the many people who give their time free of charge to support the activities of the Charity. During the year, the Charity had the free use of property at Aston and Castle Vale. The lease at Aston ended on 30.06.2023. The accounts contain some modest running costs for these premises, but no account is taken of the value of their rent-free use as, in the opinion of the Trustees, the amount is not material.

Review of Activities, Achievements and Plans for Future Development

Due to pandemic restrictions, the Second Saturday Conventions were able to run in person only from September 2022 onwards in Bethel Convention Centre. Prior to September 2022 the events were recorded and live streamed to audiences of thousands (reaching over thirteen thousand at times). From September 2022 events have resumed at Bethel Convention Centre and attendance at over 2,000 is slowly returning to pre-pandemic levels. We are delighted that the two of our Patrons were able to attend - Bishop Mar Joseph Srampickal in September 2022, May 2023 and September 2023: and Archbishop Bernard Longley in October 2022.

Pandemic restrictions prevented the running of any Residential retreats and SOEs until August 2022. During the year, in addition to many one-day events, the Charity ran three Residential retreats in the UK for families and young couples and eight School Of Evangelisation (SOE) events for Pre-Teens, Teens and Youth. Overseas Retreats and Missions in Australia, Canada, USA and Ireland have now restarted.

Distribution of printed copies of the Kingdom Revelator ceased during the pandemic and the magazine was made available entirely on-line during the pandemic time. It has been resumed now Second Saturday in person events have been taking place and some 3,000 - 5,000 copies are currently being produced in each month and distributed free of charge to individuals and many parishes countrywide. Copies are also printed and distributed locally in Ireland, USA and Australia. As part of the development work of the Charity, the magazine is also freely available online. Kingdom Revelator magazine celebrated its 100th edition in September 2023, and we do believe it has an impact on the lives of the teenagers who read it, and feedback from readers, priests, teachers and catechists continues to be very encouraging. In September we printed 1500 copies of 'prison edition' of the magazine and distributed to various prisons in the UK.

Since incorporation, the Charity has sought to increase its activities, in line with the exhortation of Our Lord Jesus Christ, as expressed in Matthew 28:20 to "go out to the whole world and make disciples of all nations". The primary way of working towards this, and thus enriching the lives, both temporal and eternal, of as many people as possible, is to continue to publicise and run events to which all are welcomed. In this regard, a particular success is the increase in attendance by members of the travelling community at the Second Saturday Conventions. In conjunction with the Archdiocese of Birmingham, a number of initiatives are in place to assist their participation in the life of the Catholic Church.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2023 (continued)

Review of Activities, Achievements and Plans for Future Development (continued)

The Charity does not engage in 'social investment' as such, although in accordance with Our Lord's instruction it seeks to use money "tainted as it is" to enrich the lives of others through encouragement, and it does support the work of those who seek to evangelise and bring the joy of the Gospel to those to whom it is the Good News. The Charity's volunteers are primarily engaged in preparing for and assisting at the Second Saturday Conventions. In particular, their work is vital in running the various streams for adults, young people and children to enable them to learn more about the love of Jesus Christ and how knowing this can enrich their lives. Many volunteers spend time running other events and producing the magazine. There are many hundreds of individuals who support the work of the Charity through prayer, including Adoration of the Blessed Sacrament. It is not considered feasible to place an economic value on their work, although the value of the prayer support is considerable. The results are evident in the continued success of the work of the Charity.

Work is continuing on the development of the appropriate infrastructure for the Charity. Currently, the arrangements are working well, but as activities grow it may be necessary to consider taking on employees. No major changes in the direction of the Charity are currently planned. Fundraising is not considered a major 'objective' of the Charity, but encouraging donations is regarded as a practical way of assisting others to exercise their charism of charity. The donations received at events contribute to the Charity's work. During Covid restrictions online giving was successfully promoted. The Trustees and many others engage in prayer to ask the Lord to provide resources to carry out the work that He gives us to do. The Trustees believe that there is a spiritual hunger within society in the United Kingdom which only the Lord Jesus Christ can satisfy. As the need for this becomes more evident, the Charity has the long-term objective of widening the service offering to other groups and individuals. Thus, the Charity seeks to grow the emphasis on Evangelisation - in particular, through the School of Evangelisation's events.

Public Benefit Statement

The Trustees have followed the public benefit guidance published by the Charity Commission, as required by Section 17(5) of the Charities Act 2011. They believe the work of the Charity, not just through the provision of Sacraments - the Eucharist and Reconciliation, but also through the availability of Spiritual Sharing, support networks, personal prayer and opportunities to hear the Word of God and for Eucharistic Adoration, have a major impact on the lives of individuals. This is demonstrated through numerous testimonies of healings and other divine interventions which have been reported at events in written testimony, available on the website, and in literature distributed to advertise events. It is not considered appropriate to collect numerical data on such reports, but the Trustees are grateful to God for the love He has shown to so many people.

Financial Report, Risk Management and Reserves

Donation income in the year, including gift aid tax recoverable and donated services, amounted to £205,536 (2022: £126,566). Income from charitable and other activities was £131,211 (2022: £45,973). The Charity's expenditure was £352,197 (2022: £164,641). Overall, a deficit of £15,450 (2022: surplus of £7,898) was made during the year. Free Reserves are that part of a charity's unrestricted funds that are freely available to spend on any of the charity's purposes. The charity's Free Reserves were £89,442 at the year-end. This figure is arrived at by deducting tangible fixed assets of £151 from the Charity's total unrestricted funds of £89,593. At 30 June 2023, the Charity's total funds amounted to £91,104 (2022: £106,554), which included restricted funds of £1,511 (2022: £nil).

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2023 (continued)

Financial Report, Risk Management and Reserves (continued)

Although upfront costs are met by the Charity, any shortfall in the cost of conventions and retreats organised by the Charity are covered by donations received. The Trustees' Reserves policy is therefore to hold about £50,000, so that they can meet these up-front costs and produce the Kingdom Revelator for a year. As the Charity's Reserves were over £50,000 at the year-end, the Trustees were satisfied with the Charity's financial position.

The Trustees have assessed the major risks to which the Charity is exposed and have satisfied themselves that systems have been established, or that other appropriate measures have been taken, to mitigate those risks, insofar as is reasonably practicable, but it is recognised that systems cannot give absolute assurance that risks have been eliminated. Procedures are in place to monitor risks associated with handling cash, health and safety matters, safeguarding and ongoing financial viability. The Trustees continue to keep the Charity's activities under review, including consideration of any major risks that might be present from time to time.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Charity and of the incoming resources of, and resources expended by, the Charity for that year. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps to prevent and detect fraud and other irregularities. This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ANOINTING FIRE CATHOLIC MINISTRIES, UK (AFCM, UK) ('THE COMPANY')

I report to the Charity's Trustees on my examination of the accounts of the Company for the year to 30 June 2023 which are set out on pages 8 to 17.

Responsibilities and basis of report

As the Charity's Trustees of the Company (and also its directors for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your Charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination, I have followed the Directions given by the Charity Commission in section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- i. accounting records were not kept in respect of the Company, as required by section 386 of the 2006 Act; or
- ii. the accounts do not accord with those records; or
- iii. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act, other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- iv. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

1. ACCOUNTING POLICIES

Basis of preparation of the accounts

The financial statements have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice, Accounting and Reporting by Charities (Charities SORP (FRS 102)) effective 1 January 2019, applicable UK Accounting Standards, the Charities Act 2011 and the special provisions of Part 15 of the Companies Act 2006 relating to small companies. The Charity meets the definition of a public entity as set out in FRS 102.

The presentation currency of the financial statements is the Pound Sterling (£).

The charitable company is incorporated in England and Wales; the address of its registered office is 27 Florence Road, Coventry CV3 2AL.

Income

Voluntary income is included in incoming resources at its fair value when receivable. Gifts in kind and assets donated to the Charity are recognised as incoming resources when receivable, at the value to the charity. Income from sales is recorded when the goods are despatched. Income from charitable activities is recognised when the event is held.

Fixed Assets

Tangible fixed assets are stated at cost less depreciation and impairment. Assets costing less than £500 are not capitalised. Depreciation is provided on all tangible fixed assets at rates calculated to write off each asset over its expected useful life, as follows:

Equipment: 25% straight line

Expenditure

Expenditure is included in the Statement of Financial Activities on an accruals basis, inclusive of any value added tax which cannot be recovered.

Charitable activities are those costs associated with delivering activities and services.

Other costs are those costs associated with meeting the constitutional and statutory requirements of the Charity, including the independent examiner's fees and costs associated with the strategic management of the Charity.

Fund accounting

General funds are available for any purpose of the Charity.

Restricted funds are funds that can only be used for particular purposes by the Charity, as specified by the donor.

Stock

Stock for resale is stated at the lower of cost and net realisable value, after making due allowance for obsolete and slow-moving items. Stocks of Bibles to be given to prisoners are stated at cost.

Report and Accounts for the Year ended 30 June 2023

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023 (continued)

1. ACCOUNTING POLICIES (continued)

Measurement of financial instruments

The company has elected to apply the provisions of Section 11 'Accounting for financial assets and financial liabilities' of Charities SORP (FRS 102) to all of its financial instruments. Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument. Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously. Basic financial assets, which include debtors, are initially measured at transaction price, including transaction costs, and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

2. GRANT, LARGE DONATIONS AND DONATED SERVICES

During the year and the prior year, the Charity received no major grants. Donations are primarily received from individuals and usually no single donation exceeds £5,000. No recognition is made of the considerable financial value of the time contributed by volunteers who assist in the work of the charity.
