Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Deed of Trust
How the charity is constituted (eg. trust, association, company)	Limited Company Limited by guarantee, as defined by the Companies Act 2006.
Trustee selection methods (eg. appointed by, elected by)	Appointed by previous trustees

Additional information

The insurance cover is with Morton Michel who were chosen because they came recommended by Out of School Alliance as specialists of after-school clubs' providers and offered an equally comprehensive policy for a better price than our previous insurer.

Section C Objectives, activities and achievements

Summary of the objects of the charity set out in its governing document	The aim of the charity is to organise and support sporting, cultural and artistic after-school activities for the pupils of Marie d'Orliac and Fulham Bilingual school.
Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit) **+** **Summary of the main achievements of the charity during the year**	In addition to their primary aim of offering children a wide range of activities, Les Ateliers also offer an invaluable opportunity for children to practice and improve their linguistic skills, French or English, with native speakers, in a relaxed environment. The Ateliers Trustees declare to have had regard to the guidance issued by the Charity Commission on public benefit for all their decisions. There is no instance when it was decided to depart from the guidance. Les Ateliers registrations for the first term of 2024-2025 took place in July. Registrations went really well with 1262 places taken for Term 1, 1278 places for Term 2 and 1311 places for Term 3. New clubs this year included Mini Fitness, Peinture Sur Tissus, Mini Lutte, A vos planches, African Crafts, Hair & Fashion, Advanced Rollerskate, Circus, Crafty Hands, Fit Fun Club, Fun-Tastic Learners, Money Skills, Initiation Musicale, Jeux de Rôles, Mini Spanish, Origami, Radio Fulham, Photographie, Cinema, Street Dance, Jeux de Stratégie, Sevillanas. A particular effort focused on keeping the price of the clubs at an affordable level for all, so we have kept the same club fares as in 2023-24. All students receiving scholarships from the French government continue to be offered one free activity a week. We also sponsor some Fulham Bilingual-Holy Cross premium pupils. **Father Christmas** The Ateliers still sponsored the very popular Father Christmas visit in every class. Each class got a gift from Santa from a wish list submitted by each teacher. Les Ateliers administrators distributed the gifts in the classrooms with the help of Santa. **School Fair** Les Ateliers were again heavily involved in the School Fair that took place on a Friday in the school premises. We organised two rides of giant inflatable slides and swinging Chairs, as well as a photobooth. We also organised The Atelier's Show in the afternoon where children performed in front of their parents to showcased what they learned during the clubs. Mini Spanish, Voice, French Club, Eveil Musical, Ukulélé , Kickboxing, Boxe and Sevillanas clubs were involved. This was a success, and we hope to be able to do this next year. We sponsored the development of the school playground which benefits both the school and Les Ateliers with the purchase of outdoor furniture and outdoor games. **Website**

AMJ is still in charge of the website with a dedicated bilingual technician who knows our structure well. They continue to fine tune many aspects of the general operation to make the administrators, coordinators, supervisors and families' use of the platform as smooth and efficient as possible.

Accounts
VJS Accountancy Services Ltd is still in charge of collating and filing Les Ateliers accounts. The administrators use Xero accountancy cloud system.

Section E Financial review

Brief statement of the charity's policy on reserves	In line with accountancy good practice advice, we keep a full term of liquidity available in the bank account to cover freelancers' fees and suppliers' expenses.
Details of any funds materially in deficit	N/A

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;

The Ateliers only source of funds is the registration fees paid by parents/carers each term.

Expenditure is used to maintain the quality of the service offered by renewing the equipment and investing in resources and events that benefit one or all club(s).

Section F The year ahead

The schools' population and class structure keeps changing with diminishing numbers for the Lycée's side. However this does not seem to affect Ateliers' attendance and we continue to increase the number of registrations.

A couple of supervisors are leaving the school but we hope to work with new and/or returning staff.

We have focused on keeping the club's fares affordable and are pleased to have extended the free club per term per child to a couple of premium pupils' families from Holy Cross.

Section G Declaration

The trustees declare that they have approved the trustees' report above.

Independent Examiner's Report to the Trustees of Les Ateliers

I report on the accounts for the year ended 31 August 2025 set out on pages 5 - 48.

Respecetive responsibilities of the trustees and examiner
The Trustees (who are also directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility :

- to examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5) b of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

Basis of independent examiner's report
My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006, and
- to prepare accounts which accord with the accounting standards, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

2.2 INCOME

		Yes*	No*	N/a*
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.			✓
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.			✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓

		Yes*	No*	N/a*
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓
Deferred income	No material item of deferred income has been included in the accounts.	✓		
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts			✓
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date			✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.			✓

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least			
	They are valued at cost.	✓		
	The depreciation rates and methods used are disclosed in note 14.			
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 15.		✓	
	They are valued at cost.			✓
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 16.		✓	
	They are valued at cost.			✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.			✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments			✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.			✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.			✓

	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	Yes*	No*	N/a* ✓
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	Yes* ✓	No*	N/a*
Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity of loss than one year held for investment purposes rather than to meet short-term cash commitments as they fall due.	Yes*	No*	N/a* ✓
	They are valued at fair value except where they qualify as basic financial instruments.	Yes*	No*	N/a* ✓

Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Deed of Trust
How the charity is constituted (eg. trust, association, company)	Limited Company Limited by guarantee, as defined by the Companies Act 2006.
Trustee selection methods (eg. appointed by, elected by)	Appointed by previous trustees

Additional information

The insurance cover is with Morton Michel who were chosen because they came recommended by Out of School Alliance as specialists of after-school clubs' providers and offered an equally comprehensive policy for a better price than our previous insurer.

Section C Objectives, activities and achievements

Summary of the objects of the charity set out in its governing document

The aim of the charity is to organise and support sporting, cultural and artistic after-school activities for the pupils of Marie d'Orliac and Fulham Bilingual school.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)
+
Summary of the main achievements of the charity during the year

In addition to their primary aim of offering children a wide range of activities, Les Ateliers also offer an invaluable opportunity for children to practice and improve their linguistic skills, French or English, with native speakers, in a relaxed environment.

The Ateliers Trustees declare to have had regard to the guidance issued by the Charity Commission on public benefit for all their decisions. There is no instance when it was decided to depart from the guidance.

Les Ateliers registrations for the first term of 2023-2024 took place in July.
Registrations went really well with 1177 places taken for Term 1.

New clubs this year included Club Zero Faute, Martial Arts, Basket, Confiance en Soi, Dessin, Eveil Musical, Maths Games, Voice.

For the Judo clubs, there has been a change of provider during the year. Ippon Judo has progressively taken over all three Judo clubs from London Judokwai. Ippon Judo is registered with the BJA (British Judo Association) which is the official federation for the sport in the UK. All gradings will now be recorded with the BJA which allows children to continue with their practise after leaving the school. Ateliers' refunded the price of the new licence (£10) to all families who requested it to compensate for this change of governing body.

Father Christmas

A particular effort focused on keeping the price of the clubs at an affordable level for all, so we have kept the same club fares as in 2022-23. All students receiving scholarships from the French government continue to be offered one free activity a week.

The Ateliers still sponsored the very popular Father Christmas visit in every class. Each class got a gift from Santa from a wish list submitted by each teacher. Les Ateliers administrators distributed the gifts in the classrooms with the help of Santa.

School Fair

Les Ateliers were again heavily involved in the School Fair that took place on a Friday in the school premises. We organised two rides of giant inflatable slide and tea cups, as well as a photobooth.

We also organised The Atelier's Show in the afternoon where children performed in front of their parents to showcased what they learned during the clubs. French Club, Eveil Musical, Voice, Guitar, Ukulélé clubs were involved. This was a success and we hope to be able to do this next year.

Website

AMJ is still in charge of the website with a dedicated bilingual technician who knows our structure well. They continue to fine tune many aspects of the general operation to make the administrators, coordinators, supervisors and families' use of the platform as smooth and efficient as possible.

Accounts
VJS Accountancy Services Ltd is still in charge of collating and filing Les Ateliers accounts. The administrators use Xero accountancy cloud system.

Section E Financial review

Brief statement of the charity's policy on reserves	In line with accountancy good practice advice, we keep a full term of liquidity available in the bank account to cover freelancers' fees and suppliers' expenses.
Details of any funds materially in deficit	N/A

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;

The Ateliers only source of funds is the registration fees paid by parents/carers each term.

Expenditure is used to maintain the quality of the service offered by renewing the equipment and investing in resources and events that benefit one or all club(s).

Section F The year ahead

Changes of personnel mean that Ateliers will lose two of their valued freelancers but there are some new teachers with ideas who will hopefully lead to exciting new clubs.

Section G Declaration

The trustees declare that they have approved the trustees' report above.

Independent Examiner's Report to the Trustees of Les Ateliers

I report on the accounts for the year ended 31 August 2024 set out on pages 5 - 48.

Respecetive responsibilities of the trustees and examiner
The Trustees (who are also directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility :

- to examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5) b of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

Basis of independent examiner's report
My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006, and
- to prepare accounts which accord with the accounting standards, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

2.2 INCOME

		Yes*	No*	N/a*
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.			✓
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.			✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓

		Yes*	No*	N/a*
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓
Deferred income	No material item of deferred income has been included in the accounts.	✓		
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts			✓
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date			✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.			✓

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least			
	They are valued at cost.	✓		
	The depreciation rates and methods used are disclosed in note 14.			
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 15.		✓	
	They are valued at cost.			✓
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 16.		✓	
	They are valued at cost.			✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.			✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments			✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.			✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.			✓

	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	Yes*	No*	N/a*
				✓
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	Yes*	No*	N/a*
		✓		
Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity of loss than one year held for investment purposes rather than to meet short-term cash commitments as they fall due.	Yes*	No*	N/a*
				✓
	They are valued at fair value except where they qualify as basic financial instruments.	Yes*	No*	N/a*

Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Deed of Trust
How the charity is constituted (eg. trust, association, company)	Limited Company Limited by guarantee, as defined by the Companies Act 2006.
Trustee selection methods (eg. appointed by, elected by)	Appointed by previous trustees

Additional information

The insurance cover is still with Morton Michel who were chosen because they came recommended by Out of School Alliance as specialists of after-school clubs providers and offered an equally comprehensive policy for a better price than our previous insurer.

Section C Objectives, activities and achievements

Summary of the objects of the charity set out in its governing document

The aim of the charity is to organise and support sporting, cultural and artistic after-school activities for the pupils of Marie d'Orliac and Fulham Bilingual school.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)
+
Summary of the main achievements of the charity during the year

In addition to their primary aim of offering children a wide range of activities, Les Ateliers also offer an invaluable opportunity for children to practice and improve their linguistic skills, French or English, with native speakers, in a relaxed environment.

The Ateliers Trustees declare to have had regard to the guidance issued by the Charity Commission on public benefit for all their decisions. There is no instance when it was decided to depart from the guidance.

Les Ateliers registrations for the first term of 2022-2023 took place in July.

Registrations went really well with 1142 places taken for Term 1, the most ever sold even though the school is losing two classes this year.

New clubs this year included Mandarin, Sophrology, Voice, ICT & Coding, 5 a Side.

A particular effort focused on keeping the price of the clubs at an affordable level for all, so we have kept the same club fares as in 2021-22. All students receiving scholarships from the French government continue to be offered one free activity a week.

The Ateliers still sponsored the very popular Father Christmas visit in every class. Each class got a gift from Santa from a wish list submitted by each teacher. Les Ateliers administrators distributed the gifts in the classrooms with the help of Santa.

School Closure

On June 14th, by decision of Hammersmith and Fulham borough, the school was declared unsafe due to a pane of glass falling from a window in the playground. The school had to close with remote learning put in place while building work and checks on all windows were organised. After a few days it was decided the school wouldn't reopen for a few weeks as the repairs needed would take most of the summer. Children were dispatched to 6 different schools for the remainder of the term.

Les Ateliers were not allowed to organise clubs in the 6 different locations where children were dispatched so we had to shut down for the rest of the school year (clubs were supposed to end on 30th June so we closed down 2 ½ weeks early).

The only club we could offer was Football on Wednesday afternoons. We offered two different locations (South Park and Hyde Park) to accommodate pick up locations to the parents.

We made the decision to pay all our freelancers for the clubs they were going to miss as they were counting on the fees. Our insurance didn't cover school closure due to poor state of the premises.

We also offered to refund the missed clubs to parents upon request as

many families had been strongly impacted by the school closure. We were able to do so thanks to the liquidity we keep in our bank account.

School Fair

We were ready to be again heavily involved in the Fête de l'Ecole that was going to take place on a Friday in the school premises. We had organised two rides of giant inflatable slide and tea cups, as well as a photobooth. Football club was also offering tasters in the park.

The Summer Fair was unfortunately cancelled as the school premises were closed to all.

Website

AMJ is still in charge of the website with a dedicated bilingual technician who knows our structure well. They continue to fine tune many aspects of the general operation to make the administrators, coordinators, supervisors and families' use of the platform as smooth and efficient as possible.

Accounts

VJS Accountancy Services Ltd is still in charge of collating and filing Les Ateliers accounts. The administrators use Xero accountancy cloud system.

Section E Financial review

Brief statement of the charity's policy on reserves	In line with accountancy good practice advice, we keep a full term of liquidity available in the bank account to cover freelancers' fees and suppliers' expenses.
Details of any funds materially in deficit	N/A

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about: • the charity's principal sources of funds (including any fundraising); • how expenditure has supported the key objectives of the charity;	The Ateliers only source of funds is the registration fees paid by parents/carers each term. Expenditure is used to maintain the quality of the service offered by renewing the equipment and investing in resources and events that benefit one or all club(s).

Section F The year ahead

Following the closure of the school in June, we are hopeful the school will reopen as normal in September following building works all Summer. We have decided to open registrations in July as usual and have informed parents that in case of a delayed back to school date, we would either relocate or refund.

The structure of the Lycée side of the school will change with some new classes but no significant losses throughout.
Changes of personnel mean that Ateliers will lose three of their valued freelancers but there are some new teachers with ideas who will hopefully lead to exciting new clubs.

Section G Declaration

The trustees declare that they have approved the trustees' report above.

Independent Examiner's Report to the Trustees of Les Ateliers

I report on the accounts for the year ended 31 August 2023 set out on pages 5 - 48.

Respecetive responsibilities of the trustees and examiner
The Trustees (who are also directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility :

- to examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5) b of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

Basis of independent examiner's report
My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006, and
- to prepare accounts which accord with the accounting standards, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Section C Notes to the accounts

Note 1 **Basis of preparation**

***This section should be completed by all charities*.**

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

• and with*	✓	the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014
• and with*	✓	the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102)

• and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.*	✓

* -Tick as appropriate

1.2 Going concern

If there are material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern, please provide the following details or state "Not applicable", if appropriate:

An explanation as to those factors that support the conclusion that the charity is a going concern;	***Not applicable***
Disclosure of any uncertainties that make the going concern assumption doubtful;	***Not applicable***
Where accounts are not prepared on a going concern basis, please disclose this fact together with the basis on which the trustees prepared the accounts and the reason why the charity is not regarded as a going concern.	***Not applicable***

1.3 Change of accounting policy

The accounts present a true and fair view and no changes have been made to the accounting policies adopted in note { }.

Yes*	✓	* -Tick as appropriate
No*		

Please disclose:

(i) the nature of the change in accounting policy;	
(ii) the reasons why applying the new accounting policy provides more reliable and more relevant information; and	
(iii) the amount of the adjustment for each line affected in the current period, each prior period presented and the aggregate amount of the adjustment relating to periods before those presented, 3.44 FRS102 SORP.	

1.4 Changes to accounting estimate

No changes to accounting estimates have occurred in the reporting period (3.46 FRS102 SORP).

Yes*	✓	* -Tick as appropriate
No*		

Please disclose:

(i) the nature of any changes;	
(ii) the effect of the change on income and expense or assets and liabilities for the current period; and

2.2 INCOME

		Yes*	No*	N/a*
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.			✓
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.			✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓

		Yes*	No*	N/a*
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓
Deferred income	No material item of deferred income has been included in the accounts.	✓		
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts			✓
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date			✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.			✓

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least			
	They are valued at cost.	✓		
	The depreciation rates and methods used are disclosed in note 14.			
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 15.		✓	
	They are valued at cost.			✓
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 16.		✓	
	They are valued at cost.			✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.			✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments			✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.			✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.			✓

	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	Yes*	No*	N/a*
				✓
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	Yes*	No*	N/a*
		✓		
Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity of loss than one year held for investment purposes rather than to meet short-term cash commitments as they fall due.	Yes*	No*	N/a*
				✓
	They are valued at fair value except where they qualify as basic financial instruments.	Yes*	No*	N/a*
				✓

How the charity is constituted (eg. trust, association, company)	Limited Company Limited by guarantee, as defined by the Companies Act 2006.
Trustee selection methods (eg. appointed by, elected by)	Appointed by previous trustees

Additional information

The insurance cover is now with Morton Michel who were chosen because they came recommended by Out of School Alliance as specialists of after-school clubs providers and offered an equally comprehensive policy for a better price.

Section C Objectives, activities and achievements

Summary of the objects of the charity set out in its governing document

The aim of the charity is to organise and support sporting, cultural and artistic after-school activities for the pupils of Marie d'Orliac and Fulham Bilingual school.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)
+
Summary of the main achievements of the charity during the year

In addition to their primary aim of offering children a wide range of activities, Les Ateliers also offer an invaluable opportunity for children to practice and improve their linguistic skills, French or English, with native speakers, in a relaxed environment.

The Ateliers Trustees declare to have had regard to the guidance issued by the Charity Commission on public benefit for all their decisions. There is no instance when it was decided to depart from the guidance.

Les Ateliers registrations for the first term of 2021-2022 took place in July as per pre-pandemic format with a schedule including external supervisor and clubs across levels.

It was a pleasure to resume business as usual and to see the school full of children again.

We went from 542 registrations the previous year to 981 (Term 1), 1025 (Term 2) and 1029 (Term 3) which is closer to figures of previous years.

All exterior supervisors came back so we could offer again the clubs football, judo, guitar, kickboxing for the whole year. We resumed Cooking and singing clubs and the Morning Garderie.

The school has kept partially staggered exit times and Les Ateliers follow this new set up.
In practise, it meant that an adult had to collect the Maternelles children at 15:05 and the CE1 children at 15:20 from the Maternelles playground. The children were then escorted through the nursery and the MSA classroom to the blue pitch in the playground.

A particular effort focused on keeping the price of the clubs at an affordable level for all. However, to compensate for the huge loss of 2020-21, we implemented a small augmentation of club fares from £7.50 to £8 and £10.50 to £11.50 for Wednesdays. All students receiving scholarships from the French government continue to be offered one free activity a week.

The Ateliers still sponsored the very popular Father Christmas visit in every class. Each class got a gift from Santa from a wish list submitted by each teacher. So close to the Christmas break and with Covid still around, no member of staff agreed to dress up as Father Christmas, Les Ateliers administrators distributed the gifts in the classrooms at the end of the day for the children and teachers to find the next morning.

Les Ateliers were again heavily involved in the Fête de l'Ecole that took place on a Saturday in the school premises and on the road closed to traffic for the occasion. We organised Les Ateliers' shows on stage with Dance, Ukulele, French Club, Mini Spanish, Eveil Musical performing examples of their work in front of the families.

Football club was offering tasters in the park.

We also paid for the two rides of giant inflatable slide and tea cups, as well as the photobooth.

Policies and Procedures continue to include a Covid 19 section in case of another outbreak.

Website
AMJ is still in charge of the website with a dedicated bilingual technician who knows our structure well. They continue to fine tune many aspects of the general operation to make the administrators, coordinators, supervisors and families use of the platform as smooth and efficient as possible.

Accounts
VJS Accountancy Services Ltd is still in charge of collating and filing Les Ateliers accounts. The administrators use Xero accountancy cloud system.

Section E Financial review

Brief statement of the charity's policy on reserves	In line with accountancy good practice advice, we keep a full term of liquidity available in the bank account to cover freelancers' fees and suppliers' expenses.
Details of any funds materially in deficit	N/A

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;

The Ateliers only source of funds is the registration fees paid by parents/carers each term.

Expenditure is used to maintain the quality of the service offered by renewing the equipment and investing in resources and events that benefit one or all club(s).

Section F The year ahead

We look forward to another "normal" year.

The Lycée side of the school will lose two and a half classes between CE1 and CM2 for 2022-23. We plan on offering the same number of Ateliers anyway.

There are some new teachers with ideas who will hopefully lead to exciting new clubs.

Section G Declaration

Independent Examiner's Report to the Trustees of Les Ateliers

I report on the accounts for the year ended 31 August 2022 set out on pages 5 - 48.

Respecetive responsibilities of the trustees and examiner
The Trustees (who are also directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility :

- to examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5) b of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

Basis of independent examiner's report
My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006, and
- to prepare accounts which accord with the accounting standards, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

2.2 INCOME

		Yes*	No*	N/a*
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.			✓
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.			✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓

		Yes*	No*	N/a*
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓
Deferred income	No material item of deferred income has been included in the accounts.	✓		
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts			✓
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date			✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.			✓

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least			
	They are valued at cost.	✓		
	The depreciation rates and methods used are disclosed in note 14.			
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 15.		✓	
	They are valued at cost.			✓
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 16.		✓	
	They are valued at cost.			✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.			✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments			✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.			✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.			✓

		Yes*	No*	N/a*
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.			✓
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	✓		
Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity of loss than one year held for investment purposes rather than to meet short-term cash commitments as they fall due.			✓
	They are valued at fair value except where they qualify as basic financial instruments.			✓

How the charity is constituted (eg. trust, association, company)	Limited Company Limited by guarantee, as defined by the Companies Act 2006.
Trustee selection methods (eg. appointed by, elected by)	Appointed by previous trustees

Additional information

The insurance cover continues to be entrusted to Ecclesiastical Insurance Brokers who were chosen due to their experience working with other French schools in London.

Section C Objectives, activities and achievements

Summary of the objects of the charity set out in its governing document	The aim of the charity is to organise and support sporting, cultural and artistic after-school activities for the pupils of Marie d'Orliac and Fulham Bilingual school.
Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit) **+** **Summary of the main achievements of the charity during the year**	In addition to their primary aim of offering children a wide range of activities, Les Ateliers also offer an invaluable opportunity for children to practice and improve their linguistic skills, French or English, with native speakers, in a relaxed environment. The Ateliers Trustees declare to have had regard to the guidance issued by the Charity Commission on public benefit for all their decisions. There is no instance when it was decided to depart from the guidance. The whole year was marked by the Covid 19 pandemic and how it affected the schools in the UK. Les Ateliers team had decided not to open registrations in July 2019 as usual as the opening date of the Ateliers was still very uncertain. In agreement with the school headteachers, Les Ateliers waited to see how the school was coping with the new Covid-19 restrictions/ measures. The school reopened in September with a Bubble system and staggered drop off and pick up times. Les Ateliers sent a survey to parents to see if demand was there before organising clubs. Following receipt of the survey replies, Les Ateliers organised registrations for a First term starting after half-term on November 2nd for seven weeks. Les Ateliers had to completely overhaul its usual schedule to offer clubs that were bubble specific. All exterior supervisors' clubs were cancelled: no football, no judo, no guitar, no kickboxing for the whole year. We also had to cancel Cooking and singing clubs. The Morning Garderie service could not be offered as it was impossible to organise without mixing bubbles. Les Ateliers also followed the school's staggered exit times and circulation plan: **Bubbles 1, 2 & 7** Monday, Tuesday, Thursday and Friday, Ateliers finish at **4.15 p.m.** Wednesday, Ateliers finish at **2:20 p.m.** • bubble 2 – enter gate B and exit Gate B / following one-way system • bubble 7 – enter gate C and exit Gate C / parents do not enter the school, the supervisor releases the children out one by one. • bubble 1 - enter gate D and exit Gate D / following one-way system

Bubbles 3 & 4
Monday, Tuesday, Thursday and Friday, Ateliers finish at **4.30 p.m.**
Wednesday, Ateliers finish at **2:35 p.m.**

- bubble 3 – enter gate B and exit Gate B / following one-way system
- bubble 4 - enter gate D and exit Gate D / following one-way system

Bubbles 5 & 6
Monday, Tuesday, Thursday and Friday, Ateliers finish at **4:45 p.m.**

- bubble 5 – enter gate B and exit Gate B / following one-way system
- bubble 6 - enter gate D and exit Gate D / following one-way system

To organise the schedule, we relied on the responses to the survey we sent to parents. Unfortunately, the number of firm decisions was much lower than the intentions expressed in the survey. We had 812 definite place requests for the whole week and 462 seats were sold. On Wednesday we had 170 certain requests and, in the end, only 71 registered.

As a result, we had to cancel 27 ateliers for which we had too few children registered.

We were aware that these registrations were of an experimental nature and that many families had already managed to organise childcare or extra-curricular activities in structures outside the school since September.
Rather than opting for a single daily daycare-type offer, we have tried to offer a varied and balanced schedule that is more attractive and more in line with each person's specific skills.

We knowingly kept an offer open even though we were loosing money. The arguments were twofold : first to finally offer after-school clubs after such a long hiatus for the families who relied on it ; second the possibility to rely albeit temporarily on cash reserves.

We had to seriously think about the changes necessary for the 2nd term, hoping for a return to a better context very quickly.

Registrations for Term 2 followed the same principle of bubble-based clubs.
The take up was a little better than for term 1 but with still many clubs failing to reach a quorum and having to be cancelled.

In January 2021, when term 2 was supposed to start, the UK government announced a second lockdown and school were closed.

Les Ateliers informed all registered parents that the term was postponed, and it started indeed with schools re-opening on March 8th 2021.
Therefore the 11 weeks of term started then and ran until June.

We created a short third term of Ateliers to cover the last two weeks of term. Registered families could choose to be automatically re-enrolled, and we opened registrations for the remaining spaces.

A particular effort focused on keeping the price of the clubs at an

affordable level for all. Furthermore, all students receiving scholarships from the French government continue to be offered one free activity a week.

The Ateliers also managed to sponsor the very popular Father Christmas visit in every class. This year each class got a gift from Santa from a wish list submitted by each teacher. A year 6 Teacher dressed up as Father Christmas and surprised children in every classroom with a fun but social -distanced visit and a distribution of gifts with the help of the Ateliers' administrators.

Covid 19 we amended our Polices and Procedures to include new Covid-19 restrictions/ measures in accordance with the school polices.

Website
The school closure meant we dedicated a lot of time to the website improvements.

Ironing out some recuring problems and adding the contracts and emergency contact details online for supervisors.

AMJ has continued developing these improvements as well as fine tuning many aspects of the general operation.

Accounts
VJS Accountancy Services Ltd is still in charge of collating and filing Les Ateliers accounts. The administrators use Xero accountancy cloud system.

Section E Financial review

Brief statement of the charity's policy on reserves	In line with accountancy good practice advice, we keep a full term of liquidity available in the bank account to cover freelancers' fees and suppliers' expenses.
Details of any funds materially in deficit	N/A

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about: • the charity's principal sources of funds (including any fundraising); • how expenditure has supported the key objectives of the charity;	The Ateliers only source of funds is the registration fees paid by parents/carers each term. Expenditure is used to maintain the quality of the service offered by renewing the equipment and investing in resources and events that benefit one or all club(s).

Section F The year ahead

For 2020-2021, the liquidity reserves have been essential to the survival of Les Ateliers has we lost significant amounts (-26K for the year).

Les Ateliers registrations for the first term of 2021-2022 took place in July as per pre-pandemic format with a schedule including external supervisor and clubs across levels.

To compensate for the huge loss of this year we envisage a small augmentation of club fares from £7.50 to £8 and £10.50 to £11.50 for Wednesdays.

Section G Declaration

The trustees declare that they have approved the trustees' report above.

Independent Examiner's Report to the Trustees of Les Ateliers

I report on the accounts for the year ended 31 August 2021 set out on pages 6 - 48.

Respecetive responsibilities of the trustees and examiner
The Trustees (who are also directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility :

- to examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5) b of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

Basis of independent examiner's report
My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006, and
- to prepare accounts which accord with the accounting standards, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

2.2 INCOME

		Yes*	No*	N/a*
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • *it is more likely than not that the trustees will receive the resources;* • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.			✓
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.			✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓

		Yes*	No*	N/a*
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.			✓
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.			✓
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓
Deferred income	No material item of deferred income has been included in the accounts.	✓		
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts			✓
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date			✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.			✓

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least			
	They are valued at cost.	✓		
	The depreciation rates and methods used are disclosed in note 14.			
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 15.		✓	
	They are valued at cost.			✓
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 16.		✓	
	They are valued at cost.			✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.			✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments			✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.			✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.			✓

		Yes*	No*	N/a*
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.			✓
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	✓		
Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity of loss than one year held for investment purposes rather than to meet short-term cash commitments as they fall due.			✓
	They are valued at fair value except where they qualify as basic financial instruments.			✓
