JESUS GENERATION MINISTRIES UK
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2023
Registered Charity Number 1153688

The Trustees present the financial statements of Jesus Generation Ministries UK for the year ended 31 August 2023. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (revised 2005) in preparing the Annual Report and Financial Statements of the charity/company.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Legal status and Governing document

The objects and powers of the company were established in its constitution and are governed by its constitution. The trustees are responsible for arranging and organising Annual General Meetings - AGM.

Appointment

The Trustees who held office during the financial year and at the date of this report are set out on page 1. The Trustees are appointed in accordance with the rules set out as per the charity's governing document.

Induction and Training

Any new trustees would undergo orientation to brief them on their legal obligation under charity and company law, the content of the constitution, the decision making processes, the objectives and strategies and recent financial performance of Jesus Generation Ministries UK.

Organisation

The Board of Trustees is responsible for the overall strategy and direction of the charity and meet at least twice a year. The Trustees give their time on a voluntary and unpaid basis. The Board of Trustees has also appointed the following committees to support them in the management of Jesus Generation Ministries operations. They include the finance team, Building, welfare, Men and Women and Outreach teams. The teams provide much needed advise to the Trustees/Directors who retain overall power to establish and implement policies and procedures that will enable the church to achieve its goals.

Risk Management

The Trustees have examined the principal areas of Jesus Generation operations and have considered the major risks that could arise in these areas. In the opinion of the Trustees, the church has appropriate procedures in place, which provide reasonable assurance that the risks identified by them are mitigated to an acceptable level. Major risks, for this purpose, are those that may have a significant effect on:

- Quality and suitability of programmes;
- Achievement of the programme's aims and objectives;
- Availability of competent volunteers to manage the programmes;
- Availability of funding for the programmes.

Interest of Board of Trustees

No member of the Trustees had, at any time during the period under consideration, any interests in the charity which require disclosure in this report.

OBJECTIVE, AIMS AND PRINCIPAL ACTIVITIES

The Jesus Generation Ministries UK was set up to among others advance the Christian faith in accordance with the general principles and doctrines of Christ Jesus. The principal activities of the church include:

1. To advance and promote Christian Faith. That is, the propagation of the Gospel of Jesus Christ and the Word of God, that people may be evangelised and believers may be conformed to the teachings of the Lord Jesus Christ.
2. To regularly assemble members of the church for fellowship.
3. To strengthen the family units so that the home life of each member is biblically healthy and fruitful.
4. To involve every member in the activities of the church and in the ministry of the Holy Spirit throughout the Body of Christ.
5. To engage in charitable activities for not only the members of the church, but the community at large who are in need of any help which the charity can give, regardless of race, colour or religious affiliation.

ACHIEVEMENTS, PERFORMANCE AND PLANS FOR THE FUTURE

Delivering Public Benefit

The charity carries out various activities in pursuance of its charitable aims. The Trustees consider the following activities, summarised below, beneficial to members of the church and the local community.

Teaching/lectures

Approximately 10 hours of preaching and teaching are delivered weekly to enhance spiritual development and good morals in the community.

Prayer Initiative

We hold weekly prayer initiatives through the Welfare and Intercessory Ministry, where we pray for individuals, families, our communities, government and the international community. A prayer chain is active in this ministry to ensure that there are people dedicated to praying at set times. Our monthly Fasting and Prayer Programme also gives an opportunity for all Christians and members of the community to come together to pray for individuals, families, children and young people, local communities and nations. The church continues to organise retreats to sharpen the spiritual development of the church members, and this has increased their spiritual development. This has also increased the spiritual atmosphere in our worship and will be repeated every year as the members ask more of this away prayer retreat.

Financial and Budget Management

Teaching and lectures are provided to teach people personal financial and budget management on how to effectively manage their finances, prioritise and set smart goals and achieve objectives. Qualified professionals within the Charity teach others on how to achieve their goals and be successful in their career path.

Musical Training & Money Management

We offer free musical training to the public and community every week. We also offer a free money management programme, which is a Level 2 QCF equivalent approved through Eduqual.

Free Breakfast & Meal

We open our doors every week to the public and local community. During these times and sessions, several people come and are refreshed, supported and welcomed to feel at home.

Marriage Seminar

Attendance to this quarterly seminar has increased significantly. Seminars are held quarterly to promote strong family values, strengthen marriages and support those who face family challenges. A family meal was provided at the end of the year, and very good feedback was received. Advice and counselling are also provided on a weekly basis.

Thanksgiving Service

The year's Thanksgiving Service was marvellous and well attended by the members and their families, well-wishers, and supporters of the Ministry. We broke bread and ate together as family, and the community was invited to thank and praise God for his mercies and grace.

Other Outreach Events

- We provide prayer sessions and residential and hospital visitations to the 'shut-in', sick, and those who cannot attend worship.
- Counselling services for bereavement and personal challenges and difficulties

Children and Young People Forum

Our children and young people are integral to the Ministry, and we have seen significant growth in the number of children and young people attending Sunday School. Significant improvement is also seen in their academic reports. Weekly Sunday schools are provided by our qualified teachers, who enable our children and young people to gain core knowledge in religious studies. We also hold frequent youth meetings/forums for teenagers and young adults. This enables and motivates our children and young people to showcase their talents in a larger area on a monthly basis. These forums also help develop their talents, confidence, self-esteem and improve their academic achievements. It also helps them integrate better into the wider community.

Children and young people from all backgrounds can have fun, make friends, and feel a sense of belonging in the Ministry.

Conventions, Retreats and Leadership Seminars

These are held annually to develop and enhance individuals' leadership skills and train those in leadership to fulfil their potential and achieve their goals. The convention is held annually, while Retreats and leadership seminars are held twice annually to develop and enhance the members' spiritual alertness.

ACHIEVEMENT AND PERFORMANCE

The church has been growing from strength to strength and numerically. This results from our leadership's passion for the Great Commission, their commitment and willingness to reach communities and the leading and direction of God's Holy Spirit. The church programmes and activities are well attended, and God is adding new members.

A summary of the results of the Jesus Generation Ministries UK activities during the period is given in the Statement of Financial Activities on page 9. The total income of the charity amounted to £123 226 from regular Sunday tithes and offerings and Gift Aids. It remains the number one priority of the charity to obtain a permanent place of worship through an outright purchase via a mortgage. The size of the present church premises meant that there is availability of spare rooms for children and young people activities, children's Sunday school programmes and other activities in pursuance of its charitable aims.

FINANCIAL REVIEW

The book values of the assets held at year-end are, in the opinion of the Board of Trustees, as stated in the financial statements. Also, in its opinion, adequate assets are available to fulfil the charity's obligations.

The total resources expended in the year include a total cost of £94,567 which is made up of direct charitable costs of £91,707, governance costs of £2,500, and depreciation of £360. The governance costs were mainly made up of accountancy fees, professional expenses, and administration. The governance costs are approved by the Trustees.

RESERVES POLICY

Jesus Generation Ministries UK maintains unrestricted funds, which are the free reserves of the charity, at a level of at least twelve months of committed expenditure, excluding direct charitable costs and other costs. Excess unrestricted funds, to the extent represented by liquid assets, will be used to meet recurrent operational costs, except where the Trustees consider that the funds should be retained for possible future projects.

INVESTMENT POLICY

The Trustees have the power to invest in such assets as they see fit. The charity's investment policy is appropriate to the nature of the funds for which the investment is held. The primary investment aim is to provide a high degree of security and liquidity and to maximise returns whilst adopting a conservative approach.

GRANT-MAKING POLICY

The Trustees intend to make grants as an effective means of delivering support and assistance to other programmes that fit within the Church's objectives; during the year under consideration, no grant was made.

PLANS FOR THE FUTURE

The Church is still committed to owning its own building, and as such, the Building committee is empowered to look for a place of worship of our own. The Church is planning to raise funds annually for the building fund which will be restricted for the purposes of the building.

VOLUNTEERS

Volunteers are central to the ethos and operations of Charity. They donate their time, expertise and equipment to implement programmes, raise funds and to provide other services. The church is very grateful for this generosity. The financial value of this generosity has neither been calculated nor included in the financial statements because it is difficult to quantify these in monetary terms. During this year, we saw more people giving their time for the work of God which is very encouraging and motivating to the leadership of the Church.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Charity Commission regulation requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity at the year-end of its incoming resources and resources expended during that year. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently.
- make judgments and estimates that are reasonable and prudent.
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the Financial Statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in service

The Trustees are responsible for keeping proper accounting records that always disclose the charity's financial position with reasonable accuracy and enable them to ensure that the financial statements comply with the SORP. They are also responsible for safeguarding the charity's assets and, hence, for taking reasonable steps to prevent and detect fraud and other irregularities.

INDEPENDENT EXAMINERS

Jacob Manu & Co has expressed their willingness to continue in service, and a resolution on this will be put to the Board of Trustees at the third-coming Annual General Meeting.

STATEMENT OF DISCLOSURES

- a) So far as the Trustees are aware, there is no relevant information of which the Charity Independent Examiners are unaware, and
- b) They have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant information and to establish that the charity Independent Examiners are aware of that information.

INDEPENDENT EXAMINERS' REPORT FOR THE YEAR ENDED 31 AUGUST 2023

We have examined the financial statements on pages 9 to 14 for the year ended 31 August 2023 which comprises the statement of financial activities, the balance sheet and the related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

The report is made solely to the Charity's Trustees, as a body, in accordance with Section 44 of the Charities Act 1993. The Trustees of the charity are of a general opinion that an audit is not required in accordance with Section 43(2) of the 1993 Act, and have opted for an independent examination instead.

Respective responsibilities of trustees and auditors

The Trustees, some of which are also the directors, have responsibilities for preparing the Trustees' Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards. These are set out in the Statement of Trustees' Responsibilities in the Report of the Trustees.

Our responsibilities as independent examiners of the charity are:

1. to examine the books and accounts of the charity in compliance with Section 43 of the 1993 Act;
2. to strictly adhere to the general directions provided by the Charity Commission under Section 43(7)(b) of the Charities Act 1993; and
3. to state whether particular matters have come to our attention in the course of our examination.

We report to you whether the financial statements have properly been prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and in accordance with the Charities Act 1993.

We also report to you whether the information given in the Trustees' Report is consistent with the financial statements. We consider the implications of our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

In addition we report to you if the charity has not kept proper accounting records, if we have not received all the information and explanations we require for our work, or if information specified by law regarding trustees' remuneration and other transactions with the charity is not disclosed.

**JESUS GENERATION MINISTRIES UK
INDEPENDENT EXAMINERS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2023**

Basis of opinion

Our examination was carried out in accordance with the General Directions provided by the Charity Commission. It includes reviewing the books, documents, and other accounting records kept by the charity and comparing these with the accounts presented.

Our examination also includes consideration of any unusual disclosures or items in the accounts and seeking explanations from the Trustees. It is imperative to state here that the procedures undertaken do not provide all the evidence that would be required in an audit, and consequently, no opinion is given as to whether the accounts present a 'true and fair view'. Our report is therefore limited to the statements below:

Independent examiners' statement

In connection with our examination, we report that no matter has come to our attention, which gives cause to believe that the following have not been met:

1. Keeping proper accounting records in accordance with Sections 386 and 387 of the Companies Act 2006.
2. Preparing accounts that accord with the underlying accounting records and are in compliance with the Companies Act 2006, the United Kingdom Generally Accepted Accounting Practice (UK GAAP), the Statements of Recommended Practice (SORP)—Accounting and Reporting by Charities, and the Charities Act 1993.
3. Consistency of the information contained in the Trustees Report with the financial statements.
