2. STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Annual Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements comply with the Charities Act 2011, where relevant the Charities Act 2022, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. In accordance with trust law, as charity trustees, we certify that:

- in so far as we are aware, there is no relevant information of which the Foundation's Independent Examiner is unaware; and
- we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the Foundation's Independent Examiner is aware of that information.

Internal Controls

The trustees have overall responsibility for ensuring that the Foundation has appropriate systems of internal controls. They are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements follow best practice and all applicable law regulation and guidance. The trustees are also responsible for the Foundation safeguarding its assets and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The system of internal controls is designed to provide reasonable, but not absolute, assurance against material misstatement or loss.

THE FORSTER FOUNDATION CIO
REPORT OF THE TRUSTEES (continued)
FOR THE YEAR ENDED 31 DECEMBER 2024

2. STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Risk Management

A risk assessment has been undertaken which comprises:

- An annual review of the risks the Foundation may face;
- The establishment of systems and procedures to mitigate those risks; and
- The implementation of procedures designed to minimise any potential impact on the Foundation should those risks materialise.

This continuing process will identify risk areas to which the Foundation is vulnerable and highlight any necessary safeguards that will need to be put in place. No major risks were identified at the date of these financial statements.

The trustees have signed fit and proper declarations in line with HMRC guidance.

3. OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The Foundation is established for general charitable purposes and will operate as a grant making charity, supporting charitable projects, organisations and individuals with grants of varying sizes and durations.

The trustees may use the income and the capital of the Foundation in promoting the objects.

Grant Making Policy

The trustees' grant making policy has been to generally consider making donations by way of direct funding and grants to charitable organisations, recognised as such in their respective jurisdiction. The recipient projects must be seen as exclusively charitable under English law. The Foundation has begun to put in place sound grant arrangements so that it can continue to properly select appropriate grantees and impose prudent terms on grants, including, as appropriate, monitoring and evaluation of the way in which funds are applied by grantees.

Statement of Public Benefit

The trustees are aware of the Charity Commission guidance on Public Benefit and confirm that they have complied with the duty in Section 4 of The Charities Act 2011 to have due regard to it. They consider the information which follows in this annual report about the Charity's aims, activities and achievements in the areas of interest that the Charity supports and demonstrates the benefit to its beneficiaries and through them to the public, that arise from those activities.

4. ACHIEVEMENT AND PERFORMANCE

Investments

The Foundation's assets consist principally of investments and cash and these are reported on the Balance Sheet and in the supporting notes at their market value at 31 December 2024. At 31 December 2024 the value of the trustees' investments was £58,349,570 (2023 - £51,172,040). The unrealised gain for the year was £8,239,404 (2023 - £7,519,835). Net realised gain on investment disposals in the year totalled £294,969 (2023 - £10,667).

REPORT OF THE TRUSTEES (continued)
FOR THE YEAR ENDED 31 DECEMBER 2024

4. ACHIEVEMENT AND PERFORMANCE

Charitable Activities

During the year, four charitable donations totalling £1,096,874 were pledged and paid. These include:

- £1,000,000 endowment to Fitzwilliam College, University of Cambridge, to fund the 'Forster Fellowships in Neuroscience' in support of two Fellows in neuroscience; and
- \$25,000 grant to Memorial Sloan Kettering Cancer Center in support of its cancer research programme

The trustees' grant making policies are set out in section 3 of this report.

Governance costs of £10,147 (2023 - £8,583) were incurred in the year, and are included in charitable activities.

5. FINANCIAL REVIEW

The balance of reserves at 31 December 2024 was £58,716,471 (2023 - £51,349,370).

Reserves Policy

The trustees have no outstanding commitments or cash demands. The net assets of the Foundation are regarded as free reserves and the funds at 31 December 2024 will be retained to make grants in accordance with the Foundation's charitable objects. The trustees consider that the freely expendable funds are appropriate and adequate taking into accounts plans for grants to be awarded in future and have at present therefore not designated any specific reserves. However, the trustees will keep this under constant review. In future years a specific reserves policy may be required.

Investment Policy

The trustees continue to be invested in the iShares Core MSCI World UCITS ETF, which represents the majority of the Foundation's investments. The trustees are content that the fund provides sufficient diversification both geographically and from a sector perspective. The investment policy and returns will continue to be kept under constant review.

6. PLANS FOR THE FUTURE

The trustees do not propose to deviate from the current objectives and activities of the Foundation as detailed in section 3 of this report but will further develop and refine their strategies, policies and procedures in future.

**REPORT OF THE INDEPENDENT EXAMINER TO THE TRUSTEES
OF THE FORSTER FOUNDATION CIO**

I report on the accounts of the trust for the year to 31 December 2024, which are set out on pages 6 to 12.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act') and where relevant, the Charities Act 2022 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE FORSTER FOUNDATION CIO
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

1. ACCOUNTING POLICIES

Basis of accounting

These financial statements have been prepared on a going concern basis under the historical cost convention, modified to include the revaluation of investments. The Foundation constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("Charities SORP FRS 102") published October 2019, the Charities Act 2011, where relevant the Charities Act 2022 and UK Generally Accepted Practice. The principal accounting policies adopted are as follows:

The Foundation has applied FRS 102 Update Bulletin 1 and do not include a cash flow statement on this basis.

Fixed Asset Investments

Investments are included at closing mid-market value at the Balance Sheet date. Realised gains and losses on investments are recognised as they arise and any gain or loss on revaluation is taken to the Statement of Financial Activities (SOFA). The determination of any gains and losses is calculated by reference to the value of such assets at the beginning of the accounting period.

Income recognition

Voluntary donations include donations under Gift Aid with the associated tax relief included when receivable. Interest from deposit accounts are included when receivable. All incoming resources are included in the Statement of Financial Activities ("SOFA") when the Foundation is entitled to the income and the amount can be quantified with reasonable accuracy.

Expenditure recognition

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation committing the trustees to the expenditure.

Charitable activities comprise grants and donations made during the year and are expended through the SOFA when the offer is conveyed to the recipient. The trustees have made the decision not to discount grants committed for future periods.

Governance costs relate to the general running of the Foundation, as opposed to the management functions inherent in generating funds.

Status of funds

The entire resources of the Foundation are unrestricted and the trustees have complete discretion for their use in pursuance of their objectives.

THE FORSTER FOUNDATION CIO
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

1. ACCOUNTING POLICIES (continued)

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised as expenditure.

Provisions

Provisions are recognised when the Foundation has an obligation at the Balance Sheet date as a result of a past event, it is probable that an outflow of economic benefit will be required in settlement and the amount can be reliably estimated.

Taxation

The Foundation is not subject to any taxes on its charitable activities.

Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The current uncertainty in the global economy, including cost inflating factors, have increased financial pressure on charities. The Trustees have considered the level of funds held, the expected level and security of income and committed expenditure for twelve months from the date of signing of these financial statements. The Trustees are satisfied the forecast income and reserves are sufficient to cover all of the budgeted expenditure to be able to continue as a going concern. The Trustees therefore consider the adoption of the going concern basis in preparing these financial statements continues to be appropriate.
