INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BUCKLAND NEWTON CPT LIMITED

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 April 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

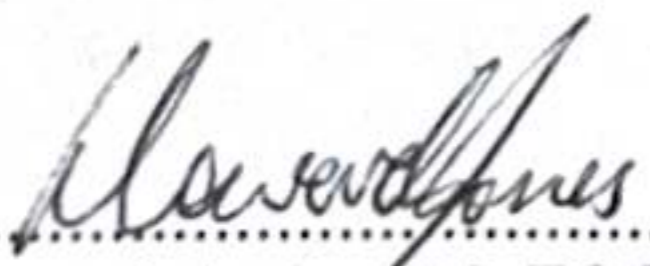

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

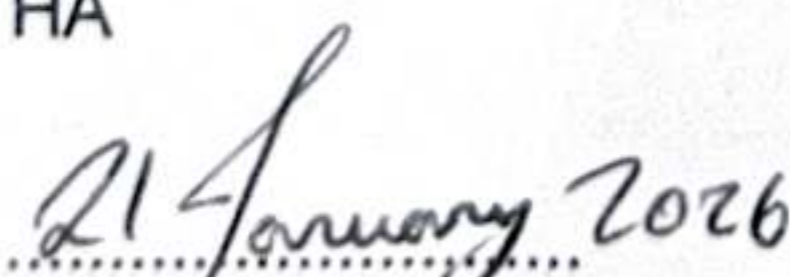

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Buckland Newton CPT Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Buckland Newton CPT Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The accounts are presented in £ sterling.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised when the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount receivable can be measured reliably.

BUCKLAND NEWTON CPT LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2025

Donated services and facilities

No amounts are included in the accounts for services donated by volunteers.

Other trading activities

Gross rental income received from the letting of the charity's housing properties is recognised on a receivable basis.

Investment income

Investment income is recognised on a receivable basis.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources and depreciation charges allocated on the portion of the asset's use.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Housing properties are stated at cost less depreciation. Cost includes the cost of acquiring land and buildings, development costs, interest charges incurred during the development period and expenditure incurred in respect of improvements.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land	Not depreciated
Buildings	2% Straight Line Depreciation

Trade debtors

Trade debtors are rents due and are recognised at the settlement amount.

Prepayments

Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

BUCKLAND NEWTON CPT LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2025

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Provisions

Provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Fund structure

The charity's funds comprise solely general, unrestricted income funds, which are available for use at the trustees' discretion in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Buckland Newton CPT Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The accounts are presented in £ sterling.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised when the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount receivable can be measured reliably.

BUCKLAND NEWTON CPT LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

Donated services and facilities

No amounts are included in the accounts for services donated by volunteers.

Other trading activities

Gross rental income received from the letting of the charity's housing properties is recognised on a receivable basis.

Investment income

Investment income is recognised on a receivable basis.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources and depreciation charges allocated on the portion of the asset's use.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Housing properties are stated at cost less depreciation. Cost includes the cost of acquiring land and buildings, development costs, interest charges incurred during the development period and expenditure incurred in respect of improvements.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land	Not depreciated
Buildings	2% Straight Line Depreciation

Trade debtors

Trade debtors are rents due and are recognised at the settlement amount.

Prepayments

Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

BUCKLAND NEWTON CPT LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Provisions

Provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Fund structure

The charity's funds comprise solely general, unrestricted income funds, which are available for use at the trustees' discretion in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

BUCKLAND NEWTON CPT LIMITED

TRUSTEES' REPORT

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 30 April 2023.

Objectives and activities

Objects and aims

The objects of the Buckland Newton Community Property Trust as stated in the company's articles are:-

- To provide or assist in the provision of affordable housing accommodation for persons who are in conditions of need, poverty or distress,
- The maintenance, improvement or provision of public amenities,
- The provision of facilities for recreation or other leisure time occupation in the interest of social welfare with the object of improving the conditions of life for the residents of the area of benefit,
- The advancement of education and vocational training amongst the residents of the area of benefit, and the creation of training and employment opportunities by the provision of workspace, buildings and/or land for use on favourable terms.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales and also the Affordable Home Ownership guidance when reviewing the charity's aims and objectives and in planning future activities.

The area of benefit is Buckland Newton and the surrounding area in West Dorset.

Achievements and performance

These objects have been met through the provision of five assured tenancy homes for rent and five shared ownership (part equity) homes in Buckland Newton, financed primarily through a loan from West Dorset District Council, with grants from the Homes and Communities Agency, the Council and a charitable trust.

Financial review

Rental income of £55,765 (2022 - £52,161) was received, property management being carried out by Magna Housing Ltd. Investment income received was £9 (2022 - £nil).

Costs directly attributable to the provision of housing totalled £53,698 (2022 - £45,347), including £22,235 depreciation. Governance costs solely comprise accountancy and independent examination fees of £1,609.

Net income for the year was £2,076 compared with £6,964 in the prior year, with funds standing at £877,001 at 30 April 2023 (2022 - £874,925).

Policy on reserves

Owing to funds deployed in fixed assets or otherwise committed, the charity has no free reserves, day-to-day working capital needs are met by careful management of short-term liquid resources. The trustees consider that ideally free reserves of two months expenditure, would be expedient in order to cover the risks and uncertainties of operations.

Structure, governance and management

Nature of governing document

The Buckland Newton Community Property Trust was incorporated on 11 April 2007 as a charitable company limited by guarantee. The affairs of the company are governed by its articles, updated on 7 August 2013, under which the trustees control the company and its property and funds. Formal registration with the Charity Commission was confirmed on 16 September 2013.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Buckland Newton CPT Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The accounts are presented in £ sterling.

Going concern

The financial statements have been prepared on a going concern basis, which the Trustees consider appropriate despite the existence of net current liabilities of £11,767 at the year end. The Trustees have investigated the position and have determined that it is due to the loan to Dorset Council, which is repayable in regular monthly installments. The Trustees consider that the cash reserves of the Trust can be managed such that the Trust will be able to meet its liabilities as they fall due over the next twelve months, due to the timing of regular rental receipts, which are in excess of the loan repayment amounts.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

BUCKLAND NEWTON CPT LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2023

Income and endowments

All income is recognised when the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount receivable can be measured reliably.

Donated services and facilities

No amounts are included in the accounts for services donated by volunteers.

Other trading activities

Gross rental income received from the letting of the charity's housing properties is recognised on a receivable basis.

Investment income

Investment income is recognised on a receivable basis.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources and depreciation charges allocated on the portion of the asset's use.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Housing properties are stated at cost less depreciation. Cost includes the cost of acquiring land and buildings, development costs, interest charges incurred during the development period and expenditure incurred in respect of improvements.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land	Not depreciated
Buildings	2% Straight Line Depreciation

Trade debtors

Trade debtors are rents due and are recognised at the settlement amount.

Prepayments

Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

BUCKLAND NEWTON CPT LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2023

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Provisions

Provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Fund structure

The charity's funds comprise solely general, unrestricted income funds, which are available for use at the trustees' discretion in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

TRUSTEES' REPORT

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements and auditors' report of the charitable company for the year ended 30 April 2022.

Objectives and activities

Objects and aims

The objects of the Buckland Newton Community Property Trust as stated in the company's articles are:-

- To provide or assist in the provision of affordable housing accommodation for persons who are in conditions of need, poverty or distress,
- The maintenance, improvement or provision of public amenities,
- The provision of facilities for recreation or other leisure time occupation in the interest of social welfare with the object of improving the conditions of life for the residents of the area of benefit,
- The advancement of education and vocational training amongst the residents of the area of benefit, and the creation of training and employment opportunities by the provision of workspace, buildings and/or land for use on favourable terms.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales and also the Affordable Home Ownership guidance when reviewing the charity's aims and objectives and in planning future activities.

The area of benefit is Buckland Newton and the surrounding area in West Dorset.

Achievements and performance

These objects have been met through the development and provision of five assured tenancy homes for rent and five shared ownership (part equity) homes in Buckland Newton, financed primarily through a loan from West Dorset District Council, with grants from the Homes and Communities Agency, the Council and a charitable trust.

Financial review

Rental income of £52,161 (2021 - £53,227) was received, property management being carried out by Magna Housing Ltd.

Costs directly attributable to the provision of housing totalled £45,347 (2021 - £39,238), including £22,117 depreciation and £1 loan interest. Governance costs solely comprise accountancy and independent examination fees of £1,483 (2021 - £1,309).

Net income for the year was £6,964 compared with £13,990 in the prior year, funds standing at £874,925 at 30 April 2022.

Policy on reserves

Owing to funds deployed in fixed assets or otherwise committed, the charity has no free reserves, day-to-day working capital needs are met by careful management of short-term liquid resources. The trustees consider that ideally free reserves of two months expenditure, would be expedient in order to cover the risks and uncertainties of operations.

Plans for future periods

Aims and key objectives for future periods

The objectives going forward are to continue to provide homes for those in need.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2021

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Provisions

Provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Fund structure

The charity's funds comprise solely general, unrestricted income funds, which are available for use at the trustees' discretion in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

3 Net incoming/outgoing resources

Net incoming/(outgoing) resources for the year include:

BUCKLAND NEWTON CPT LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2021

Income and endowments

All income is recognised when the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount receivable can be measured reliably.

Donated services and facilities

No amounts are included in the accounts for services donated by volunteers.

Other trading activities

Gross rental income received from the letting of the charity's housing properties is recognised on a receivable basis.

Investment income

Investment income is recognised on a receivable basis.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources and depreciation charges allocated on the portion of the asset's use.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Housing properties are stated at cost less depreciation. Cost includes the cost of acquiring land and buildings, development costs, interest charges incurred during the development period and expenditure incurred in respect of improvements.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land	Not depreciated
Buildings	2% Straight Line Depreciation

Trade debtors

Trade debtors are rents due and are recognised at the settlement amount.

Prepayments

Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

I report to the charity trustees on my examination of the accounts of the charity for the year ended 30 April 2021 which are set out on pages 6 to 14.

Respective responsibilities of trustees and examiner

As the charity's trustees of Buckland Newton CPT Limited (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Buckland Newton CPT Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

BUCKLAND NEWTON CPT LIMITED

TRUSTEES' REPORT

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 30 April 2021.

Objectives and activities

Objects and aims

The objects of the Buckland Newton Community Property Trust as stated in the company's articles are:-

- To provide or assist in the provision of affordable housing accommodation for persons who are in conditions of need, poverty or distress,
- The maintenance, improvement or provision of public amenities,
- The provision of facilities for recreation or other leisure time occupation in the interest of social welfare with the object of improving the conditions of life for the residents of the area of benefit,
- The advancement of education and vocational training amongst the residents of the area of benefit, and the creation of training and employment opportunities by the provision of workspace, buildings and/or land for use on favourable terms.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales and also the Affordable Home Ownership guidance when reviewing the charity's aims and objectives and in planning future activities.

The area of benefit is Buckland Newton and the surrounding area in West Dorset.

Achievements and performance

These objects have been met through the development and provision of five assured tenancy homes for rent and five shared ownership (part equity) homes in Buckland Newton, financed primarily through a loan from West Dorset District Council, with grants from the Homes and Communities Agency, the Council and a charitable trust.

Financial review

Rental income of £53,227 (2020 - £49,798) was received, property management being carried out by Magna Housing Ltd.

Costs directly attributable to the provision of housing totalled £39,238 (2020 - £54,193), including £22,117 depreciation and £517 loan interest. Governance costs solely comprise accountancy and independent examination fees of £1,309 (2020 - £1,249).

Net income for the year was £13,990 compared with net expenditure of £4,932 in the prior year, funds standing at £867,961 at 30 April 2021.

Policy on reserves

Owing to funds deployed in fixed assets or otherwise committed, the charity has no free reserves, day-to-day working capital needs are met by careful management of short-term liquid resources. The trustees consider that ideally free reserves of two months expenditure, would be expedient in order to cover the risks and uncertainties of operations.

Plans for future periods

Aims and key objectives for future periods

The objectives going forward are to continue to provide homes for those in need.
