## TRUSTEES' REPORT

---

The Trustees present their report and the unaudited financial statements of the charity for the year ended 31 March 2021. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

### STRUCTURE, GOVERNANCE AND MANAGEMENT

The CriSeren Foundation was established as a Charitable Incorporated Organisation on 26 September 2013 (charity no. 1153967).

It is controlled by a Board of Trustees who have oversight of all aspects of the Foundation's affairs. The Director, Chris Llewellyn, as well as being a Trustee manages the day-to-day administration of the organisation.

The Trustees retain the power to appoint new Trustees.

Any new Trustees will be provided with copies of the Charity Commission's Guidance to Trustees and given an introduction to the activities of the Foundation by the existing Board. Existing Trustees are provided with training as and when required. On agreeing to become a Trustee of the Foundation the Trustees are thoroughly briefed by the existing Trustees on the history of the Foundation, the day-to-day management, their responsibilities as Trustees and the current objectives and future plans of the Foundation.

The Trustees have assessed the major risks to which the Foundation is exposed, in particular those relating to its investments and finances. The Trustees believe that by establishing controls over key financial systems, including periodic reviews of performance against benchmark, they have established effective systems to mitigate those risks.

### OBJECTIVES AND ACTIVITIES

The Foundation's objects are:

*The advancement of such exclusively charitable purposes as the trustees shall determine and in particular to aid UK registered charities develop their impact by the provision of appropriate financial, managerial and administrative support.*

In considering how best to achieve these objects the Trustees have had regard to the guidance on public benefit issued by the Charity Commission.

The Trustees have decided that the most effective use of the Foundation's resources will be in helping successful small and mid-sized UK charitable organisations and organisations pursuing charitable aims to develop their scope and impact. To this end the Foundation aims to develop ongoing relationships with a number of organisations, to whom they will provide both financial grants and other support as appropriate.

In the opinion of the Trustees, by making grants only to either charitable organisations or for specific charitable purposes to be delivered by other organisations, the charity fulfils its obligation to deliver public benefit in furtherance of its objects.

### GRANT MAKING POLICY

A yearly budget and funding priorities are established at the appropriate Trustee Meeting.

The Foundation sources the majority of its funding opportunities itself. Regular meetings are held by the Trustees to discuss applications, which must be in writing.

Usually grants will be formalised by the signing of a Memorandum of Understanding with the recipient. Recipients will be required to sign a formal receipt for any funds. Where relevant, the Trustees also ask to be provided with copies of receipts for expenditure and the grant may be subject to an ongoing monitoring programme and further instalments of grants only released subject to timescales being reached.

In addition to grants the Foundation has also provided a wide variety of advice and support, including pro bono consultancy to current and previous grantees and organisations with whom the Foundation doesn't have a funding relationship

### FINANCIAL REVIEW

Outgoing resources totalled £41,454 (2020: £39,053) including £39,284 (2020: £35,000) of grants to beneficiary institutions. Total income for the year ended 31 March 2021 was £27,720 (2020: £34,522) inclusive of a donation to the Foundation of £25,000 (2020: £25,000). CriSeren Limited has committed to make the same addition in the Foundation's next financial year.

As at 31 March 2021 the Foundation's free reserves were at a level of £9,286 (2020: £4,545). It is noted that there was an increase in the level of the expendable endowment over the year of £76,720 made up of realised and unrealised gains.

The Trustees' policy on reserves is to seek to distribute or commit the income arising in each financial year. Given the availability of the expendable endowment fund the Trustees do not consider that the Foundation needs to maintain any significant free reserves although they recognise that such reserves will arise from time to time.

There are no restrictions on the Foundation's power to invest. The investment strategy was reviewed and updated over the period to ensure effective stewardship of the Foundation's funds.

### FUTURE PLANS

The CriSeren Foundation Trustees are committed to continue working flexibly with organisations with a central social purpose to help them deliver even more of an impact. This is particularly the case in the helping them respond effectively to the challenging situation created by the Covid-19 pandemic. To this end the Trustees will examine the resources available to them to ensure that they are used most effectively.

## TRUSTEES' REPORT

---

### STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### APPOINTMENT OF INDEPENDENT EXAMINER

During the year under review Geoffrey Frost of Blue Spire Limited continued as independent examiner to the charity.

## INDEPENDENT EXAMINER'S REPORT

---

### Independent Examiner's Report to the Trustees of The CriSeren Foundation

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2021 which are set out on pages 6 to 13.

### Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## ACCOUNTING POLICIES

---

### Scope and basis of the financial statements

The Criseren Foundation is a Charitable Incorporated Organisation in England. The address of the principal office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities detailed in the trustee's report.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

### Cash flow statement

The charity has applied Update Bulletin 1 as published on 2 February 2016 and does not include a cash flow statement on the grounds that it is applying FRS 102 Section 1A.

### Incoming resources

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Investment income is earned through holding assets for investment purposes such as shares. It includes dividends and interest. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the charity's right to receive payment is established.

### Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following expenditure headings:

- Charitable activities; these include grants to third parties and the costs of administering the charity inclusive of governance costs

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity.

Support and governance costs are those that assist the work of the charity but do not directly represent charitable activities. They are incurred directly in support of expenditure on the objects of the charity. Governance costs are those incurred in the governance of the charity and primarily associated with the constitution and statutory requirements.

### VAT

The charity is not registered for VAT and is unable to recover VAT incurred. On this basis costs are recorded inclusive of VAT within the SOFA.

### Investments

Investments are included at market value at the balance sheet date. Any gain or loss on revaluation is disclosed in the SOFA, if applicable.

Where investment assets are held in a foreign currency they are translated at the prevailing rate at the balance sheet date and any gain/loss on exchange rate movements is included in the statement of financial activities in the other recognised gains and losses section.

## ACCOUNTING POLICIES

---

### **Debtors receivable and creditors payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

### **Taxation**

The charity is considered to pass the tests set out in sections 521 to 536 Income Tax Act 2007 (ITA 2007), as such no income tax is payable on the charity's activities.

### **Fund accounting**

Unrestricted general funds are incoming resources receivable or generated for use in furtherance of the general objects of the charity without restriction.

Expendable endowment funds are those which are required to be invested to produce income but which may be transferred to unrestricted funds at the discretion of the trustees in order that they may be expended in furtherance of the charity's objectives.

### **Going concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

The trustees have assessed the impact of the Coronavirus (COVID-19) pandemic on the charity and its activities and whilst it is expected the income of the charity may be impacted in the next accounting period it is not expected to have a material impact on the charity's going concern status.
