Services Delivered

We had a challenging year due to the Covid 19 Crisis. All services were provided remotely and online. The online events were very well received.

We offered services in the following areas:

1. Provided Remote Advocacy / Advice/ Information Services/ Youth & Parenting Courses
2. Undertook research into causes and cures of youth disaffection, demoralization, life and career issues.
3. Youth remote and face to face support and guidance workshops
4. Acted as a resource body

Future prospects

The charity is in desperate needs of funds and currently has no paid staff members or full-time staff due to a lack of funds.

The trustees will work to ensure the continuation of services as far as is possible and to work with other stakeholders to strive to enhance and bring the optimum level of benefit to those who need our support the most.
