Trustee selection methods:

Trustees are appointed by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, Charlie's Gift trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO. At all times there should be 6 Trustees acting on the Charlie's Gift governing body.

3. Objectives and activities

Summary of the objects of Charlie's Gift as set out in our governing document:

'To relieve the needs of children in Hertfordshire, Bedfordshire and Buckinghamshire who are disadvantaged through ill-health, bereavement or poverty by the provision or assisting in the provision of grants.'

Charlie's Gift is a Hertfordshire based charity committed to helping to make a positive impact on the lives of disadvantaged children living within the geographical area of Hertfordshire, Bedfordshire and Buckinghamshire, known locally as the Three Counties area. Charlie's Gift provides financial assistance to local children through the provision of grants of money. The children we support face daily challenges because of health issues, special needs, disability, bereavement or poverty.

Trustees Nicole and Jason Fidler founded Charlie's Gift in memory of their young son Charlie. Charlie died suddenly in June 2010, aged just 8 years from Anaphylactic Shock. He was a loving and giving little boy who lived his short but happy life to the full.

In the compassionate spirit to which Charlie approached his life, our aim as a charity is to lend a financial helping hand to children whose lives are touched by adversity, living within Hertfordshire, Bedfordshire and Buckinghamshire. Our hope is that the grants of money will help towards making these children's lives a little happier and a little easier.

Children's Community Groups operating within Hertfordshire, Bedfordshire or Buckinghamshire, supporting children who are affected by health issues, special needs, disability, bereavement or poverty, are eligible to apply for a grant from Charlie's Gift.

We consider requests for grants, which will be of clear and direct benefit to the children within these groups. Examples may include funding pieces of equipment (therapeutic, educational or recreational), or help with funding days out, or memory making experiences.

When planning our charitable activities for the year 2023/24 our Trustees ensured that we worked within the particular charitable purpose under which Charlie's Gift operates, defined by the Charities Commission as, 'the relief of those in need, by reason of youth, age, ill-health, disability, financial hardship or other disadvantage'.

In all charity decision making, and when exercising our powers and duties, we had regard for the Charity Commission's guidance on public benefit i.e., that we should operate in accordance with our charitable purposes and be of direct benefit and have a positive impact on the community we are aiming to serve. We also had regard for the Charity Commission's additional guidance on carrying out charitable activities, which states that such activities should be undertaken without causing detriment or harm to the public, or giving rise to more than incidental personal benefit.

Our special thanks go to the following people and organisations for their generous monetary contribution to our overall fundraising total for the year of **£30,786.85** -

The Fisher Charitable Foundation
The Hemel Hempstead Rotary Club
The Simon Gibson Charitable Trust
The Berkhamsted Rotary Club
Brightwell Aerials

We also want to thank some individual fundraisers who went above and beyond this year to organise some fabulous events for our charity. We are so appreciative of their efforts: -

1. Talia Dussek for once again gathering together a host of local talented musicians for the wonderful Gig in the Garden 2024.
2. Parmiter's School Year 13 Dragons Apprentices for their fundraising for our charity through a number of amazing events throughout the year.

This year Charlie's Gift hosted its Annual Charlie Fidler Golf Day in September 2024 at the West Herts Golf Club. It was well attended and a great day was had by all the Golfers, who helped to raise £1756.15 for the charity.

4. Achievements and performance

In 2022, the Trustees of Charlie's Gift made the important decision going forward to provide grants only to Children's Community Groups in our local area. We made this decision to allow us to reach more children locally than we have been able to with individual grants, and also to help bridge the gap where there is a lack of funding from other sources. Over recent years we have been made acutely aware that local community groups are seriously under-funded and as a collective the Trustees of Charlie's Gift felt that we could better serve the local community by providing funding to children's groups for essential pieces of mobility, play and technology equipment, in addition to funding life-enhancing activities such as day trips and memory making experiences.

As we come to the close of our second year of implementing our new grant making provision, the Trustees of Charlie's Gift are delighted to report that in the period 2023/2024 we were able to award 10 grants totalling £11,154.15 to some wonderful children's groups operating in the Three Counties region.

In keeping with our charities aims and objectives, eligible groups needed to show evidence that they were providing support for children who are facing challenges due to one or more of the following reasons: - health issues, special needs, disability, bereavement or poverty.

Included here are all the 2023/2024 Grant recipients, together with the items/experiences funded and a little information about each group:

1. THE HERTSMERE FAMILY CENTRE EARLY START TEAM offer fabulous services for families with children who have emerging Special Educational Needs. A Charlie's Gift grant awarded for £1000 was split across three of their groups (The SEND Chat and Play, Early Talk and Early Adventurers groups), to be used to purchase some essential play and therapy items for the pre-school children in their care. The funded items included puzzles, wooden art easels, ride-on spinning toys and other sensory play items.
2. BABY BANK HERTS, HERTFORDSHIRE is a wonderful small group set up with the aim of helping families who are facing hardship across Hertfordshire. They source new as well as second hand items which their volunteers then distribute to families with babies, who are in desperate need.

The Trustees of Charlies' Gift were absolutely delighted to help Baby Bank Herts with a grant for £1500 to purchase some new items that they were desperately lacking in. These items included double prams, cots and stairgates, which will all help to make life safer and more comfortable for young children living in poverty in our local area.

3. **FACES BABY BANK, BEDFORDSHIRE** is a fantastic group which aims to provide support and essential items to families who are struggling financially and feeling overwhelmed by the pressures of providing for a baby or young child. They are entirely reliant on donations to help run their valuable community service. FACES requested help from Charlie's Gift to fund New Born packs for babies, where a baby has nothing for even their most basic needs. We were thrilled to be able to help with a grant for £1500 to fund several moses basket mattresses, high chairs, car seats, nappies and baby milk for some of the most vulnerable children in our local community.
4. **CHIPS, HERTFORDSHIRE** run amazing playschemes in Hertfordshire for children with additional needs, and their siblings. During their Playschemes, alongside free play, they offer a wide variety of activities such as baking, sports and arts and crafts. With a grant of £1000, Charlie's Gift was able to fund a range of amazing items for their playschemes including 2 bikes, a mini tennis and rounders set, a whole array of sensory play items, craft materials, musical instruments and a play kitchen, complete with play food and pots and pans.
5. **BREAKAWAY PLAYSCHMES, HERTFORDSHIRE** is a fantastic group providing short term respite for parents and carers of children with additional needs. Their playschemes offer stimulating play and quality care, tailored to meet the individual needs of the children. Their holiday club runs in Stevenage during school holidays, together with a monthly Saturday Club during term time. We were so excited to be able to support the incredible work of the Breakaway Playschemes with a grant for £1000 for some wonderful items for the children in their groups to enjoy. These items included footballs, a large outdoor Jenga, bean bag chairs, bubble machines, sensory toys and a play tent, as well as communication aids and therapy massage tools.

6. KEECH HOSPICE TOTS 'N' TOYS GROUP, BEDFORDSHIRE is a group for children under 5 with life-limiting conditions and their parents. It's a fun group, always with a lot going on - music, play and craft activities. The group gives children a chance to play with others whilst the Hospice team are on hand for advice for parents.

Tots 'n' Toys provides a safe haven for families going through some very difficult challenges and we were absolutely delighted to be able to support their vital work with a grant for £1000 to fund some creative play and memory making items for the children in the group. These items included a year's supply of hand and foot moulds, pottery and painting equipment, and photographers and canvases to capture special moments that can be kept forever.

7. POTENTIAL KIDS are an amazing Youth Group based in Hatfield, embracing Neurodiversity by providing a safe and nurturing space in which their community can flourish, through making valuable connections, whilst promoting Physical and Mental Health. We were delighted to award Potential Kids a Charlie's Gift grant for £1153.15 to fund some sensory waterproof bean bags, an outdoor discovery table and a storage cupboard unit for their Community and Learning Garden.

8. YOUTH TALK is a free, professional and one-to-one counselling service for young people based in St Albans, who are experiencing mental health issues. Their aim is to provide a safe place for every young person to talk in confidence about whatever is on their mind. Youth Talk counsellors are experienced in supporting an extensive range of mental health conditions including anxiety, depression, social isolation, childhood trauma and abuse and issues arising from bereavement. We were happy to be able to support Youth Talk's essential work in our local community by providing a Charlie's Gift Grant for £1200 to give a young person the gift of 24 counselling sessions with one of their highly experience counsellors.

9. THE SEND HOLIDAY CLUB HIGH WYCOMBE are a parent-led group who meet in the school holidays for children with additional needs and their families. The amazing group provides a social space for the children to get to know each other and make friends, whilst taking part in lots of fun activities including arts and crafts and indoor and outdoor play in their safe designated spaces. Charlie's Gift were so pleased to be able to provide The SEND Holiday Club with a grant for £950 to cover the costs of their Summer 2025 trip to Southend.
10. UP ON DOWNS is a fabulous parent run Hertfordshire support group for children with Down's Syndrome and their families. Up on Downs support their families by providing opportunities for the children to socialise and learn and grow together. They offer a wide programme of fun family activities and outings, plus workshops and education days for parents and carers. We were thrilled to be able to award a Charlie's Gift grant for £851 to Up on Downs for their 2024 Christmas Party, to cover the costs involved in running the event, everything from party food to gifts from Santa.

Although no official reserves policy currently exists, the Trustees of Charlie's Gift are always mindful in our expenditure that we have sufficient funds to cover costs and unforeseen costs involved in setting up and running events. We are also careful to ensure that when making grants our bank balance is in a position to cover this expenditure, and that we always leave a reserve of £5,000 in the account to enable us to help as many children as possible throughout our financial year.

Additionally, to prevent our funds becoming overly depleted, the Trustees of Charlie's Gift make sure that we regularly top up our funds by carrying out fundraising events and activities throughout the year. This has been a challenge again this year, but we were incredibly fortunate to be able to rally support from our wonderful community of fundraisers and donors.

We have no foreseeable overheads for the coming year in terms of staffing and premises since all of our trustees are unpaid volunteers. The registered address from which we run the charity is the home of two of our trustees, meaning there are no rental or utility costs involved. We anticipate continuing to operate in this way, meaning there will be minimal running costs once again for the year ahead.

As we enter into our Financial Year 2024/2025, the Trustees of Charlie's Gift are optimistic that we will be in a position to fully commit to our charitable aims and objectives for the coming year. Our bank balance currently stands at a healthy £54,054.99, placing us in a good position to start a new financial year of fundraising and grant-making across Hertfordshire, Bedfordshire and Buckinghamshire.

In summary, we are extremely proud of how we have performed as a charity in 2023/2024, through the implementation of our new grant-making scheme. As we enter 2024/2025, we look forward to continuing to serve the community, through the provision of grants to some very deserving local children's groups.

EXAMINER'S UNQUALIFIED REPORT (FOR A NON-COMPANY CHARITY)
Independent examiner's report to the trustees of Charlie's Gift.

I report to the trustees on my examination of the accounts of Charlie's Gift (the Trust) for the year ended 27th November 2024, which are set out on pages 8 to 9.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

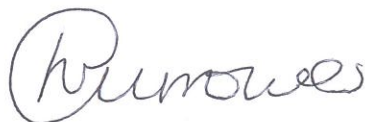

I report in respect of my examination of the Trustee's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
