Summary of the main achievements of the charity during the year

Our volunteers and the foundations that we have laid down in West Norwood have continued to help the community in this difficult year. West Norwood Islamic Centre has fully reopened as of January 2021.

Activities have resumed in the community, and some normality has returned to the day to day services provided by our volunteers at the West Norwood Islamic Centre, however the strain that Covid-19 brought about on the community has remained, with worshippers continuing to wear masks and hand gel being provided regularly for anyone to use.

Section E

Financial review

Brief statement of the charity's policy on reserves

All income that is generated by WNMCP is spent as and when it is needed. We may accrue reserves over a period of time, but this is not at an expense of withholding funds from our day to day activities. Our fundraising is for the general purposes of the Charity, unless stated otherwise. In the case of specific fundraising, we set aside these restricted funds and use them accordingly without haste. In keeping with being transparent, we do not at this time have a specific policy on reserves, aside from what has already been stated.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
