Summary of the main achievements of the charity during the year

Our volunteers and the foundations that we have laid down in West Norwood have continued to help the community.

Regular activities have resumed in the community, and normality has returned to the day-to-day services provided by our volunteers at the West Norwood Islamic Centre.

We have also noticed the rise in members of the local community who are coming to the Islamic faith, from teenagers upwards. This has prompted us to start networking with them and providing extra services for their integration into the community.

In this financial year we organised a number of activities for the local Muslim community:

1. In April 2023, we organised a Ramadan Iftar event for New Muslims of West Norwood and surrounding areas.
2. Also in April 2023, we started a networking group for New and Young Muslims in the West Norwood and surrounding areas on WhatsApp.
3. In May 2023 we sponsored a monthly New Muslims dinner in a local mosque.
4. In July 2023 we organised an Activity Day Camp for Muslim youth from the ages of 13 – 22 in South Croydon.

Section E Financial review

Brief statement of the charity's policy on reserves

All income that is generated by WNMCP is spent as and when it is needed. We may accrue reserves over a period of time, but this is not at an expense of withholding funds from our day-to-day activities. Our fundraising is for the general purposes of the Charity, unless stated otherwise. In the case of specific fundraising, we set aside these restricted funds and use them accordingly without haste. In keeping with being transparent, we do not at this time have a specific policy on reserves, aside from what has already been stated.

Details of any funds materially in deficit

You **may choose** to include additional information, where relevant about:
