The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### OBJECTIVES AND ACTIVITIES

##### Objectives and aims

The organisation aims to be a strong, independent, and effective champion for people that use health and social care services. The organisation will continue to influence health and care services and seek to improve joined-up care for the people of Derbyshire.

Its aims and objectives are:

1. To be an independent, free-standing body that is respected for its independence and trusted by residents and stakeholders.
2. To enable people to share their views and concerns about their local health and social care services.
3. To provide a health and social care information and signposting service for the people of Derbyshire.
4. To give authoritative, evidence-based feedback to organisations across the health and care system as a valued system partner.
5. To be an exemplary Healthwatch that is a valued, authoritative organisation within the health and care system.
6. To address emerging issues by being flexible, responsive, and agile.
7. To actively highlight inequality, and pay attention to the voices that can most struggle to be heard.
8. To influence service development across health and care services by representing the views of people in Derbyshire.
9. To extend reach across Derbyshire, through local champions.
10. To liaise with and alert local and national stakeholders of health and social care service concerns.
11. To operate as a viable, sustainable entity, that is strong, well-led, and well-governed.
12. To use our human and financial resources in a way that achieves the greatest impact.
13. To be a great place to work and volunteer, as an organisation that demonstrates through action the value it places on our staff and our volunteers.

##### Public benefit

The charity's Trustees have had due regard to the public benefit guidance published by the Charity Commission.

The organisation works towards a vision to see consumers of health and social care services being put centre stage so that service providers and commissioners listen to what they have to say and use their voices to shape, inform and influence service delivery and design.

#### **ACHIEVEMENT AND PERFORMANCE**

The work of Healthwatch Derbyshire is achieved by:

- Exploring key topics and themes, and planning engagement to collect insight.
- Routinely sharing patient feedback with organisations, to help improve how services are delivered and designed.
- Writing reports on specific topics, containing recommendations for improvement to have impact.
- Representing the voice of patients in key strategic meetings in the health and care system
- Running a programme of activity for Enter and View Representatives, who can visit and observe health and care settings and write a report.
- Developing communication systems to collect feedback, report on our activity and outcomes, and raise awareness of the Local Healthwatch movement.
- Promoting collaborative working with other organisations in the health and care system.

This year, our work has covered topics such as accessing an NHS dentist, accessing GP appointments, experiences of patients at inpatient mental health units, and discharge from hospital. Our volunteers have also been involved in activity such as delivering presentations in their local communities, and improving access to information about the NHS for asylum seekers.

#### **FINANCIAL REVIEW**

##### **Principal funding sources**

The principal funding source for the organisation comes from a contract with Derbyshire County Council to perform the Healthwatch statutory function. Such income is classified as unrestricted funds.

During this period funds have also been received from NHS Derby and Derbyshire to run a Mental Health Engagement Service, and the Living Well Engagement Service these funds are restricted.

Healthwatch Derbyshire had a total income of £512,176 for the year ended March 2024, working to ensure value for money and effective use of our resources.

##### **Reserves Policy**

Healthwatch Derbyshire's Board of Directors recognise that to demonstrate prudent financial management a sum of money, identified as reserves, must be maintained. These reserves are retained to demonstrate resilience and ensure the sustainability of Healthwatch Derbyshire's mission and services, to manage risks associated with unexpected changes in income or expenditure, and to take advantage of new opportunities in accordance with Healthwatch Derbyshire's objectives. Reserves will be identified to ensure Healthwatch Derbyshire can satisfy legal obligations to staff, suppliers, funders and others in the event of closure of the organisation.

Three months of operational costs should ideally be maintained as unrestricted funds in order to meet the Charity's objectives.

The unrestricted reserves held at 31 March 2024 were 73,204 (2023 - £94,153) equate to at least three months of operational costs based on projected expenditure.

##### **Restricted Funds**

During the year, the charity received restricted funds of 191,062 to run the Mental Health Engagement Service and Living Well Contract. These are both engagement services for Mental Health Service Receivers and their carers.

##### **Operating Efficiency**

Healthwatch Derbyshire has effective governance and monitoring systems in place, overseen by the Finance & Audit and Governance subgroups of the Board.

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024**

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The charity was originally incorporated under the Companies Act 1985 on 21 February 2013 as a company limited by guarantee and is governed by its Memorandum and Articles of Association which were amended by special resolution on 9 July 2013. It was registered as a charity on 18 October 2013.

##### **Recruitment and appointment of new trustees**

A director (who also serves as a trustee and management group member) must be aged 18 years or older. Directors are appointed at the Annual General Meeting or by other directors. For full details of the appointment and duties of directors please refer to the Articles of Association.

##### **Organisational structure**

The Trustees delegate management responsibilities to the Chief Executive, and also delegate certain functions to subgroups. Each subgroup has specific terms of reference and a chair appointed by the trustees.

This delegation is controlled by requiring regular reporting from the Chief Executive and the sub-committees to the Board of Trustees. Trustees acknowledge that such a system is designed to manage rather than eliminate the risk of failure to achieve Healthwatch Derbyshire's charitable purposes, and can only provide reasonable and not absolute assurance against material misstatement or loss.

Through the oversight of both the Finance and Audit, and the Governance subcommittees, Trustees review the effectiveness of the system of internal control and risk management.

##### **Wider network**

Healthwatch Derbyshire is part of a national network of Healthwatch organisations in England.

### Independent examiner's report to the trustees of Healthwatch Derbyshire Ltd ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2024.

#### Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
