TRUSTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2025

Structure, Governance and Management: OSAIS is a charity limited by guarantee and received charitable status in October 2013. It is governed by the Articles of Association last updated in June 2013.

Organisational Structure

The trustees are responsible for the general management of the charity and ensuring that all legal requirements are met. The trustees receive no remuneration or other financial benefits. The trustees have appointed ACT (Azhari Consultancy & Training) to manage the daily operation of OSAIS. ACT has set up a management structure, which consists of a management team (Shoora Team) and general volunteers from the student body. ACT ensures that those that are working for OSAIS are trained and supported to efficiently carry out their duties to meet the objectives set out in the Articles of Association.

OSAIS has an AGM every year. The trustees have two formal meetings annually. ACT has had several meetings throughout the year with the various teams. All meetings are documented.

Appointment and Training of Trustees

Trustees appoint a new trustee by nominating candidates based on their commitment and understanding of the ethos and vision of OSAIS and their availability. OSAIS trustees are committed to ensure that there is an equal representation of male and female trustees. The School Council and School students are consulted on the appointment of new trustees. Voting takes place amongst the trustees and they are added according to the majority. Potential trustees are invited to attend trustee meetings as observers to fully understand the role of a trustee and OSAIS aims and objectives. When a decision has been finalised, the selected individual will be formally contacted by the School Services Team from OSAIS who will formally welcome them as a trustee. Training of trustees is a joint responsibility of ACT, current trustees and the Shoora team.

Objectives

In setting our objectives and planning our activities, the trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

- To provide facilities for the provision of Islamic education in Manchester as well as nationally.
- Setup and engage in interfaith and community activities to promote and support social cohesion within Manchester, and the surrounding areas.
- To provide and maintain a building used for educational and community purposes in Manchester.

Review of Activities and Achievements

Development

- The next plans are to raise funds for the refurbishment of the basement into a fully functional room with more facilities. The exact details are still being discussed and will be considered through more consultation from the managing teams. Some renovations have taken place such as updating of the sign at the front of the building.
- The new OSAIS website (<http://theopenschool.org>) is fully running now and is updated regularly. It is hoped this will allow greater efficiency for students and those working in OSAIS and also allow the general public to learn more about the ethos of OSAIS.

Future Plans

- Expanding of the school has started although this is in the early stages at the moment. Student teachers are currently working on forming sub teams to manage and operate local centres in various locations throughout the UK. This is in the planning process and is a gradual process which is reviewed twice per year in the Shooraa team biannual meetings (In-person Shooraa).
- There have been some discussions on renovating the basement and these are still in discussion. Some maintenance work will also be done to internal and external parts of the building which require updating.
- To promote the availability of the OSAIS centre for community activities, Nikkah (wedding) ceremonies, and educational activities and to allow easier payment of the outstanding payments on the purchased building.

To plan and arrange more non-academic and extracurricular activities for adults and children to bring communities together in a positive environment.

Financial review

The financial position of charity as at 31 March 2025 was showing: -

	£
Unrestricted funds	248,188
Restricted funds	0
Total funds	<u>248,188</u>

The principle funding of the charity is from donations.

Reserve policy

It is the trustees' intention to generate a balance of unrestricted reserves, which will allow for the operation of the charity.

Investment policy

The trustees have considered the most appropriate policy for investing funds and have found that a building society or bank deposit account meets their requirements should funds be available to invest.

Statement of trustees' responsibilities

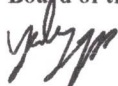

Under company law the trustees have the same legal responsibilities as company directors and the title is interchangeable.

Company law requires the trustees to prepare accounts for each financial year, which give a true and fair view of the state of the affairs of the company and the profit and loss of the company for that year. In preparing those accounts the trustees are required to select suitable accounting policies and then apply them consistently; make judgements and estimates that are reasonable and prudent; follow applicable accounting standards, subject to any material departures disclosed and explained in the accounts; and prepare the accounts on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The above report has been prepared in accordance with special provisions of section 477 of Companies Act 2006 relating to small companies.

THE OPEN SCHOOL FOR ARABIC AND ISLAMIC STUDIES (OSAIS)

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEE'S OF THE OPEN SCHOOL FOR ARABIC AND ISLAMIC STUDIES (OSAIS)

I report on the accounts of the charity for the year ended 31 March 2025, which are set out on pages 7 to 11.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act;have not been met; or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

TRUSTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2024

Non-Academic

Extra-curricular activities have included community events between local council and police, as well as College and University societies. Various meetings have been organised with Scholars who engage in bettering community relations through Interfaith and talks to the general public. OSAIS have attended events in Oldham, Birmingham and Cardiff. Eid Ul-Fitr party was held in April 2023. Eid Al Adha gathering was held in July 2023

Review of Activities and Achievements

Development

- The next plans are to raise funds for the refurbishment of the basement into a fully functional room with more facilities. The exact details are still being discussed and will be considered through more consultation from the managing teams. Some renovations have taken place such as updating of the sign at the front of the building.
- The new OSAIS website (<http://theopenschool.org>) is fully running now and is updated regularly. It is hoped this will allow greater efficiency for students and those working in OSAIS and also allow the general public to learn more about the ethos of OSAIS.

Future Plans

- Expanding of the school has started although this is in the early stages at the moment. Student teachers are currently working on forming sub teams to manage and operate local centres in various locations throughout the UK. This is in the planning process and is a gradual process which is reviewed twice per year in the Shoora team biannual meetings (In-person Shoora).
- There have been some discussions on renovating the basement and these are still in discussion. Some maintenance work will also be done to internal and external parts of the building which require updating.
- To promote the availability of the OSAIS centre for community activities, Nikkah (wedding) ceremonies, and educational activities and to allow easier payment of the outstanding payments on the purchased building.
- To plan and arrange more non-academic and extracurricular activities for adults and children to bring communities together in a positive environment.

TRUSTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2024

Financial review

The financial position of charity as at 31 March 2024 was showing: -

	£
Unrestricted funds	257,052
Restricted funds	0
Total funds	<u>257,052</u>

The principle funding of the charity is from donations.

Reserve policy

It is the trustees' intention to generate a balance of unrestricted reserves, which will allow for the operation of the charity.

Investment policy

The trustees have considered the most appropriate policy for investing funds and have found that a building society or bank deposit account meets their requirements should funds be available to invest.

Statement of trustees' responsibilities

Under company law the trustees have the same legal responsibilities as company directors and the title is interchangeable.

Company law requires the trustees to prepare accounts for each financial year, which give a true and fair view of the state of the affairs of the company and the profit and loss of the company for that year. In preparing those accounts the trustees are required to select suitable accounting policies and then apply them consistently; make judgements and estimates that are reasonable and prudent; follow applicable accounting standards, subject to any material departures disclosed and explained in the accounts; and prepare the accounts on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The above report has been prepared in accordance with special provisions of section 477 of Companies Act 2006 relating to small companies.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEE'S OF THE OPEN SCHOOL FOR ARABIC AND ISLAMIC STUDIES (OSAIS)

I report on the accounts of the charity for the year ended 31 March 2024, which are set out on pages 7 to 11.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

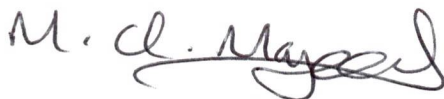

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act;have not been met; or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

THE OPEN SCHOOL FOR ARABIC AND ISLAMIC STUDIES (OSAIS)

TRUSTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2023

Structure, Governance and Management: OSAIS is a charity limited by guarantee and received charitable status in October 2013. It is governed by the Articles of Association last updated in June 2013.

Organisational Structure

The trustees are responsible for the general management of the charity and ensuring that all legal requirements are met. The trustees receive no remuneration or other financial benefits. The trustees have appointed ACT (Azhari Consultancy & Training) to manage the daily operation of OSAIS. ACT has set up a management structure, which consists of a management team (Shoora Team) and general volunteers from the student body. ACT ensures that those that are working for OSAIS are trained and supported to efficiently carry out their duties to meet the objectives set out in the Articles of Association.

OSAIS has an AGM every year. The trustees have two formal meetings annually. ACT has had several meetings throughout the year with the various teams. All meetings are documented.

Appointment and Training of Trustees

Trustees appoint a new trustee by nominating candidates based on their commitment and understanding of the ethos and vision of OSAIS and their availability. OSAIS trustees are committed to ensure that there is an equal representation of male and female trustees. The School Council and School students are consulted on the appointment of new trustees. Voting takes place amongst the trustees and they are added according to the majority. Potential trustees are invited to attend trustee meetings as observers to fully understand the role of a trustee and OSAIS aims and objectives. When a decision has been finalised, the selected individual will be formally contacted by the School Services Team from OSAIS who will formally welcome them as a trustee. Training of trustees is a joint responsibility of ACT, current trustees and the Shoora team.

Objectives

In setting our objectives and planning our activities, the trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

- To provide facilities for the provision of Islamic education in Manchester as well as nationally.
- Setup and engage in interfaith and community activities to promote and support social cohesion within Manchester, and the surrounding areas.
- To provide and maintain a building used for educational and community purposes in Manchester.
- To engage and support the positive work done by other Muslim institutes and communities who are also working for the betterment and community relations of the wider society in the UK.

Our objectives are set to reflect our educational aims and the ethos of OSAIS and along with our activities and developments, they are reviewed bi-annually (In-person Shoora) by the management teams.

The focus of our work

Academic

OSAIS provides Islamic education to adult Muslims locally and nationally through classes based in person and via online facilities.

The classes range from foundation to an advanced level. A number of OSAIS teachers manage the delivery of the academic courses offered by OSAIS. Some of these courses include Ilm Al-Tajweed (Science of Intonation), Ilm As-Seerah (Key Biographies), Ilm Al-Tafseer (commentary of the Quran), Arabic GCSE and Arabic A Level. A full list is available on the OSAIS blog which can be found at <https://osaisstudents.wordpress.com>

Similarly OSAIS also has a department for education for young people known as The Azhari Madrasat (TAM) which offers Islamic studies and extra curricular activities for children from the age of 10 years and above.

OSAIS also conducts Day Studies and short courses where possible. Examples of such Days Studies include Medical Ethics, Principles of Research, Citizenship and Arbitration.

Current Events

OSAIS courses are delivered online as well as in-person in various localities as well as the OSAIS Centre. Students from all over the UK are studying with OSAIS through the Student Teachers and with the support of ACT. Educational courses such as Ilm Al-Tajweed (Science of Intonation) and Arabic Language continued to be delivered by Student Teachers in collaboration with ACT.

Training courses such as the ST (Student Teachers) Inset and the In-Person Shoora (OSAIS Management Team Meeting) also took place which serves the purpose of reviewing all OSAIS activities as well as working collectively on further development and planning. Again these were delivered with the support of ACT.

OSAIS facilitated the following short courses this year:

1. Arabic Advanced Level for Adults and young people - A week of intensive Arabic Language took place in July 2022.
2. Dealing with conflicts for organisations Day study - This was a 3 part day study course that was delivered in December 2022 and continued in January 2023, by ACT for Student Teachers and the management team.
3. Introduction to Siyaam and Tazkiyah - a Day study delivered by three Student Teachers under ACTs guidance.
4. Introduction to Tazkiyah and (Spiritual Purification) and I'tikaaf (Spiritual seclusion) - A one-day study of spiritual purification focussing on spiritual seclusion in Ramadhan took place in March 2022.
5. Ramadhan Talks delivered by Student Teachers in March 2022 in local centres.
6. ST Teaching Khateeb and Khutbah training - this course was to train local Imaams and STs on how to deliver the Friday sermon in Mosques and took place in June 2022.
7. How to teach Medical Ethics - Delivered in June 2022 for health professionals.
8. The Azhari Madrasat (TAM) Open Day - This took place in July 2022 and January 2023 for parents and guests. The children gave presentations and were awarded certificates.

Non-Academic

Extra-curricular activities have included community events between local council and police, as well as College and University societies. Various meetings have been organised with Scholars who engage in bettering community relations through Interfaith and talks to the general public. OSAIS have attended events in Oldham, Birmingham and Cardiff. Also a bring a dish gathering took place in December for women and young children. ACT and OSAIS also attended a seminar on drugs, alcohol and addiction support in Leicester in April 2022.

THE OPEN SCHOOL FOR ARABIC AND ISLAMIC STUDIES (OSAIS)

TRUSTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2023

Structure, Governance and Management: OSAIS is a charity limited by guarantee and received charitable status in October 2013. It is governed by the Articles of Association last updated in June 2013.

Organisational Structure

The trustees are responsible for the general management of the charity and ensuring that all legal requirements are met. The trustees receive no remuneration or other financial benefits. The trustees have appointed ACT (Azhari Consultancy & Training) to manage the daily operation of OSAIS. ACT has set up a management structure, which consists of a management team (Shoora Team) and general volunteers from the student body. ACT ensures that those that are working for OSAIS are trained and supported to efficiently carry out their duties to meet the objectives set out in the Articles of Association.

OSAIS has an AGM every year. The trustees have two formal meetings annually. ACT has had several meetings throughout the year with the various teams. All meetings are documented.

Appointment and Training of Trustees

Trustees appoint a new trustee by nominating candidates based on their commitment and understanding of the ethos and vision of OSAIS and their availability. OSAIS trustees are committed to ensure that there is an equal representation of male and female trustees. The School Council and School students are consulted on the appointment of new trustees. Voting takes place amongst the trustees and they are added according to the majority. Potential trustees are invited to attend trustee meetings as observers to fully understand the role of a trustee and OSAIS aims and objectives. When a decision has been finalised, the selected individual will be formally contacted by the School Services Team from OSAIS who will formally welcome them as a trustee. Training of trustees is a joint responsibility of ACT, current trustees and the Shoora team.

Objectives

In setting our objectives and planning our activities, the trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

- To provide facilities for the provision of Islamic education in Manchester as well as nationally.
- Setup and engage in interfaith and community activities to promote and support social cohesion within Manchester, and the surrounding areas.
- To provide and maintain a building used for educational and community purposes in Manchester.
- To engage and support the positive work done by other Muslim institutes and communities who are also working for the betterment and community relations of the wider society in the UK.

Our objectives are set to reflect our educational aims and the ethos of OSAIS and along with our activities and developments, they are reviewed bi-annually (In-person Shoora) by the management teams.

The focus of our work

Academic

OSAIS provides Islamic education to adult Muslims locally and nationally through classes based in person and via online facilities.

The classes range from foundation to an advanced level. A number of OSAIS teachers manage the delivery of the academic courses offered by OSAIS. Some of these courses include Ilm Al-Tajweed (Science of Intonation), Ilm As-Seerah (Key Biographies), Ilm Al-Tafseer (commentary of the Quran), Arabic GCSE and Arabic A Level. A full list is available on the OSAIS blog which can be found at <https://osaisstudents.wordpress.com>

Similarly OSAIS also has a department for education for young people known as The Azhari Madrasat (TAM) which offers Islamic studies and extra curricular activities for children from the age of 10 years and above.

OSAIS also conducts Day Studies and short courses where possible. Examples of such Days Studies include Medical Ethics, Principles of Research, Citizenship and Arbitration.

Current Events

OSAIS courses are delivered online as well as in-person in various localities as well as the OSAIS Centre. Students from all over the UK are studying with OSAIS through the Student Teachers and with the support of ACT. Educational courses such as Ilm Al-Tajweed (Science of Intonation) and Arabic Language continued to be delivered by Student Teachers in collaboration with ACT.

Training courses such as the ST (Student Teachers) Inset and the In-Person Shoorā (OSAIS Management Team Meeting) also took place which serves the purpose of reviewing all OSAIS activities as well as working collectively on further development and planning. Again these were delivered with the support of ACT.

OSAIS facilitated the following short courses this year:

1. Arabic Advanced Level for Adults and young people - A week of intensive Arabic Language took place in July 2022.
2. Dealing with conflicts for organisations Day study - This was a 3 part day study course that was delivered in December 2022 and continued in January 2023, by ACT for Student Teachers and the management team.
3. Introduction to Siyaam and Tazkiyah - a Day study delivered by three Student Teachers under ACTs guidance.
4. Introduction to Tazkiyah and (Spiritual Purification) and I'tikaaf (Spiritual seclusion) - A one-day study of spiritual purification focussing on spiritual seclusion in Ramadhan took place in March 2022.
5. Ramadhan Talks delivered by Student Teachers in March 2022 in local centres.
6. ST Teaching Khateeb and Khutbah training - this course was to train local Imaams and STs on how to deliver the Friday sermon in Mosques and took place in June 2022.
7. How to teach Medical Ethics - Delivered in June 2022 for health professionals.
8. The Azhari Madrasat (TAM) Open Day - This took place in July 2022 and January 2023 for parents and guests. The children gave presentations and were awarded certificates.

Non-Academic

Extra-curricular activities have included community events between local council and police, as well as College and University societies. Various meetings have been organised with Scholars who engage in bettering community relations through Interfaith and talks to the general public. OSAIS have attended events in Oldham, Birmingham and Cardiff. Also a bring a dish gathering took place in December for women and young children. ACT and OSAIS also attended a seminar on drugs, alcohol and addiction support in Leicester in April 2022.

Review of Activities and Achievements

Development

- The next plans are to raise funds for the refurbishment of the basement into a fully functional room with more facilities. The exact details are still being discussed and will be considered through more consultation from the managing teams. Some renovations have taken place such as updating of the sign at the front of the building.
- The new OSAIS website (<http://theopenschool.org>) is fully running now and is updated regularly. It is hoped this will allow greater efficiency for students and those working in OSAIS and also allow the general public to learn more about the ethos of OSAIS.

Future Plans

- Expanding of the school has started although this is in the early stages at the moment. Student teachers are currently working on forming sub teams to manage and operate local centres in various locations throughout the UK. This is in the planning process and is a gradual process which is reviewed twice per year in the Shoora team biannual meetings (In-person Shoora).
- There have been some discussions on renovating the basement and these are still in discussion. Some maintenance work will also be done to internal and external parts of the building which require updating.
- To promote the availability of the OSAIS centre for community activities, Nikkah (wedding) ceremonies, and educational activities and to facilitate revenue generation.
- To plan and arrange more non-academic and extracurricular activities for adults and children to bring communities together in a positive environment.

TRUSTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2023

Financial review

The financial position of charity as at 31 March 2023 was showing: -

	£
Unrestricted funds	262,884
Restricted funds	0
	<hr/>
Total funds	262,884
	<hr/> <hr/>

The principle funding of the charity is from donations.

Reserve policy

It is the trustees' intention to generate a balance of unrestricted reserves, which will allow for the operation of the charity.

Investment policy

The trustees have considered the most appropriate policy for investing funds and have found that a building society or bank deposit account meets their requirements should funds be available to invest.

Statement of trustees' responsibilities

Under company law the trustees have the same legal responsibilities as company directors and the title is interchangeable.

Company law requires the trustees to prepare accounts for each financial year, which give a true and fair view of the state of the affairs of the company and the profit and loss of the company for that year. In preparing those accounts the trustees are required to select suitable accounting policies and then apply them consistently; make judgements and estimates that are reasonable and prudent; follow applicable accounting standards, subject to any material departures disclosed and explained in the accounts; and prepare the accounts on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The above report has been prepared in accordance with special provisions of section 477 of Companies Act 2006 relating to small companies.

THE OPEN SCHOOL FOR ARABIC AND ISLAMIC STUDIES (OSAIS)

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEE'S OF THE OPEN SCHOOL FOR ARABIC AND ISLAMIC STUDIES (OSAIS)

I report on the accounts of the charity for the year ended 31 March 2023, which are set out on pages 7 to 11.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act;have not been met; or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

TRUSTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2021

The focus of our work

Academic

- OSAIS provides Islamic education to adult Muslims locally through classes based in Old Trafford and nationally via online and conference call facilities.
- The classes range from foundation to an advanced level. A number of OSAIS teachers manage the delivery of the academic courses offered by OSAIS. Some of these courses include IIm Al Tajweed (Science of Intonation), IIm As Seerah (Key Biographies), IIm Al Tafseer (commentary of the Quran), Arabic GCSE and Arabic A Level. A full list is available on the OSAIS blog which can be found at <https://osaisstudents.wordpress.com>

Development

- The refurbishment work in the OSAIS Centre has been **completed** and the site is fully functional. TRUSTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2021

Financial review

The financial position of charity as at 31 March 2021 was showing: -

	£
Unrestricted funds	260,958
Restricted funds	0
Total funds	<u>260,958</u>

The principle funding of the charity is from donations.

Reserve policy

It is the trustees' intention to generate a balance of unrestricted reserves, which will allow for the operation of the charity.

Investment policy

The trustees have considered the most appropriate policy for investing funds and have found that a building society or bank deposit account meets their requirements should funds be available to invest.

Statement of trustees' responsibilities

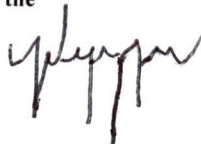

Under company law the trustees have the same legal responsibilities as company directors and the title is interchangeable.

Company law requires the trustees to prepare accounts for each financial year, which give a true and fair view of the state of the affairs of the company and the profit and loss of the company for that year. In preparing those accounts the trustees are required to select suitable accounting policies and then apply them consistently; make judgements and estimates that are reasonable and prudent; follow applicable accounting standards, subject to any material departures disclosed and explained in the accounts; and prepare the accounts on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The above report has been prepared in accordance with special provisions of section 477 of Companies Act 2006 relating to small companies.

Signed on behalf of the
Board of trustees

THE OPEN SCHOOL FOR ARABIC AND ISLAMIC STUDIES (OSAIS)

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEE'S OF THE OPEN SCHOOL FOR ARABIC AND ISLAMIC STUDIES (OSAIS)

I report on the accounts of the charity for the year ended 31 March 2021, which are set out on pages 7 to 11.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act;have not been met; or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
