### **Objectives and activities**

The object of Macclesfield Youth Brass Band is to advance the education of young people (ages 7 to 19) and the general public in the art of brass band music, in particular within the Macclesfield area, by the provision of the necessary facilities and training for the young people and public performance of a range of works.

To achieve this object Macclesfield Youth Brass Band (MYBB) teaches young people in both small groups and large ensembles how to play brass band instruments at its weekly rehearsals which run for at least 45 weeks of the year. There are also ad hoc extra training session led by professional tutors, or as workshops. The weekly teaching is carried out by a team of adult volunteer musicians together with young band members. Instruments and music are provided on loan to the players. There are three bands; training, junior and youth, and all sections of MYBB give performances in the Macclesfield area including full concerts in spring and at Christmas, as well as musical contributions to a wide range of local events. The financial results indicate a very high level of activity carried out by the young people who are the charities beneficiaries, and the trustees are committed to public performance for players at all levels, including beginners.

All bands enter contests, both local and national, to give players the experience of a very important aspect of being in a brass band, and to encourage them to work together towards improving the playing standard.

Public benefits conferred by the work of MYBB are numerous, and inclusivity is a priority. Music has the reputation of being an expensive hobby for young people, but a year's subscription to the band adds up to only £60, and in many cases reduced by discounts, and this includes the loan of an instrument, music, uniforms and many other activities. The cost of subs has been maintained at this affordable level since the band formed in 2005. A scheme to help players whose progress is impaired by a medical condition or learning difficulty has been running successfully for some years, supported by a national charity.

## Structure, governance and management

Macclesfield Youth Brass Band is a charitable incorporated organisation. It is entirely volunteer run and is managed by the trustees. It has no formal relationship with any other organisation. Where a vacancy for a trustee arises, it is advertised within the organisation and a role description is made available. Discussions about the role are welcomed. Once the suitability of a potential trustee has been agreed by the board the candidate has expressed willingness to serve, the Charity Commissions' procedures are followed and the constitutional requirements met, including the provision of an induction and training.

## Achievements and performances

The main achievements of the year were

- Continuing to run three bands for the benefit of around 100 young people, including via zoom for the majority of the year.
- Youth Band winning Brass Factor 2019
- Youth Band taking part in Brass in Concert 2019
- Maintaining subscription charges at £20 a term or less
- Running a weekend residential event for the Junior Band and events for the training band promoting team building and enhancing music skills
- Continuing to improve the development and training of volunteers by means of a formal in-house training session
- Continuing to make music accessible to audiences with tickets either free or no more than £5 for adults and £2 for children
- Improvement in the standard of instruments through our in house repair service
- Continuing to upgrade instruments

## Financial review

The reserves held, excluding those represented by fixed assets, are sufficient to meet the ongoing expenditure in the short term and to allow trustees flexibility to respond to the charity's developing needs, especially for better quality instruments to match the improving playing standard.
