Trustees Report for 2020

Trustees;
Duncan Wood (Chairman)
Alison Blundell
Paul Blundell
Rachel Crouch
Shaun Miller
Veronica Wood

The charity was created in November 2013. Its aim is outlined below in the constitution. The board of Trustees is a selection of the members who are also regular users of the club. The Trustees also have professional skills which can be utilised to maximise the efficiency and professionalism of the club.

In September 2019 three trustees resigned due to other commitments. Rachel Crouch, Alison and Paul Blundell are warmly thanked for all their support over the past year. Rachel Crouch in particular has been a long and staunch supporter of Pirate Fitness since it's foundation as a C.I.O. which is greatly appreciated. Graham Agutter and Peter Bradley have been appointed as trustees from September 2020.

Also in September 2020, Peter Long resigned as General Manager to pursue a new career as an electrician and Pirate Fitness wishes him every success with this new venture. Phoebe Wood applied for the post, was interviewed and subsequently offered the position. Phoebe took over the role in late September and we welcome her to the team.

During the latter half of this seventh year as a C.I.O Pirate Fitness encompassed a few challenges due to the unforeseen Covid-19 Virus and the mandatory closure of our facilities for four months. Whilst staff of Pirate Fitness were on furlough the hiatus in service delivery was used as an opportunity to review and consider ways in which the facilities could be improved further and in these new pandemic times to be extra clean and safe for all users of the facilities. In addition, that Pirate Fitness provided relevant services beneficial and pertinent to the long term health and wellbeing of our local community especially with fighting the physical effects of having the virus.

With the loss of a third of our gym membership due to the consequences of the pandemic and the closure of the facilities Pirate Fitness took advantage of the government grant to help cover costs during the closure and a government backed loan to support finances while membership is rebuilt. With lock down over, members, new and old, are continuing to re-join.

The formal structure created by the Trustees to run the club to ensure good health and safety procedures and to improve the level of hygiene within the premises has been invaluable within the changing Covid-19 environment. Additional processes too have been utilized over the past year to ensure that all equipment is functioning correctly and is regularly maintained to ensure good use and safety. The programme to upgrade both the club premises and the equipment has continued.

Pirate Fitness C.I.O. Constitution

The promotion of community participation in healthy recreation, for the benefit of the residents of Witney and the surrounding area, by the provision and maintenance of facilities for sports, exercise and fitness training.

Our Charitable Objectives:

- To provide exercise and fitness training with its health and social benefits to the inhabitants of Witney and surrounding areas.
- To promote physical activity.
- To offer various services to help members meet their fitness, health and wellness goals.
- To offer various services to help members remain focussed and motivated.
- To maintain the facilities

Summary:

The long term aims for Pirate Fitness remain unchanged and these are to not only ensure that the equipment is accessible and user friendly, but that the facilities are affordable and appealing for all partakers whether they are young, old or simply a little mature and to promote personal goals ranging from a desire to improve health, maintain fitness or to achieve specific personal fitness or sports targets. All demographic groups too where possible are catered for from residents, the disciplined gym users or casual participants. Our changing times and the prolonged constraints of living with a long term virus also leads us to more than ever emphasise the importance of mental wellbeing, and being as fit and healthy as possible which Pirate Fitness continues to promote and support within our community together with a safe, secure environment.

This has been achieved in the following ways:

- A Covid-19 secure environment with
 - a risk assessment in place.
 - Regular updates given verbally, by email and via social media as to the steps taken by Pirate Fitness and expectations of all within the environment.
 - Social distancing maintained with the monitoring of numbers using the facilities, with repositioning of equipment and extensive signage deployed throughout the areas of the gym. Participant positions are marked in the studio to reduce contact. Entry and exit from the building is a clearly indicated one way system. Tables and chairs for gathering around have either been removed or spaced out safely.
 - PPE is used with staff wearing face coverings when not teaching classes. Gym users are also encouraged to wear masks when not exercising. Around the reception area is a large plastic screen.
 - Hygiene is maintained with regular cleaning of the equipment and the environment by staff and members. Promotion of sanitisers and regular hand washing is visible together with signage and gentle verbal prompts if necessary.
 - Temperature checks on all on entry to the premises.

- The closure of the gym during lock down facilitated external volunteers to undertake large maintenance jobs while the building was empty.
- Extensive redecoration in the gym and studio to provide an inviting and pleasant space in which to exercise.
- Continuing to use fund raising donations from our members to invest in additional equipment, namely free weights, weight stacks, benches and bars and the acquisition of top of the range Spin bikes for this very popular studio class
- Continuing to offer weight-loss and fitness improvement programmes.
- Making the Studio available to local groups (such as NHS) and individuals to hire at minimal rates to promote health and wellbeing in the community.
- Continuing to promote a dedicated 'Teen Gym' period with supervised sessions for 13-17 year olds with the objective of improving teenagers' health and reducing childhood obesity.
- Maintaining an exercise class timetable which is changed quarterly, offering new and varied sessions suitable for all levels and abilities.
- Fixed membership prices with no increase, despite increases in overheads, to maintain accessibility and affordability for all. Members also are not under contract for any length of time to allow flexibility.
- A local business programme aimed at contacting companies to offer special rates to promote health and wellbeing in the workplace.
- A new phone based access system which while substantially more financially economical, provides far greater benefits to the members. A phone or key fob QR code is used to access the facilities instead of a card. The system is able to monitor numbers within the building so social distancing can be safely adhered to and members can log in to see and avoid busy periods. Class bookings are also undertaken by the same phone app giving participants greater control over their intended activities.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended
31st December 2020.

**Responsibilities and basis
of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's
statement**

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Chartered Association of Certified Accountants.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1.2 Going concern

If there are material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern, please provide the following details or state "Not applicable", if appropriate:

An explanation as to those factors that support the conclusion that the charity is a going concern;

The charity has been badly affected by Covid 19 and turnover in the year ended 31st December 2020 was significantly reduced. Members are returning to the Gym but it will take a significant amount of time for membership levels to recover. Another Gym has opened in Witney leading to a reduction in members as well. A Bounce Back Loan of £50,000 has been taken out and used to fund cash flow. At the time of this report the majority of the funds from the loan are still available to cover future costs.

Disclosure of any uncertainties that make the going concern assumption doubtful;

Despite the difficulties caused by Covid 19 the Trustees are confident that the charity will continue operating.

Where accounts are not prepared on a going concern basis, please disclose this fact together with the basis on which the trustees prepared the accounts and the reason why the charity is not regarded as a going concern.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability. 	Yes ✓	No	N/a

In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.	Yes	No	N/a ✓

Please complete this note events (not requiring adjustment to the accounts) have occurred after the end of the reporting period but before the accounts are authorised which relate to conditions that arose after the end of the

	This year	Last year
Please provide details of the nature of the event	The charity has been badly hit by the Covid Pandemic. It is hoped that trade will recover in due course. However, a new Gym has opened in Witney and there has been some impact on Gym membership.	
Provide an estimate of the financial effect of the event or a statement that such an estimate cannot be made	Turnover in 2021 is expected to be around 40% lower than 2019 (the latest year Pre Covid). Efforts are being made to reduce costs. The Manager has resigned and the role is being covered by volunteers and less expensive staff. However, 2021 will in all probability see the Charity making another loss and will need the support of the Landlord to continue trading.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31st December 2020.

Responsibilities and basis
of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's
statement

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Chartered Association of Certified Accountants.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
