Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The Ebor Academy Trust (EAT), a multi-academy trust, is responsible for the Robert Wilkinson Primary Academy (RWPA). The charity's trustees can nominate two Members and one Director to the Board of the EAT, and up to 3 governors for the Board of Governors for RWPA.

In line with the Charity's first objective, as well as being sited on land owned by the Charity, the Academy and its current and former pupils are the principal beneficiaries of bequests from the Charity under its first objective.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objectives are:

- 1) The advancement of education primarily for the benefit of children in the Parish of Strensall with Towthorpe and particularly the pupils of Robert Wilkinson Primary Academy. This includes making available land owned by the charity, as determined by the trustees, to the above Academy; and promoting the education of those under 25 and in need.
- 2) The relief of those in need by virtue of poverty, hardship or distress and resident in the above Parish or surrounding area by the provision of assistance and support (financial or otherwise) in such ways as the trustees from time to time think fit.

However, the trustees shall not be obliged to provide funding for the above which should otherwise be provided by the state (whether through central or local government or otherwise).

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The largest benefit activity has been the usual provision of book grants to former Robert Wilkinson Primary Academy pupils, and other young people living in Strensall, to help purchase books and similar materials for their university courses. This is in support of the first objective.

The Charity has paid the deposits for two pupils from Robert Wilkinson Primary Academy to go on the Year 6 Residential Course in 2022. The balance of the costs will be paid in the following accounting year. This supports both objectives.

As with last year, the trustees have received relatively few requests for assistance in the period under review. Projects with potential funding from the Charity being considered by Robert Wilkinson Primary Academy were put on hold while the academy concentrated on teaching during the Covid-19 pandemic. However, the Charity has agreed to pay for additional learning resources for Early Years and Year 1 aimed at trying to bridge the gap in learning caused by the Covid lockdowns. Once copies of the paid invoices, up to an agreed total maximum of £35,500, are provided the Charity will reimburse the Academy in 2022.

This project aligns with the first objective.

The foregoing has meant that the Charity's funds have increased significantly over the year. It is anticipated that once the pandemic is over the academy will progress with further projects and the Charity will be able to provide financial support where funding is not the responsibility of the Department for Education.

In their decisions to agree to requests for funding, the trustees have had due regard to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

As noted above, the Charity has had a quiet year in terms of requests for funding. This has allowed it to both support all assistance requests, where consistent with the objectives, and to further increase its funds to be available for future projects at the Robert Wilkinson Primary Academy.

This Charity's accumulated funds significantly exceed the targeted reserve.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Trustees aim to retain around £15,000 in the Charity's bank account in case of any major issues with its properties.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The Charity's income is relatively fixed as it is limited to rental income from its two residential properties and a small amount of agricultural land, together with dividends from several investment funds. However, the income from the latter has been lower in 2021 as some companies have cancelled dividends to preserve cash during the Covid-19 pandemic thereby reducing the income received by the funds.

EXAMINER'S UNQUALIFIED REPORT (FOR A NON-COMPANY CHARITY)**Independent examiner's report to the trustees of the Wilkinson, Cobb and Hodgson Trust (registered charity 1154612) ("the charity")**

I report on the accounts of the charity for the year ended 31 December 2020, which are attached.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
